TO THE STOCKHOLDERS OF ALLIED ESPORTS ENTERTAINMENT, INC.:

You are cordially invited to attend a special meeting of stockholders (the “special meeting”) of Allied Esports Entertainment, Inc. (the “Company”), which, due to the public health concerns regarding the ongoing coronavirus pandemic (COVID-19), will be held virtually and exclusively online via live audio-only webcast, on [●], 2021, at [●] Eastern time ([●] Pacific time), or at any adjournment or adjournments thereof, for the following purposes:

1. to consider and vote on a proposal to approve and adopt the Amended and Restated Stock Purchase Agreement dated as of March 19, 2021, as amended on March 29, 2021 (as so amended, and as it may be further amended, modified or supplemented from time to time, the “Stock Purchase Agreement”) by and among the Company and its direct and indirect wholly-owned subsidiaries, Allied Esports Media, Inc. (“Esports Media,” and together with the Company, the “Selling Parties”) and Club Services, Inc. (“CSI”), and Element Partners, LLC (“Element”), pursuant to which the Company will sell 100% of the outstanding capital stock of CSI to Element; and
2. to consider and vote on a proposal to adjourn the special meeting to a later date or time if necessary or appropriate, including to solicit additional proxies in favor of the proposal to adopt the Stock Purchase Agreement if there are insufficient votes at the time of the special meeting to approve and adopt the Stock Purchase Agreement.

The record date for the special meeting is [●], 2021. Only stockholders of record at the close of business on that date may vote at the special meeting or any adjournment or postponement thereof.

CSI is an indirect wholly-owned subsidiary of the Company that directly or indirectly owns 100% of the outstanding capital stock of each of the legal entities that collectively operate or engage in the Company’s poker-related business and assets (the “WPT Business”). We refer to this transaction throughout as the “Sale Transaction.” The Sale Transaction may constitute the sale of substantially all of our assets under Delaware law and, accordingly, it cannot be completed unless it is approved by the affirmative vote of the holders of a majority of the issued and outstanding shares of our common stock.

The Sale Transaction, including the Stock Purchase Agreement, is described in greater detail in the accompanying proxy statement and the copy of Stock Purchase Agreement attached as Annex A to the accompanying proxy statement. You may also obtain additional information about the Company from documents filed with the Securities and Exchange Commission.

After careful consideration, our Board of Directors has unanimously approved the Stock Purchase Agreement and the Sale Transaction, and determined that the Sale Transaction is in the best interests of the Company and its stockholders.

SUMMARY TERM SHEET

This proxy statement is being furnished to the stockholders of the Company in connection with the solicitation of proxies of our stockholders to approve and adopt the Stock Purchase Agreement and the Sale Transaction and to approve the other related proposal to be voted on at the special meeting.

The summary that follows highlights the material terms and provisions of the Sale Transaction and selected information contained elsewhere in this proxy statement. It may not contain all of the information that is important to you. To fully understand the Sale Transaction, and for a more complete description of the Sale Transaction and related matters, you should carefully read this proxy statement in its entirety, including the Stock Purchase Agreement included as [Annex A](#).

Parties to the Sale Transaction (See page 43)

Allied Esports Entertainment, Inc.

Allied Esports Entertainment, Inc. is a global leader in esports entertainment, providing innovative infrastructure, transformative live experiences, multiplatform content and interactive services to audiences worldwide through its strategic fusion of two powerful brands: Allied Esports and the World Poker Tour®, or WPT®. See “Description of Allied Esports Entertainment, Inc.” beginning on page 62 of this proxy statement for a more fulsome description of our company and our businesses.

Element Partners, LLC

Element Partners, LLC, sometimes referred to in this proxy statement as “Element Partners,” “Element” or “Buyer,” is a Delaware limited liability company formed for the purpose of acquiring the WPT Business in the Sale Transaction. Element Partners is owned by an investment fund.

The Sale Transaction (See page 43)

Our Board of Directors approved a sale of CSI (and, therefore, the WPT Business) on December 30, 2020 and we entered into the original stock purchase agreement with Element to govern that sale on January 19, 2021. That agreement provided for the sale of 100% of the outstanding capital stock of CSI to Element for a base purchase price of \$68.25 million to be paid at closing of the transaction, and additional payments totaling \$10.0 million to be received over the subsequent three year period. Subsequently, and in response to our receipt of unsolicited proposals from Bally’s Corporation to purchase 100% of the outstanding capital stock of CSI, we entered into an amended and restated stock purchase agreement with Element on March 19, 2021, which was subsequently amended on March 29, 2021. Throughout this proxy statement, we refer to this agreement, as so amended (and as may be further amended, modified or supplemented from time to time), as the “Stock Purchase Agreement.”

Pursuant to the Stock Purchase Agreement, we intend to sell, and Element intends to purchase, 100% of the outstanding capital stock of CSI for a purchase price of \$105.0 million. This purchase price will be adjusted to reflect the amount of CSI’s cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. Element has remitted a \$10.0 million advance payment of the purchase price and is required to pay the balance of the purchase price at the closing of the Sale Transaction. The requirement to make future payments over three years following the closing of the Sale Transaction has been eliminated.

Terms of the Stock Purchase Agreement (See pages 47 and 51, and [Annex A](#))

The terms and conditions of the Sale Transaction are set forth in the Stock Purchase Agreement, the terms of which are described under the captions “Terms of the Stock Purchase Agreement” beginning on page 47, and “The Stock Purchase Agreement” beginning on page 51. A copy of the Stock Purchase Agreement, excluding the schedules thereto, is included as [Annex A](#) to this proxy statement.

Reasons for the Sale Transaction (See page 47)

In reaching its decision to approve and adopt the Stock Purchase Agreement and the Sale Transaction, our Board of Directors, in consultation with management as well as its financial and legal advisors, considered a number of factors that our Board of Directors believed supported its decision.

The WPT Business has been valued for potential sales in connection with unsolicited offers over the years. These offers were in general in the range of \$48.5 million to \$50.5 million.

The Board of Directors noted that the historical operations of the WPT Business and the COVID-19 pandemic adds risk to its long-term viability. Although the net profit of the WPT Business was approximately \$725,508 for the year ended December 31, 2020, the Board of Directors is concerned that such profit may not be sustainable in light of the present global economic conditions. The Board of Directors considered a number of risks and uncertainties about continuing to operate the WPT Business, including the risks involved in any expansion of the current WPT Business into new jurisdictions or markets, the need for additional capital to expand the WPT Business, and the adverse impacts that COVID-19 has had on the WPT Business' ability to host in-person events and the delays in the production of its television shows.

The Board of Directors also considered the results of the opinion delivered by the Company's Financial Advisor (described below), that determined that, in its opinion, the purchase price exceeds the fair value of the WPT Business based on each valuation approach (public trading multiples, discounted cash flow, investor returns, sum-of-the-parts, and selected transaction analyses) utilized by our advisor.

Such opinion noted that, using publicly available information for comparable transactions, an appropriate multiple of the WPT Business' estimated EBITDA for twelve months ended as of June 30, 2021, which was assumed to be an average of preliminary fiscal year 2020 EBITDA and the fiscal year 2021 forecasted EBITDA, ranges from 11.0x - 15.0x, and based on these multiples, the WPT Business has an implied valuation range of \$57.5 million to \$78.3 million, which is significantly less than the total purchase price of \$105 million in the Sale Transaction.

Our Board of Directors concluded that it would be in our best interest and the best interest of our stockholders to sell the WPT Business, and that the Sale Transaction reflects the highest value for the WPT Business reasonably attainable for our stockholders.

Approval and Recommendation of our Board of Directors (See page 47)

Our Board of Directors has approved, and deemed expedient and in the best interests of the Company and its stockholders, the Stock Purchase Agreement and the Sale Transaction. **OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE AT THE SPECIAL MEETING "FOR" THE PROPOSAL TO APPROVE AND ADOPT THE STOCK PURCHASE AGREEMENT.**

Opinion of the Company's Financial Advisor (See page 47)

In connection with the Sale Transaction, our Board of Directors received a written opinion, dated April 15, 2021, from our financial advisor, Shot Tower Securities LLC, or "Shot Tower," as to the fairness, from a financial point of view as of the date of such opinion, of the consideration to be received by us from the Sale Transaction. The full text of Shot Tower's written opinion, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as [Annex B](#) to this proxy statement and is incorporated herein by reference. Shot Tower's opinion was provided for the use and benefit of our Board of Directors (solely in its capacity as such) in its evaluation of the Sale Transaction. Shot Tower's opinion is limited solely to the fairness as of the date of such opinion, from a financial point of view, of the consideration to be received by us from the Sale Transaction pursuant to the Stock Purchase Agreement, and does not address our underlying business decision to effect the Sale Transaction or the relative merits of the Sale Transaction as compared to any alternative business strategies or transactions that might be available with respect to us. Shot Tower's opinion does not constitute a recommendation to any of our stockholders as to how such stockholder should vote or act with respect to the Sale Transaction or any other matter. Shot Tower is a leading investment banking boutique providing advisory and capital raising services in the media and consumer products sectors.

Operations of the Company After the Sale Transaction (See page 48)

The Company's Board has considered a number of alternatives with respect to the use of the Company's assets following the completion of the Sale Transaction. We intend to retain our cash and investments and the other assets and liabilities that are not part of the Sale Transaction.

The rapid growth and popularity of gaming and esports during the COVID-19 pandemic has driven interest in the Company's esports business, Allied Esports, and the Company's Board of Directors has agreed to explore strategic options for the esports business, including a possible sale. The Company has engaged investment bank Lake Street Capital Markets to assist with the process.

Upon completion of the Sale Transaction, and assuming the realization and completion of a sale of the esports business, we would proceed, under a new corporate name, as a publicly traded holding company focused on using our cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors. The Company does not have any specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. We have not, nor has anyone on our behalf, had substantive discussions, formal or otherwise, with respect to such a transaction. The Company does not plan to limit itself to any particular industry or geographic location in its efforts to identify prospective target businesses.

We will continue to be a public company and our common stock will continue to trade on the Nasdaq Capital Market following completion of the Sale Transaction. The Company does not intend to go private or terminate reporting obligations under the Securities Exchange Act of 1934, or the "Exchange Act."

Risk Factors Related to the Sale Transaction (See page 17)

The Sale Transaction, including the possibility that the Sale Transaction may not be completed, involves a number of risks to us and our stockholders, including the

following:

- the announcement and pendency of the Sale Transaction, whether or not completed, may adversely affect our businesses;
- if we fail to complete the Sale Transaction, our business and financial performance may be adversely affected;
- we will incur significant expenses in connection with the Sale Transaction whether or not it is consummated, and under certain circumstances we may be forced to pay to the Buyer a \$3.45 million termination fee or up to \$1.0 million towards Buyer's out of pocket expenses, in each case reducing our cash;
- you will not receive any of the proceeds from the Sale Transaction;
- the Stock Purchase Agreement limits our ability to pursue alternatives to the Sale Transaction;
- if the Sale Transaction is completed, we will no longer be engaged in the WPT Business and our future results of operations will differ materially from our previous results;
- if the Sale Transaction and the sale of our esports business are completed, we would proceed (likely under a new corporate name) as a publicly traded holding company focused on using our cash resources to explore business opportunities that we have not yet identified, and there is no assurance regarding when and whether we will pursue such opportunities or whether we will be successful in doing so;
- the Sale Transaction is subject to customary closing conditions and may not occur;

- we will continue to incur the expenses of complying with public company reporting requirements following the closing of the Sale Transaction notwithstanding the decrease in the size of our operations following the Sale Transaction; and
- following the closing of the Sale Transaction, we will be subject to five-year non-competition and non-solicitation covenants, which will limit our ability to pursue future opportunities in poker-related fields.

Use of Proceeds

At the closing of the Sale Transaction, we will have received total cash consideration of \$105.0 million (\$10.0 million of which has already been advanced to us), adjusted to reflect CSI's cash, indebtedness and accrued and unpaid transaction expenses as of the closing date. We anticipate that from the closing date proceeds, approximately \$3.7 million will be used to repay existing indebtedness, and no closing proceeds will be used to pay transaction expenses (as those expenses are being paid by us on a monthly basis). We will use the remaining closing date proceeds for general corporate purposes, and intend to focus on using our cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors. However, the Company does not plan to limit itself to any particular industry or geographic location in its efforts to identify prospective target businesses. Currently, the Company does not have any specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. We have not, nor has anyone on our behalf, had substantive discussions, formal or otherwise, with respect to such a transaction.

Required Approvals (See page 48)

Corporate approval of the Sale Transaction requires the affirmative vote of the holders of a majority of the Company's outstanding common stock in favor of the Sale Transaction.

In connection with the execution of the Stock Purchase Agreement, Buyer and certain of our key stockholders, including certain of our directors and executive officers, entered into stockholder support agreements pursuant to which they have agreed to vote their shares of Company common stock in favor of approval of the Sale Transaction and against the approval or adoption of any alternative transactions. These stockholders also granted to Buyer a proxy to vote their shares of Company common stock in favor of approval of the Sale Transaction and agreed not to transfer their shares of Company common stock prior to the expiration of the stockholder support agreements. These key stockholders collectively own or control an aggregate of approximately 17.3% of the Company's outstanding common stock. In addition, the Company has agreed to use its reasonable efforts to cooperate with Buyer to obtain executed copies of a stockholder support agreement from Primo Vital Limited, the holder of 30.6% of the Company's outstanding common stock, and a Deed of Irrevocable Undertaking containing covenants to support the Sale Transaction from stockholders of Ourgame International Holdings Limited, the parent company of Primo Vital Limited, as promptly as possible after the date of the Stock Purchase Agreement. The forms of stockholder support agreements and Deed of Irrevocable Undertaking are attached as Exhibits A, C and D to the Stock Purchase Agreement.

The Sale Transaction is subject to, among other things, the absence of any action commenced by or before any governmental authority challenging the Sale Transaction.

Except for compliance with the applicable regulations of the Securities and Exchange Commission ("SEC") in connection with the proxy statement and with the Delaware General Corporation Law, or "DGCL," in connection with the Sale Transaction, we are not required to comply with any federal or state regulatory requirements, and no federal or state regulatory approvals are required in connection with the Sale Transaction.

Closing of the Sale Transaction (See page 48)

We intend to consummate the Sale Transaction shortly after obtaining stockholder approval for the Sale Transaction, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived. Pursuant to the Stock Purchase Agreement, the "Outside Date" for closing the Sale Transaction is September 30, 2021, after which either we or Buyer may terminate the Stock Purchase Agreement.

Termination of the Stock Purchase Agreement(See page 58)

The parties to the Stock Purchase Agreement may mutually agree to terminate the Stock Purchase Agreement at any time.

We, on the one hand, or Buyer, on the other hand, may terminate the Stock Purchase Agreement if:

- any governmental entity that must grant a regulatory approval for the Sale Transaction denies approval of the Sale Transaction, or any governmental entity issues a final and nonappealable order, injunction or decree permanently prohibiting the consummation of the Sale Transaction;
- the Sale Transaction is not consummated on or before the Outside Date; or
- there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in the Stock Purchase Agreement by us, in the case of a termination by Buyer, or Buyer, in the case of a termination by us.

Buyer, may terminate the Stock Purchase Agreement if, prior to receipt of stockholder approval, our Board of Directors changes its recommendation that our stockholders approve the Sale Transaction, or if we materially breach our covenant not to solicit a competing acquisition proposal.

We may terminate the Stock Purchase Agreement if we receive a competing acquisition proposal from a third party that our Board of Directors determines is more favorable to our stockholders than the Sale Transaction, our Board of Directors authorizes our entry into a definitive agreement to consummate the transaction contemplated by such competing proposal, and we pay a \$3.45 million termination fee to the Buyer, reimburse the \$10.0 million advance payment of purchase price to the Buyer, and we enter into such definitive agreement, all concurrently with the termination of the Stock Purchase Agreement.

Depending on the circumstances surrounding a termination of the Stock Purchase Agreement, Buyer may be required to pay a \$10.0 million non-performance fee to us, or we may be required to pay a \$3.45 million termination or non-performance fee to the Buyer and return to Buyer the \$10.0 million advance payment of purchase price and reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transaction.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions, and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a termination fee to us, the Company will have the option, but not obligation, to require the Buyer to into such license agreement with Peerless Media Limited. The form of the agreement governing the license is attached as Exhibit B to the Stock Purchase Agreement.

Interests of Our Directors and Executive Officers in the Sale Transaction(See page 49)

Certain of our directors and executive officers may have interests in the Sale Transaction that are different from, or in addition to, those of our stockholders generally. These interests may create potential conflicts of interest. Our Board of Directors was aware that these interests existed when it approved the Stock Purchase Agreement. Directors without potential conflicts of interest constitute a majority of our Board of Directors.

Material U.S. Federal Income Tax Consequences of the Sale Transaction(See page 49)

We will treat the Sale Transaction as a taxable stock sale of a U.S. consolidated return subsidiary. The Sale Transaction will be fully taxable to the Company based on the fair market value of the consideration received as compared to the stock basis in CSI (and therefore in the WPT Business) at the closing of the Sale Transaction. Based on an initial estimated analysis of the Sale Transaction by the Company's tax advisors, the Company does not expect that the Sale Transaction will result in any U.S. federal income tax consequences exceeding \$7.0 million.

The Company does not expect that the Sale Transaction will result in any federal income tax consequences for its stockholders because they will not receive any of the proceeds from the Sale Transaction.

Anticipated Accounting Treatment (See page 50)

Upon completion of the Sale Transaction, we will remove from our consolidated balance sheet all of the assets and liabilities associated with the WPT Business sold to Buyer and will reflect therein the effect of the receipt and the use of the proceeds of the Sale Transaction and other related transactions, including (a) the repayment of any remaining convertible debt or bridge notes, (b) the payment of our transaction expenses, and (c) the impact of the acceleration of vesting of stock-based compensation awards held by employees of the WPT Business. We will record a gain on the sale of the WPT Business in our consolidated statement of operations equal to the difference between the purchase price received or expected to be received and the book value of the assets and liabilities sold. Furthermore, any financial statements that are issued in the future, relating to periods prior to the closing of the Sale Transaction, will present the assets and liabilities of the WPT business on a condensed basis as "held for sale" and the revenues and operating results of the WPT business will be condensed and presented as "income (loss) from discontinued operations".

Interests of our Stockholders

Following the Sale Transaction, our current stockholders will continue to own 100% of our outstanding common stock.

Appraisal Rights (See page 50)

Holders of the Company common stock are not entitled to appraisal rights in connection with the Sale Transaction.

Stockholder of Record — Shares Registered in Your Name: If on [●], 2021, your shares were registered directly in your name with our transfer agent, Continental Stock Transfer & Trust, then you are a stockholder of record. As a stockholder of record, you may vote at the special meeting virtually or vote by proxy prior to the special meeting. Whether or not you plan to attend the special meeting, we urge you to vote by proxy through the internet or mail using a proxy card that you may request

as instructed below, to ensure your vote is counted.

Beneficial Owner — Shares Registered in the Name of a Broker or Bank: If on [●], 2021, your shares were not registered in your name, but instead are held in an account at a brokerage firm, bank, dealer or similar organization, then you are the beneficial owner of shares held in “street name” and proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the special meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the special meeting. Since you are not the stockholder of record, however, you may not vote your shares at the special meeting even if you participate virtually, unless you request and obtain a valid proxy from your broker, bank or other agent.

What proposals will be considered at the special meeting?

At the special meeting, you will be asked to consider and vote on:

1. a proposal to approve and adopt the Stock Purchase Agreement; and
2. a proposal to adjourn the special meeting to a later date or time if necessary or appropriate, including to solicit additional proxies in favor of the proposal to approve and adopt the Stock Purchase Agreement if there are insufficient votes at the time of the special meeting to approve adopt the Stock Purchase Agreement.

What vote is required to approve each of the proposals?

The proposal to approve and adopt the Stock Purchase Agreement requires the affirmative vote of the holders of a majority of the outstanding shares of Company common stock entitled to vote on such matter. Abstentions and failures to vote (including a failure to instruct your broker, bank or other nominee to vote shares held on your behalf) will have the same effect as a vote “AGAINST” the proposal to approve and adopt the Stock Purchase Agreement.

The approval of the proposal to adjourn the special meeting if necessary or appropriate requires the affirmative vote of holders of a majority of the shares of Company common stock present in person (in this case, virtually) or represented by proxy at the special meeting entitled to vote on such matter. In addition, even if a quorum is not present at the special meeting, the affirmative vote of holders of a majority of the shares of Company common stock present in person (in this case, virtually) or represented by proxy at the special meeting entitled to vote on such matter may adjourn the meeting to another place, date or time. In each case, an abstention from voting will have the same effect as a vote “AGAINST” the proposal.

How does the Board of Directors recommend that I vote on the proposals?

After careful consideration, our Board of Directors has unanimously approved the Stock Purchase Agreement and the Sale Transaction, determined that the Sale Transaction is in the best interests of the Company and its stockholders, and unanimously recommends that you vote “**FOR**” the proposal to approve and adopt the Stock Purchase Agreement and “**FOR**” the proposal to adjourn the special meeting if necessary or appropriate.

Have any of the Company’s stockholders already agreed to approve the Stock Purchase Agreement?

Buyer and certain of our key stockholders, including certain of our directors and executive officers, entered into stockholder support agreements pursuant to which they have agreed to vote their shares of Company common stock in favor of approval of the Sale Transaction and against the approval or adoption of any alternative transactions. These stockholders also granted to Buyer a proxy to vote their shares of Company common stock in favor of approval of the Sale Transaction and agreed not to transfer their respective shares of Company common stock prior to the expiration of the stockholder support agreements. These key stockholders collectively own or control an aggregate of approximately 17.3% of the Company’s outstanding common stock. In addition, the Company has agreed to use its reasonable efforts to cooperate with Buyer to obtain executed copies of a stockholder support agreement from Primo Vital Limited, the holder of 30.6% of the Company’s outstanding common stock, as promptly as possible after entering into the Stock Purchase Agreement, and to obtain a Deed of Irrevocable Undertaking containing covenants to support the Sale Transaction from stockholders of Ourgame International Holdings Limited, the parent company of Primo Vital Limited. The forms of stockholder support agreements and Deed of Irrevocable Undertaking are attached as Exhibits A, C and D to the Stock Purchase Agreement.

Do I need to attend the special meeting in person?

No. Due to the COVID-19 pandemic, the Company is not hosting the special meeting in person. It is being held virtually and exclusively online via live audio-only webcast at [●]. You may vote by mail or through the Internet, as described in more detail below.

How many shares are needed to constitute a quorum?

The presence at the special meeting, in person (in this case, virtually) or by proxy, of the holders of one-half of the issued and outstanding shares of Company common stock entitled to vote constitutes a quorum for the purpose of considering the proposals. As of the close of business on the record date, there were [●] shares of Company common stock outstanding. If you are a Company stockholder as of the close of business on the record date and you vote by mail, through the Internet or in person (in this case, virtually) at the special meeting, you will be considered part of the quorum. If you are a “street name” holder of shares of Company common stock (i.e., you hold your shares in the name of a bank, broker, trust or other nominee) and you provide your bank, broker, trust or other nominee with voting instructions, then your shares will be counted in determining the presence of a quorum. If you are a “street name” holder of shares and you do not provide your bank, broker, trust or other nominee with voting instructions, then your shares will not be counted in determining the presence of a quorum.

All shares of Company common stock held by the Company stockholders that are present in person (in this case, virtually), or represented by proxy, and entitled to vote at the special meeting, regardless of how such shares are voted or whether such stockholders have indicated on their proxy that they are abstaining from voting, will be counted in determining the presence of a quorum. In the absence of a quorum, the special meeting may be adjourned.

What do I need to do now?

After carefully reading and considering the information contained in this proxy statement and the Annexes attached to this proxy statement, please vote your shares of Company common stock in one of the ways described below as soon as possible. You will be entitled to one vote for each share of Company common stock that you owned on the record date.

How do I vote?

With respect to both proposals, you may vote “For” or “Against,” or you may abstain from voting. If you abstain from voting for a proposal, note that such abstention will be considered a vote “Against” the applicable proposal.

Stockholder of Record — Shares Registered in Your Name: If you are a stockholder of record, you may vote at the special meeting (in this case, virtually), vote by proxy using the enclosed proxy card, vote by proxy via facsimile, email or on the Internet. Whether or not you plan to attend the virtual meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the virtual meeting and vote your shares even if you have already voted by proxy:

- To vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the special meeting, we will vote your shares as you direct.

10

- To vote online before the special meeting, go to www.cstproxyvote.com and transmit your voting instructions up until 11:59 p.m. Eastern Time on [●], 2021. Have your proxy card in hand when you access the web site and follow the instructions to vote your shares.
- To vote online during the special meeting, visit [●], be sure to have your proxy card available and follow the instructions given on the secure website. You will need the 12-digit control number that is printed on your proxy card to vote online at the special meeting.

Beneficial Owner — Shares Registered in the Name of a Broker or Bank: If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should receive a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is submitted to your broker or bank. Alternatively, you may vote over the Internet as instructed by your broker or bank. To vote in real time at the special meeting, you must obtain a valid legal proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials or contact your broker or bank to request a proxy form.

We provide Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers.

What if I fail to instruct my bank, broker, trust or other nominee how to vote?

Your bank, broker, trust or other nominee will NOT be able to vote your shares of Company common stock unless you have properly instructed your bank, broker, trust or other nominee on how to vote. Because the proposal to approve and adopt the Stock Purchase Agreement requires the affirmative vote of a majority of the outstanding shares of Company common stock, the failure to provide your nominee with voting instructions will have the same effect as a vote “AGAINST” the proposal to approve and adopt the Stock Purchase Agreement. Furthermore, your shares will not be included in the calculation of the number of shares of Company common stock present at the special meeting for purposes of determining whether a quorum is present.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” Proposals 1 and 2.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

May I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the special meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date (which automatically revokes the earlier proxy).

11

- You may grant a subsequent proxy through the internet.
- You may send a timely written notice that you are revoking your proxy to our Secretary at our principal executive offices at 17877 Von Karman Avenue, Suite 300, Irvine, California 92614.
- You may attend the special meeting (in this case, virtually) and vote online by following the instructions posted at [●]. Simply attending the special meeting will not, by itself, revoke your proxy. *Even if you plan to attend the special meeting virtually, we recommend that you also submit your proxy or voting instructions or vote through the Internet so that your vote will be counted if you later decide not to attend the special meeting.*

Your most current proxy card or internet proxy is the one that is counted.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

How will proxies be solicited?

The costs of solicitation of consents, including printing and mailing costs, will be borne by us. We have engaged Regan & Associates, Inc. to provide consulting and analytic services and to assist with the solicitation. In addition to the solicitation of consents by mail and by Regan & Associates, Inc., consents may also be solicited personally by our directors, officers and employees, without additional compensation to these individuals. We may request banks, brokers and other firms holding shares in their names that are beneficially owned by others to send consent materials and obtain consents from such beneficial owners, and will reimburse such banks, brokers and other firms for their reasonable out-of-pocket costs.

Do the Company’s stockholders have any appraisal rights in connection with the Sale Transaction?

No. The Company’s stockholders do not have appraisal rights in connection with the Sale Transaction.

How can I find out the results of the voting at the special meeting?

Preliminary voting results will be announced at the special meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days after the special meeting.

How do these proxy materials relate to the Consent Solicitation Statement that we previously filed with the SEC and sent to our stockholders?

On February 2, 2021, we filed a Notice of Consent Solicitation and accompanying Consent Solicitation Statement consent card (the “Consent Solicitation Materials”) with the SEC and mailed the Consent Solicitation Materials to our stockholders of record on January 28, 2021. Pursuant to the Consent Solicitation Materials, the Company sought to obtain the written consent of our stockholders for the transactions contemplated by our original stock purchase agreement with Element dated January 19, 2021. Because that original agreement has been superseded by the Stock Purchase Agreement, we are no longer seeking stockholder consent for the original and we have abandoned our prior consent solicitation process. Instead, we are seeking approval for the current Sale Transaction pursuant to this proxy statement from our stockholders of record at the close of business on [●], 2021. Based on discussions with our advisors, including our proxy solicitor, we believe that seeking such stockholder approval at the special meeting will be more efficient and effective than doing so through a consent solicitation process.

Consent cards related to the original transaction are no longer valid, and will not be taken into account in determining whether the Stock Purchase Agreement is approved and adopted at the special meeting. As a result, stockholders as of the record date who wish to have their shares represented at the special meeting should vote their shares even if they previously submitted a consent card related to the original transaction.

Why are we proposing to sell the WPT Business?

The Board of Directors noted that the historical operations of the WPT Business and the COVID-19 pandemic adds risk to its long-term viability. Although the net profit of the WPT Business was approximately \$725,508 for the year ended December 31, 2020, the Board of Directors is concerned that such profit may not be sustainable in light of the present global economic conditions. The Board of Directors considered a number of risks and uncertainties about continuing to operate the WPT Business, including the risks involved in any expansion of the current WPT Business into new jurisdictions or markets, the need for additional capital to expand the WPT Business, and the adverse impacts that COVID-19 has had on the WPT Business’ ability to host in-person events and the delays in the production of its television shows.

After considering the risks and challenges facing the WPT Business in the future as compared to the opportunities available to WPT Business in the future, as well as the availability of strategic alternatives, the Board of Directors has concluded that the Sale Transaction is the best alternative for seeking to maximize value to stockholders.

What are the terms of the Stock Purchase Agreement?

Pursuant to the Stock Purchase Agreement, we intend to sell, and Buyer intends to purchase, 100% of the outstanding capital stock of CSI for a purchase price of \$105.0 million. This purchase price will be adjusted to reflect the amount of CSI’s cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. Buyer has remitted a \$10.0 million advance payment of the purchase price and is required to pay the balance of the purchase price at the closing of the Sale Transaction.

The Stock Purchase Agreement is described in greater detail in this proxy statement under the caption “The Stock Purchase Agreement” beginning on page 51. A copy of the Stock Purchase Agreement, excluding the schedules thereto, is included as [Annex A](#) to this proxy statement.

Will Company stockholders receive any distributions from the Sale Transaction?

The Company does not currently intend to distribute any of the proceeds from the Sale Transaction to the Company’s stockholders.

What will happen to the Company after the Sale Transaction?

After completion of the Sale Transaction, the Company will continue to be a public reporting company and our common stock will continue to trade on the Nasdaq Capital Market. The Company’s assets will consist primarily of cash and the assets utilized in the operation of the Company’s esports business, Allied Esports.

The rapid growth and popularity of gaming and esports during the COVID-19 pandemic has driven interest in the Company’s esports business, Allied Esports. The Company recently announced that its Board of Directors has decided to explore strategic options for the esports business in order to maximize value to its stockholders, including a possible sale, and the Company has engaged a financial advisor to assist with the process. If the Company pursues and ultimately completes a sale of the esports business in addition to the sale of the WPT Business in the Sale Transaction, we expect to proceed (likely under a new name) as a publicly traded holding company focused on using our cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors. However, the Company does not plan to limit itself to any particular industry or geographic location in its efforts to identify prospective target businesses. Currently, the Company does not have any specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. We have not, nor has anyone on our behalf, had substantive discussions, formal or otherwise, with respect to such a transaction.

We will continue to be a public company and our common stock will continue to trade on the Nasdaq Capital Market following completion of the Sale Transaction. We do not intend to go private or terminate our public reporting obligations under the Exchange Act.

Are there any risks associated with the Sale Transaction?

Yes. You should carefully review the section of this proxy statement entitled “Risk Factors,” which presents risks and uncertainties related to the Sale Transaction, in the event the Stock Purchase Agreement is terminated prior to completion of the Sale Transaction, and our operations following the completion of the Sale Transaction.

What factors were considered by management and our Board of Directors in deciding to enter into the Stock Purchase Agreement?

In reaching its decision to adopt and approve the Stock Purchase Agreement and the Sale Transaction, our Board of Directors, in consultation with management as well as its financial and legal advisors, considered a number of factors, such as the price to be paid including the future participation in the revenues earned by Buyer, the

strategic alternative evaluation process and fairness opinion of Shot Tower Securities LLC that led to entering into the Stock Purchase Agreement, the prospects of the WPT Business and the terms and conditions of the Stock Purchase Agreement.

The Board also considered, and balanced against the potential benefits of the Sale Transaction, certain adverse factors. The Board of Directors noted that the historical operations of the WPT Business and the COVID-19 pandemic adds risk to its long-term viability. Although the net profit of the WPT Business was approximately \$725,508 for the year ended December 31, 2020, the Board of Directors is concerned that such profit may not be sustainable in light of the present global economic conditions. The Board of Directors considered a number of risks and uncertainties about continuing to operate the WPT Business, including the risks involved in any expansion of the current WPT Business into new jurisdictions or markets, the need for additional capital to expand the WPT Business, and the adverse impacts that COVID-19 has had on the WPT Business' ability to host in-person events and the delays in the production of its television shows.

Based on the available strategic and alternatives, and considering the factors identified above, our Board of Directors concluded that it would be in the best interest of the Company and its stockholders to sell the WPT Business, and that the Sale Transaction and the Stock Purchase Agreement reflect the highest value for the WPT Business reasonably attainable for our stockholders.

How is the purchase price for the Sale Transaction being financed by Buyer?

Buyer has advised the Company that the total amount of funds required to be delivered to the Company at closing will be funded from Buyer's cash on hand.

What are the conditions of the Sale Transaction?

The following list includes what our Board of Directors and our management believe are the material conditions to the Sale Transaction, all of which must be satisfied or waived at the time of the closing. In view of the fact that interpretations of "materiality" can be subjective, the list is qualified by reference to the Stock Purchase Agreement, which is attached as Annex A to this proxy statement. You are urged to carefully read this entire document including the Stock Purchase Agreement.

- Our stockholders must approve and adopt the Stock Purchase Agreement;
- No legal process preventing or making illegal the consummation of the Sale Transaction shall be in effect.
- The respective representations and warranties of the parties to each other must be true in all material respects;
- Each party must have performed in all material respects all obligations required to be performed by it under the Stock Purchase Agreement at or prior to the closing;
- No "Material Adverse Effect" (as defined in the Stock Purchase Agreement) with respect to the Company, Seller or CSI shall have occurred;

- Buyer shall have received copies of certain identified third party consents and approvals for the Sale Transaction; and
- The parties shall have delivered to each other the various closing deliverables outlined in the Stock Purchase Agreement.

When is the closing of the Sale Transaction expected to occur?

We intend to consummate the Sale Transaction shortly after obtaining stockholder approval for the Sale Transaction, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived. Pursuant to the Stock Purchase Agreement, the Outside Date for closing the Sale Transaction is September 30, 2021, after which either we or Buyer may terminate the Stock Purchase Agreement.

How may the Stock Purchase Agreement be terminated?

The parties to the Stock Purchase Agreement may mutually agree to terminate the Stock Purchase Agreement at any time.

We, on the one hand, or Buyer, on the other hand, may terminate the Stock Purchase Agreement if:

- any governmental entity that must grant a regulatory approval for the Sale Transaction denies approval of the Sale Transaction, or any governmental entity issues a final and nonappealable order, injunction or decree permanently prohibiting the consummation of the Sale Transaction;
- the Sale Transaction is not consummated on or before the Outside Date, which is September 30, 2021; or
- there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in the Stock Purchase Agreement by us, in the case of a termination by Buyer, or Buyer, in the case of a termination by us.

Buyer, may terminate the Stock Purchase Agreement if, prior to receipt of stockholder approval, our Board of Directors changes its recommendation that our stockholders approve the Sale Transaction, or if we materially breach our covenant not to solicit a competing acquisition proposal.

We may terminate the Stock Purchase Agreement if we receive a competing acquisition proposal from a third party that our Board of Directors determines is more favorable to our stockholders than the Sale Transaction, our Board of Directors authorizes our entry into a definitive agreement to consummate the transaction contemplated by such competing proposal, and we enter into such definitive agreement and pay to Buyer a \$3.45 million termination concurrently with the termination of the Stock Purchase Agreement.

What will happen if the Stock Purchase Agreement is not approved by our stockholders or the Sale Transaction is not completed for any other reason?

Depending on the circumstances surrounding a termination of the Stock Purchase Agreement, Buyer may be required to pay a \$10.0 million non-performance fee to us, or we may be required to pay a \$3.45 million termination or non-performance fee to Buyer, and we may be required to return to Buyer the \$10.0 million advance payment of purchase price and reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transaction.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively.

Such license will be subject to further customary terms and conditions, and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a termination fee to us, the Company will have the option, but not obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited. The form of the agreement governing the license is attached as Exhibit B to the Stock Purchase Agreement.

If the Sale Transaction is not completed, we may explore other potential transactions, including a sale of the WPT Business to another party on such terms as our Board of Directors may approve. The terms of an alternative transaction may be more or less favorable to us than the terms of the Sale Transaction and there can be no assurance that we will be able to reach agreement with or complete an alternative transaction with another party. We may also decide to retain the WPT Business and continue to operate it. If we receive a competing acquisition proposal prior to termination of the Stock Purchase Agreement, enter into a definitive agreement within 12 months after termination of the Stock Purchase Agreement to sell the WPT Business and consummate such sale, we must pay to Buyer the \$3.45 million termination fee.

What are the federal income tax consequences of the Sale Transaction?

We will treat the Sale Transaction as a taxable stock sale of a U.S. consolidated return subsidiary. The Sale Transaction will be fully taxable to the Company based on the fair market value of the consideration received as compared to the stock basis in CSI (and therefore in the WPT Business) at the closing of the Sale Transaction. Based on an initial estimated analysis of the Sale Transaction by the Company's tax advisors, the Company does not expect that the Sale Transaction will result in any U.S. federal income tax consequences exceeding \$7.0 million.

The Company does not expect that the Sale Transaction will result in any federal income tax consequences for its stockholders because they will not receive any of the proceeds from the Sale Transaction.

How will the Sale Transaction be accounted for?

Upon completion of the Sale Transaction, we will remove from our consolidated balance sheet all of the assets and liabilities associated with the WPT Business sold to Buyer and will reflect therein the effect of the receipt and the use of the proceeds of the Sale Transaction and other related transactions, including (a) the repayment of any remaining convertible debt or bridge notes, (b) the payment of our transaction expenses, and (c) the impact of the acceleration of vesting of stock-based compensation awards held by employees of the WPT Business. We will record a gain on the sale of the WPT Business in our consolidated statement of operations equal to the difference between the purchase price received or expected to be received and the book value of the assets and liabilities sold. Furthermore, any financial statements that are issued in the future, relating to periods prior to the closing of the Sale Transaction, will present the assets and liabilities of the WPT business on a condensed basis as "held for sale" and the revenues and operating results of the WPT business will be condensed and presented as "income (loss) from discontinued operations".

Are any government approvals required in connection with the Sale Transaction?

Except for compliance with the applicable regulations of the SEC in connection with this proxy statement and with the DGCL in connection with the Sale Transaction, we are not required to comply with any federal or state regulatory requirements, and no federal or state regulatory approvals are required in connection with Sale Transaction.

Who can help answer my questions?

If you have any questions about the Sale Transaction or how to submit your proxy, or if you need additional copies of the proxy statement or the enclosed proxy card or voting instructions, please contact our proxy solicitor, Regan & Associates, Inc., by telephone (toll-free within North America) at 1-800-737-3426.

RISK FACTORS

In addition to the other information included in this proxy statement, including the matters addressed in the section entitled "Cautionary Statement Regarding Forward-Looking Information," you should carefully consider each of the risks described below before deciding whether to vote for approval and adoption of the Stock Purchase Agreement. You should also read and consider the other information in this proxy statement. See the section entitled "Where You Can Find More Information."

Risks Related to the Sale Transaction

If the Company fails to complete the Sale Transaction, it may not be able to successfully complete another strategic transaction.

The consummation of the proposed Sale Transaction is subject to a number of closing conditions, including that the Company's stockholders approve the Sale Transaction. The obligation of Buyer to complete the Sale Transaction is also subject to the absence of a change in circumstances that are materially adverse to the Company's financial condition, assets, business or results of operations. If the closing conditions for the Sale Transaction are not satisfied, then the Stock Purchase Agreement can be terminated.

If the Company does not complete the Sale Transaction, it will review all options for continuing operations, possibly including seeking to identify and effect an alternative business combination, sale of assets or another similar strategic transaction or transactions. However, the Company may not be able to consummate such an alternative transaction on favorable terms, if at all, and a third party may not offer to purchase the Company's assets for a price equal to or greater than the price proposed to be paid by Buyer. If the Company is unable to successfully consummate one or more alternative strategic transactions relating to its business, the Company will continue to execute on its current business plan. The Company intends to continue exploring strategic options for its esports business, including the possible sale of such business.

If we fail to complete the Sale Transaction, the Company's business may be harmed.

The Company cannot predict whether it will succeed in obtaining the approval of its stockholders, or that the other conditions to close the Sale Transaction will be satisfied. As a result, the Company cannot guarantee that the Sale Transaction will be completed.

Following the Company's public announcement of the Sale Transaction, third parties may be unwilling to enter into material agreements with the Company. New and existing customers and business partners may prefer to enter into agreements with the Company's competitors because such customers and partners perceive that its relationships are likely to be more stable. If the Company fails to complete the Sale Transaction, the failure to maintain existing relationships with our customers, suppliers and

employees or enter into new relationships, may harm our business, and the results of operations, financial condition and the market price for our common stock may decline.

In addition, if we are required to pay a termination fee or expense reimbursements in connection with the termination of the Stock Purchase Agreement, we may have difficulty recouping such costs, in addition to the costs incurred in connection with negotiating the Sale Transaction.

Pending the completion of the Sale Transaction, the Company may not make certain changes in the business and may not be able to enter into a business combination with another party.

Covenants in the Stock Purchase Agreement impede the Company's ability to enter into specified transactions that are not in the ordinary course of business pending completion of the Sale Transaction. Existing and potential customers and vendors of our poker business may delay or cease entering into transactions with our poker business until the ownership and management of the poker business is clarified and employees and other key partners in the poker business may choose to leave the poker business due to uncertainties inherent in the Sale Transaction process.

Moreover, while the Stock Purchase Agreement is in effect and subject to limited exceptions, the Company is prohibited from soliciting, initiating, encouraging, taking actions designed to facilitate any inquiries or the making of any proposal or offer that could lead to, or entering into discussions or negotiations with regard to, an acquisition proposal with any third party, subject to specified exceptions. Any such acquisition proposal could be favorable to the Company's stockholders. Bally's Corporation has in the past made unsolicited proposals to acquire the WPT business, and the provisions of the Stock Purchase Agreement prohibit us from continuing or initiating new discussions with Bally's Corporation, subject to the limited exceptions set forth in the Stock Purchase Agreement.

The Company will incur significant expenses in connection with the Sale Transaction and could be required to make significant payments if the Stock Purchase Agreement is terminated under certain conditions.

Depending on the circumstances surrounding a termination of the Stock Purchase Agreement, the Company may be required to pay a \$3.45 termination fee to Buyer, and we may be required to reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transaction. In addition, the Company expects to pay legal fees, accounting fees and financial and other advisory fees and expenses whether or not the Sale Transaction is completed. As a result, we may have difficulty recouping the costs incurred in connection with pursuing the Sale Transaction, and our cash position would be adversely impacted.

The WPT business will be subject to the terms of a license agreement for real money gaming in Asia if the Stock Purchase Agreement is terminated under certain circumstances.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions, and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a non-performance fee to us, the Company will have the option, but not obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited. The form of the agreement governing the license is attached as Exhibit B to the Stock Purchase Agreement. The existence of the license will prevent us from pursuing and entering into a similar license in the Asian territory with another third party that may have contained terms that are more advantageous to us. In addition, if we wish to pursue a sale of the WPT Business to another purchaser after termination of the Stock Purchase Agreement, the existence of this license may deter another otherwise interested third party purchaser from pursuing an acquisition of the WPT Business, or reduce the consideration such a party would be will to pay for it.

The announcement and pendency of the Sale Transaction, whether or not completed, may adversely affect us.

The announcement and pendency of the Sale Transaction may adversely affect the trading price of our common stock, our business or our relationships with clients, customers, suppliers and employees. Third parties may be unwilling to enter into material agreements with respect to the WPT Business. Additionally, employees working in the WPT Business may become concerned about the future of the WPT Business, and lose focus or seek other employment. In addition, while the completion of the Sale Transaction is pending, we may be unable to attract and retain key personnel and our management's focus and attention and employee resources may be diverted from operational matters or the exploration of strategic operations for our esports business, including its possible sale.

The Stock Purchase Agreement limits our ability to pursue alternatives to the Sale Transaction.

The Stock Purchase Agreement contains provisions that may make it more difficult for us to sell our entire company or the WPT Business to any party other than Element Partners, LLC. These provisions include the prohibition on our ability to solicit competing proposals and the requirement that we pay Buyer a termination fee of \$3.45 million if we terminate the Stock Purchase Agreement to enter into a definitive agreement with respect to a superior proposal. These provisions could make it less advantageous for a third party that might have an interest in acquiring us or all of or a significant part of the WPT Business to consider or propose an alternative transaction, even if that party were prepared to pay consideration with a higher value than the consideration to be paid by Buyer. Bally's Corporation has in the past made unsolicited proposals to acquire the WPT Business, and the provisions of the Stock Purchase Agreement prohibit us from continuing or initiating new discussions with Bally's Corporation, subject to the limited exceptions set forth in the Stock Purchase Agreement.

Risks Related to us if the Sale Transaction is Completed

Buyer may not honor all of its obligations under the Stock Purchase Agreement.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions, and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a non-performance fee to us, the Company will have the option, but not obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited. The form of the agreement governing the license is attached as Exhibit B to the Stock Purchase Agreement. Buyer may not honor all of its obligations under the Stock Purchase Agreement and the licensing agreement.

The Company will become a company with cash, investments, and our esports business, which may prove difficult for investors to evaluate our ability to achieve stated business objectives.

After the Sale Transaction is completed, we will have disposed of substantially all of our operating assets other than cash, investments and our esports business. The Company recently announced that its Board of Directors has decided to explore strategic options for the esports business in order to maximize its value to stockholders, including a possible sale, and the Company has engaged a financial advisor to assist with the process. If the Company pursues and ultimately completes a sale of the esports business, we would then become a development stage company with no historic operating results. In that situation we would expect to proceed (likely under a new name) as a publicly traded holding company focused on using our cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors; however we do not plan to limit ourselves to any particular industry or geographic location in its efforts to identify prospective target businesses. Currently, however, we have no specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. We have not, nor has anyone on our behalf, had substantive discussions, formal or otherwise, with respect to such a transaction. We may be unsuccessful in pursuing acquisition targets, or acquisition targets, if acquired, may not prove to have successful operations.

We have no current plans to pay cash dividends on our common stock with the proceeds of the Sale Transaction; as a result, you may not receive any return on investment unless you sell your common stock for a price greater than that which you paid for it.

We have no current plans to pay dividends on our common stock with the proceeds of the Sale Transaction. Any future determination to pay dividends will be made at the discretion of our board of directors, subject to applicable laws, and will depend on a number of factors, including our financial condition, results of operations, capital requirements, contractual, legal, tax and regulatory restrictions, general business conditions and other factors that our board of directors may deem relevant. As a result, you may not receive any return on an investment in our common stock unless you sell your common stock for a price greater than that which you paid for it.

Following the closing of the Sale Transaction, we will be subject to five-year non-solicitation and non-competition covenants under the Stock Purchase Agreement, which will limit our ability to operate in poker related fields.

Following the closing of the Sale Transaction, we will be subject to five-year non-solicitation and non-competition covenants made in the Stock Purchase Agreement. During such five-year period, we will be prohibited from participating or engaging in, in any manner or capacity, the Restricted Business, and from soliciting the customers, suppliers or employees of the WPT Business. For this purpose, the "Restricted Business" means, generally, any business involving variants of the game of poker specified in the Stock Purchase Agreement and any activities ancillary or related to such variants of poker, including, without limitation, (i) organizing, hosting, operating, promoting, and/or conducting events relating to poker, (ii) broadcasting or distributing content relating to such events, (iii) organizing, hosting, operating, promoting, and/or conducting clubs or organizations related to poker, and (iv) commercializing products and merchandise relating to poker. While we do not believe these limitations will negatively affect our esports business, these restrictions may adversely impact our future opportunities.

Risks Related to the Current Business

In addition to the other information contained in this proxy statement, you should carefully consider each of the risks described below. Until the close of the Sale Transaction, the Company expects to continue to execute its current business strategy with respect to its esports and poker-related business. Except as specifically described below, the following discussion of risks related to the Company does not reflect changes to the Company's business that may occur if it consummates the Sale Transaction. Allied Esports International, Inc., together with its subsidiaries, owns and operates the esports-related businesses of AESE, and are collectively referred to as "Allied Esports." Peerless Media Limited, CSI and WPT Enterprises, Inc. operate the poker-related business of AESE and are collectively referred to herein as "World Poker Tour" or "WPT."

Allied Esports Risk Factors

Allied Esports is subject to risks associated with operating in a rapidly developing industry and a relatively new market.

Many elements of Allied Esports' business are unique, evolving and relatively unproven. Its business and prospects depend on the continuing development of live streaming of competitive esports gaming. The market for esports gaming competition is relatively new and rapidly developing and is subject to significant challenges. Allied Esports' business relies upon its ability to grow and garner an active gamer community, and successfully monetize this community through tournament fees, live event ticket sales, and advertising and sponsorships. In addition, Allied Esports' continued growth depends, in part, on its ability to respond to constant changes in the esports gaming industry, including technological evolution, shifts in gamer trends and demands, introductions of new games, game publisher intellectual property right practices, and industry standards and practices. While change in this industry may be inevitable, and Allied Esports will try to adapt its business model as needed to accommodate change and remain on the forefront of its competitors, Allied Esports may be unsuccessful in doing so and does not provide any guarantees or assurances of success as the industry continues to evolve.

Allied Esports may not be able to generate sufficient revenue to achieve profitability.

Allied Esports expects its operating expenses to increase significantly as it continues to expand its marketing efforts and operations in existing and new geographies and vertical markets (including its online esports tournament and gaming subscription platform it intends to develop). In addition, Allied Esports expects to continue to incur significant legal, accounting and other expenses related to being a public company. If its revenue declines or fails to grow at a rate faster than these increases in operating expenses, it will not be able to achieve profitability in future periods. As a result, Allied Esports may generate losses. Allied Esports cannot assure you that it will achieve profitability.

Allied Esports generates a portion of its revenues from advertising and sponsorship. If it fails to attract more advertisers and sponsors to its live events, tournaments or content, or if advertisers or sponsors are less willing to advertise with or sponsor Allied Esports, its revenues may be adversely affected.

Allied Esports generates revenue from advertising and sponsorship, and it expects to further develop and expand its focus on these revenues in the future. These revenues partly depend on the advertisers' willingness to advertise in the esports gaming industry. If the esports gaming advertising and sponsorship market does not continue to grow, or if Allied Esports is unable to capture and retain a sufficient share of that market, Allied Esports' ability to achieve profitability may be materially and adversely affected. Furthermore, with unfavorable economic external factors, sponsors and advertisers may not have enough budget allocations for spending in sponsorship and advertising in esports, which would also lead to an adverse impact on Allied Esports' revenue stream.

Allied Esports' business model may not remain effective and it cannot guarantee that its future monetization strategies will be successfully implemented or generate

sustainable revenues and profit.

Allied Esports generates revenues from advertising and sponsorship of its live events, its content, the sale of merchandising, and the operation of its esports arenas. Allied Esports has generated, and expects to continue to generate, a substantial portion of revenues using this revenue model in the near term. Although Allied Esports anticipates growth in Allied Esports' business utilizing this revenue model, there is no guarantee that growth will continue in the future, and the demand for its offerings may change, decrease substantially or dissipate, or it may fail to anticipate and serve esports gamers' demands effectively. The COVID-19 outbreak may also continue to cause the demand for our in-person events to reduce and shift demand to online gaming. Allied Esports may determine to enter into new opportunities to expand its business, including online gaming platforms, which may or may not be successful. Any such expansions involve additional risks and costs that could materially and adversely affect its business.

The COVID-19 pandemic has disrupted the long-term growth plans of Allied Esports, and we may not be able to implement and grow our three-pillar objectives for long-term success in the near future, or event at all.

The COVID-19 pandemic has caused disruption in our long-term growth plans for Allied Esports, and although our long-term strategy remains to fully implement the three-pillar strategy, we are currently focused on continuing our in-person experiences at our current arenas and developing multiplatform content. There is no guarantee that we will be able in the near future or at any point to be able to expand our in-person experience to arenas beyond those in which we are currently operating or develop a develop an esports platform.

Allied Esports' long-term growth strategy depends on the availability of suitable locations for its proprietary and licensed esports arenas and its ability to open new locations and operate them profitably.

A key element of Allied Esports' long-term growth strategy is to extend its brand by opening additional flagship arenas throughout the world and licensing the Allied Esports brand to third party esports arena operators, which it believes will provide attractive returns on investment. However, desirable locations may not be available at an acceptable cost. Opening these additional locations will depend upon a number of factors, many of which are beyond Allied Esports' control, including its ability or the ability of the selected licensee to:

- reach acceptable agreements regarding the lease of the locations;
- comply with applicable zoning, licensing, land use and environmental regulations and orders (including those related to social distancing policies during the COVID-19 pandemic);
- raise or have available an adequate amount of cash or currently available financing for construction and opening costs;
- timely hire, train and retain the skilled management and other employees necessary to meet staffing needs;

- negotiate acceptable terms with any unions representing employees;
- obtain, for acceptable cost, required permits and approvals, including liquor licenses; and
- efficiently manage the amount of time and money used to build and open each new location.

If Allied Esports succeeds in opening new arenas on a timely and cost-effective basis, it may nonetheless be unable to attract enough gamers or spectators to the new location (or to existing locations of affiliated arenas) because its entertainment and menu options might not appeal to them. Failure to do so could have a significant adverse effect on Allied Esports' overall operating results.

Allied Esports has not entered into definitive license agreements with all game publishers that it currently has relationships with, and it may never do so.

Although Allied Esports has relationships with many game publishers for tournament event and content experiences involving their respective intellectual properties and enters into definitive license agreements with such game publishers from time to time, Allied Esports does not have definitive license agreements in place with all of its game publishers. No assurances can be given as to when or if it will be able to come to agreeable terms with game publishers for any future license agreements. If Allied Esports is unable to come to mutually agreeable terms and enter into definitive license agreements with game publishers, game publishers may unilaterally choose to discontinue its relationship with Allied Esports, thereby preventing Allied Esports from offering tournament event and content experiences using their game intellectual property. Should game publishers choose not to allow Allied Esports to offer tournament event and content experiences involving their intellectual property to Allied Esports' customers, the popularity of Allied Esports' tournaments and content may decline, which could materially and adversely affect its results of operations and financial condition.

Even if Allied Esports is able to license its brand to third party esports operators, there is a risk that those operators could damage its brand by operating esports arenas that are not at Allied Esports' standards of operation.

As Allied Esports licenses the Allied Esports brand to third party esports arena operators around the world, it will depend on those operators to run those arenas at a quality level similar to Allied Esports' owned and operated arenas. Allied Esports' strategy depends on customers associating the third party esports arenas as part of Allied Esports' network of affiliated arenas, which it believes will expand its brand recognition and increase customers, revenue, and growth. If Allied Esports' affiliate arenas are poorly operated, or if those operators fail to use Allied Esports' name and branding in a manner consistent with Allied Esports' corporate messaging and branding, or if there are safety issues or other negative occurrences at affiliate arenas, Allied Esports' name and brand could be significantly damaged, which would make its expansion difficult and materially adversely affect its results of operations and financial condition.

Allied Esports' long-term growth strategy includes deploying additional mobile arenas in the U.S. and Europe to host its tournaments and events and it must operate them profitably.

A key element of Allied Esports' long-term growth strategy is to extend its brand by increasing and adding to its portfolio of mobile arenas in the U.S. and Europe, as we believe doing so will provide attractive returns on investment. Adding these mobile arenas will depend upon a number of factors, many of which are beyond Allied Esports' control, including but not limited to our ability, or the ability of our licensees, to:

- reach acceptable agreements regarding the lease or acquisition of the trucks that are the basis of the mobile arenas;
- comply with applicable zoning, licensing, land use and environmental regulations and orders (including those related to social distancing policies during the COVID-19 pandemic) and obtain required permits and approvals;
- raise or have available an adequate amount of cash or currently available financing for construction of the mobile arenas and the related operational costs;
- timely hire, train and retain the skilled management and other employees necessary to operate the mobile arenas;

- efficiently manage the amount of time and money used to build and operate each new mobile arena; and
- manage the risks of road hazards, accidents, traffic violations, etc. that may impede the operations of the mobile arenas.

The nature of hosting esports events exposes Allied Esports to negative publicity or customer complaints, including in relation to, among other things, accidents, injuries or thefts at the arenas, and health and safety concerns.

Allied Esports' business of hosting esports events inherently exposes it to negative publicity or customer complaints as a result of accidents, injuries or, in extreme cases, deaths arising from incidents occurring at our arenas, including health, safety or security issues, and quality and service standards. Even isolated or sporadic incidents or accidents may have a negative impact on Allied Esports' brand image and reputation, the arenas' popularity with gamers and spectators or the ability to host esports events at all.

Allied Esports' marketing and advertising efforts may fail to resonate with gamers.

Allied Esports' live events, tournaments and competitions are marketed through a diverse spectrum of advertising and promotional programs such as online and mobile advertising, marketing through websites, event sponsorship and direct communications with the esports gaming community including via email, blogs and other electronic means. An increasing portion of Allied Esports' marketing activity is taking place on social media platforms that are either outside, or not totally within, its direct control. Changes to gamer preferences, marketing regulations, privacy and data protection laws, technology changes or service disruptions may negatively impact its ability to reach target gamers. Allied Esports' ability to market its tournaments and competitions is dependent in part upon the success of these programs.

The esports gaming industry is competitive, and gamers may prefer competitors' arenas, leagues, competitions or tournaments over those offered by Allied Esports.

The esports gaming industry is competitive. Competitors range from established leagues and championships owned directly, as well as leagues franchised by well-known and capitalized game publishers and developers, interactive entertainment companies, diversified media companies and emerging start-ups. New competitors will likely continue to emerge. Many of these competitors may have greater financial resources than Allied Esports. If Allied Esports' competitors develop and launch competing arenas, leagues, tournaments or competitions, Allied Esports' revenue and margins could decline.

Allied Esports may not provide events or tournaments with games or titles for which the esports gaming community is interested.

Allied Esports must attract and retain the popular esports gaming titles in order to maintain and increase the popularity of its live events, leagues, tournaments and competitions. Allied Esports must identify and license popular games that resonate with the esports gamer community on an ongoing basis. Allied Esports cannot assure you that it can attract and license popular esports games from their publishers, and failure to do so would have a material and adverse impact on Allied Esports' results of operations and financial conditions.

If Allied Esports fails to keep its existing gamers engaged, acquire new gamers and expand interest in its live events, leagues, tournaments and competitions, its business, its ability to achieve profitability and its prospects may be adversely affected.

Allied Esports' success depends on its ability to maintain and grow the number of gamers attending its live events, tournaments and competitions, and keep its gamers and attendees highly engaged. In order to attract, retain and engage gamers and remain competitive, Allied Esports must continue to develop and expand its live events, leagues, produce engaging tournaments and competitions, and implement new content formats, technologies and strategies to improve its product offerings. There is no assurance it will be able to do so.

A decline in the number of gamers may adversely affect the engagement level of gamers with Allied Esports' tournament and entertainment platform under development may reduce our revenue opportunities and have a material and adverse effect on our business, financial condition and results of operations.

It is vital to Allied Esports' operations that its planned online esports tournament and gaming subscriptions platform be responsive to evolving gamer preferences and offer first-tier esports game content and other services that attracts gamers. Allied Esports must also keep providing gamers new features and functions to enable superior content viewing and interaction, or the number of gamers utilizing the platform will likely decline. Any decline in the number of gamers will likely have a material and adverse effect on our operations.

There is no guarantee that Allied Esports will be able to complete its planned online esports tournament and gaming subscription platform, or that such platform once completed will be or remain popular.

Allied Esports cannot assure you that the online esports tournament and gaming subscription platform it intends to develop will be completed in a timely manner or, if completed, become popular with gamers to offset the costs incurred to operate and expand it. This will require substantial costs and expenses. If such increased costs and expenses do not effectively translate into improved gamer engagement, Allied Esports' results of operations may be materially and adversely affected.

If Allied Esports fails to maintain and enhance its brands, its business, results of operations and prospects may be materially and adversely affected.

Allied Esports believes that maintaining and enhancing its brands is important for its business to succeed by increasing the number of gamers and engagement by the esports community. Since Allied Esports operates in a highly competitive market, brand maintenance and enhancement directly affects its ability to maintain and enhance its market position. As Allied Esports expands, it may conduct various marketing and brand promotion activities using various methods to continue promoting its brands, but it cannot assure you that these activities will be successful. In addition, negative publicity, regardless of its veracity, could harm Allied Esports' brands and reputation, which may materially and adversely affect Allied Esports' business, results of operations and prospects.

If Allied Esports fails to anticipate and successfully implement new esports technologies or adopt new business strategies, technologies or methods, its business may suffer.

Rapid technology changes in the esports gaming market requires Allied Esports to anticipate, sometimes years in advance, which technologies it must develop, implement and take advantage of in order to be and remain competitive in the esports gaming market. Allied Esports has invested, and in the future may invest, in new business strategies including its to-be-developed online esports tournament and entertainment subscription platform, technologies, products, or games to engage a growing number of gamers and deliver the best gaming experiences possible. These endeavors involve significant risks and uncertainties, and no assurance can be given that the technology it adopts and the features it pursues will be successful. If Allied Esports does not successfully implement these new technologies, its reputation may be materially adversely affected and its

financial condition and operating results may be impacted.

Allied Esports uses third-party services in connection with its business, and any disruption to these services could result in a disruption to its business, negative publicity and a slowdown in the growth of its users, materially and adversely affecting its business, financial condition and results of operations.

Allied Esports' business depends on services provided by, and relationships with, various third parties, including cloud hosting, server operators, broadband providers, and computing peripheral suppliers, among others. The failure of any of these parties to perform in compliance with our agreements may negatively impact Allied Esports' business.

Additionally, if such third parties increase their prices, fail to provide their services effectively, terminate their service or agreements or discontinue their relationships with Allied Esports, Allied Esports could suffer service interruptions, reduced revenues or increased costs, any of which may have a material adverse effect on its business, financial condition and results of operations.

Allied Esports may not be able to procure the necessary permits and licenses to operate its arenas.

Allied Esports must obtain certain permits and licenses, including liquor licenses, to operate its arenas. Often these processes can be expensive and time consuming. There is no guarantee that Allied Esports will be able to obtain such permits and licenses on a timely or cost-effective basis. Any delays could jeopardize the ability of Allied Esports to operate the arenas and host events. As a result, Allied Esports' business could suffer.

Rules and regulations governing sweepstakes, promotions and giveaways vary by state and country and these rules and regulations could restrict or eliminate Allied Esports' ability to generate revenues on its esports gaming platform it intends to develop, which could materially and adversely impact the viability of this business.

As part of its esports gaming platform to be developed, Allied Esports intends to offer subscribers the chance to win cash and prizes when playing esports games and tournaments on the platform. Awarding cash and prizes would require compliance with the laws or regulations in various states or countries over sweepstakes, promotions and giveaways, which are complex and constantly changing. Any negative finding of law regarding the characterization of the type of online activity carried out on the esports gaming platform could limit or prevent Allied Esports' ability to obtain subscribers in those jurisdictions, which in turn could significantly impact Allied Esports' ability to generate revenue. The ability or willingness to work with Allied Esports by payment processors and other service providers necessary to conduct the esports gaming platform business also may be limited due to such changes in laws or any perceived negative consequences of engaging in the business of sweepstakes, promotions and giveaways that will be utilized by the esports gaming platform.

Negotiations with unionized employees could delay opening or operating Allied Esports' arenas.

Certain of Allied Esports' employees are represented by one or more unions. Allied Esports will need to engage such unions to seek to employ the services of the employees on mutually acceptable terms. However, Allied Esports cannot guarantee that such negotiations will be timely concluded to avoid interruption in its tournament schedule, or that such negotiations will ultimately result in an agreement. Any failure to timely conclude the negotiations could cause a delay in Allied Esports' ability to timely open arenas or host events. Either of these events would adversely affect Allied Esports' ability to achieve profitability.

Allied Esports' business is subject to regulation, and changes in applicable regulations may negatively impact its business.

Allied Esports is subject to a number of foreign and domestic laws and regulations that affect companies conducting business on the Internet. In addition, laws and regulations relating to user privacy, data collection, retention, electronic commerce, consumer protection, content, advertising, localization, and information security have been adopted or are being considered for adoption by many jurisdictions and countries throughout the world. These laws could harm Allied Esports' business by limiting the products and services it can offer consumers or the manner in which it offers them. The compliance costs for these laws may increase in the future as a result of changes in interpretation. Furthermore, Allied Esports' failure to comply with these laws or the application of these laws in an unanticipated manner may harm its business and result in penalties or significant legal liability.

Allied Esports' ability to attract esports events to its flagship arena may become difficult if the Nevada legislature establishes a Nevada Esports Commission, which could have a material adverse effect on our operations.

The Nevada state legislature is currently in its 81st Session and has introduced Senate Bill 165 relating to the creation of the Nevada Esports Commission, which if passed would be tasked with creating regulations overseeing esports competitions within the State. Such a move is the first of its kind in the U.S. and would promulgate regulations in areas such as integrity of competition, testing for controlled substances, qualifications for tournament organizers and participating players. The Bill's intention is to make Nevada a more attractive destination for hosting esports tournaments. However, game publishers, tournament organizers and players may not look favorably on additional regulatory requirements that result from the bill, if passed, and it could have a material adverse effect on our ability to attract esports events to Nevada, and on our operations. To date, Senate Bill 165 has not been passed.

Risks Related to Allied Esports' Intellectual Property

Allied Esports licenses certain brand names under agreements that will expire and may also be subject to claims of infringement of third-party intellectual property rights.

Allied Esports has a three-year license with a third party, ending in July 2021, to use the names "Esports Arena Las Vegas" and "Esports Arena Drive", which are part of the branding for its Las Vegas flagship esports arena location and its US-based mobile arena, respectively. Once that license expires, there is no assurance that Allied Esports will be able to further license those names or purchase them on satisfactory terms. Although Allied Esports intends to market and promote its esports arenas using intellectual property it owns and controls, there are no assurances that those efforts will be fruitful and that it will be able to maintain brand awareness once the license expires.

Furthermore, third parties may claim that Allied Esports has infringed their intellectual property rights. Although Allied Esports takes steps to avoid violating the intellectual property rights of others, it is possible that third parties still may claim infringement. Infringement claims against us, whether valid or not, may be expensive to defend and divert the attention of Allied Esports' management and employees from business operations. Such claims or litigation could require Allied Esports to pay damages, royalties, legal fees and other costs. Allied Esports also could be required to stop offering, distributing or supporting esports games, its to-be-developed gaming platform or other features or services which incorporate the affected intellectual property rights, redesign products, features or services to avoid infringement, or obtain a license, all of which could be costly and harm its business.

Allied Esports' technology, content and brands are subject to the threat of piracy, unauthorized copying and other forms of intellectual property infringement.

Allied Esports regards its technology, content and brands as proprietary and takes measures to protect it from infringement. Piracy and other forms of unauthorized copying and use of technology, content and brands are persistent, and policing is difficult. Further, the laws of some countries do not protect intellectual property rights to the same extent as the laws of the United States, or are poorly enforced. Legal protection of Allied Esports' rights may be ineffective in such countries, which could have a material adverse effect on its business, financial condition and results of operations.

Allied Esports may not be able to prevent others from unauthorized use of its intellectual property, which could harm our business and competitive position.

Allied Esports regards its registered trademark and pending trademarks, service marks, pending patents, domain names, trade secrets, proprietary technologies and similar intellectual property as critical to its success. Allied Esports relies on trademark and patent law, trade secret protection and confidentiality and license agreements with its employees and others to protect its proprietary rights.

Allied Esports has invested significant resources to develop its own intellectual property and acquire licenses to use and distribute the intellectual property of others. Failure to maintain or protect these rights could harm its business. In addition, any unauthorized use of our intellectual property by third parties may adversely affect its current and future revenues.

Allied Esports may not be able to develop compelling intellectual property content or secure media content distributors to promote, sell, and distribute such content, which could harm its business and competitive position.

Allied Esports intends to produce licensable content from the various live events, tournaments, and its own initiatives and brands to sell to viewers worldwide. There is no guarantee that it will be able to develop content that is compelling to its targeted customers. Media and gaming company competitors, many of which are better funded, are also creating content from esports events, and it will be difficult to create content that stands out and attracts customers. Furthermore, to carry out Allied Esports' worldwide distribution plans, film and media distribution partners will be needed and, in the event, Allied Esports is not able to secure content distributors on terms acceptable to Allied Esports, this will have a significant adverse impact on revenue streams from the sale or licensing of intellectual property.

Risks Related to WPT's Current Business

WPT's broadcast agreement for distribution on Bally Sports Networks sets a minimum level of distribution that is significantly less than the current distribution level. If WPT's current level of distribution is reduced, the reduction could materially and adversely affect WPT's results of operations.

Currently, WPT broadcasts certain of its worldwide Main Tour events throughout the United States on Bally Sports Networks (formerly the FOX Sports Regional Networks or "RSNs," which were purchased by Sinclair Broadcast Group and Entertainment Studios, Inc. (collectively, "Sinclair"), and they are also available on ClubWPT.com on demand, and on various digital streaming platforms. WPT's programming agreement to broadcast the television series does not provide for any license fees to be paid to WPT for the broadcast rights, and contains a minimum level of distribution. Currently, WPT's programming is broadcast significantly more frequently than the minimum threshold under the programming agreement. With no license fee in place for the distribution, WPT benefits from the program's distribution and promotion of WPT's online products (ClubWPT) and generates fees from sponsors by integrating sponsor logos and other advertising materials into its programs and around the broadcast of the shows through music royalties and distribution of the shows in other markets. The Season 17 sponsors included Hublot S.A., a luxury watch maker, Rockstar, Inc., an energy drink company, Baccarat, Inc., a manufacturer and retailer of fine crystal, Faded Spade Poker, LLC, a playing card manufacturer, and Zynga Inc., a social gaming operator. If WPT's level of distribution were reduced by Sinclair, the value of the foregoing would be significantly reduced and it may be difficult for WPT to find sponsors on terms acceptable to WPT, or at all.

WPT's production costs may increase.

In May 2016, WPT entered into a programming agreement for Fox Sports Net ("FSN") (now Sinclair) to broadcast Seasons 15 through 18 of the WPT television series through calendar year 2021 on terms that are similar to the prior programming agreement discussed above. WPT may be required to pay the cost to produce these shows for Sinclair and depending on the amount of the related revenues it is able to generate, the lack of license fees could have a material adverse effect on WPT's financial condition, results of operations and cash flows.

WPT's production of its television show has been halted, and it is not known when production may resume.

Due to the ongoing COVID-19 pandemic, WPT has been unable to film and produce final tables from some of its previous main tour events. Although WPT anticipates filming those final tables in 2021, there is no way to predict when or if WPT will be able to film those final tables. Furthermore, the casino partners from whose events those final tables derive, as well as the players that are waiting to play such final tables, may decide not to play the final table and split the prize money, or enter into other arrangements that will make it difficult to film such final tables. If WPT cannot film those final tables, and if its production of future final tables remain in jeopardy due to COVID-19 or other factors, WPT may not be able to meet its obligations to the distributors of its content, its sponsors, or its casino partners, which could have a material adverse effect on WPT's financial condition and future business prospects.

Sinclair's acquisition of FSN could have negative consequences on World Poker Tour.

The Walt Disney Company ("Disney") recently acquired 21st Century Fox ("FOX"). Under the terms of the acquisition, FOX's non-regional news and sports assets, including FSN, were spun off into a new company, Fox Corporation (which is commonly referred to as "New Fox"), which remains owned by the prior FOX shareholders. The Department of Justice required Disney to sell all RSNs obtained as part of the acquisition within 90 days after the closing of the Disney/FOX acquisition. WPT's programming agreement with FSN's owner requires FSN to ensure WPT's programming reaches a certain amount of households, which requires FSN's owner to ensure we are broadcast on the RSNs. The FSN agreement also has other important broadcast requirements to ensure that WPT's programming remains "appointment television" and airs at particular times on both the FSN networks and the RSNs. The RSNs (including FSN) were ultimately purchased by a joint venture company owned by Sinclair. Although Sinclair purchased all or substantially all of FOX's RSNs, it will be difficult to ensure WPT's programming is carried on all of the RSNs, or at the times and dates WPT finds desirable. Even though WPT's FSN programming agreement will remain an enforceable obligation against Sinclair, there is no assurance that Sinclair will continue to broadcast WPT's programming on FSN on terms WPT finds reasonable, if at all. Furthermore, the sale of the RSN's to Sinclair and the changes to the FOX and the FSN business could negatively affect WPT's ability to find other traditional television network distribution of the WPT shows in the United States. Any reduction or change of WPT's distribution footprint has the potential to negatively affect its brand and associated sponsorship, marketing and promotional efforts.

There is no assurance that Sinclair will broadcast future seasons of the World Poker Tour, which would materially and adversely affect WPT's results of operations.

In May 2016, WPT entered into an agreement for FSN (now Sinclair) to broadcast Seasons 15 through 18 of the WPT television series through calendar year 2021. If

Sinclair elects to discontinue airing either series and WPT cannot replace its programming agreement with an agreement with a comparable U.S. broadcaster, it may be difficult for WPT to obtain sponsorship funds, it will be detrimental to the viability of the WPT brand and, consequently, would have a material adverse effect on WPT's financial condition, results of operations and cash flows.

Consumers shifting to online video on-demand services like Hulu and Netflix and away from cable could have negative consequences on World Poker Tour.

Historically, WPT has relied on traditional television network distribution in order to build its brand and generate sponsorship revenue. As online video on-demand services such as Hulu and Netflix have become increasingly popular compared to traditional cable subscriptions, WPT has increased its digital distribution. If these "cable-cutting" trends intensify, however, there is no assurance that WPT can maintain or increase its total distribution and if it cannot, it may be difficult for WPT to obtain sponsorship funds, it will be detrimental to the viability of the WPT brand and, consequently, it would have a material adverse effect on WPT's financial condition, results of operations and cash flows.

The ClubWPT.com business is currently heavily dependent upon television as a major source for the generation of new monthly subscribers and WPT continually seeks cost effective online and traditional marketing to generate new subscribers, which if not achieved could materially and adversely affect its results of operations.

ClubWPT is the official subscription online poker club of the World Poker Tour. VIP users pay a monthly subscription fee for exclusive access to full episodes from every past season of the WPT television show, plus magazine access, coupons, and more. Each month, members can play poker to win a share of cash and prizes, including seats to WPT events. In addition, in January 2019, WPT added free-to-play (also known as "freemium") social poker and casino gaming on the platform, whereby free chips are offered for play, but additional chips can be purchased (there are no cash prizes offered for freemium play). WPT has produced ClubWPT.com-branded television shows that aired on FSN (such as our "King of the Club" television shows), as well as incorporating significant branding and advertising of ClubWPT into the WPT television shows to build awareness and drive traffic to ClubWPT.com. In order for the ClubWPT business (including its freemium offering) to continue as a viable business, WPT needs to continuously identify cost efficient marketing tools to generate new subscribers for ClubWPT. Traditionally, WPT has marketed by using its large library of content online as a driver to the platform, or through its social media footprint. The number of paid subscribers at ClubWPT grew throughout 2019 as a result of a significant promotion by FSN, while daily active users of our freemium products has increased since we introduced them in January 2019. The number of paid subscribers could decrease in future quarters due to the lack of current spending on marketing for new players. WPT will need to increase its marketing and promotion of ClubWPT through alternative means, such as social media, in person at WPT live events, via cross-promotion with the Allied Esports business, and via other means to ensure ClubWPT remains viable.

WPT's reliance on Pala Interactive LLC ("Pala") as a third-party systems provider is subject to system security risks and business viability risks that could disrupt services provided to ClubWPT.com customers, and any such disruption could reduce WPT's revenue, increase its expenses and harm its reputation.

Experienced computer programmers and hackers may be able to penetrate Pala's network security and misappropriate confidential information, create system disruptions or cause shutdowns. In addition, computer programmers and hackers may be able to develop and deploy viruses, worms and other malicious software programs that attack their products or otherwise exploit security vulnerabilities in their products. As a result, WPT could lose its existing or potential customers. Pala is a third-party vendor whose business is dependent upon the real money gaming and social gaming business environment. Any business interruption or failure by Pala would directly affect WPT's online business as WPT would need to find a suitable alternative platform provider.

Rules and regulations governing sweepstakes, promotions and giveaways vary by state and country and these rules and regulations could restrict or eliminate WPT's ability to generate revenues at ClubWPT.com, which could materially and adversely impact the viability of this business.

Changes in laws or regulations in various states or countries over sweepstakes, promotions and giveaways or a negative finding of law regarding the characterization of the type of online activity carried out on ClubWPT.com could result in WPT's inability to obtain subscribers in those jurisdictions, which in turn could significantly impact WPT's ability to generate revenue. The ability or willingness to work with WPT by payment processors and other service providers necessary to conduct the ClubWPT.com business also may be limited due to such changes in laws or any perceived negative consequences of engaging in the business of sweepstakes, promotions and giveaways that are utilized by ClubWPT.com.

WPT's success depends in part on our brands and any future brands it may develop, and if the value of its brands were to diminish, its business would be adversely affected. Licensees of WPT's brands may diminish the value of its brands.

WPT's success depends on its World Poker Tour and Alpha 8 brands, which consist of a portfolio of trademarks, service marks and copyrighted materials. WPT's intellectual property portfolio includes, but is not limited to, existing and future episodes of the televised programming produced in connection with its existing and future brands and certain elements of these episodes, trade names and other intellectual property rights. In connection with WPT's branding and licensing operations, WPT entered into agreements with certain licensors to utilize the WPT brand and intellectual property in connection with mobile, social media and casual games, horse racing, amateur poker leagues, governmental lottery games, and in-person and online education and training poker workshops. While specific contractual provisions require that the licensees maintain the quality of WPT's licensed brands, WPT cannot be certain that its licensees or their manufacturers and distributors will honor their contractual obligations or that they will not take other actions that will diminish the value of WPT's brands prior to its ability to detect and prevent any such actions.

WPT may not be able to protect the format of its episodes, its current and future brands and its other proprietary rights.

WPT is susceptible to others imitating its television show format and other products and infringing on its intellectual property rights. Litigation may be necessary to enforce WPT's intellectual property rights and to determine the validity and scope of its proprietary rights. Any litigation could result in substantial expense, may reduce WPT's profits and may not adequately protect its intellectual property rights upon which it is substantially dependent. In addition, the laws of certain foreign countries do not always protect intellectual property rights to the same extent as the laws of the U.S. Imitation of WPT's television show formats and other products or infringement of its intellectual property rights could diminish the value of its brands or otherwise adversely affect its revenues.

Any litigation or claims against WPT based upon its intellectual property or other third-party rights, whether or not successful, could result in substantial costs and harm its reputation. In addition, such litigation or claims could force WPT to do one or more of the following: to cease exploitation of the WPT television series and related products or portions thereof that violate the potentially infringed third party rights or intellectual property, which would adversely affect WPT's revenue; to negotiate a license from the holder of the intellectual property or other right alleged to have been infringed, which license may not be available on reasonable terms, if at all; or to modify the WPT television series and related products or portions thereof to avoid infringing the intellectual property or other rights of a third party, which may be costly and time-consuming or impossible to accomplish.

Early termination of WPT's agreements with member casinos or violation by member casinos of the restrictive covenants contained in these agreements could negatively affect the size of telecast audiences and lead to declines in the performance of WPT's other lines of business.

WPT entered into written agreements with all of the “member casinos” that host WPT tournament stops. However, any member casino may elect to withdraw its tournament from the WPT lineup and terminate the agreement by giving WPT notice by a specified date or, if earlier, a specified length of time before the date of the tournament, which is generally four to six months. While each agreement remains in effect and, in some cases, for varying periods of time thereafter, the member casino is prohibited from televising the tournament itself, permitting any third party to televise the tournament or licensing its name, trademarks or likeness to any other party in conjunction with the telecast of a poker tournament. If a significant number of these member casinos were to terminate their agreements and/or allow a competing company to telecast their tournaments after their expiration for the restricted time period, this could result in a decline in WPT’s future telecast audiences, which in turn would lead to declines in the performance and success of WPT’s other lines of business. If one or more member casinos were to breach the exclusivity provisions of their contracts with WPT by letting a competing company telecast their tournaments within the restricted time period, litigation may be necessary to enforce those rights. Any litigation could result in substantial expense.

Refusal of any gaming commission to register WPT as a non-gaming vendor for its branded casino tournaments could jeopardize the ability of WPT to continue holding its events at member casinos.

Some states require WPT to register with the state’s gaming commissions as a non-gaming vendor of the member casino that runs a WPT-branded tournament. If such gaming commissions refuse to provide the necessary vendor license, the member casino may not be able to hold WPT’s tournaments, and WPT’s business could suffer.

Termination or impairment of WPT’s relationships with key licensing and strategic partners could adversely affect its revenues and results of operations.

WPT has developed relationships with key strategic partners in many areas of its business, including poker tournament event sponsorship, merchandise licensing, social poker and casino games, corporate sponsorship and international distribution. WPT hopes to derive significant income from its licensing arrangements and its agreements with its strategic partners are vital to finding these licensing arrangements. If WPT were to fail to manage its existing licensing relationships, this failure could have a material adverse effect on its financial condition and results of operations. WPT would also be materially adversely affected if it were to lose rights under any of its other key contracts or if the counterparty to any of these contracts were to breach its obligations to WPT. WPT relies on a limited number of contracts under which third parties provide it with services vital to WPT’s business.

These agreements include WPT’s agreements with:

- FSN (now Sinclair), pursuant to which Sinclair broadcasts the WPT television series;
- Pala, who hosts and operates the ClubWPT product;
- Partypoker Live Ltd., who licenses the WPT brand in connection with online and land-based poker tournaments in Europe;
- Hugeous Mass Media, who maintains WPT’s database of music and collects music royalty revenue for WPT worldwide;
- CaptivePlay LLC, who licenses the WPT brand in order to operate a social poker product, PlayWPT;
- HongKong Triple Sevens Interactive Co., Ltd, who licenses the Alpha8 brand to operate a social poker product;

30

- Rogers Network and Game TV, for broadcasting in key international territories such as Canada;
- TV Azteca, pursuant to which WPT is partnering with TV Azteca to create localized WPT-branded content, as well as jointly brand and market a social poker product for the territory of Mexico;
- AMC and Sport 1 & 2, who license rights to broadcast the WPT television series in 10 territories in Eastern Europe; and
- OTT (over-the-top) Platforms, specifically PLUTO TV and Samsung, where WPT earns sizeable revenues.

If WPT’s relationship with any of these or certain other third parties were to be interrupted, or the services provided by any of these third parties were to be delayed or deteriorate for any reason without being adequately replaced, WPT’s business could be materially adversely affected. If WPT is forced to find a replacement for any of these strategic partners, this could create disruption in its business and may result in reduced revenues, increased costs or diversion of management’s attention and resources.

In addition, while WPT has significant control over its licensed products and advertising, WPT does not have operational and financial control over these third parties, and it has limited influence with respect to the manner in which they conduct their businesses. If any of these strategic partners experiences a significant downturn in its business or were otherwise unable to honor its obligations to WPT, WPT’s business could be materially disrupted.

The loss of the services of Adam Pliska or other key employees or on-air talent, or WPT’s failure to attract key individuals, could adversely affect its business.

WPT is highly dependent on the services of Adam Pliska, who currently serves as Chief Executive Officer and President of WPT, as well as President of the Company.

WPT’s continued success is also dependent upon retention of other key management executives and upon its ability to attract and retain employees and on-air talent to implement its corporate development strategy and its branding and licensing efforts. The loss of some of its senior executives, or an inability to attract or retain other key individuals, could materially adversely affect WPT. Growth in WPT’s business is dependent, to a large degree, on its ability to retain and attract such employees. WPT seeks to compensate and provide incentives to its key executives, as well as other employees, through competitive salaries, stock ownership and bonus plans, but it can make no assurance that these programs will allow WPT to retain key employees or hire new employees. In addition, WPT’s future success may also be affected by the potential need to replace its key on-air talent.

Any disputes with the IATSE 700 Editors Union could delay finishing production of shows needing to be delivered to Sinclair or increase WPT’s costs to produce the shows.

From time to time, certain of WPT’s employees involved in producing the WPT series are members of IATSE 700 Editors Union, and WPT renewed its contract with such union in August 2019 for a three-year term. Although WPT has a current union agreement in place, there is no guarantee that future disagreements with WPT’s unionized employees will not lead to any interruption in services. Any failure to timely negotiate and/or settle any such disagreements could cause a delay in WPT’s ability to timely produce the WPT series for Sinclair, and the costs to do so could increase. Either of these events would adversely affect WPT’s profitability.

WPT’s quarterly results may fluctuate, which may negatively affect the value of the common stock.

Under sponsorship agreements for WPT, revenues are recognized as each episode is aired. Therefore, WPT’s quarterly revenue can fluctuate significantly depending on the

number of episodes aired in any one quarter. In addition, the sales of consumer products that utilize WPT's licensed intellectual property vary greatly, due to holiday seasons, school schedules and other outside factors. As a result, WPT's financial results can be expected to fluctuate significantly from quarter to quarter, leading to volatility and a possible adverse effect on the market price of the common stock.

Risks Related to WPT's Current Industry

WPT's television programming may be unable to maintain a sufficient audience for a variety of reasons, many of which are beyond its control.

Television production is a speculative business because revenues and income derived from television depend primarily upon the continued acceptance of that programming by the public, which is difficult to predict. Public acceptance of particular programming is dependent upon, among other things, the quality of the programming, the strength of networks on which the programming is telecast, the promotion and scheduling of the programming and the quality and acceptance of competing television programming and other sources of entertainment and information. Popularity of programming can also be negatively impacted by excessive telecasting of the programming beyond viewers' saturation thresholds.

WPT's ability to create and sponsor its television programming profitably may be negatively affected by adverse trends that apply to the television production business generally.

Television revenues and income may be affected by a number of factors, many of which are not within WPT's control. These factors include a general decline in television viewers, pricing pressure in the television advertising industry, strength of the stations on which its programming is telecast, general economic conditions, increases in production costs and availability of other forms of entertainment and leisure time activities. Furthermore, as the popularity of streaming content over the Internet increases and more consumers "cut the cord" and cease watching traditional broadcast television, the audience for WPT's programming will be dispersed across multiple platforms and its programming could have less overall impact and watchability. All of these factors, as well as others, may quickly change and these changes cannot be predicted with certainty. WPT's future sponsorship opportunities may also be adversely affected by these changes. Accordingly, if any of these changes were to occur, the revenues WPT generates from television programming could decline.

A decline in general economic conditions or the popularity of WPT's brand of televised poker tournaments could adversely impact its business.

Because WPT's operations are affected by general economic conditions and consumer tastes, its future success is unpredictable. The demand for entertainment and leisure activities tends to be highly sensitive to consumers' disposable incomes and thus a decline in general economic conditions could, in turn, have a material adverse effect on WPT's business, operating results and financial condition and the price of the Company's common stock. An economic decline, including the current economic decline as a result of the global COVID-19 pandemic, could also adversely affect WPT's corporate sponsorship business, sales of its branded merchandise and other aspects of its business.

The continued popularity of WPT's type of poker entertainment is vital in maintaining the ability to leverage its brand and develop products or services that appeal to its target audiences, which, in turn, is important to WPT's long-term results of operations. Public tastes are unpredictable and subject to change and may be affected by changes in the political and social climates of those countries and territories in which WPT operates. A change in public opinion could have a material adverse effect on WPT's business, operating results and financial condition and, ultimately, the price of the Company's common stock.

The political or social climate regarding gaming and poker could negatively impact WPT's ability to negotiate future telecast license arrangements and could negatively impact its chances of renewal.

Although the popularity of poker, in particular, and gaming, in general, has continued to grow in the U.S. and abroad, gaming has historically experienced backlash from various constituencies and communities. Currently, the legal operational status of Internet-based casinos and card rooms remains unclear in some countries. The U.S. government has taken steps to curb activities that it believes constitutes unlawful online gaming through legislation such as the Unlawful Internet Gambling Enforcement Act of 2006 and through arrests of off-shore online gaming operators traveling in the U.S. Also, on November 2, 2018, the U.S. Department of Justice (the "DOJ") issued an opinion that interprets the federal Wire Act as prohibiting any gambling that crosses state lines, including non-sports related gambling. This opinion expands the prior opinion issued by the DOJ in 2011 that interpreted the Wire Act as prohibiting interstate sports gambling only.

Based on the uncertain regulatory environment surrounding the marketing and promotion of Internet-based casinos and card rooms to viewers in the U.S., Sinclair has final edit rights to the shows that it broadcasts. Sinclair had indicated that it will only display the "dot com" names or logos of Internet-based casinos and card rooms in its telecasts that are explicitly legal in select territories in the United States. However, if Sinclair elects not to allow the display of "dot com" logos on the WPT show, whether because of the recent DOJ opinion or otherwise, WPT may not be able to attract other Internet-based casino sponsors or retain existing online card rooms sponsoring WPT's tour. Additionally, increased regulatory scrutiny on Internet gambling sites may eliminate these sites as sources of advertising revenue for television networks that exhibit poker-related programming, thereby potentially impacting the value of such programming to these networks. Additionally, many participants in WPT's tournament events are sponsored by Internet-based casino sponsors and existing online card rooms. If such sponsors' revenues are reduced, they may not be able to sponsor WPT's tournament participants at the same level or at all, which could cause WPT's tournament participation to decline (in terms of numbers and professional players) and the quality and distribution of our WPT series could suffer.

The television entertainment market in which WPT operates is highly competitive and competitors with greater financial resources or marketplace presence may enter this market to WPT's detriment.

WPT competes with other poker-related television programming, including ESPN's coverage of the "World Series of Poker" and its "World Series of Poker" Circuit Events, among others. These and other producers of poker-related programming may be well established and may have significantly greater resources than WPT does. Based on the popularity of these poker-related televised programs, WPT believes that additional competing televised poker programs may currently be in development or may be developed in the future. WPT's programming also competes for telecast audiences and advertising revenue with telecasts of mainstream professional and amateur sports, as well as other entertainment and leisure activities. These competing programs and activities, and the brands that they build may decrease the popularity of the WPT television series and dilute the WPT's brand. This would adversely affect WPT's operating results and financial condition and, ultimately, the price of the Company's common stock.

Risks Related to the Businesses of Both Allied Esports and WPT

Allied Esports and WPT have historically operated at a net loss on a consolidated basis, and there is no guarantee that that the consolidated company will be able to be profitable.

The combined historical operations of Allied Esports and the WPT have resulted in net losses of \$45,058,830 and \$16,738,729 for the years ended December 31, 2020 and

2019, respectively. We do not know with any degree of certainty whether or when the consolidated operations of Allied Esports and the WPT will become profitable. Even if we are able to achieve profitability in future periods, we may not be able to sustain or increase our profitability in successive periods.

We have formulated our business plans and strategies based on certain assumptions regarding the acceptance of our business model and the marketing of our products and services. Nevertheless, our assessments regarding market size, market share, market acceptance of our products and services and a variety of other factors may prove incorrect. Our future success will depend upon many factors, including factors beyond our control and those that cannot be predicted at this time.

Forecasts of our market and market growth may prove to be inaccurate, and even if the markets in which we compete achieve the forecasted growth, there can be no assurance that our business will grow at similar rates, or at all.

Growth forecasts included in SEC filings relating to our market opportunities and the expected growth in those markets are subject to significant uncertainty and are based on assumptions and estimates which may prove to be inaccurate. We also plan to operate in a number of foreign markets, and a downturn in any of those markets could have a significant adverse effect on our businesses. Even if these markets meet our size estimate and experiences the forecasted growth, we may not grow our business at a similar rate, or at all. Our growth is subject to many factors, including our success in implementing our business strategy, which is subject to many risks and uncertainties. Accordingly, the forecasts of market growth should not be taken as indicative of our future growth.

Any actual or perceived failure by us to comply with our privacy policies or legal or regulatory requirements in one or multiple jurisdictions could result in proceedings, actions or penalties against us.

Allied Esports and WPT have implemented various features intended to better comply with applicable privacy and security requirements in the collection and use of customer data, but these features do not ensure compliance and may not be effective against all potential privacy and data security concerns. A wide variety of domestic and foreign laws and regulations apply to the collection, use, retention, protection, disclosure, transfer, disposal and other processing of personal data. These data protection and privacy-related laws and regulations are evolving and may result in regulatory and public scrutiny and escalating levels of enforcement and sanctions. Our failure to comply with applicable laws and regulations, or to protect any personal data, could result in enforcement actions against us, including fines, claims for damages by customers and other affected individuals, damage to our reputation and loss of goodwill (both in relation to existing customers and prospective customers), any of which could adversely affect our business, operating results, financial performance and prospects.

Evolving and changing definitions of personal data and personal information within the EU, the United States and elsewhere may limit or inhibit our ability to operate or expand our business. In jurisdictions outside of the United States, we may face data protection and privacy requirements that are more stringent than those in place in the United States. We are at risk of enforcement actions taken by certain EU data protection authorities until such point in time that we may be able to ensure that all transfers of personal data to us in the United States from the EU are conducted in compliance with all applicable regulatory obligations, the guidance of data protection authorities and evolving best practices. The European General Data Protection Regulation (“GDPR”) may impose additional obligations, costs and risks upon our business. The GDPR may increase substantially the penalties to which we could be subject in the event of any non-compliance. In addition, we may incur substantial expense in complying with the obligations imposed by the GDPR and we may be required to make significant changes in our business operations, all of which may adversely affect our revenues and our business overall.

Loss, retention or misuse of certain information and alleged violations of laws and regulations relating to privacy and data security, and any relevant claims, may expose us to potential liability and may require us to expend significant resources on data security and in responding to and defending such allegations and claims. In addition, future laws, regulations, standards and other obligations, and changes in the interpretation of existing laws, regulations, standards and other obligations could impair our ability to collect, use or disclose data relating to individuals, which could increase our costs and impair our ability to maintain and grow our customer base and increase our revenue.

Allied Esports and WPT publicly post their privacy policies and practices concerning processing, use and disclosure of the personally identifiable information provided to them by website visitors. Publication of such privacy policies and other statements published that provide promises and assurances about privacy and security can subject us to potential state and federal action if they are found to be deceptive or misrepresentative of actual policies and practices or if actual practices are found to be unfair. Evolving and changing definitions of what constitutes “Personal Information” and “Personal Data” within the EU, the United States and elsewhere, especially relating to classification of IP addresses, machine or device identification numbers, location data and other information, may limit or inhibit our ability to operate or expand our business, including limiting technology alliance relationships that may involve the sharing of data.

Our failure to raise additional capital or generate cash flows necessary to pay debt, expand our operations and invest in new business initiatives in the future could reduce our ability to compete successfully and harm our operating results.

In the future we need to raise additional funds, and we may not be able to obtain additional debt or equity financing on favorable terms, if at all. If we raise additional equity financing, our security holders may experience significant dilution of their ownership interests. If we engage in debt financing, we may be required to accept terms that restrict our ability to incur additional indebtedness, force us to maintain specified liquidity or other ratios or restrict our ability to pay dividends or make acquisitions. If we cannot raise capital on acceptable terms, or at all, we may not be able to, among other things:

- develop and enhance our products and services;
- continue to expand our network of arenas;

- hire, train and retain employees;
- respond to competitive pressures or unanticipated working capital requirements; or
- pursue acquisition opportunities.

Although we have been able to fund our current working capital requirements through operations, debt and equity financing, there is no assurance that we will be able to do so in the future. As a result, our auditors have indicated that the above-mentioned conditions raise substantial doubt about our ability to continue as a going concern.

Our business depends substantially on the continuing efforts of our executive officers, key employees and qualified personnel, and our business operations may be severely disrupted if we lose the services of such personnel.

Our future success depends substantially on the continued efforts of our executive officers and key employees. If one or more of our executive officers or key employees

are unable or unwilling to continue their services with us, we might not be able to replace them easily, in a timely manner, or at all. Since the esports gaming and poker industry is characterized by high demand and intense competition for talent, we cannot assure you that we will be able to attract or retain qualified staff or other highly skilled employees. If any of our executive officers or key employees terminate their services with us, our business may be severely disrupted, our financial condition and results of operations may be materially and adversely affected and we may incur additional expenses to recruit, train and retain qualified personnel.

We may experience security breaches and cyber threats.

We face cyber risks and threats that could damage, disrupt or allow third parties to gain improper access to our networks and platforms, supporting infrastructure, intellectual property and other assets. In addition, we rely on technological infrastructure, including third party cloud hosting and broadband, provided by third party business partners to support the functionality of our platforms and content distribution. These business partners are also subject to cyber risks and threats. Such cyber risks and threats may be difficult to detect. The techniques that may be used to obtain unauthorized access or disable, degrade, exploit or sabotage these networks and gaming platforms change frequently and often are not detected. Our systems and processes and those of our third-party business partners may not be adequate. Any failure to prevent or mitigate security breaches or cyber risks, or respond adequately to a security breach or cyber risk, could result in interruptions to our platforms, degrade the gamer/user experiences, cause gamers/users to lose confidence in our platforms and cease utilizing them, as well as significant legal and financial exposure. This could harm our business and reputation, disrupt our relationships with partners and diminish our competitive position.

Global health threats, such as the current COVID-19 pandemic, may adversely affect the operations of our Allied Esports and WPT businesses, which could have a material adverse effect on our business.

Our business could be adversely affected by the effects of a widespread outbreak of contagious disease, including the recent outbreak of the COVID-19 respiratory illness first identified in Wuhan, Hubei Province, China. A significant outbreak of contagious diseases in the human population could result in a widespread health crisis that could adversely affect the economies and financial markets of many countries, resulting in an economic downturn that could affect demand for our products and services. Specifically, as a global entertainment company that hosts numerous live events with spectators and participants in destination cities, outbreaks may cause such people to avoid traveling to our destination cities and attending our events. Sponsors of such events may also cancel such events as precautionary measures or based on guidelines from local or federal health agencies. As a result of the COVID-19 pandemic, live events to be hosted by both of our Allied Esports and WPT businesses have been cancelled. Allied Esports and WPT businesses started conducting live events again on a limited basis in June 2020. However, many other previously scheduled live events remain indefinitely postponed or have been cancelled. And at this time, we cannot determine the extent that such outbreak will continue to have on our future operations.

Risks Related to Owning Our Common Stock

The market price of shares of our common stock may be volatile, which could cause the value of your investment to decline.

The market price of our common stock may be highly volatile and could be subject to wide fluctuations. Securities markets worldwide experience significant price and volume fluctuations. This market volatility, as well as general economic, market or political conditions, could reduce the market price of shares of our common stock regardless of our operating performance. In addition, our operating results could be below the expectations of public market analysts and investors due to a number of potential factors, including variations in our quarterly operating results or dividends, if any, to stockholders, additions or departures of key management personnel, failure to meet analysts' earnings estimates, publication of research reports about our industry, litigation and government investigations, changes or proposed changes in laws or regulations or differing interpretations or enforcement thereof affecting our business, adverse market reaction to any indebtedness we may incur or securities we may issue in the future, changes in market valuations of similar companies or speculation in the press or investment community, announcements by our competitors of significant contracts, acquisitions, dispositions, strategic partnerships, joint ventures or capital commitments, adverse publicity about the industries we participate in or individual scandals, and, in response, the market price of shares of our common stock could decrease significantly. You may be unable to resell your shares of common stock at or above a price you feel is appropriate.

In the past few years, stock markets have experienced extreme price and volume fluctuations. In the past, following periods of volatility in the overall market and the market price of a company's securities, securities class action litigation has often been instituted against these companies. Such litigation, if instituted against us, could result in substantial costs and a diversion of our management's attention and resources.

We have no current plans to pay cash dividends on our common stock; as a result, you may not receive any return on investment unless you sell your common stock for a price greater than that which you paid for it.

We have no current plans to pay dividends on our common stock. Any future determination to pay dividends will be made at the discretion of our Board of Directors, subject to applicable laws, and will depend on a number of factors, including our financial condition, results of operations, capital requirements, contractual, legal, tax and regulatory restrictions, general business conditions and other factors that our Board of Directors may deem relevant. In addition, our ability to pay cash dividends is restricted by the terms of our debt financing arrangements, and any future debt financing arrangement likely will contain terms restricting or limiting the amount of dividends that may be declared or paid on our common stock. As a result, you may not receive any return on an investment in our common stock unless you sell your common stock for a price greater than that which you paid for it.

If our operating and financial performance in any given period does not meet the guidance that we provide to the public, the market price of our common stock may decline.

We may, but are not obligated to, provide public guidance on our expected operating and financial results for future periods. Any such guidance will be comprised of forward-looking statements subject to the risks and uncertainties described in our public filings and public statements. Our actual results may not always be in line with or exceed any guidance we have provided, especially in times of economic uncertainty. If, in the future, our operating or financial results for a particular period do not meet any guidance we provide or the expectations of investment analysts, or if we reduce our guidance for future periods, the market price of our common stock may decline as well. Even if we do issue public guidance, there can be no assurance that we will continue to do so in the future.

We may not be able to generate sufficient cash to service all of our indebtedness and may be forced to take other actions to satisfy our obligations under our indebtedness, which may not be successful.

Our ability to make scheduled interest payments on or to refinance our debt obligations depends on our financial condition and operating performance, which are subject to prevailing economic and competitive conditions and to certain financial, business, legislative, regulatory and other factors, some of which are beyond our control. In some cases, we will also be required to obtain the consent of our lenders to refinance material portions of our indebtedness. We cannot assure you that we will maintain a level of cash flows from operating activities sufficient to permit us to pay the principal, premiums, and interest, if any, on our indebtedness. Some of our indebtedness is maturing in the near term, and if we are unable to raise sufficient capital or generate cash through our operations, we will be unable to meet our debt obligations at maturity.

If our cash flows and capital resources are insufficient to fund our debt service obligations, we may be forced to reduce or delay investments and capital expenditures, reduce or eliminate the payment of dividends, sell assets, seek additional capital or seek to restructure or refinance our indebtedness. These alternative measures may not be successful and may not permit us to meet our scheduled debt service obligations. Our ability to restructure or refinance our debt will depend on the condition of the capital markets and our financial condition at such time. Any refinancing of our debt could be at higher interest rates and may require us to comply with more onerous covenants, which could further restrict our business operations. We may not be able to effect any such alternative measures on commercially reasonable terms or at all and, even if successful, those alternative actions may not allow us to meet our scheduled debt service obligations. If our operating results and available cash are insufficient to meet our debt service obligations, we could face substantial liquidity problems and might be required to dispose of material assets or operations to attempt to meet our debt service and other obligations. We may not be able to consummate those dispositions or consummate dispositions at prices that we believe are fair, and the proceeds that we do receive may not be adequate to meet any debt service obligations then due.

We incur increased costs and are subject to additional regulations and requirements as a result of being a public company, which could lower our profits or make it more difficult to run our business.

As a public company, we incur significant legal, accounting and other expenses that are not incurred by private companies, including costs associated with public company reporting requirements. We also have incurred and will continue to incur costs associated with the Sarbanes-Oxley Act, and related rules implemented by the SEC and the Nasdaq Capital Market. The expenses generally incurred by public companies for reporting and corporate governance purposes have been increasing. We expect these rules and regulations to increase our legal and financial compliance costs and to make some activities more time-consuming and costly, although we are currently unable to estimate these costs with any degree of certainty. These laws and regulations also may make it more difficult or costly for us to obtain certain types of insurance, including director and officer liability insurance, and we may be forced to accept reduced policy limits and coverage or incur substantially higher costs to obtain the same or similar coverage. These laws and regulations could also make it more difficult for us to attract and retain qualified persons to serve on our Board of Directors, on our board committees or as our executive officers. Furthermore, if we are unable to satisfy our obligations as a public company, we could be subject to delisting of our common stock on the Nasdaq market, fines, sanctions and other regulatory action and potentially civil litigation.

Through its wholly-owned subsidiary Primo Vital Limited, Ourgame International Holdings Limited (“Ourgame”) owns a significant percentage of our outstanding common stock, enabling it to exert significant influence over our operations and activities, which may affect the trading price of our common stock.

According to its SEC filings, Ourgame, through Primo Vital Limited, beneficially owns and controls approximately 35.8% of our outstanding common stock. Primo Vital Limited is entitled to full voting rights with respect to the shares of common stock that it owns. This concentrated ownership enables Ourgame to exert significant influence over all matters requiring stockholder votes, including: the election of directors; mergers, consolidations, acquisitions and other strategic transactions; the sale of all or substantially all of our assets and other decisions affecting our capital structure; amendments to our Certificate of Incorporation or our bylaws; and our winding up and dissolution. The interests of Ourgame may not always coincide with our interests or the interests of our other stockholders, and Ourgame’s influence may delay, deter or prevent acts that would be favored by us or our other stockholders. This concentration of ownership may also have the effect of delaying, preventing or deterring a change in control of the Company. Also, Ourgame may seek to cause us to take courses of action that, in its judgment, could enhance its investments in us, but which might involve risks to our other stockholders or adversely affect us or our other stockholders. As a result, the market price of our shares could decline. In addition, this concentration of share ownership may adversely affect the trading price of our shares because prospective investors may perceive disadvantages in owning shares in a company such as our company with such a significant stockholder.

We are an “emerging growth company,” and the reduced public company reporting requirements applicable to emerging growth companies may make our common stock less attractive to investors.

We qualify as an “emerging growth company,” as defined in the JOBS Act. For so long as we remain an emerging growth company, we are permitted and plan to rely on exemptions from certain disclosure requirements that are applicable to other public companies that are not emerging growth companies. These provisions include, but are not limited to: being permitted to have only two years of audited financial statements and only two years of related selected financial data and management’s discussion and analysis of financial condition and results of operations disclosure; an exemption from compliance with the auditor attestation requirement in the assessment of our internal control over financial reporting pursuant to Section 404 of the Sarbanes-Oxley Act; not being required to comply with any requirement that may be adopted by the PCAOB regarding mandatory audit firm rotation or a supplement to the auditor’s report providing additional information about the audit and the financial statements; reduced disclosure obligations regarding executive compensation arrangements in our periodic reports, registration statements and proxy statements; and exemptions from the requirements of holding a nonbinding advisory vote on executive compensation and stockholder approval of any golden parachute payments not previously approved. In addition, the JOBS Act permits emerging growth companies to take advantage of an extended transition period to comply with new or revised accounting standards applicable to public companies. We intend to take advantage of the exemptions discussed above. As a result, the information we provide will be different than the information that is available with respect to other public companies. In our SEC filings, we do not include all of the executive compensation-related information that would be required if we were not an emerging growth company. We cannot predict whether investors will find our common stock less attractive if we rely on these exemptions. If some investors find our common stock less attractive as a result, there may be a less active trading market for our common stock, and the market price of our common stock may be more volatile.

We will remain an emerging growth company until the earliest of (i) the end of our 2022 fiscal year, (ii) the first fiscal year after our annual gross revenues exceed \$1.07 billion, (iii) the date on which we have, during the immediately preceding three-year period, issued more than \$1.00 billion in non-convertible debt securities or (iv) the end of any fiscal year in which the market value of our common stock held by non-affiliates exceeds \$700 million as of the end of the second quarter of that fiscal year.

Our failure to achieve and maintain an effective system of disclosure controls and internal control over financial reporting could adversely affect our financial position and lower our stock price.

As a public company, we are subject to the reporting requirements of the Exchange Act, the Sarbanes-Oxley Act, and the rules and regulations of the applicable listing standards of Nasdaq. The Sarbanes-Oxley Act requires, among other things, that we maintain effective disclosure controls and procedures and internal control over financial reporting. Effective internal controls are necessary for us to provide reliable financial reports. Nevertheless, all internal control systems, no matter how well designed, have inherent limitations. Even those systems determined to be effective can provide only reasonable assurance with respect to financial statement preparation and presentation.

Management identified the following material weaknesses in internal controls as of December 31, 2019, which persist as of December 31, 2020:

- inadequate internal controls, including inadequate segregation of duties, over the preparation and review of the consolidated financial statements and untimely annual closings of the books;
- inadequate controls and procedures as they relate to completeness of information reported by certain third parties that process transactions related to specific revenue streams; and
- inadequate information technology general controls as it relates to user access and change management.

As a company with limited accounting resources, a significant amount of management’s time and attention has been and will be diverted from our business to work toward compliance with these regulatory requirements. This diversion of management’s time and attention may have a material adverse effect on our business, financial condition and

These material weaknesses and any significant deficiencies could harm our operating results or cause us to fail to meet our reporting obligations and may result in a restatement of our financial statements for prior periods. Any failure to implement and maintain effective internal control over financial reporting also could adversely affect the results of periodic management evaluations and any annual independent registered public accounting firm attestation reports regarding the effectiveness of our internal control over financial reporting that we may be required to include in our periodic reports that will be filed with the SEC. Ineffective disclosure controls and procedures and internal control over financial reporting could also cause investors to lose confidence in our reported financial and other information, which would likely have a negative effect on the trading price of our common stock. In addition, if we are unable to continue to meet these requirements, we may not be able to maintain our common stock listing on Nasdaq.

Increases in interest rates may cause the market price of our common stock to decline.

While interest rates are falling and have in recent years been at record low levels, any return to increases in interest rates may cause a corresponding decline in demand for equity investments. Any such increase in interest rates or reduction in demand for our common stock resulting from other relatively more attractive investment opportunities may cause the market price of our common stock to decline.

If securities or industry analysts do not publish research or reports about our business or publish negative reports, the market price of our common stock could decline.

The trading market for our common stock will be influenced by the research and reports that industry or securities analysts publish about us or our business. If one of more of these analysts ceases coverage of us or fails to publish reports on us regularly, we could lose visibility in the financial markets, which in turn could cause the market price or trading volume of our common stock to decline. Moreover, if one or more of the analysts who cover us downgrades our common stock or if our reporting results do not meet their expectations, the market price of our common stock could decline.

You will be diluted by the future issuance of common stock, preferred stock, or securities convertible into common or preferred stock, in connection with our incentive plans, acquisitions, capital raises or otherwise.

Our amended and restated certificate of incorporation authorizes us to issue these shares of common stock and options, rights, warrants and appreciation rights relating to common stock for the consideration and on the terms and conditions established by our Board of Directors in its sole discretion, whether in connection with acquisitions or otherwise.

In the future, we expect to obtain financing or to further increase our capital resources by issuing additional shares of our capital stock or offering debt or other equity securities, including senior or subordinated notes, debt securities convertible into equity or shares of preferred stock. Issuing additional shares of our capital stock or other equity securities or securities convertible into equity may dilute the economic and voting rights of our existing stockholders or reduce the market price of our common stock or both. Debt securities convertible into equity could be subject to adjustments in the conversion ratio pursuant to which certain events may increase the number of equity securities issuable upon conversion. Preferred shares, if issued, could have a preference with respect to liquidating distributions or a preference with respect to dividend payments that could limit our ability to pay dividends to the holders of our common stock. Our decision to issue securities in any future offering will depend on market conditions and other factors beyond our control, which may adversely affect the amount, timing or nature of our future offerings. As a result, holders of our common stock bear the risk that our future offerings may reduce the market price of our common stock and dilute their stockholdings in us.

Additionally, we have reserved an aggregate of 3,463,305 shares of common stock for issuance under our 2019 Equity Incentive Plan (the "2019 Plan"). Any common stock that we issue, including under our 2019 Plan or other equity incentive plans that we may adopt in the future, would dilute the percentage ownership held by our common stockholders. We have filed an effective registration statement on Form S-8 under the Securities Act to register shares of our common stock or securities convertible into or exchangeable for shares of our common stock issued pursuant to our 2019 Plan. Accordingly, shares registered under such registration statement will be available for sale in the open market upon issuance.

The Company's amended and restated certificate of incorporation provides that, to the fullest extent permitted by law, the Court of Chancery of the State of Delaware will be the exclusive forum for certain legal actions between the Company and its stockholders, which could limit the Company's stockholders' ability to obtain a judicial forum viewed by the stockholders as more favorable for disputes with the Company or the Company's directors, officers or employees.

The Company's Certificate of Incorporation, as amended, provides that unless the Company consents in writing to the selection of an alternative forum, the sole and exclusive forum for any stockholder (including a beneficial owner) to bring (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the Delaware General Corporation Law or the Certificate of Incorporation, as amended, or the Company's Bylaws, or (iv) any action asserting a claim governed by the internal affairs doctrine shall be the Court of Chancery of the State of Delaware (or if the Court of Chancery does not have jurisdiction, another state court located within the State of Delaware, or if no state court located within the State of Delaware has jurisdiction, the federal district court for the District of Delaware) in all cases subject to the court's having personal jurisdiction over the indispensable parties named as defendants. This exclusive forum provision does not apply to suits brought to enforce a duty or liability created by the Exchange Act. It could apply, however, to a suit that falls within one or more of the categories enumerated in the exclusive forum provision and asserts claims under the Securities Act, inasmuch as Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rule and regulations thereunder. There is uncertainty as to whether a court would enforce such provision with respect to claims under the Securities Act, and our stockholders will not be deemed to have waived our compliance with the federal securities laws and the rules and regulations thereunder.

Any person or entity purchasing or otherwise acquiring any interest in any of our securities shall be deemed to have notice of and consented to these provisions. These exclusive-forum provisions may limit a stockholder's ability to bring a claim in a judicial forum of its choosing for disputes with us or our directors, officers or other employees, which may discourage lawsuits against us and our directors, officers and other employees.

If a court were to find the choice of forum provision contained in our Certificate of Incorporation, as amended, to be inapplicable or unenforceable in an action, we may incur additional costs associated with resolving such action in other jurisdictions, which could harm our business, results of operations, and financial condition. Even if we are successful in defending against these claims, litigation could result in substantial costs and be a distraction to the Company's management.

Our Board of Directors' ability to issue undesignated preferred stock and the existence of anti-takeover provisions may depress the value of our common stock.

The Company's authorized capital includes 1,000,000 shares of undesignated preferred stock. Our Board has the power to issue any or all of the shares of preferred stock, including the authority to establish one or more series and to fix the powers, preferences, rights and limitations of such class or series, without seeking stockholder approval,

subject to certain limitations on this power under Nasdaq listing requirements. Further, as a Delaware corporation, we are subject to provisions of the Delaware General Corporation Law regarding “business combinations.” We may, in the future, consider adopting additional anti-takeover measures. The authority of our Board to issue undesignated stock and the anti-takeover provisions of Delaware law, as well as any future anti-takeover measures adopted by us, may, in certain circumstances, delay, deter or prevent takeover attempts and other changes in control of our company that are not approved by our Board. As a result, our stockholders may lose opportunities to dispose of their shares at favorable prices generally available in takeover attempts or that may be available under a merger proposal and the market price, voting and other rights of the holders of common stock may also be affected.

PROPOSAL 1: APPROVAL AND ADOPTION OF THE STOCK PURCHASE AGREEMENT

As discussed elsewhere in this proxy statement, the Company stockholders will consider and vote on a proposal to approve and adopt the Stock Purchase Agreement.

The terms and conditions of the Sale Transaction are set forth in the Stock Purchase Agreement, which is described under the caption “The Stock Purchase Agreement” beginning on page 51. A copy of the Stock Purchase Agreement, excluding the schedules thereto, is included as Annex A to this proxy statement. The description in this proxy statement of the terms and conditions of the Sale Transaction and of the Stock Purchase Agreement is a summary only and may not contain all of the information that is important to you. To fully understand the Sale Transaction and the terms of the Stock Purchase Agreement, you should carefully read in its entirety the copy of the Stock Purchase Agreement.

Our Board of Directors believes that the Sale Transaction is advisable, fair to, and in the best interests of the Company and its stockholders and has unanimously approved the Sale Transaction. Our Board of Directors unanimously recommends that the stockholders vote “FOR” the proposal to approve and adopt the Stock Purchase Agreement.

The approval of the proposal to approve and adopt the Stock Purchase Agreement requires the affirmative vote of the holders of a majority of the issued and outstanding shares of Company common stock entitled to vote on such proposal.

PROPOSAL 2: AUTHORITY TO ADJOURN THE SPECIAL MEETING

Company stockholders may be asked to adjourn the special meeting to a later date or time if necessary or appropriate, including to solicit additional proxies in favor of the proposal to approve and adopt the Stock Purchase Agreement if there are insufficient votes at the time of the special meeting to approve and adopt the Stock Purchase Agreement. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at the special meeting as originally noticed. If the adjournment is for more than 30 days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder entitled to vote at the meeting.

Our Board of Directors unanimously recommends that stockholders vote “FOR” the proposal to adjourn the special meeting to a later date or time if necessary or appropriate, including to solicit additional proxies in favor of the proposal to approve and adopt the Stock Purchase Agreement if there are insufficient votes at the time of the special meeting to approve and adopt the Stock Purchase Agreement.

The approval of the proposal to adjourn the special meeting if necessary or appropriate requires the affirmative vote of holders of a majority of the shares of Company common stock present in person (in this case, virtually) or represented by proxy at the special meeting entitled to vote on such matter. This voting threshold applies even in the absence of a quorum.

Element Partners, LLC

Element Partners, LLC is a Delaware limited liability company formed for the purposes of acquiring the WPT Business in the Sale Transaction. Element Partners, LLC is owned by an investment fund.

Background of the Sale Transaction

Our Board of Directors and the members of our senior management team regularly review our operations and strategy to maximize long-term value to our stockholders. As part of this ongoing review, our Board of Directors and management have considered a variety of strategic alternatives to enhance stockholder value, including potential financings, changes to our offerings, strategic partnerships, and divestitures.

On September 9, 2020, Adam Pliska, the Chief Executive Officer and President of World Poker Tour, was introduced by a mutual friend to a representative of Buyer. After this introduction was made, Buyer’s representative requested an introductory call with Mr. Pliska to discuss the possibility of a partnership or acquisition of the WPT Business directly.

On September 16, 2020, a phone conference was held among Mr. Pliska, the Company’s President, David Polgreen, the Company’s General Counsel and representatives of the Buyer. During the call, Mr. Pliska provided Buyer’s representatives with details about the operations of the WPT Business, and the parties discussed potential acquisition

opportunities. Buyer's representatives expressed an interest in the WPT Business and requested the opportunity to begin a due diligence process with respect to the same. After the conclusion of the call, Mr. Pliska related the substance of the call to the Company's Chief Executive Officer, Frank Ng, and its Chief Financial Officer, Tony Hung.

On October 12, 2020, a follow-up teleconference was held between Buyer and Company during which the parties further discussed the potential partnership or acquisition deal and the structure of the Company and its related subsidiaries. After this conference, Buyer's representative sent Mr. Pliska an email reiterating Buyer's interest in pursuing a license of the intellectual property of the WPT Business or an acquisition of the WPT Business.

On October 29, 2020, the Company's Board of Directors held a meeting to discuss, among other things, the possibility of a sale of the WPT Business. All directors were present at this meeting, along with Mr. Hung and representatives of Maslon LLP, outside counsel to the Company. After discussion at the meeting, the Board directed the Company's officers to further investigate with Buyer a potential license of the intellectual property of the WPT Business or a sale of the WPT Business.

On November 4, 2020, Mr. Pliska and Mr. Polgreen held a teleconference with Buyer's representative, during which Buyer's representative indicated that Buyer sought to acquire the WPT Business instead of an intellectual property license. Buyer's representative requested that the Company present Buyer with a proposed sale price for the WPT Business on or before November 9, 2020.

43

On November 5, 2020, the Company's Board of Directors held a meeting where Mr. Pliska presented the Board with the substance of his conversations with the representatives of Buyer. Acknowledging that a sale of the WPT Business was not being actively pursued by the Company at that time, the Board discussed Buyer's general proposal to purchase the WPT Business, taking into account the Company's operations, financial performance, and independent valuations proposed by prior interested parties and certain investment bankers.

The Board continued its discussions on November 8, 2020. The Board discussed the relative merits and risks of continuing to operate or selling the WPT Business. Yinghua Chen, a director of the Company, presented Ourgame's perspective regarding the potential acquisition, and expressed Ourgame's general preference to sell the WPT business. The Board agreed that rather than proposing a purchase price to Buyer, it would be preferable for Buyer to present a purchase price proposal, and directed Mr. Pliska to communicate the same to Buyer's representatives. Shortly after the meeting, Mr. Pliska communicated the Board's preference to Buyer's representative.

On November 11, 2020, representatives of Buyer called Mr. Pliska to communicate Buyer's offer to acquire the WPT Business for \$48.5 million. Mr. Pliska confirmed that he would present this offer to the Board, but indicated that he believed the proposed purchase price may be significantly lower than what the Board believed was a fair value for the WPT Business. On or about the same day, Mr. Ng had a phone conversation with another representative of Buyer in which Mr. Ng suggested that the Board would be unlikely to approve a sale for less than \$70 to \$80 million, to which the Buyer's representative responded that Buyer might be willing to meet such a price. After conferring with Mr. Pliska and learning of Buyer's offer of \$48.5 million, Mr. Ng had another conversation with Buyer's representative during which Mr. Ng reiterated to Buyer that such offer was likely unacceptable to the Board and management. Buyer's representative responded that he would speak with his team to amend the proposed sale price. Later the same day, a representative of Buyer phoned Mr. Pliska and informed him that Buyer intended to increase the offered purchase price to approximately \$70 million, plus additional consideration structured as post-closing, revenue sharing payments, and indicated that the Buyer would submit to the Company a non-binding proposal.

On November 12, 2020, the Company received a draft non-binding proposal from Buyer reflecting the terms discussed among Mr. Pliska, Mr. Ng, and Buyer's representative on November 11, 2020.

On November 13, 2020, the Board of Directors held a meeting and reviewed and discussed the terms of the non-binding proposal received from Buyer the day before, and received feedback from Ms. Chen regarding Ourgame's general support of the proposed sale of the WPT Business. The Board also discussed the fiduciary implications of the proposed sale of the WPT Business, and the need to obtain a fairness opinion to ensure that the contemplated sales price would maximize stockholder value and would be fair from a financial point of view. After due discussion and deliberation, the Board directed management to continue negotiations with Buyer, but expressed a preference for the entire purchase price to be paid at the closing instead of including post-closing revenue sharing in the purchase price. The Board directed Tony Hung, Chief Financial Officer, to seek out options to obtain a fairness opinion.

On November 15, 2020, the Company sent a revised draft of Buyer's non-binding proposal to Buyer for Buyer's review and comment.

On November 16, 2020, the Company and Buyer conducted a phone conference to discuss the Company's proposed revisions to the non-binding proposal. Messrs. Pliska, Ng, Hung, and Polgreen represented the Company. During this call, the parties proposed and discussed timelines for the due diligence and purchase agreement negotiation processes moving forward. The Company's representatives emphasized the importance of establishing a timeline consistent with the Board's discharge of its fiduciary duties to the Company's stockholders. The parties also discussed Buyer's source of funds for the purchase price and the possibility of including the Buyer's escrow of the purchase price in advance of any sale transaction. After the call, Mr. Polgreen summarized the call for the Board.

44

On November 17, 2020, Buyer submitted a revised non-binding proposal to the Company. After Buyer's representatives reviewed the revised terms contained therein, the Company and Buyer's representatives held a phone conference to discuss the revisions. The Company was represented by Messrs. Pliska, Ng, Hung, Polgreen, and representatives of Maslon LLP. During the call, the parties discussed the approvals that would be necessary to consummate the proposed acquisition, including the approval of the Company's stockholders. In addition, the parties discussed the desire for Ourgame to approve the Sale Transaction in its capacity as the beneficial owner of a significant amount of the Company's common stock, and such approval could only be obtained after Ourgame's stockholders approved the sale under the rules of the Hong Kong Stock Exchange ("HKSE") to which Ourgame is subject. Mr. Ng directed Mr. Polgreen and Maslon LLP to discuss necessary Ourgame approvals with Ms. Chen and Yundan Xiao, General Counsel to Ourgame. After the call, Mr. Polgreen provided the Board an update regarding representation and warranty insurance, break-up fees, confirmation of Buyer's source of funds, and the foregoing regulatory approvals.

On November 18 and 19, 2020, Mr. Pliska met with representatives of Buyer in Las Vegas, Nevada, where the parties engaged in further negotiations regarding the proposed terms of the Sale Transaction, with a primary focus on diligence of the WPT Business. Mr. Pliska provided an overview of the WPT Business' assets and management, and answered questions and discussed future opportunities available to the WPT Business.

On November 19, 2020, Mr. Polgreen and representatives of Maslon LLP held a call with representatives of the Tong Shang firm, outside counsel to Ourgame, to discuss the process and timing of obtaining the approval of the Sale Transaction by Ourgame stockholders, including the announcement and circular required by the HKSE and the necessity of obtaining the HKSE approval thereof.

On November 20, 2020, the Company received a revised non-binding proposal from Buyer. The non-binding proposal was presented to the Board of Directors.

On November 22, 2020, representatives of Maslon LLP sent to Loeb & Loeb LLP a revised draft of the non-binding proposal reflecting updates to facilitate the necessary filings with the HKSE. The same day, Mr. Polgreen provided the Board of Directors the updated proposal and a summary of open issues for the Board of Director's review and

comment.

On November 23, 2020, Messrs. Pliska, Polgreen, Hung, and Ng, along with representatives from Maslon LLP, and Buyer's representatives and Loeb & Loeb LLP, held a phone conference to discuss the non-binding proposal. The discussion focused primarily on the stockholder approvals and other consents that would be necessary to consummate the Sale Transaction, the proposed licensing agreement to be included in the acquisition transaction, and the status of Buyer's efforts to secure representation and warranty insurance. After the call, Maslon LLP sent Loeb & Loeb LLP a draft of the non-binding proposal, revised according to the discussions held during the foregoing call.

On November 24, 2020, Mr. Polgreen and Maslon LLP conducted phone calls with Loeb & Loeb LLP to discuss the substance and mechanics of the licensing agreement, which was proposed to come into effect in the event that the proposed acquisition would not close according to the definitive purchase agreement between the Company and Buyer. Maslon LLP and Ourgame's counsel also exchanged emails regarding Ourgame's counsel's review of the latest iteration of the non-binding proposal to facilitate timely submissions of the announcement and circular required by the HKSE for Ourgame stockholder approval.

That same evening, the Board of Directors held a meeting to discuss the updated non-binding proposal, including the proposed terms of the post-termination licensing agreement and Buyer's proposal to reimburse a portion of the Company's legal expenses if the acquisition is not consummated. No formal action was taken by the Board at this meeting.

On November 25, 2020, Maslon LLP sent the Board of Directors a revised draft of the non-binding proposal, incorporating comments from Ourgame's counsel, and sought the Board's approval of the execution of the letter of intent. The Board approved execution of the letter of intent, with Mr. Pliska abstaining from such approval.

45

On November 29, 2020, Mr. Polgreen, Maslon LLP, Buyer's representative and Loeb & Loeb LLP further negotiated the terms of the letter of intent regarding the post-termination licensing agreement. At the conclusion of these negotiations, Mr. Polgreen sent an email to the Board of Directors summarizing these negotiations and corresponding revisions to the non-binding proposal, and requested the Board to approve the execution of the non-binding proposal, as presented. The Board approved the execution of the letter of intent via email, with Mr. Pliska abstaining from the vote.

On December 3, 2020, the Company and Buyer executed the non-binding proposal.

On December 12, 2020, a phone conference was conducted among Messrs. Pliska, Polgreen, Ng, Hung, and representatives of Maslon LLP, on behalf of the Company, and Buyer to discuss issues identified by the Company and Maslon LLP in the draft stock purchase agreement. Shortly after the foregoing call, Mr. Polgreen contacted Buyer's representative to further discuss indemnification and purchase price adjustment issues.

On December 13, 2020, the Board of Directors held a meeting with all directors present, as well as Mr. Polgreen, Mr. Hung, and representatives of Maslon LLP. Maslon LLP led the Board through a review of the draft Stock Purchase Agreement, highlighting issues therein and potential resolutions to such issues. Mr. Ng provided the Board with a summary of the status of cash and working capital, and negotiating a purchase price adjustment based on the same.

The same day, Mr. Polgreen called and emailed Buyer's representative to provide an update on the Company's position regarding open negotiation points, including with respect to the survival of representations and warranties and the indemnification basket contained in the draft Stock Purchase Agreement.

On December 14, 2020, Mr. Pliska and Buyer's representative discussed the current cash and working capital positions of the WPT Business and an agreed upon a purchase price adjustment.

On December 23, 2020, the Board of Directors held a meeting during which Messrs. Pliska, Ng, and Polgreen led the Board in a discussion of the purchase price adjustment and the status of other open negotiating points with respect to the draft Stock Purchase Agreement. No formal action was taken by the Board of Directors.

On December 24, 2020, Mr. Polgreen provided the Board of Directors with Shot Tower Capital's fairness opinion.

On December 30, 2020, the Board of Directors held a meeting to review the terms of the draft Stock Purchase Agreement and Sale Transaction. Representatives of Maslon LLP led the Board through the resolution of the outstanding items in the draft Stock Purchase Agreement and the Board of Directors discussed the contents of the fairness opinion previously delivered. After discussion, the Board of Directors approved the draft Stock Purchase Agreement and Sale Transaction, with Adam Pliska abstaining.

On January 3, 2020, Frank Ng, Tony Hung, Adam Pliska, David Polgreen and Maslon LLP met with Buyer's representatives and Loeb & Loeb LLP to discuss any remaining issues in the draft Stock Purchase Agreement and brand license agreement.

On January 8, 2021, representatives of Maslon LLP and Loeb & Loeb LLP discussed the treatment of certain liabilities of the WPT Business that will remain outstanding after the Sale Transaction.

On January 9, 2021, Adam Pliska and a representative of Buyer spoke about the treatment of such liabilities and agreed that the purchase price would be reduced by \$750,000 to account for such continuing liabilities.

On January 12, 2021, Shot Tower Capital updated its fairness opinion to account for such adjustment to the purchase price, which was circulated to the Company's Board of Directors.

46

On January 19, 2021, the Buyer, the Company, and the Company's direct and indirect wholly-owned subsidiaries, Allied Esports Media, Inc. ("Esports Media," and together with the Company, the "Selling Parties") and Club Services, Inc. ("CSI"), executed a Stock Purchase Agreement (the "Original Agreement").

On February 28, 2021, Bally's Corporation ("Bally's") emailed Frank Ng a proposal to acquire all of the Company's equity interests for \$90 million, payable, at the Company's option, in cash, Bally's capital stock, or a combination of both. Under the proposal, Bally's would have acquired the Company, including the WPT Business and its esports operations, and paid the \$3 million break-up fee owed to Buyer upon the termination of the Original Agreement. The proposal further stated that Bally's would pay a \$3 million reverse break-fee if Bally's proposal was not completed due to a failure on Bally's part. The only conditions to closing the transactions contemplated by Bally's proposal would be termination of the Original Agreement and "customary closing conditions." The terms of the agreement to consummate the transactions contemplated by Bally's proposal would have been substantially the same as the Original Agreement, revised only to the extent necessary to accommodate the specific aspects of Bally's proposal.

On March 1, 2021, the Company notified representatives of Buyer of Bally's proposal.

On March 1, 2021, the Board of Directors held a meeting to review the terms of Bally's proposal and concluded that such proposal did not constitute a "superior proposal," nor was it reasonably likely to lead to a "superior proposal," under the Original Agreement. Representatives of the Company notified representatives of Buyer of the Board's determination.

On March 3, 2021, the Company received an updated proposal from Bally's to sell all of the Company's equity interests for \$100 million, payable, at the Company's option, in cash, Bally's capital stock, or a combination of both. The remaining terms of Bally's proposal were consistent with the terms of Bally's proposal on February 28, 2021, except for the increase in the purchase price from \$90 million to \$100 million and an increase in the reverse-break fee from \$3 million to \$10 million. Representatives of the Company notified representatives of Buyer of Bally's updated proposal.

On March 4, 2021, representatives of Buyer delivered to the Company a proposal indicating that Buyer would pay to the Company, upon completion of a sale of the Company's esports business within two years, the difference between the low-end of a valuation included in a fairness opinion of the Company's esports business and what is realized by the Company in such sale, up to \$5.0 million. In exchange, the Company would pay to Buyer 5.0% of any realized proceeds in such sale that exceed the maximum amount of the valuation included in such fairness opinion.

On March 4, 2021, the Board of Directors held a meeting to review the terms of Bally's updated proposal and Buyer's March 4 proposal, and concluded (with Adam Pliska abstaining) that the updated proposal from Bally's could reasonably be expected to lead to a "Superior Proposal," as defined under the Original Agreement, and that the failure of the Company to engage in discussions with Bally's would likely violate its fiduciary duties owed to the Company's stockholders. The Company notified Buyer of the Board of Director's determination.

47

On March 6, 2021, representatives from Bally's and their counsel from Jones Day met virtually with representatives of the Company and Company counsel from Maslon LLP and Mayer Brown. The parties discussed the structure of a potential transaction based on Bally's proposal letter dated March 4, 2021. The parties discussed the need to move quickly to determine whether the Bally's proposal could become a "superior proposal," as defined in the Original Agreement in light of the likely timing of the closing of the transaction contemplated by the Original Agreement.

On March 7, 2021, Adam Pliska and Soo Kim, Chairman of Bally's, had a discussion with respect to including the Company's esports business in the proposed transaction.

On March 8, 2021, Soo Kim and Frank Ng discussed complications over a deal structure that involved the Company's esports business based on preliminary feedback from Ourgame, including Ourgame's concern that the HKSE might take an extended period of time to approve a transaction that would result in the disposal of the Company's esports and WPT businesses, and any such transaction might not be approved by Ourgame's stockholders given such transaction could result in the delisting of Ourgame's common stock on the HKSE. Mr. Ng suggested it might be helpful if other alternatives were discussed related to the esports business.

On March 8, 2021, David Polgreen and Bally's discussed regulatory issues that might exist in connection with an acquisition of the WPT Business by Bally's.

On March 10, 2021, Adam Pliska and David Polgreen had a call with representatives of Bally's to discuss and understand the proposed structure of the draft purchase agreement sent by Bally's to the Company on March 10, 2021. A follow-up call among legal counsel further discussed such structure.

On March 11, 2021, Bally's sent to the Company an updated draft purchase agreement to acquire the WPT Business for \$90 million.

On March 13, 2021, David Polgreen, Tony Hung and Maslon had a call with Bally's and its counsel about the working capital of the WPT Business, and whether any adjustment to the purchase price would be necessary.

On March 14, 2021, David Polgreen and representatives of Bally's had a call to discuss the logistics related to the various shareholder support agreements to be included as part of the draft purchase agreement related to Bally's proposal. David Polgreen, Adam Pliska and representatives of Bally's had a follow-up call regarding the same.

On March 15, 2021, Maslon, Mayer Brown, Jones Day, representatives from Bally's, Adam Pliska and David Polgreen had a call to discuss finalization of the terms of the draft purchase agreement and outstanding diligence items. Mayer Brown and Jones Day had various calls to discuss the mechanics of Bally's irrevocable offer letter to which the draft purchase agreement was to be attached.

On March 15, 2021, the Board of Directors held a meeting to review the terms of Bally's draft purchase agreement and irrevocable offer to purchase the WPT Business for \$90 million, and concluded (with Adam Pliska abstaining), in consultation with its financial and legal advisors, that the proposal from Bally's constituted a "superior proposal" as defined under the Original Agreement, and that the failure of the Company to engage in discussions with Bally's would likely violate its fiduciary duties owed to the Company's stockholders. The Company notified Buyer that it intended to terminate the Original Agreement unless, prior to 5:00 p.m. Pacific Time on March 19, 2021, the Company and Buyer negotiated an amendment to the Original Agreement, such that the Bally's irrevocable offer no longer constituted a "superior proposal" under the Original Agreement.

48

On March 19, 2021, Buyer sent to the Company a proposal to amend and restate the Original Agreement to reflect the terms of the draft purchase agreement proposed by Bally's, with an increased purchase price of \$90.5 million (such agreement, the "Revised Agreement"). Later, on March 19, 2021, the Board of Directors, in consultation with its financial and legal advisors, compared the terms of the Revised Agreement to the terms of the proposal received from Bally's to acquire the WPT Business for \$90.0 million. After such review, the Board of Directors determined that the Bally's proposal no longer constituted a "Superior Proposal" (as such term was defined in the Original Agreement) compared to the Revised Agreement and the Board of Directors unanimously approved the Revised Agreement (with Adam Pliska abstaining). In connection with approval of the Revised Agreement, the parties executed the Revised Agreement on March 19, 2021.

On March 22, 2021, Bally's sent to the Company an irrevocable offer to purchase the WPT Business for \$100 million. Mr. Pliska informed representatives of Buyer of receipt of the offer. Later, on March 22, 2021, the Board of Directors held a meeting to review the terms of Bally's updated proposal, and concluded (with Adam Pliska abstaining) that the updated proposal from Bally's could reasonably be expected to lead to a "Superior Proposal" as defined under the Original Agreement, and that the failure of the Company to engage in discussions with Bally's would likely violate its fiduciary duties owed to the Company's stockholders. The Company notified Buyer of the Board of Director's determination.

On March 23, 2021, the Board of Directors held a meeting and determined that the increased net proceeds (after taxes) in Bally's offer were not sufficient to justify a longer and less certain path to closing compared to the transaction contemplated by the Revised Agreement. The Board of Directors directed management to speak with Bally's to see if it was willing to increase the purchase price as part of its offer. Adam Pliska and David Polgreen had a conversation with Bally's representatives later that day relaying the Board's concerns. That evening, Bally's sent to the Company an updated irrevocable offer to purchase the WPT Business for \$105 million. The Company notified Buyer of Bally's updated irrevocable offer.

On March 24, 2021, the Board of Directors held a meeting to review the terms of Bally's draft purchase agreement and irrevocable offer to purchase the WPT Business for \$105 million, and concluded (with Adam Pliska abstaining), in consultation with its financial and legal advisors, that the proposal from Bally's constituted a "superior proposal" as defined under the Revised Agreement, and that the failure of the Company to engage in discussions with Bally's would likely violate its fiduciary duties owed to the Company's stockholders. The Company notified Buyer that it intended to terminate the Revised Agreement unless, prior to 5:00 p.m. Pacific Time on March 29, 2021, the

Company and Buyer negotiated an amendment to the Revised Agreement such that the Bally's irrevocable offer no longer constituted a "superior proposal" under the Revised Agreement.

On March 29, 2021, Buyer delivered to the Company a proposal to amend the Revised Agreement to increase the purchase price to \$100 million. Adam Pliska informed representatives of the Buyer that such proposal might not be sufficient in order for the Board of Directors to determine that the Bally's irrevocable offer to purchase the WPT Business for \$105 million no longer constituted a "superior proposal" under the Revised Agreement. Subsequently, on March 29, 2021, Buyer delivered to the Company an updated proposal to amend the Revised Agreement to increase the purchase price to \$105 million. Thereafter, the Board of Directors unanimously approved (with Adam Pliska abstaining) an amendment to the Revised Agreement (the "Amendment") increasing the purchase price under the Revised Agreement to \$105 million. In connection with approval of the Amendment, the Board of Directors, in consultation with its financial and legal advisors, compared the terms of the Revised Agreement, as amended by the Amendment, to the terms of Bally's irrevocable offer to acquire the WPT Business for \$105 million. After such review, the Board of Directors determined that the Bally's irrevocable offer no longer constituted a "superior proposal" (as such term was defined in the Revised Agreement). The parties executed the Amendment.

Terms of the Stock Purchase Agreement

The terms and conditions of the Sale Transaction are set forth in the Stock Purchase Agreement, which is described under the caption "The Stock Purchase Agreement" beginning on page 51. A copy of the Stock Purchase Agreement, excluding the schedules thereto, is included as Annex A to this proxy statement.

Reasons for the Sale Transaction; Recommendation of the Company's Board of Directors

In reaching its decision to adopt and approve the Stock Purchase Agreement and the Sale Transaction, our Board of Directors, in consultation with management as well as its financial and legal advisors, considered a number of factors that our Board of Directors believed supported its decision.

The WPT Business has been valued for potential sales in connection with unsolicited offers over the years. These offers were in general in the range of \$48.5 million to \$50.5 million.

The Board of Directors noted that the historical operations of the WPT Business and the COVID-19 pandemic adds risk to its long-term viability. Although the net profit of the WPT Business was approximately \$725,508 for the year ended December 31, 2020, the Board of Directors is concerned that such profit may not be sustainable in light of the present global economic conditions. The Board of Directors considered a number of risks and uncertainties about continuing to operate the WPT Business, including the risks involved in any expansion of the current WPT Business into new jurisdictions or markets, the need for additional capital to expand the WPT Business, and the adverse impacts that COVID-19 has had on the WPT Business' ability to host in-person events and the delays in the production of its television shows.

The Board of Directors also considered the results of the opinion delivered by the Company's Financial Advisor (described below), that determined that, in its opinion, the purchase price exceeds the fair value of the WPT Business based on each valuation approach (public trading multiples, discounted cash flow, investor returns, sum-of-the-parts, and selected transaction analyses) utilized by our advisor.

Such opinion noted that, using publicly available information for comparable transactions, an appropriate multiple of the WPT Business' estimated EBITDA for twelve months ended as of June 30, 2021, which was assumed to be an average of preliminary fiscal year 2020 EBITDA and the fiscal year 2021 forecasted EBITDA, ranges from 11.0x - 15.0x, and based on these multiples, the WPT Business has an implied valuation range of \$57.5 million to \$78.3 million, which is significantly less than the total purchase price of \$105 million in the Sale Transaction.

After evaluating these factors and consulting with financial consultants and outside legal counsel, our Board of Directors believes that Sale Transaction is advisable, fair to, and in the best interests of the Company and its stockholders and has unanimously approved the Sale Transaction. Our Board of Directors unanimously recommends that our stockholders vote for the approval and adoption of the Stock Purchase Agreement.

Opinion of the Company's Financial Advisor

In connection with the Sale Transaction, our Board of Directors received a written opinion, dated April 15, 2021, from our financial advisor, Shot Tower Securities LLC, or "Shot Tower," as to the fairness, from a financial point of view as of the date of such opinion, of the consideration to be received by us from the Sale Transaction. The full text of Shot Tower's written opinion, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B to this proxy statement and is incorporated herein by reference. Shot Tower's opinion was provided for the use and benefit of our Board of Directors (solely in its capacity as such) in its evaluation of the Sale Transaction. Shot Tower's opinion is limited solely to the fairness as of the date of such opinion, from a financial point of view, of the consideration to be received by us from the Sale Transaction pursuant to the Stock Purchase Agreement, and does not address our underlying business decision to effect the Sale Transaction or the relative merits of the Sale Transaction as compared to any alternative business strategies or transactions that might be available with respect to us. Shot Tower's opinion does not constitute a recommendation to any of our stockholders as to how such stockholder should vote or act with respect to the Sale Transaction or any other matter. Shot Tower is a leading investment banking boutique providing advisory and capital raising services in the media and consumer sectors.

Operations of the Company After the Sale Transaction

The Company's Board has considered a number of alternatives with respect to the use of the Company's assets following the completion of the Sale Transaction. We intend to retain our cash and investments and the other assets and liabilities that are not part of the Sale Transaction.

The rapid growth and popularity of gaming and esports during the COVID-19 pandemic has driven interest in the Company's esports business, Allied Esports, and the Company's Board of Directors has agreed to explore strategic options for the esports business, including a possible sale. The Company has engaged investment bank Lake Street Capital Markets to assist with the process.

Upon completion of the Sale Transaction, and assuming the realization and completion of a sale of the esports business, we would proceed, under a new corporate name, as a publicly traded holding company focused on using our cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors. The Company does not have any specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. We have not, nor has anyone on our behalf, had substantive discussions, formal or otherwise, with respect to such a transaction. The Company does not plan to limit itself to any particular industry or geographic location in its efforts to identify prospective target businesses.

We will continue to be a public company and our common stock will continue to trade on the Nasdaq Capital Market following completion of the Sale Transaction. The Company does not intend to go private or terminate its Exchange Act reporting obligations.

Required Approvals

Corporate approval of the Sale Transaction requires the affirmative vote of the holders of a majority of the Company's outstanding common stock in favor of the Sale

Transaction. Not voting, or abstaining from voting on the Sale Transaction, has the same effect as a vote against the Sale Transaction.

In connection with the execution of the Stock Purchase Agreement, Buyer and certain of our key stockholders, including certain of our directors and executive officers, entered into stockholder support agreements pursuant to which they have agreed to vote their shares of Company common stock in favor of approval of the Sale Transaction and against the approval or adoption of any alternative transactions. These stockholders also granted to Buyer a proxy to vote their shares of Company common stock in favor of approval of the Sale Transaction and agreed not to transfer its shares of Company common stock prior to the expiration of the stockholder support agreements. These key stockholders collectively own or control an aggregate of approximately 17.3% of the Company's outstanding common stock. In addition, the Company has agreed to use its reasonable efforts to cooperate with Buyer to obtain executed copies of a stockholder support agreement from Primo Vital Limited, the holder of 30.6% of the Company's outstanding common stock, as promptly as possible after entering into the Stock Purchase Agreement, and to obtain a Deed of Irrevocable Undertaking containing covenants to support the Sale Transaction from stockholders of Ourgame International Holdings Limited, the parent company of Primo Vital Limited. The forms of stockholder support agreements and Deed of Irrevocable Undertaking are attached as Exhibits A, C and D to the Stock Purchase Agreement.

The Sale Transaction is subject to the absence of any action commenced by or before any governmental authority challenging the Sale Transaction.

Except for compliance with the applicable regulations of the SEC in connection with this proxy statement and with the Delaware General Corporation Law in connection with the Sale Transaction, we are not required to comply with any federal or state regulatory requirements, and no federal or state regulatory approvals are required in connection with Sale Transaction.

Closing of the Sale Transaction

We intend to consummate the Sale Transaction shortly after obtaining stockholder approval for the approval and adoption of the Stock Purchase Agreement, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived. Pursuant to the Stock Purchase Agreement, the "Outside Date" for closing the Sale Transaction is September 30, 2021, after which either we or Buyer may terminate the Stock Purchase Agreement.

51

Interests of Our Directors and Executive Officers in the Sale Transaction

Certain of our directors and executive officers may have interests in the Sale Transaction that are different from, or in addition to, those of our stockholders generally. These interests may create potential conflicts of interest. Our Board of Directors was aware that these interests existed when it approved the Stock Purchase Agreement. All such interests are described below to the extent material, and except as described below, our directors and executive officers have, to our knowledge, no material interest in the Sale Transaction apart from those of stockholders generally.

On January 19, 2021, we entered into a Restricted Stock Agreement with Frank Ng, who serves as our Chief Executive Officer and as a Director. Pursuant to this agreement, effective upon the closing of the Sale Transaction, Mr. Ng is entitled to receive \$1,000,000 upon the earlier of the two-year anniversary of the closing date of the Sale Transaction, or the termination of Mr. Ng's employment without cause. At the time of payment, the Company may elect to pay the \$1,000,000 award in cash or shares of common stock valued at the fair market value of our common stock on the vesting date, or any combination thereof. All issuances of common stock will be issued from our 2019 Equity Incentive Plan.

On December 31, 2020, we entered into a Change in Control Agreement with Adam Pliska, who serves as our President and as a Director, and Chief Executive Officer of the World Poker Tour. Pursuant to this agreement, if Mr. Pliska is and remains employed by the Company on the occurrence of a "Change in Control" (as such term is defined in the agreement), Mr. Pliska will be entitled to a cash bonus in the amount of \$420,000 upon the closing of the Change in Control. Under the agreement, a "Change in Control" will occur if a third party becomes a beneficial owner of securities of WPT representing 50% or more of the voting power of all of WPT's then-outstanding securities; or if our Board of Directors approves of the sale of all, or substantially all, of the business or assets of WPT or the liquidation or dissolution of WPT, and such transaction is consummated. The Sale Transaction will constitute a Change in Control and, as a result, Mr. Pliska will receive a cash bonus of \$420,000 upon the closing of the Sale Transaction.

Mr. Pliska holds 11,521 shares of our common stock that remain subject to transfer and forfeiture restrictions and options to purchase 170,000 shares of our common stock that are currently unvested. Upon the closing of the Sale Transaction, the transfer and forfeiture restrictions on such shares of restricted stock will lapse and the vesting of such options will accelerate. Mr. Pliska's option to purchase 40,000 shares of our common stock in consideration of his services as a director of the Company remain unaffected by the Sale Transaction.

As a condition to the closing of the Sale Transaction, we are required to deliver an amendment to Mr. Pliska's current employment agreement with the Company in the form attached as Exhibit E to the Stock Purchase Agreement. Mr. Pliska's amended employment agreement will be assumed by CSI upon the closing of the Sale Transaction, resulting in Mr. Pliska's services being a part of the WPT Business acquired by Buyer in the Sale Transaction.

Material U.S. Federal Income Tax Consequences of the Sale Transaction

We will treat the Sale Transaction as a taxable stock sale of a U.S. consolidated return subsidiary. The Sale Transaction will be fully taxable to the Company based on the fair market value of the consideration received as compared to the stock basis in CSI (and therefore in the WPT Business) at the closing of the Sale Transaction. Under the U.S. consolidated return regulations, the stock basis of CSI must first be adjusted for items of taxable income incurred for the income tax return filing period reflecting the Sale Transaction. As a result, we will not be certain as of the closing date of the Sale Transaction of our stock basis in CSI and whether or not a capital gain or loss will result. Based on an initial estimated analysis of the Sale Transaction by the Company's tax advisors, the Company does not expect that the Sale Transaction will result in any U.S. federal income tax consequences exceeding \$7.0 million.

As a consequence of the Sale Transaction, the activity of the WPT Business will only be reflected in the Company's U.S. federal income tax filings for the portion of the year ending on the date of the Sale Transaction. Any historic tax attributes of the WPT Business, such as net operating losses and tax credits, will transfer to Buyer to the extent they are not utilized by taxable income of the Company on the income tax filing reflecting the Sale Transaction.

The Company does not expect that the Sale Transaction will result in any federal income tax consequences for its stockholders because they will not receive any of the proceeds from the Sale Transaction.

52

Anticipated Accounting Treatment

Upon completion of the Sale Transaction, we will remove from our consolidated balance sheet all of the assets and liabilities associated with the WPT Business sold to Buyer and will reflect therein the effect of the receipt and the use of the proceeds of the Sale Transaction and other related transactions, including (a) the repayment of any remaining convertible debt or bridge notes, (b) the payment of our transaction expenses, and (c) the impact of the acceleration of vesting of stock-based compensation awards held by employees of the WPT Business. We will record a gain on the sale of the WPT Business in our consolidated statement of operations equal to the difference between the purchase price received or expected to be received and the book value of the assets and liabilities sold. Furthermore, any financial statements that are issued in the future, relating to periods prior to the closing of the Sale Transaction, will present the assets and liabilities of the WPT business on a condensed basis as "held for sale" and the

Appraisal Rights

Holders of Company common stock are not entitled to appraisal rights in connection with the Sale Transaction.

THE STOCK PURCHASE AGREEMENT

The terms and conditions of the Sale Transaction, which is the sale of 100% of the outstanding capital stock of CSI, our indirect wholly-owned subsidiary that directly or indirectly owns 100% of the outstanding capital stock of each of the legal entities that collectively operate or engage in the WPT Business, are set forth in the Stock Purchase Agreement. The description in this proxy statement of the terms and conditions of the Sale Transaction and of the Stock Purchase Agreement is a summary only and may not contain all of the information that is important to you. By consummating the Sale Transaction, we will be disposing of the WPT Business in its entirety. Allied Esports Media, Inc. (“Esports Media”), a wholly-owned subsidiary of the Company and the direct holder of the outstanding capital stock of CSI, is also a party to the Stock Purchase Agreement.

Purchase Price

In consideration for the WPT Business, Buyer has agreed to pay the Company at closing a purchase price of \$105.0 million, subject to certain adjustments. Buyer has remitted a \$10.0 million advance payment of the purchase price and is required to pay the balance of the purchase price at the closing of the Sale Transaction. The purchase price will be adjusted upward by the amount of net cash position of CSI (including its subsidiaries) as of the closing date, and adjusted downward (i) the amount of indebtedness of CSIs as of the closing date, (ii) accrued and unpaid Sale Transaction expenses of CSI (including its subsidiaries), and (iii) taxes of CSI (including its subsidiaries) attributable to periods prior to the closing date.

- Buyer's status as a "sophisticated" investor and/or an "accredited" investor under application securities laws.

No Solicitation of Competing Proposal

In the Stock Purchase Agreement, the Company has agreed to, and has agreed to cause Esports Media and its subsidiaries to, immediately cease and cause to be terminated any existing solicitation of, or discussions or negotiations with, any third party relating to any competing proposal or any inquiry, discussion, offer or request that could reasonably be expected to lead to a competing proposal. The Stock Purchase Agreement generally defines a "competing proposal" as any inquiry, proposal or offer made by a

third party to purchase or otherwise acquire the Company, Esports Media, CSI, any of their respective subsidiaries and/or the WPT Business.

In addition, until the earlier of the closing of the Sale Transaction or the termination of the Stock Purchase Agreement, the Company has agreed to:

- promptly (and in any event within two business days of receipt) notify Buyer upon receiving any competing proposal, any inquiry or request for nonpublic information that would reasonably be expected to lead to a competing proposal;
- disclose to Buyer the identity of the third party making the competing proposal (or inquiry or request for non-public information) and the material terms and conditions of any such competing proposal;
- deliver to Buyer copies of any draft agreements or other written materials setting forth the terms of such competing proposal, inquiry or request for nonpublic information;
- keep Buyer reasonably informed of discussions, negotiations or developments in respect of and the status and details of any such competing proposal; and
- promptly (and in any event within two business days of receipt) provide Buyer with copies of all correspondence, documents and agreements, including drafts thereof.

Further, until the earlier of the closing of the Sale Transaction or the termination of the Stock Purchase Agreement, the Company and Esports Media have agreed not to, and have agreed to cause their subsidiaries not to:

- initiate, solicit, induce or knowingly encourage the making of any proposal or offer with respect to a competing proposal; or
- engage in negotiations or substantive discussions with, or furnish any information to, or enter into any agreement, arrangement or understanding with, any third party relating to a competing proposal or any inquiry or proposal that could reasonably be expected to lead to a competing proposal.

57

Despite this provision prohibiting solicitations of a competing proposal, at any time prior to the approval and adoption of the Stock Purchase Agreement by the Company's stockholders, the Company and Esports Media may, in response to an unsolicited competing proposal from a third party that did not result from a breach of the Company's non-solicitation obligations under the Stock Purchase Agreement:

- contact such third party to clarify any ambiguous terms and conditions thereof;
- engage in negotiations or substantive discussions with, or furnish any information and other access to, such third party if the board of directors of each of the Company and Esports Media determines in good faith (after consultation with its outside financial advisors and legal counsel) that such competing proposal constitutes a superior proposal (or could reasonably be expected to lead to a superior proposal), pursuant to a confidentiality agreement containing confidentiality terms that are not less favorable to the Company than the confidentiality agreement that the Company entered into with Buyer.

As used in the Stock Purchase Agreement, a "superior proposal" means a bona fide written competing proposal made by a third party that the Board determines in good faith, after consultation with its outside financial advisors and legal advisors, is reasonably likely to be consummated without undue delay relative to the Sale Transaction and is more favorable to the Company's stockholders from a financial point of view than the Sale Transaction, after consideration of any modifications to the Stock Purchase Agreement proposed by Buyer (as discussed below).

The Stock Purchase Agreement provides that the Company's Board may propose to or actually withdraw, modify or qualify its recommendation with respect to stockholder approval of the Stock Purchase Agreement or approve or recommend any superior proposal if the Company's Board determines in good faith, after consultation with its outside financial advisors and legal counsel, that failure to do so would reasonably be expected to be inconsistent with its fiduciary duties under applicable law.

The Company also agreed that prior to the Board changing its recommendation to approve the Stock Purchase Agreement, terminating the Stock Purchase Agreement or entering into transaction documentation with another party, the Company and Esports Media would provide Buyer with notice of their intention to do so at least three business days in advance, which notice must specify the reasons therefor and, if the basis of the proposed action is a superior proposal, disclose the material terms and conditions of any such superior proposal.

At Buyer's option, the Company and Esports Media will negotiate in good faith with Buyer during such period to amend the terms and conditions of the Stock Purchase Agreement in such a manner that would result in the competing proposal no longer being deemed a superior proposal under the Stock Purchase Agreement. Any subsequent material amendment to the superior proposal will require the Company and Esports Media to provide Buyer with notice thereof at least three business days prior terminating the Stock Purchase Agreement or entering into transaction documentation for the superior proposal, and at Buyer's option will again negotiate in good faith regarding further amendments to the terms and conditions of the Stock Purchase Agreement.

Covenants and Agreements

The Stock Purchase Agreement sets forth various additional covenants and agreements among the parties to the Stock Purchase Agreement, including the following:

- **Conduct of Business Pending Closing.** Until the closing, except as otherwise provided in the Stock Purchase Agreement or consented to in writing by Buyer, CSI and its subsidiaries will use commercially reasonable efforts to operate their respective businesses in the usual, regular and ordinary course, preserve intact the present business organizations, keep available the services of the present officers, and preserve their relationships with customers, suppliers, distributors, licensors, licensees, and others having business dealings with them. The Company and its subsidiaries have also agreed to refrain from taking certain actions specified in the Stock Purchase Agreement prior to the closing of the Sale Transaction.

58

- **Closing Efforts.** Each of the parties to the Stock Purchase Agreement will use commercially reasonable efforts to take all actions necessary, proper or advisable to consummate and make effective the transactions contemplated by the Stock Purchase Agreement;
- **Stockholder Approval.** We will prepare and file with the SEC this proxy statement to solicit the required vote of our stockholders to approve and adopt the Stock Purchase Agreement. Buyer will reasonably cooperate to furnish all information required by applicable federal securities laws or the SEC for inclusion in this proxy statement, and our Board has agreed to recommend that our stockholders approve the Stock Purchase Agreement.
- **Access to information.** We have agreed to afford Buyer reasonable access to the properties, books, contracts, commitments, management employees and records of the Company, Esports Media and their subsidiaries, and to make available to Buyer all other information as Buyer may reasonably request.

- Litigation. We have agreed to give Buyer the opportunity to participate in the defense or settlement of any stockholder litigation against the Company, Esports Media or CSI and any other entity that is part of the WPT Business being acquired in the Sale Transaction (including any director or officer thereof), and to not settle or offer to settle any such litigation commenced on or after the date of the Stock Purchase Agreement.
- Post-closing Director and Officer Indemnification and Insurance. From and after the closing, Buyer has agreed to cause CSI and its subsidiaries to indemnify and hold harmless their current and former directors officers from losses, costs or expenses resulting from claims related to their services to CSI or its subsidiaries in such capacities. CSI has agreed, at the election of the Company, to obtain six year non-cancellable “tail” director and officer liability insurance policies for the individuals who are or were prior to the closing of the Sale Transaction covered by the existing director and officer liability insurance policies maintained by the Company, with terms, conditions, retentions and levels of coverage at least as favorable as such existing policies with respect to matters existing or occurring at or prior to the closing. Buyer has agreed to pay 50% of the fees and expenses incurred in connection with obtaining such policies.
- Non-Competition and Non-Solicitation. Each of the Company and Esports Media has agreed, for a period of five years after the closing of the Sale Transaction, not to (and to cause their affiliates not to) participate or engage in, in any manner or capacity, the Restricted Business, and not to solicit the customers, suppliers or employees of the WPT Business. For this purpose, the “Restricted Business” means, generally, any business involving the game of poker or variants thereof specified in the Stock Purchase Agreement and any activities ancillary or related to such activities, including, without limitation, (i) organizing, hosting, operating, promoting, and/or conducting events relating to poker, (ii) broadcasting or distributing content relating to such events, (iii) organizing, hosting, operating, promoting, and/or conducting clubs or organizations related to poker, and (iv) commercializing products and merchandise relating to poker.
- Intercompany and Related Party Payments. The Company and Esports Media have agreed to settle, discharge or satisfy (or cause to be settled, discharged or satisfied) in full prior to the closing of the Sale Transaction all obligations or amounts due, payable or outstanding between CSI and its subsidiaries, on the one hand, and the Company, Esports Media and any of their subsidiaries or affiliates (excluding CSI and its subsidiaries), on the other hand, as well as any other amount due, payable or outstanding from CSI and its subsidiaries to parties related to the Company.
- Payment of Bonuses and Change of Control Payments. The Company and Esports Media have agreed to settle, discharge or satisfy (or cause to be settled, discharged or satisfied) in full prior to the closing of the Sale Transaction all performance awards or remuneration of any kind with respect to pre-closing services provided by any past or present employee of CSI or its subsidiaries.

Conditions to the Completion of the Sale Transaction

The following list includes what our Board of Directors and our management believe are the material conditions to the Sale Transaction, all of which must be satisfied or waived at the time of the closing. In view of the fact that interpretations of “materiality” can be subjective, the list is qualified by reference to the Stock Purchase Agreement, which is attached as Annex A to this proxy statement. You are urged to carefully read this entire document including the Stock Purchase Agreement.

The respective obligations of the Buyer, on one hand, and the Company and Esports Media, on the other, to complete the Sale Transaction is subject to the satisfaction or waiver of several conditions set forth in the Stock Purchase Agreement, including the following:

- No order, injunction or decree issued by any court or agency of competent jurisdiction or other law preventing or making illegal the consummation of the Sale Transactions shall be in effect; and
- There shall be no pending suit, action or proceeding by any governmental authority (A) challenging or seeking to restrain or prohibit the consummation of the Sale Transaction or seeking to obtain material damages from us, or seeking to prohibit the Buyer from effectively controlling the WPT Business.

The obligation of Buyer to complete the Sale Transaction is subject to the satisfaction or waiver of several additional conditions set forth in the Stock Purchase Agreement, including the following:

- The representations and warranties of the Company, Esports Media and CSI set forth in the Stock Purchase Agreement must be true in all material respects;
- Seller must have performed in all material respects all obligations required to be performed by it under the Stock Purchase Agreement at or prior to the closing;
- No “Material Adverse Effect” with respect to the Company, Esports Media or CSI shall have occurred;
- Buyer shall have received copies of certain identified third party consents and approvals for the Sale Transaction;
- Buyer shall have received the resignation of each person serving as a director of CSI and/or its subsidiaries; and
- The Company and Esports Media shall have delivered the various closing deliverables outlined in the Stock Purchase Agreement.

The obligation of the Company and Esports Media to complete the Sale Transaction is subject to the satisfaction or waiver of several additional conditions set forth in the Stock Purchase Agreement, including the following:

- The representations and warranties of the Buyer set forth in the Stock Purchase Agreement must be true in all material respects;
- Buyer must have performed in all material respects all obligations required to be performed by it under the Stock Purchase Agreement at or prior to the closing; and
- Buyer shall have delivered the various closing deliverables outlined in the Stock Purchase Agreement.

Termination

The Company, Esports Media and Buyer can jointly agree to terminate the Stock Purchase Agreement at any time.

Either the Company and Esports Media, on the one hand, or Buyer, on the other hand, may terminate the Stock Purchase Agreement if:

- any governmental entity that must grant a regulatory approval for the Sale Transaction denies approval of the Sale Transaction and such denial has become final and nonappealable, or any governmental entity issued a final and nonappealable order, injunction or decree permanently enjoining or otherwise prohibiting or making illegal the consummation of the Sale Transaction;
- the Sale Transaction shall not have been consummated on or before the Outside Date (September 30, 2021), provided that the right to terminate the Stock Purchase is not available to any party who is then in material breach of any representation, warranty, covenant or other agreement contained the Stock Purchase Agreement which breach is the reason for the failure of the closing to occur by that date; or
- there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in the Stock Purchase Agreement on the part of the Company, Esports Media or CSI, in the case of a termination by Buyer, or Buyer, in the case of a termination by the Company or Esports Media, which breach would result in the failure to satisfy closing conditions, and which is not cured within 15 days following written notice to the party committing such breach or by its nature or timing cannot be cured within such time period.

Buyer may terminate the Stock Purchase Agreement at any time after the board of directors of the Company and Esports Media shall have effected an “adverse recommendation change” prior to receipt of stockholder approval for the Sale Transaction, or in the event the Company and/or Esports Media materially breaches any of their covenants not to solicit a competing proposal.

Under the Stock Purchase Agreement, an “adverse recommendation change” means (i) the failure to include the Board recommendation to approve the Sale Transaction in this proxy statement, (ii) withholding, withdrawing or modifying or qualifying the Board’s recommendation to approve the Sale Transaction, or propose publicly to do so, (iii) failing to reaffirm the Board’s recommendation to approve the Sale Transaction or failing to publicly state that the Sale Transaction is in the best interests of the Company’s stockholders within ten business days after being requested by Buyer to do so, (iv) failing to publicly announce, within ten business days after a tender offer or exchange relating to the Company’s securities shall have been commenced, an unqualified statement disclosing the rejection of such tender offer or exchange offer by the Company’s board of directors, (v) taking or resolving to take other actions or making other public statements inconsistent with the Board’s recommendation to approval the Sale Transaction, or (vi) approving, determining to be advisable, or recommending any competing proposal, or proposing publicly to do so.

The Company and Esports Media may terminate the Stock Purchase Agreement if: (i) the Company or Esports Media receives a superior proposal, (ii) the respective boards of directors of the Company or Esports Media shall have authorized the Company and Esports Media to enter into a definitive agreement to consummate the transaction contemplated by such superior proposal, and (iii) concurrently with the termination of the Stock Purchase Agreement, the Company and Esports Media collectively pay Buyer a \$3.45 million termination fee and enter into the definitive agreement to consummate the transaction contemplated by such superior proposal.

Effect of Termination

In the event of termination of the Stock Purchase Agreement as described above, the Stock Purchase Agreement will be of no further force or effect, except:

- designated provisions of the Stock Purchase Agreement, including if applicable, the termination fees, non-performance fees and expense reimbursements described below, will survive termination; and
- the Company and Esports Media will not be relieved or released from any liabilities or damages arising out of their knowing and intentional breach of the Stock Purchase Agreement prior to its termination.

Expense Reimbursement and Termination Fees

If (i) the Stock Purchase Agreement is terminated due to the Sale Transaction not being consummated on or before the Outside Date, (ii) the Company and Esports Media shall have failed to obtain, before the time of termination, stockholders support agreements from specified stockholders and their affiliates, and (iii) the Company has failed to obtain the Company’s stockholders approval of the Sale Transaction, and provided that Buyer is not in material breach of its representations, warranties, covenants or agreements under the Stock Purchase Agreement at the time of termination, then the Company and Esports Media will be required to reimburse Buyer for its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transactions, up to a maximum of \$1.0 million, and will be required to return to Buyer the \$10.0 million advance payment of purchase price.

The Company and Esports Media will collectively be obligated to return to Buyer the \$10.0 million advance payment of purchase price and pay Buyer a \$3.45 million termination fee in the following circumstances:

- If Buyer terminates the Stock Purchase Agreement due to the breach of covenants, agreements or representations or warranties of the Company, Esports Media or CSI set forth therein, which breach would result in the failure to satisfy closing conditions, and which is not cured within 30 days following written notice to the breaching party (or by its nature or timing cannot be cured within such time period);
- If Buyer terminates the Stock Purchase Agreement at any time after the board of directors of the Company and Esports Media shall have effected an adverse recommendation change prior to receipt of stockholder approval for the Sale Transaction, or in the event the Company and/or Esports Media materially breaches any of their covenants not to solicit a competing proposal;
- If the Company and Esports Media terminate the Stock Purchase Agreement and contemporaneously entering into a definitive agreement for a superior proposal; or
- If (i) the Stock Purchase Agreement is terminated due to the Sale Transaction not being consummated on or before the Outside Date, (ii) prior to such termination, a competing proposal shall have been made to the Company or Esports Media and disclosed to the Company’s stockholders, or a competing proposal shall have been made to the Company’s stockholders, or any party shall have publicly announced an intention to make a competing proposal prior to the date the Stock Purchase Agreement is terminated, (iii) within twelve months after the date of such termination, the Company, Esports Media and/or any of their respective subsidiaries enters into a definitive agreement with respect to a competing proposal (or transaction that would have constituted a competing proposal if made prior to the termination of this Agreement) or consummates a competing proposal (a “Tail Transaction”) and (iv) such Tail Transaction is consummated (any termination fees payable in such circumstance will be reduced, if applicable, by the amount of any Buyer transaction expenses previously reimbursed by the Company as contemplated by the first paragraph under the caption “Expense Reimbursement and Termination Fees” above).

Buyer will be obligated to pay the Company a \$10.0 million non-performance fee (in addition to the Company’s retention of the \$10.0 million advance payment of purchase price) if the Company and Esports Media terminate the Stock Purchase Agreement due to Buyer’s breach of covenants, agreements or representations or warranties set forth therein, which breach would result in the failure to satisfy closing conditions, and which is not cured within 30 days following written notice to Buyer (or by its nature or timing cannot be cured within such time period).

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions, and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a non-performance fee to us, the Company will have the option, but not obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited. The form of the agreement governing the license is attached as Exhibit B to the Stock Purchase Agreement.

Indemnification

The representations and warranties in the Stock Purchase Agreement generally survive for 18 months after the closing date of the Sale Transaction. Representations and warranties about organization, standing and power, authority, conflicts with charter documents, capitalization, ownership of CSI, the absence of brokers, the PPP Loan, the accuracy of information in documents filed with governmental entities, tax matters and the amount of CSI's indebtedness and accrued and unpaid transaction expenses ("fundamental representations") survive until the three year anniversary of the closing date. All covenants in the Stock Purchase Agreement and all claims related to fraud survive forever unless the covenants have specific terms in Stock Purchase Agreement.

The Company and Esports Media have agreed to jointly and severally indemnify Buyer and (after the closing) CSI and its subsidiaries for any damages suffered or incurred to the extent resulting from (i) any breach of the representations and warranties of the Company, Esports Media or CSI, (ii) any failure by the Company, Esports Media or (prior to the Closing Date) CSI to perform or comply with their respective covenants or agreements, (iii) fraud, (iv) any taxes attributable to the forgiveness, cancellation or reduction of the PPP Loan, (v) any breach or alleged breach by the Company, Esports Media or their affiliates of any CSI service provider benefit or compensatory plan, and (vi) various tax matters.

Buyer and (from and after the closing of the Sale Transaction) CSI agreed to jointly and severally indemnify the Company and Esports Media for any damages suffered or incurred to the extent resulting from any breach of the representations and warranties of Buyer, any failure by Buyer to perform or comply with its covenants or agreements, or fraud.

Indemnifiable damages will be reduced in amount by any insurance proceeds, indemnification payments, contribution payments or reimbursements actually received by the indemnified party, and further reduced by any associated tax benefits to the indemnified party.

We and Buyer will not have indemnification liability for breach of representations and warranties other than fundamental representations unless and until the aggregate amount of our or Buyer's indemnifiable losses, as the case may be, exceeds a deductible amount of \$1.0 million, and then only to the extent the aggregate amount exceeds such deductible. Our maximum aggregate liability, on one hand, and the maximum aggregate liability of Buyer, on the other, for indemnifiable losses resulting from breach of representations and warranties other than fundamental representations is \$8.0 million. Our maximum aggregate indemnification obligation under the Stock Purchase Agreement, including for breach of fundamental representations, may not exceed the purchase price, however indemnification claims resulting from fraud are not subject to any indemnification limit.

Neither the Company nor Esports Media has not obtained any insurance policies covering the matters as to which it will indemnify Buyer.

Amendment

Subject to applicable laws, the Company, Esports Media and Buyer may mutually amend or waive any provision of the Stock Purchase Agreement. The Company does not currently expect to waive any material provision of the Sale Transaction.

Governing Law

The Stock Purchase Agreement is governed by the laws of the State of Delaware.

DESCRIPTION OF ALLIED ESPORTS ENTERTAINMENT, INC.

Until the close of the proposed Sale Transaction, the Company expects to continue to execute its existing business strategy.

Overview of Business

Unless otherwise stated or the context otherwise requires, the terms "we," "us," "our," "AESE" and the "Company" refer to Allied Esports Entertainment, Inc. and its subsidiaries.

The Company operates a premier public esports and entertainment company, consisting of the Allied Esports and World Poker Tour businesses. For the past 16 years of its 18-year history, WPT's business model has successfully utilized the following three pillars for its business model in the sport of poker, which the Company believes can be utilized by Allied Esports:

- in-person experiences;
- developing multiplatform content; and
- providing interactive services.

The Allied Esports Business

Gaming is one of the largest and fastest growing markets in the entertainment sector, with an estimated 2.7 billion gamers globally, and esports is the major driver of this growth. Esports, short for "electronic sports," is a general label that comprises a diverse offering of competitive electronic games that gamers play against each other. Some of the popular esports games currently being played include Fortnite, League of Legends, Dota 2, Counter-Strike, Call of Duty, Overwatch and FIFA. Although you can play games on your own against the computer or console, one of the ways esports is different than the video games of old is the community and spectator nature of esports, whereby competitive play against another person — either one-on-one or in teams — that is viewed by an online and in-person audience, is a central feature of esports. Since players play against each other online, a global network of players and viewers has developed as these players compete against each other worldwide. Additionally, game developers have greatly increased the watchability of games, which has made the spectator aspect of gaming much more prevalent and further drives expansion of the gaming market. The expanded reach of high-speed Internet service and the computer technology advances in the last decade have also greatly accelerated the growth of esports. Esports has now become so popular that many colleges offer scholarships in esports and the best-known esports teams are receiving mainstream sponsorships and are being bought or invested in by celebrities, athletes and professional sports teams. The highest profile esports gamers have significant online audiences as they stream themselves playing against other players online and potentially can generate millions of dollars in sponsorship money and subscription fees from their online streaming channels. It is projected that by 2023, 646 million people will be watching esports globally, and that global esports revenue will grow to approximately \$1.5 billion.

WPT successfully implemented a three-pillar strategy for over 16 years of its 18-year history. We believe this model can continue and also be applied to Allied Esports and the esports industry over time. Allied Esports intends to use those same pillars — in-person experiences, multiplatform content, and interactive services—independently and in connection with its strategic partners. The COVID-19 pandemic has caused disruption in our long-term growth plans for Allied Esports, and although our long-term strategy remains to fully implement the three-pillar strategy, we are currently focused on continuing our in-person experiences at our current arenas and developing multiplatform content. The COVID-19 pandemic has caused disruption in our long-term growth plans for Allied Esports, and although our long-term strategy remains to fully implement the three-pillar strategy, we are currently focused on continuing our in-person experiences at our current arenas and developing multiplatform content.

In June 2019, Allied Esports entered into a series of strategic transactions with Simon Equity Development, LLC and its affiliates (collectively, “Simon”), a global leader in the ownership of premier shopping, dining, entertainment, and mixed-use destinations, pursuant to which Allied Esports organized and staged an esports event program called the Simon Cup at certain Simon shopping centers in the U.S. and online. In January 2020, Allied Esports entered into a strategic partnership with Brookfield Property Partners, one of the world’s premier real estate companies, in which Allied Esports will develop integrated esports experience venues at mutually agreed upon shopping malls owned and/or operated by Brookfield or its affiliates that will include a dedicated gaming space and production capabilities to attract and to activate esports and other emerging live events. In connection with the foregoing partnership, Brookfield made a \$5 million equity investment into the Company. As a result of the adverse effects that the COVID-19 pandemic has had on the short-term operations and plans of Allied Esports, Allied Esports and its strategic partners are delaying further execution on their strategic plans as the COVID-19 pandemic continues.

In-person Experiences

Allied Esports will continue delivering first-in-class live experiences to customers at Allied Esports’ branded properties worldwide. Starting with the flagship esports arena, the HyperX Esports Arena Las Vegas, the AE Studios in Germany, its on-mall esports venues – the first of which that is planned to be open at the Mall of Georgia with construction and opening dates postponed until further assessment can be made following the COVID-19 pandemic, and its affiliate arenas in China and Australia, Allied Esports offers esports fans state-of-the-art facilities to compete against other players in esports competitions, host live events with esports superstars that potentially stream to millions of viewers worldwide, produce and distribute incredible esports content with its on-site production facilities and studios and provide an attractive facility for hosting corporate events, tournaments, game launches or other events. Additionally, Allied Esports has two mobile esports arenas, which are 18-wheel semi-trailers that convert into first class esports arenas and competition stages with full content production capabilities and interactive talent studios. Through this worldwide network of arenas, Allied Esports believes it can offer customers an unmatched ability to participate in simultaneous global esports events and offer sponsors and partners a truly scalable global platform and audience to promote their businesses and products. Allied Esports’ flagship HyperX Esports Arena Las Vegas serves as a marquee destination for esports fans globally, and has become one of the most recognized esports venues in the world.

Flagship Arena. In March 2018, Allied Esports opened its first flagship arena, the HyperX Esports Arena Las Vegas, at the Luxor Casino on the Vegas strip, whose pyramid is one of the most visible landmarks in Las Vegas. This arena has 80 to 100 gaming stations, two bars, food service, private rooms, a production facility, and space for up to 1,000 people for events. The arena is custom-built for esports tournaments and has a broadcast-ready television studio to broadcast live events and produce content. Allied Esports monetizes the arena through renting the space for live events; merchandise sales; daily usage fees from day-to-day gamers using the gaming stations; tournament entry and player venue fees; food and beverage; and sponsorship (i.e., our HyperX naming rights relationship).

Affiliate Arenas. One of Allied Esports’ strategic advantages is its global network of esports arena partners, which enables it to host events and promote competitions around the world, with those competitions culminating in live events held at the flagship arena in Las Vegas. Allied Esports achieves this through its Affiliate Program, which consists of strategic partnerships with third-party esports operators around the globe. Allied Esports generally charges these affiliates an upfront fee and a minimal annual revenue share of gross revenue, starting in the second year of the operation of the venue. Allied Esports’ brand visibility and reputation have already resulted in affiliate arrangements with arenas and gaming centers in China and a multi-year agreement with Fortress Esports Pty Ltd, a new gaming, esports and entertainment venue enterprise in Australia, which opened its first affiliate arena in Melbourne in March 2020 and reopened during the COVID-19 pandemic in December 2020. This network of affiliate arenas allows Allied Esports to scale its brand penetration worldwide on a rapid basis, driving more gamers into the Allied Esports ecosystem, with minimal costs to Allied Esports. Furthermore, the content that can be produced by these affiliate arenas can be on-sold by Allied Esports, with minimal production costs.

Mobile Arenas. The mobile arenas are 18-wheeler trucks that expand out into fully functional esports arenas with event hosting, broadcasting and production capabilities. The mobility of the trucks makes them ideal for sponsors to reach a large audience in multiple locations at an economical cost. The trucks serve as mobile billboards for potential third-party sponsorship, as well as the Allied Esports brand, providing highly visible brand presence wherever they appear. Allied Esports currently has two mobile arena trucks, with the first truck based in Germany and serving the European market, and a second truck based in Las Vegas and serving the U.S. market.

Strategic Investor Events. In addition to Allied Esports utilizing in-person experiences at its flagship, mobile and affiliate arenas, Allied Esports plans to leverage its experience to develop events and content with its strategic investors, Simon Property Group and Brookfield Property Partners.

Allied Esports plans to collaborate with Brookfield Property Partners to create a new product offering focused on delivering esports experiences through integrated gaming venues and production facilities in select shopping centers around the U.S. that are owned and/or operated by Brookfield. The on-mall venues will be designed to activate esports and other emerging live events through tournament play of all levels and daily use, featuring PC and console gaming, plus full food and beverage options, and experiential retail. The venues will have the capability to be expanded into common areas for larger esports activations and live events.

In addition, on September 30, 2019, Allied Esports and Simon launched The Simon Cup, a co-branded esports competition and gaming tournament series of on-mall regional festivals combining online and in-person play at select Simon centers in the New York and Los Angeles markets, with the winners of the regionals moving on to HyperX Esports Arena Las Vegas, where the first Simon Cup Champion was crowned on November 23, 2019.

As a result of the material adverse effects that the COVID-19 pandemic has had on the short-term operations and plans of Allied Esports, Allied Esports and its strategic partners are delaying further execution on their strategic plans as the COVID-19 pandemic continues.

Multiplatform Content: Leveraging Branded Properties and Strategic Partnerships to Develop Content

Allied Esports’ worldwide network of branded esports properties provides Allied Esports with a platform to potentially develop a significant amount of content to distribute via digital live streams, broadcast and cable, and social media outlets. Allied Esports believes that its arenas will draw top-level esports talent (such as professional streamer Ninja, who was the featured talent at a successful event at Allied Esports’ Las Vegas arena in April 2018) for purposes of hosting events and developing content, which it can distribute live, post-produce into fully-produced episodic content, or repackage for over the top streaming platform and social media distribution. Allied Esports intends to monetize the content in multiple ways, including direct sales of the content, sponsorship revenue, and subscription and/or advertising fees for viewers of the content.

We believe Allied Esports’ ecosystem of esports branded properties gives it the reach, reputation and experience to produce world-class live events, in partnership with some of the most prominent names in the esports industry. These live events provide Allied Esports with the material to produce exciting content that can be distributed via three different formats, each of which has its own revenue generation model: live streaming, post-produced episodic content, and short-form repackaged content.

Live Streaming. Live streaming is the most popular esports content delivery channel today, as it offers the best interactive experiences for the audience. Vast

improvements in technology and Internet service and speed have made live streaming with large audiences widely available today. Well-known gamers live stream themselves playing their favorite games on any of the popular streaming services (Twitch, YouTube, Facebook Gaming, etc.) to a worldwide audience. The streamers derive revenue from ad sales, sponsorship, subscription fees and gift payments from spectators. Through Allied Esports' ecosystem of esports arenas, Allied Esports can offer streamers a large platform to put on live events that can be simultaneously streamed on both the streamer's channels and on Allied Esports' channels. An example is a streaming event Allied Esports held with one of the most prominent streamers in esports, Tyler Blevins, AKA Ninja, in April 2018. Famous for his streaming channel where he plays the popular esports game Fortnite, Ninja held a live event at the Las Vegas flagship arena that set records for Twitch live streams, with over 667,000 peak concurrent viewers and 2.4 million unique viewers. To put those audience numbers in perspective, those numbers are significantly higher than viewership of the average regular season NBA game in 2019. Allied Esports was able to sell multiple sponsorships for the event and earned significant revenue from the food and beverage, merchandise sales and usage fees from the gaming stations. Although large audiences can be garnered through these live event streams, there are limitations on the streams, as they have a one-and-done nature; repeat viewing is not popular for these events, which limits the sponsorship opportunities.

Post-Produced Content. Allied Esports intends to develop esports entertainment programming around its live experiences and, using its experienced editing and production teams, create serial, episodic content and segments that tell compelling storylines around its gaming talent, in person experiences, and gaming events around the world. Allied Esports developed this technique through the WPT, who took the slow-paced game of poker and dramatized it and created storylines that made for exciting and compelling viewing. This post-produced content can be valuable real estate for sponsors, as Allied Esports can integrate sponsors seamlessly into the show in a way that feels organic to the viewers. Allied Esports can focus on different storylines, create excitement via editing and music inclusion, and generally elevate the production quality from that achievable in a live stream. Allied Esports can then monetize this episodic content via sponsorship, advertising, selling the content itself to third party distributors, or even use it as a marketing tool to drive customers to come to Allied Esports' branded properties, buy its merchandise or otherwise interact with Allied Esports.

Repackaged Content. The library of content Allied Esports will develop from events can be cut into smaller clips that can be used as marketing and promotion of the Allied Esports brand on social media. Allied Esports can also edit content to create new content, such as "best of" shows, focusing on one particular game as played by multiple well-known streamers, regional shows focusing on talent from a particular country, and so on.

Allied Esports' global branded esports properties ecosystem will create opportunities for live events which provide material to develop great content, all of which Allied Esports can monetize in multiple ways. The large customer base Allied Esports develops through these in-person experiences, live streams and content distribution will give it a customer base to launch interactive services.

Interactive Services: Developing an Esports Entertainment Platform

Allied Esports intends to develop its own online platform where esports players and fans can watch, play and win with other members of the esports community and top esports personalities. The online platform will enable fans to compete against each other as well as participate in esports programs starring their favorite players. Subscriptions will provide members with exclusive access to numerous unique and proprietary experiences, products and services that are not available outside of Allied Esports' ecosystem, such as exclusive online content, member-only tournaments, prizes and cash awards, exclusive live event and merchandise access, exclusive opportunities to be part of our entertainment programming, VIP treatment at Allied Esports' arenas, and much more. Allied Esports intends to use the authenticity and reach driven by its in-person experiences and content viewership to drive platform adoption by esports fans. Allied Esports' executive team has years of experience developing online platforms — its CEO, Frank Ng, has managed and run online platforms with approximately 700 million registered users in China for over 14 years, and its COO, David Moon, has produced, published and operated numerous game services for over 20 years, including helping build NHN Corporation's global footprint to over 1 million concurrent users. Furthermore, WPT has developed and operated its subscription platform for poker fans, ClubWPT, since 2010, and developed and operated a social poker product, PlayWPT, starting in 2016. PlayWPT was licensed to a third party in May of 2018.

The WPT Business

The Company owns the World Poker Tour[®] (WPT[®]) — a premier name in internationally televised gaming and entertainment with brand presence in land-based poker tournaments, television, online and mobile. A leading innovator in the sport of poker since 2002, WPT helped ignite the global poker boom with the creation of a unique television show based on a series of high-stakes poker tournaments. WPT's Tour Events are held at locations throughout the world and have awarded more than one billion in prize dollars in its 18-year history. WPT has broadcast globally in more than 150 countries and territories, and is currently producing its 18th season, which airs on Bally Sports Networks (formerly the FOX Sports Regional Networks) in the United States. Season 18 of WPT is sponsored by its online subscription-based poker service, ClubWPT.com. WPT offers a suite of online poker services which it operates by itself and through its partners offering consumers the ability to access gaming content on a year-round 24/7 basis. ClubWPT.com is a unique online membership site that offers inside access to the WPT, as well as a sweepstakes-based poker club available in 43 states and territories across the United States, Australia, Canada, France and the United Kingdom, with innovative features and state-of-the-art creative elements inspired by WPT's 18 years of experience in gaming entertainment. In June 2020, ClubWPT launched a premium level of ClubWPT membership called ClubWPT Diamond, which allows members to play for larger prize pools, more qualifying seats to official WPT live events, and exclusive line-ups of unique experience packages. In addition, WPT licenses its brand to social gaming sites through partners like CaptivePlay (for PlayWPT social poker) as well as to educational learning platforms such as LearnWPT. These online products are scalable and offer geographic access that might be limited if WPT relied on tour stop participation alone. Additionally, WPT benefits from managing its own distribution business which currently has more than 1,100 hours of broadcast-ready content, and offers demographically similar programming to its poker content, such as esports, golf and MMA. WPT uses this large suite of programming as leverage to seek preferred airtimes on its various distribution channels where it may promote its online products or offer airtime to sponsors in territories they seek to enter. WPT also participates in strategic brand license, partnership, sponsorship opportunities and music licensing. As described below, WPT applies a three-pillar model of in-person experiences, developing multiplatform content and providing interactive services, to the sport of poker.

In-person Experiences: Worldwide Poker Tournaments

World Poker Tour Events. The WPT is a sports league of affiliated poker tournaments that are held at prestigious casinos and poker rooms around the world. WPT licenses the WPT brand to these casinos and card rooms so that they can brand their poker tournaments as WPT events, and these events are integrated into WPT's tour. These events form the backbone of WPT's brand identity and have turned the WPT into one of the most recognizable names in gaming. WPT has developed different types of tours, generally distinguishable by the size of the buy-in for competitors in the applicable tour's events. The WPT Main Tour events generally have the biggest buy-ins (usually between \$3,500 and \$10,000), are held at the largest and most prestigious casinos and card rooms and are attended by many of the top professional poker players in the world. The WPT DeepStacks Tour and WPT500 events are smaller than Main Tour events, with buy-ins ranging from \$300 to \$1,000, and are meant to cater to the lower- to medium-stakes players. In addition, through a third-party licensing arrangement, WPT licenses its name to a third party operating the WPT League, which are small bar-league poker events held at bars and clubs on a social basis. These live events create touchpoints to a large community of poker players to whom WPT can market other WPT live events, advertise and market its sponsor's products, and push towards its interactive products. Furthermore, the live events create the content WPT uses to monetize its brand, as set forth below. The World Poker Tour live events have been postponed during the recent outbreak of the COVID-19 virus throughout the world, although some WPT-branded live events are now starting to be held both in the U.S. and around the world.

Multiplatform Content: The World Poker Tour Television Shows

The Content. WPT films the final table of six participants from a select group of WPT's Main Tour stops, where the players compete for some of the poker world's largest tournament prize pools. We then edit the footage from these tour stops, resulting in a series of one-hour or two-hour episodes which are distributed for telecast to both domestic audiences via our broadcast agreement with Sinclair, and international television audiences via numerous international distribution agreements. WPT has an

agreement with Poker Go, a prominent poker-centric online platform, pursuant to which WPT live streams many of its events to Poker Go's customer base. Many of WPT's live events that are not broadcast on the Bally Sports Networks are live streamed on Poker Go, which ensures almost all of WPT's events are broadcast on some format. In addition, WPT films and produces special episodes based on a variety of non-traditional poker tournaments and/or cash games, which it also distributes for telecast along with the episodes based on WPT's regular tour stops. Furthermore, WPT produced specialized shows meant to promote and market its ClubWPT membership site, such as its "King of the Club" shows in which ClubWPT members won the right, by winning certain tournaments on the ClubWPT platform, to play against each other for cash and prizes in a single-table tournament that was filmed and broadcast on FSN. WPT also filmed and prepared for distribution another series of shows to promote ClubWPT called "Challenge the Champs", in which ClubWPT members who qualified on the ClubWPT platform received the chance to play against former WPT Main Tour champions for cash and prizes. These episodes premiered on FSN in August and September 2019.

WPT previously produced and broadcasted on FSN a series of shows called WPT Alpha8, based on a series of high-stakes poker tournaments with buy-ins of \$100,000. In the Alpha8 events, some of the most elite high-stakes players in the world played in poker tournaments against one another in glamorous casinos and card rooms around the world, with the final eight players of each tournament filmed for production of the television episodes. The inaugural season of WPT Alpha8 began in 2013 and aired for three seasons, ending in 2016 and continues to be distributed internationally. In addition to the strategic advantage of the "World Poker Tour" and WPT-related brands, WPT has created significant efficiencies in its content programming through its affiliation and use of Allied ESports' HyperX Esports Arena Las Vegas venue to film some of its Main Tour final tables and other special events. This change, which just began for Season 17, has significantly reduced production costs by reducing transportation and set up fees and has allowed for more content to be produced at a significantly more efficient cost. Moreover, by reducing the physical location needs from its casino partners that would otherwise be featured in a WPT televised event, WPT has greatly expanded the number of potential casino customers that can meet the requirements for hosting a WPT televised final table. Finally, WPT creates, owns and publishes its own music for WPT shows. In addition to receiving royalties for the music integrated into these programs, WPT has created a database of over 2,300 musical pieces which may be licensed for itself or for other third-party producers.

WPT Distribution Footprint. All of the WPT television programs air on Sinclair's RSNs in the U.S., and in 33 different territories worldwide pursuant to licensing and distribution arrangements with various linear and digital networks. Virtually all of WPT's 17-season poker library is fully available for distribution, providing hundreds of hours of top-tier broadcast grade poker sports content. WPT has greatly expanded the reach of its content by licensing it for broadcast on many digital platforms as well, such as PlutoTV, Unreel Entertainment, Samsung TV Plus, and many others. WPT does not receive fees from Sinclair for the domestic distribution of our content. Instead, WPT uses the WPT show to heavily promote its ClubWPT product and other online products and partnerships, such as the PlayWPT social poker game. WPT does provide Sinclair with a guaranteed revenue share from ClubWPT's operations in exchange for significant promotion and distribution of the programs featuring ClubWPT marketing. This arrangement ensures that Sinclair has an incentive to keep WPT's show on the air and to market and promote the show, as they share in the show's success to the extent ClubWPT's revenue increases. Since the ClubWPT customer base and broadcast television viewers are similar in demographics, the symbiotic relationship between Sinclair and WPT works well to keep WPT's brand widely known and accessible to millions of people in the U.S. The Sinclair agreement also has other important broadcast requirements to ensure that WPT's programming remains "appointment television" and airs at particular times on both the Sinclair networks and the RSNs. Internationally, some of WPT's distribution partners pay WPT fees to broadcast content, but usually, WPT's international revenues are based on distribution deals that pay via advertising time and sponsorship sales, as well as the intrinsic value of spreading WPT's brand awareness worldwide. The international reach of WPT-related shows has grown meaningfully as a result of our expanding digital distribution footprint. WPT receives additional fees from our digital distribution agreements, but again see these as brand-building exercises and as avenues to get more people exposure for WPT's online products, sponsors and advertisers. In addition to its World Poker Tour content, WPT also distributes various sports and lifestyle programming through its distribution business. As a result, WPT now controls over 1,100 hours of programming from which it may generate distribution fees, license fees, sponsorship revenue and music licensing revenue, as well as serving as a vehicle to promote its online gaming products worldwide. The ability to "bundle," or offer large amounts of content, provides WPT distribution leverage in negotiating the amount of airings or preferred airing times of its content.

The Walt Disney Company ("Disney") recently acquired 21st Century Fox ("FOX"). Under the terms of the acquisition, FOX's non-regional news and sports assets, including FSN, were spun off into a new company, Fox Corporation (which is commonly referred to as "New Fox"), which remains owned by the prior FOX shareholders. The Department of Justice required Disney to sell all RSNs within ninety (90) days after the closing of the Disney/FOX acquisition. The RSNs (including FSN) were recently purchased by a joint venture company owned by Sinclair Broadcast Group and Entertainment Studios, Inc. (collectively, "Sinclair"). To date, Sinclair's acquisition of the RSNs (including FSN) has not had any material effect on the airing of WPT's content.

Sponsorship Revenue. Sponsorship revenue is the prime economic driver of the distribution of WPT content. WPT partners with prestigious brands, such as Dr. Pepper (soft drinks), Hublot (high-end timepieces), Corona (beer), Rockstar (energy drinks), Baccarat (fine crystal), Party Poker (online gaming in Europe), and offers them the ability to become the "Official _____ of the World Poker Tour". The Season 17 sponsors included Hublot, Rockstar, Baccarat, Faded Spade Poker (a playing card manufacturer), and Zynga Inc. (social gaming operator). WPT is able to seamlessly integrate its sponsors into the WPT television show by displaying sponsors on poker tables, on television sets, and specialized segments that are brought to viewers by the applicable sponsor. By integrating WPT's sponsors into the show, WPT provides a powerful marketing tool in that viewers are seeing the sponsor as part of the show they are watching, as opposed to an advertisement that they may mute or skip if possible. WPT's live events also offer WPT sponsors a great advertising platform to market directly to WPT players via signage, product sampling suites, flyers, and similar marketing endeavors.

Interactive Services: Poker Platforms

WPT's live event global footprint and distribution of its content via broadcast, streaming and social media, allow WPT to generate significant marketing opportunities for both its sponsors and its own products. WPT has taken advantage of this marketing arm to promote several interactive products: ClubWPT, its subscription-based online poker club that WPT owns and operates, which also offers social poker; PlayWPT, a web and mobile social poker product that is operated by a third party utilizing software and branding that WPT licenses to such provider; and HongKong Triple Sevens Interactive Co., Ltd, who licenses WPT's Alpha8 brand to operate a social poker product they are in the process of developing.

ClubWPT. WPT's subscription-based online club, ClubWPT.com, is operated in accordance with the principles of sweepstakes law and is available in 43 states and territories across the United States, Australia, Canada, France and the United Kingdom. A free alternative means of entry is offered for participants who wish to play in the tournaments but do not wish to purchase the other membership benefits. VIP members can play poker to win a share of \$100,000 in cash and prizes every month, including seats in live WPT poker tournaments. Other benefits include access to every season of the WPT television series and all related content, discounted tickets to live events through ScoreBig, everyday savings for everyday things via the ClubWPT Entertainment Savers Guide, and other member benefits. In January of 2019, WPT added freemium social poker and casino gaming on the platform. Since that time, daily active revenue has risen steadily, and we anticipate the freemium products on the platform will be a meaningful driver of ClubWPT revenue going forward. The subscription fee for ClubWPT remains the same each month and players are not allowed to wager actual money online. One must be eighteen or older to participate. In June 2020, ClubWPT launched a premium level of ClubWPT membership called ClubWPT Diamond, which allows members to play for larger prize pools, more qualifying seats to official WPT live events, and exclusive line-up of unique experience packages.

PlayWPT and Alpha8 Social Poker. WPT's 3-year license agreements for PlayWPT and the Alpha8 social poker product that each commenced in 2018 provide WPT with a share of all revenue generated on those respective platforms, with annual minimums of the greater of \$500,000 or 20% of revenue generated for PlayWPT, and the greater of \$200,000 or 20% of revenue generated for the Alpha8 social poker product. These arrangements offer WPT significant annual payments based on the value and prestige of WPT's brands and WPT's ability to market and promote the platforms.

In addition to the three-pillar approach to monetizing the WPT brands as described above, WPT has also been able to combine these approaches in a regional manner to create localized versions of the WPT in other parts of the world. For example, WPT has an agreement with Adda52, one of the largest online poker operators in India, pursuant to which Adda52 utilizes WPT brands to put on WPT-branded tournaments, create and sell WPT merchandise, sponsor and distribute WPT content, and otherwise

market and promote their own products using the WPT name. WPT had a similar arrangement for the Asia-Pacific region with its Former Parent, Ourgame, and is negotiating similar arrangements with parties in other parts of the world, such as Latin America. These brand licensing arrangements not only provide WPT with revenue derived from upfront payments and revenue share, but they broaden WPT's brand reach in localized ways to parts of the world that WPT would be hard-pressed to effectively market to on its own. WPT believes that this increased reach will have long-term benefits to WPT's brand image and profitability.

Recent Developments.

On January 19, 2021, the Company and its direct and indirect wholly-owned subsidiaries, Allied Esports Media, Inc. ("Esports Media," and together with the Company, the "Selling Parties") and Club Services, Inc. ("CSI"), entered into a Stock Purchase Agreement (the "Original Agreement") with Element Partners, LLC ("Buyer"), pursuant to which the Selling Parties have agreed to sell 100% of the outstanding capital stock of CSI to Buyer. CSI is the Company's indirect wholly-owned subsidiary that directly or indirectly owns 100% of the outstanding capital stock of each of the legal entities that collectively operate or engage in the Company's poker-related business and assets (the "WPT Business"). The proposed sale of CSI is referred to herein as the "Sale Transaction." In connection with the Original Agreement, Buyer agreed to pay Esports Media a total purchase price of \$78.25 million for the stock of CSI, including an initial purchase price at closing of \$68.25 million and \$10.0 million in future payments after the closing of the Sale Transaction. After the execution of the Original Agreement, the Company received multiple unsolicited competing proposals to sell the Company and/or CSI to Bally's Corporation. As a result of such proposals and further negotiation with Buyer, the Selling Parties, CSI and Buyer entered into an Amended and Restated Stock Purchase Agreement on March 19, 2021, and thereafter amended such agreement on March 29, 2021 (as amended, the "Stock Purchase Agreement").

70

Buyer has agreed to pay Esports Media a total purchase price of \$105 million for the stock of CSI (the "base purchase price") at the closing of the Sale Transaction, as further described below. The base purchase price will be adjusted to reflect the amount of CSI's cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. Buyer has remitted a \$10.0 million advance payment of the base purchase price and is required to pay the balance of the base purchase price at the closing of the Sale Transaction.

The Stock Purchase Agreement contains customary representations and warranties, covenants and indemnification provisions. The closing of the Sale Transaction is subject to closing conditions, including the approval of the Sale Transaction by the Company's stockholders and other customary closing conditions. The Company intends to consummate the Sale Transaction shortly after obtaining stockholder approval, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived by the appropriate parties.

The Stock Purchase Agreement may be terminated by Buyer or the Company if the closing of the Sale Transaction has not occurred by September 30, 2021, or upon the occurrence of certain customary events as set forth in the Stock Purchase Agreement. Depending on the circumstances surrounding a termination of the Stock Purchase Agreement, the Buyer may be required to pay a \$10.0 million non-performance fee to the Company, and the Selling Parties may be required to pay a \$3.45 million termination fee to the Buyer, and the Selling Parties may be required to return to Buyer the \$10.0 million advance payment of the purchase price and reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transaction.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a termination fee to us, the Company will have the option, but not the obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited.

The rapid growth and popularity of gaming and esports during the COVID-19 pandemic has driven interest in the Company's esports business, Allied Esports. In January 2021, the Company's Board of Directors decided to explore strategic options for the esports business in order to maximize value to its stockholders, including a possible sale, and the Company has engaged a financial advisor to assist with the process. If the Company pursues and ultimately completes a sale of the esports business in addition to the sale of the WPT Business in the Sale Transaction, the Company expects to proceed (likely under a new name) as a publicly traded holding company focused on using its cash resources to explore opportunities in online entertainment, including but not limited to, real money gaming and other gaming sectors. However, the Company does not plan to limit itself to any particular industry or geographic location in its efforts to identify prospective target businesses. Currently, the Company does not have any specific merger, asset acquisition, reorganization or other business combination under consideration or contemplation. At this time no potential or particular buyer has been identified to purchase the esports business, and there are no initial or ongoing negotiations in respect of the sale of the esports business.

Regulation

WPT tournaments are conducted by the host casinos and card rooms, and we believe WPT is not subject to government gaming regulation in connection with its affiliation with and telecasts of these events. We continue to monitor the legality of Internet gaming in domestic and international jurisdictions, but cannot be certain that changes in existing regulations will be beneficial to the gaming market. WPT's subscription-based online club, ClubWPT.com, is operated in accordance with the principles of sweepstakes law. A free alternative means of entry is offered for participants who wish to play in the tournaments but do not wish to purchase the other membership benefits. The subscription fee for ClubWPT remains the same each month and players are not allowed to wager actual money online. One must be eighteen or older to participate. However, the awarding of cash and prizes will require compliance with the laws or regulations in various states or countries over sweepstakes, promotions and giveaways, are complicated and constantly changing.

72

Allied Esports intends to offer subscribers the chance to win cash and prizes when playing esports games and tournaments on the esports gaming platform it intends to develop. 73

Competition

WPT competes with other poker-related television programming, including ESPN's coverage of the "World Series of Poker" and its "World Series of Poker" Circuit Events, among others. These and other producers of poker-related programming are well established and may have significantly greater resources than WPT does. Based on the popularity of these poker-related televised programs, WPT believes that additional competing televised poker programs may currently be in development or may be developed in the future. WPT's programming also competes for telecast audiences and advertising revenue with telecasts of mainstream professional and amateur sports, as well as other entertainment and leisure activities.

The esports gaming industry is also competitive. Competitors range from established leagues and championships owned directly, as well as leagues franchised by well-known and capitalized game publishers and developers, interactive entertainment companies, diversified media companies and emerging start-ups. New competitors will likely continue to emerge, and many of these competitors will have greater financial resources than Allied Esports.

Territories

We sell products and services throughout the world.

As of May 13, 2021, we had approximately 122 employees, including 26 employees that operated under collective-bargaining agreements.

The Company

AESE operates a premier public esports and entertainment company, consisting of the Allied Esports and World Poker Tour businesses.

Allied Esports

Gaming is one of the largest and fastest growing markets in the entertainment sector, with an estimated 2.56 billion gamers playing esports globally, and esports is the major driver of this growth. Esports, short for "electronic sports," is a general label that comprises a diverse offering of competitive electronic games that gamers play against each other. It is projected that by 2023, 646 million people will be watching esports globally, and that global esports revenue will grow to approximately \$1.5 billion.

The esports gaming industry is relatively new and is challenging. Competition is rapidly developing. Allied Esports' business relies upon its ability to grow and garner an active gamer community, and successfully monetize this community through tournament fees, live event ticket sales, and advertising and sponsorships utilizing a three-pillar approach, which includes:

- in-person experiences;
- developing multiplatform content; and
- providing interactive services.

Its growth also depends, in part, on its ability to respond to technological evolution, shifts in gamer trends and demands, introductions of new games, game publisher intellectual property right practices, and industry standards and practices. While change in this industry may be inevitable, Allied Esports will try to adapt its business model as needed to accommodate change and remain on the forefront of its competitors, by collaborating with its strategic investors, including certain affiliates of Simon Property Group, Inc., a global leader in the ownership of premier shopping, dining, entertainment, and mixed-use destinations ("Simon"), and with certain affiliates of Brookfield Property Partners, one of the world's premier real estate companies.

Allied Esports' business plan requires significant capital expenditures, and it expects its operating expenses to increase significantly as it continues to expand its marketing efforts and operations in existing and new geographies and vertical markets (including its online esports tournament and gaming subscription platform it intends to develop). A key element of Allied Esports' growth strategy is to extend its brand by opening additional flagship arenas throughout the world and by licensing the Allied Esports brand to third party esports arena operators, which it believes will provide attractive returns on investment.

World Poker Tour

The World Poker Tour is a premier name in internationally televised gaming and entertainment with brand presence in land-based poker tournaments, television, online and mobile. Leading innovation in the sport of poker since 2002, WPT helped ignite the global poker boom with the creation of a unique television show based on a series of high-stakes poker tournaments. WPT's Tour Events are held at locations throughout the world and have awarded more than one billion in prize dollars in its 18-year history. WPT has broadcast globally in more than 150 countries and territories, and is currently producing its 18th season, which airs on FOX Sports Regional Networks in the United States. Season 18 of WPT is currently sponsored by its online subscription-based poker service, ClubWPT.com. WPT offers a suite of online poker services which it operates by itself and through its partners offering consumers the ability to access gaming content on a year-round 24/7 basis. ClubWPT.com is a unique online membership site that offers inside access to the WPT, as well as a sweepstakes-based poker club available in 43 states and territories across the United States, Australia, Canada, France and the United Kingdom, with innovative features and state-of-the-art creative elements inspired by WPT's 18 years of experience in gaming entertainment. In addition, WPT licenses its brand to social gaming sites through partners like CaptivePlay (for PlayWPT social poker) as well as to educational learning platforms such as LearnWPT. These online products are scalable and offer geographic access that might be limited if WPT relied on tour stop participation alone. Additionally, WPT benefits from managing its own distribution business which currently has more than 1,100 hours of broadcast-ready content, and offers demographically similar programming to its poker content, such as esports, golf and MMA. WPT uses this large suite of programming as leverage to seek preferred airtimes on its various distribution channels where it may promote its online products or offer airtime to sponsors in territories they seek to enter. WPT also participates in strategic brand license, partnership, sponsorship opportunities and music licensing, applying its three-pillar model of in-person experiences, multiplatform content and interactive services, described above, to the sport of poker.

Recent Developments

Sale of WPT Business. On January 19, 2021, the Company and its direct and indirect wholly-owned subsidiaries, Allied Esports Media, Inc. ("Esports Media," and together with the Company, the "Selling Parties") and Club Services, Inc. ("CSI"), entered into a Stock Purchase Agreement (the "Original Agreement") with Element Partners, LLC ("Buyer"), pursuant to which the Selling Parties have agreed to sell 100% of the outstanding capital stock of CSI to Buyer. CSI is the Company's indirect wholly-owned

subsidiary that directly or indirectly owns 100% of the outstanding capital stock of each of the legal entities that collectively operate or engage in the Company's poker-related business and assets (the "WPT Business"). The proposed sale of CSI is referred to herein as the "Sale Transaction." In connection with the Original Agreement, Buyer agreed to pay Esports Media a total purchase price of \$78.25 million for the stock of CSI, including an initial purchase price at closing of \$68.25 million and \$10.0 million in future payments after the closing of the Sale Transaction. After the execution of the Original Agreement, the Company received multiple unsolicited competing proposals to sell the Company and/or CSI to Bally's Corporation. As a result of such proposals and further negotiation with Buyer, the Selling Parties, CSI and Buyer entered into an Amended and Restated Stock Purchase Agreement on March 19, 2021, and thereafter amended such agreement on March 29, 2021 (as amended, the "Stock Purchase Agreement").

Buyer has agreed to pay Esports Media a total purchase price of \$105 million for the stock of CSI (the "base purchase price") at the closing of the Sale Transaction, as further described below. The base purchase price will be adjusted to reflect the amount of CSI's cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. Buyer has remitted a \$10.0 million advance payment of the base purchase price and is required to pay the balance of the base purchase price at the closing of the Sale Transaction.

The Stock Purchase Agreement contains customary representations and warranties, covenants and indemnification provisions. The closing of the Sale Transaction is subject to closing conditions, including the approval of the Sale Transaction by the Company's stockholders and other customary closing conditions. The Company intends to consummate the Sale Transaction shortly after obtaining stockholder approval, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived by the appropriate parties.

The Stock Purchase Agreement may be terminated by Buyer or the Company if the closing of the Sale Transaction has not occurred by September 30, 2021, or upon the occurrence of certain customary events as set forth in the Stock Purchase Agreement. Depending on the circumstances surrounding a termination of the Stock Purchase Agreement, the Buyer may be required to pay a \$10.0 million non-performance fee to the Company, and the Selling Parties may be required to pay a \$3.45 million termination fee to the Buyer, and the Selling Parties may be required to return to Buyer the \$10.0 million advance payment of the purchase price and reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the Stock Purchase Agreement and the Sale Transaction.

Effective upon any termination of the Stock Purchase Agreement, other than a termination in which Buyer is required to pay a non-performance fee to us, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer's (or its affiliate's) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a termination fee to us, the Company will have the option, but not the obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited.

Change of Control Agreements. On December 30, 2020, our Board of Directors authorized us to enter into an agreement with the CEO which, upon the closing of a transaction that resulted in a change-in-control of WPT, as defined, would obligate us to pay the CEO \$1,000,000 upon the earlier of his termination of employment with AESE without cause, as defined, or the two-year anniversary of the closing of the change-in-control transaction. Payment may be made in either cash or shares of AESE common stock (valued at the trailing 10-day volume-weighted-average-price prior to the issuance date), at our discretion.

On December 30, 2020, our Board of Directors authorized WPT to enter into agreements with the WPT CEO and General Counsel which, upon the closing of a transaction that resulted in a change-in-control of WPT, as defined, would obligate WPT to pay the WPT CEO and General Counsel aggregate lump-sum severance payments of \$522,827.

On December 30, 2020, our Board of Directors approved, subject to a change-in-control of WPT which accelerates the vesting of AESE option grants held by WPT employees, the extension of the exercise period of the options as follows: (i) the options to purchase an aggregate of 340,000 shares of AESE common stock held by the WPT CEO and General Counsel may be exercised until the 10-year anniversary of the issuance date, and (ii) the remaining options to purchase an aggregate of 300,000 shares of AESE common stock may be exercised until the one-year anniversary of the change-in-control.

Employment Agreement Amendment. On December 31, 2020, the Company and Frank Ng, who serves as Chief Executive Officer and a director of the Company, amended Mr. Ng's employment agreement (the "Employment Agreement Amendment"). The Employment Agreement Amendment provides that Mr. Ng's annual salary will be \$400,000 per year payable in cash, and that we may, but are no longer required to, issue to Mr. Ng any shares of our common stock as compensation for his services.

COVID-19 Pandemic. The recent outbreak of the COVID-19 respiratory illness has had an adverse effect on the Company. As a global entertainment company that hosts numerous live events with spectators and participants in destination cities, such outbreak has caused people to avoid traveling to and attending our events. Allied Esports and WPT businesses have cancelled or postponed live events, and until Allied Esports' flagship gaming arena located at the Luxor Hotel in Las Vegas, Nevada reopened on June 25, 2020 these businesses were operating online only. The arena is currently running under a modified schedule for daily play and weekly tournaments, and the WPT business continues to operate primarily online. Production of certain content has been temporarily halted. At this time, we cannot determine the full extent of the impact that such outbreak may have on our operations.

TV Azteca Amended Agreement. On July 20, 2020, we entered into an Amendment to TV Azteca Agreement (the "Azteca Amendment"). The Azteca Amendment provides that, subject to the approval of the terms of the Azteca Amendment by the our Board of Directors: (i) TV Azteca waives our obligations under the Term Sheet to pay TV Azteca \$1,000,000 on each of March 1, 2021 and March 1, 2022 for various strategic initiatives, and to further invest in and develop an esports platform for the Mexican market; (ii) we shall waive the 24-month lock-up that prohibits TV Azteca from selling or transferring the 763,904 shares of our common stock TV Azteca purchased pursuant to the Share Purchase Agreement (the "Purchased Shares"); (iii) TV Azteca may sell the Purchased Shares in compliance with applicable securities laws, subject to selling at a reasonable market price and subject to a daily volume cap not to exceed 25% of the our total daily Nasdaq trading volume; and (iv) if TV Azteca sells all of the Purchased Shares within a three-month period following our Board of Directors approval of the Azteca Amendment, for gross proceeds of less than \$1,600,000, then on March 1, 2021, we shall contribute additional capital to the parties' strategic alliance pursuant to the Term Sheet in an amount equal to such shortage. TV Azteca did not sell all of the Purchased Shares within such timeframe and we are no longer required to contribute additional capital to the parties' strategic alliance pursuant to the Term Sheet.

Simon Partnership. We previously entered into a Share Purchase Agreement and an Escrow Agreement (the "Purchase Agreements") and related services agreements with Simon Equity Development, LLC and its affiliates (collectively, "Simon"), which set forth the terms of a strategic investment by Simon to develop an annual esports program in collaboration with the Company. Pursuant to the Purchase Agreements, \$4,950,000 was previously held in an escrow account to be used for development of such activities. The COVID-19 pandemic has delayed indefinitely the parties' ability to plan and budget for the 2020 and 2021 esports programming and esports venues. On March 26, 2020, the remaining balance in the escrow account, \$3,650,000, was transferred to Simon. The parties have agreed to extend the due date from March 8, 2020 to January 31, 2021 under the applicable agreements to continue to develop and budget for the annual esports program and esports venues in future years once the COVID-19 pandemic has ended. As of the date of this document, no additional documents have been drafted or executed between the Company and Simon, but discussions are ongoing.

78

Brookfield Partnership. On January 14, 2020, we issued 758,725 shares of its common stock to BPR Cumulus LLC, an affiliate of Brookfield Property Partners ("Brookfield") in exchange for \$5,000,000 (the "Purchase Price") pursuant to a Share Purchase Agreement. The Purchase Price was placed into escrow and is to be used by us or our subsidiaries to develop integrated esports experience venues at mutually agreed upon shopping malls owned and/or operated by Brookfield or any of its affiliates, that will

include a dedicated gaming space and production capabilities to attract and to activate esports and other emerging live events. As of the date of this document, no additional documents have been drafted or executed between the Company and Brookfield, but discussions are ongoing. The parties have agreed not to move forward with any leases until the pandemic has ended but are currently discussing alternative initiatives while they wait.

Litigation. On March 23, 2020, an employee of Allied Esports filed a claim in Los Angeles Superior Court alleging various employment misconduct against Allied Esports, the Company, and an officer of the Company in connection with a competition being hosted by Allied Esports. The claim alleged damages in excess of \$3.1 million and suggested that the defendants could be subject to punitive damages. The parties agreed to a mediation and all claims asserted against us by the employee were settled on September 10, 2020 for an amount significantly less than the original claim. The matter is now closed.

CARES Act. On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) which contains tax and spending provisions intended to address the impact of the COVID-19 pandemic. The CARES Act includes the Paycheck Protection Program (“PPP”), a program designed to aid small- and medium-sized businesses through federally guaranteed loans distributed through banks. These loans are intended to guarantee eight weeks of payroll and other costs to provide support to participating businesses and increase the ability of these businesses to retain workers. During May 2020, we received aggregate cash proceeds of \$1,592,429 pursuant to three loans provided in connection with the PPP (the “PPP Loans”), of which proceeds in the aggregate amount of \$907,079 were received by Allied Esports and proceeds in the amount of \$685,300 were received by WPT. While the PPP Loans currently have a two-year maturity, the amended law permits each borrower to request a five-year maturity from its lender.

Under the terms of the CARES Act, as amended by the Paycheck Protection Program Flexibility Act of 2020, we are eligible to apply for and receive forgiveness for all or a portion of PPP Loans. Such forgiveness will be determined, subject to limitations, based on the use of PPP Loans proceeds for certain permissible purposes as set forth in the PPP, including, but not limited to, payroll costs (as defined under the PPP) and mortgage interest, rent or utility costs (collectively, “Qualifying Expenses”), and the maintenance of employee and compensation levels during the twenty-four-week period following the funding of the PPP Loan. On January 26, 2021, WPT Enterprises, Inc., the Company’s wholly owned subsidiary, received notice from its lender that the entirety of the \$685,300 of outstanding principal of its PPP Loan was forgiven. We have applied for complete forgiveness of our remaining PPP Loans; however, no assurance is provided that we will be able to obtain forgiveness of the remaining PPP Loans in whole or in part.

Debt Conversion. On April 29, 2020, we entered into a Secured Convertible Note Modification and Conversion Agreement (the “Amendment 1”), with a holder of a \$5,000,000 Bridge Note (the “Noteholder”), pursuant to which the Noteholder converted \$2,000,000 of the principal amount of its Bridge Note into 1,250,000 shares of our common stock at a reduced conversion price of \$1.60 per share. On May 22, 2020, we entered into a Secured Convertible Note Modification and Conversion Agreement No. 2 (“Amendment 2”) with the Noteholder pursuant to which the remaining principal amount of the Note (\$3,000,000) was converted into 2,142,857 shares of our common stock at a reduced conversion price of \$1.40 per share. Further, pursuant to Amendment 2, interest on the \$5,000,000 principal owed to the Noteholder prior to conversion will continue to accrue through the original maturity date of the Bridge Note, as if the principal amount had not been converted. On June 8, 2020, we entered into Secured Convertible Note Modification Agreement No. 3 (“Amendment 3” and together with Amendment 1 and Amendment 2, the “Amendments”) with the Noteholder. Pursuant to Amendment 3, the total minimum accrued interest payable pursuant to Amendment 2 in the amount of \$1,421,096 was converted into principal under the Noteholder’s Bridge Note (the “Amended Bridge Note”) The Amended Bridge Note matures on February 23, 2022, but will be paid upon the sale of WPT. Interest on the Amended Bridge Note will accrue commencing on August 23, 2020 at 12% per annum (increasing to 15% per annum upon an event of default as defined). Principal and interest owed under the Amended Bridge Note is not convertible into shares of our common stock. We recorded a conversion inducement charge of \$5,247,531 as a result of the Amendments, consisting of \$4,998,845 representing the value of common stock issued upon conversion in excess of the common stock issuable under the original terms of the \$5,000,000 Bridge Note, and \$248,686, representing the excess of minimum interest payable pursuant to Amendment 3 over the interest payable pursuant to the original terms of the \$5,000,000 Bridge Note.

Extension of Bridge Notes. On June 8, 2020, the Company and the holders (the “Extending Bridge Noteholders”) of two Bridge Notes in the aggregate principal amount of \$2,000,000 (together, the “Extended Bridge Notes”), each entered into a Secured Convertible Note Modification (Extension) Agreement with the Company (together, the “Bridge Note Extensions”) pursuant to which, among other things, the Extending Bridge Noteholders agreed to extend the maturity date of their respective Extended Bridge Note until February 23, 2022, but will be paid upon the sale of WPT. Interest on the Extended Bridge Notes will continue to accrue at 12.0% per year and may be prepaid without penalty. The remaining provisions of the Extended Bridge Notes remain unchanged and in effect. One of the Extending Bridge Noteholders is Man Sha, the spouse of Frank Ng, our Chief Executive Officer and a Director.

On August 13, 2020 we paid an aggregate of \$425,096 related to interest payable on the Extended Bridge Notes, such that the balance of principal and interest outstanding under the Extended Bridge Notes as of December 31, 2020 is \$2,000,000 and \$85,870, respectively.

Senior Secured Convertible Notes. On June 8, 2020, pursuant to a securities purchase agreement (the “Purchase Agreement”) between the Company and certain accredited investors (the “Investors”), we issued two senior secured convertible notes (the “Senior Notes”) with an aggregate principal balance of \$9,600,000 and immediately vested five-year warrants to purchase an aggregate 1,454,546 shares of common stock at an exercise price of \$4.125 per share for net cash proceeds of \$9,000,000. The Senior Notes bear interest at 8% per annum and mature on June 8, 2022, with an aggregate of \$1,536,000 of interest guaranteed to be paid to the Investors. The Purchase Agreement contains customary representations and warranties, and we agreed that we would not take on additional debt from third parties without the Investors’ written approval, subject to certain exceptions for ordinary course trade debt. We also agreed to use 35% of the proceeds from future financings in excess of \$3 million (or \$5 million if approved by the Investors) to pay down the outstanding balance on the Senior Notes. We have reserved our rights under the Purchase Agreement to consummate, subject to certain exceptions, a debtor or equity offering of up to \$5 million in the future.

The Senior Notes and two years of interest are payable in equal monthly installments (the “Monthly Redemption Payment”), commencing on August 7, 2020. Each Monthly Redemption Payment may be paid at the Company’s option in cash, or in shares of common stock (the “Stock Settlement Option”) at a price equal to 87% of the lowest daily volume-weighted-average-price in the 10 days prior to the scheduled payment date (the “Stock Settlement Price”), provided that (i) we give thirty days written irrevocable notice (the “Monthly Redemption Notice”), (ii) all amounts due have been paid timely, (iii) there are sufficient number of authorized shares available to be issued, (iv) the Investors do not possess any material non-public information at the time we issue the common stock, and (v) our shares have met certain minimum volume and closing price thresholds. The Stock Settlement Price cannot be lower than \$0.734 per share. Monthly Redemption Payments paid in cash require the payment of a 10% premium in addition to the monthly installment.

Each Investor may accelerate up to four Monthly Redemption Payments in any calendar month and may elect to have such accelerated Monthly Redemption Payments paid in shares of our common stock at the Stock Settlement Price of the contemporaneous or immediately prior Monthly Redemption Payment, instead of in cash.

The Senior Notes are convertible at each Investor’s option, in whole or in part, and from time to time, into shares of our common stock (the “Holder Conversion Option” and together, with the Stock Settlement Option, the “ECOs”) at \$3.30 per share (subject to adjustment to convert at the same price as any subsequent issuances of our common stock at a lower issuance price, subject to certain exceptions) (the “Holder Conversion Price”); provided, however, that the parties may not affect any such conversion that would result in an Investor (together with its affiliates) owning in excess of 4.99% of the number of shares of our common stock outstanding immediately after giving effect to the conversion (the “Beneficial Ownership Limitation”). Each Investor, upon notice to the Company, may elect to increase or decrease its Beneficial Ownership Limitation, provided that the Beneficial Ownership Limitation may not exceed 9.99%.

Between August 7 and January 4, 2021, we issued 10,208,223 shares of our common stock as redemption payments on the Senior Notes. As of the close of business on January 4, 2021, the principal and accrued interest associated with the Senior Notes were repaid in full.

Additional Common Stock Issuance. On May 15, 2020, we closed on a sale of 1,018,848 shares of common stock to our Chairman of the Board, in exchange for \$2,000,000 of cash proceeds, pursuant to our March 9, 2020 exercise of a February 25, 2020 Put Option Agreement.

On September 29, 2020, we received proceeds of \$21,875 from the Chairman, representing the disgorgement of short swing profits realized from the sale of shares.

On January 4, 2021, we issued to our non-executive directors an aggregate of 126,584 shares of common stock from our 2019 Equity Incentive Plan. The shares were issued for their director services to the Company.

Discontinued Operations

WPT is an internationally televised gaming and entertainment company with brand presence in land-based tournaments, television, online and mobile applications. WPT has been involved in the sport of poker since 2002 and created a television show based on a series of high-stakes poker tournaments. WPT has broadcasted globally in more than 150 countries and territories and its shows are sponsored by established brands in many areas, including watches, crystal, playing cards and online social poker operators. WPT also operates ClubWPT.com, a subscription-based site that offers its members inside access to the WPT content database, as well as a sweepstakes-based poker product that allows members to play for real cash and prizes that are available in 43 states and territories across the United States, Australia, Canada, France and the United Kingdom. WPT also participates in strategic brand licensing, partnership, and sponsorship opportunities.

On January 19, 2021, we entered into a Stock Purchase Agreement ("SPA") to sell the equity interests of our subsidiaries that own and operate the WPT business, subject to shareholder and regulatory approvals, for a base purchase price of \$78.25 million, which was subsequently amended to \$105 million (the "Sale Transaction"). This base purchase price will be adjusted to reflect the amount of the WPT business cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. We have committed to a plan to sell the WPT business prior to December 31, 2020. Accordingly, the WPT business has been recast as discontinued operations.

In reaching the decision to enter into the SPA, our Board of Directors, in consultation with management as well as its financial and legal advisors, considered a number of factors, including the risks and challenges facing the WPT business in the future as compared to the opportunities available to the WPT business in the future, and the availability of strategic alternatives. After careful consideration, the Board of Directors unanimously approved the Stock Purchase Agreement and determined that the Sale Transaction is in our best interest and is in the best interest of our stockholders, and that the Sale Transaction and the Stock Purchase Agreement reflect the highest value for the WPT business reasonably attainable for our stockholders.

Revenues – Continuing Operations

In-person experience revenues decreased by approximately \$4.5 million, or 60%, to approximately \$3.0 million for the year ended December 31, 2020 from approximately \$7.5 million for the year ended December 31, 2019. The decrease in in-person experience revenues was driven by a \$3.9 million decrease in Esports Arena Las Vegas revenue and a \$0.5 million decrease in sponsorship and gaming revenue. These decreases are a direct result of the Covid-19 pandemic and the resulting limited ability to hold events throughout 2020.

Multiplatform content revenues increased by approximately \$0.1 million, or 346%, to approximately \$0.2 million for the year ended December 31, 2020 from approximately \$0.1 million for the year ended December 31, 2019. The increase in multiplatform content revenues related primarily to an increase in distribution revenue earned in connection with an esports tournament held during December 2020, partially offset by a decrease in content revenue earned during the period resulting from the COVID-19 pandemic.

Costs and expenses – Continuing Operations

In-person costs (exclusive of depreciation and amortization) decreased by approximately \$2.0 million, or 42%, to approximately \$2.8 million for the year ended December 31, 2020 from approximately \$4.8 million for the year ended December 31, 2019. The decrease is a result of the limited ability to hold events throughout 2020 as a result of the Covid-19 pandemic.

82

Multiplatform costs (exclusive of depreciation and amortization) decreased by approximately \$0.1 million, or 77%, to approximately \$0.1 million for the year ended December 31, 2020 from approximately \$0.2 million for the year ended December 31, 2019. Multiplatform costs recognized during 2019 were incurred in connection with creating content surrounding the Simon Cup tournament, in order to attract additional sponsors.

Online operating expenses increased by approximately \$0.1 million, or 64%, to approximately \$0.2 million for the year ended December 31, 2020 from approximately \$0.1 million for the year ended December 31, 2019.

Selling and marketing expenses decreased by approximately \$1.3 million, or 83%, to approximately \$0.3 million for the year ended December 31, 2020 from approximately \$1.6 million for the year ended December 31, 2019. The decrease in selling and marketing expenses is primarily the result of a reduction in advertising and event marketing as a result of the limited ability to hold events throughout 2020 as a result of the Covid-19 pandemic.

General and administrative expenses increased by approximately \$0.7 million, or 7%, to approximately \$11.1 million for the year ended December 31, 2020 from approximately \$10.4 million for the year ended December 31, 2019. Corporate expenses increased approximately \$3.9 million, including approximately \$1.4 million of legal and professional fees, \$2.2 million of compensation expense, \$0.6 million of insurance expense and \$0.4 million of facility and tax related expenses. These increases were a result of only 5 months of activity in 2019, which occurred after the merger, while compared to 12 months of activity in 2020, in addition to \$0.6 million in corporate bonuses accrued for 2020 (which is payable contingent upon the closing of the sale of WPT) compared to \$0.0 million in 2019. The corporate increases were partially offset by an approximate \$3.2 million decrease in general and administrative expense at Allied Esports, including a \$1.7 million decrease in legal and professional fees, a \$1.0 million decrease in compensation expense (partially offset by \$0.2 million increase in bonus expense at Allied Esports), and a \$0.6 million decrease in travel expenses. These decreases were a result of reduced salaries and workforce in addition to a reduction in professional services as a result of the Covid-19 pandemic.

Stock-based compensation increased by approximately \$4.9 million, or 1,973%, to approximately \$5.1 million for the year ended December 31, 2020 from approximately \$0.2 million for the year ended December 31, 2019. The increase included \$3.7 million related to the return of cash held in escrow associated with an escrow agreement with Simon. In addition, stock options granted in September and November of 2019 were amortized for a full year in 2020 as opposed to only a few months in 2019.

Depreciation and amortization remained relatively flat with a small increase of approximately \$0.06 million or 2%, for the year ended December 31, 2020 as compared to the year ended December 31, 2019.

Impairment of investments was approximately \$6.1 million for the year ended December 31, 2020, of which \$5.0 million was the result of the write off of our investment in TV Azteca, for which management determined that the future cash flows are not expected to be sufficient to recover the carrying value of this investment, and \$1.1 million was related to the impairment of our investment in Esports Arena, LLC (“ESA”). We recorded \$0.6 million of impairment losses during the year ended December 31, 2019, related to the impairment of our investment in ESA.

Impairment of property and equipment was approximately \$5.6 million for the year ended December 31, 2020 as compared to \$0.0 million for the year ended December 31, 2019. The impairment resulted from management’s determination that the projected cash flows from our leasehold improvements and software will not be sufficient to recover the carrying value of those assets.

We recorded approximately \$0.3 million of impairment of intangible assets during the year ended December 2019, as the result of management’s determination that the projected cash flows from certain intellectual property would not be sufficient to recover the carrying value of those assets. There was no impairment of intangible assets during the year ended December 31, 2020.

Other income (expense)

Conversion inducement expense of approximately \$5.2 million during the year ended December 31, 2020, resulted from the reduction in the conversion price and the increase in interest payable to induce the conversion of certain convertible debt converted during the period. There was no conversion inducement expense recorded for the year ended December 31, 2019.

Extinguishment loss on acceleration of debt redemption of approximately \$3.4 million during the year ended December 31, 2020, resulted from the acceleration of monthly payments on the Senior Secured notes that were issued in June 2020. There was no extinguishment loss recorded for the year ended December 31, 2019.

83

Interest expense was approximately \$5.5 million and approximately \$1.1 million for the years ended December 31, 2020 and 2019, respectively, representing an increase of \$4.4 million, or 413%. Interest expense consisted of interest incurred on convertible debt, including \$3.0 million of amortized debt discount. The increase in interest expense is primarily the result of \$9.6 million of Senior Secured convertible debt issued during 2020.

Results of Discontinued Operations

We recognized income from discontinued operations, net of tax, of approximately \$0.7 million during the year ended December 31, 2020, as compared to a net loss from discontinued operations of approximately \$1.3 million during the year ended December 31, 2019. The improvement in results from discontinued operations is primarily due to an increase in revenues from our subscription-based poker service and other online products during the period in response to the COVID pandemic.

Liquidity and Capital Resources

The following table summarizes our total current assets, liabilities and working capital deficit from continuing operations at December 31, 2020 and December 31,

2019, respectively.

(In thousands)	December 31,	
	2020	2019
Current Assets	\$ 6,605	\$ 8,641
Current Liabilities	\$ 16,492	\$ 20,717
Working Capital Deficit	\$ (9,887)	\$ (12,076)

Our primary sources of liquidity and capital resources are cash on the balance sheet and funds raised through debt or equity financing.

As of December 31, 2020, we had cash of \$0.4 million (not including approximately \$5.0 million of restricted cash and a working capital deficit from continuing operations of approximately \$9.9 million). For the years ended December 31, 2020 and 2019, we incurred net losses from continuing operations of approximately \$45.8 million and \$15.5 million, respectively, and used cash in continuing operations of approximately \$5.2 million and \$7.6 million, respectively. Further, convertible debt obligations and related accrued interest in the gross principal amount of \$2.0 million mature on February 23, 2022, but will be paid upon the closing of the sale of WPT (see Recent Developments). In addition, bridge note obligations and related accrued interest in the principal amount of \$1.4 million mature on February 23, 2022, but will also be paid upon the closing of the sale of WPT. During January 2021, we issued an aggregate of 529,383 shares of our common stock in full satisfaction of approximately \$0.6 million and \$0.1 million of the remaining principal and interest, respectively, owed on the senior secured convertible notes.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (“COVID-19”) as a pandemic which continues to spread throughout the United States. As a global entertainment company that hosts numerous live events with spectators and participants in destination cities, the outbreak has caused people to avoid traveling to and attending these events. Allied Esports’ has cancelled or postponed live events, and before the reopening of Allied Esports’ flagship gaming arena located at the Luxor Hotel in Las Vegas, Nevada on June 25, 2020 the business was operating online only. The arena is currently running under a modified schedule and limited capacity (up to 65% capacity depending on the event) for daily play and weekly tournaments. We continue to monitor the outbreak of COVID-19 and the related business and travel restrictions, and changes to behavior intended to reduce its spread, and the related impact on our operations, financial position and cash flows, as well as the impact on our employees. Due to the rapid development and fluidity of this situation, the magnitude and duration of the pandemic and its impact on our future operations and liquidity is uncertain as of the date of this report. While there could ultimately be a material impact on our operations and liquidity, at the time of issuance, the extent of the impact cannot be determined.

The aforementioned factors raise substantial doubt about our ability to continue as a going concern within one year after the issuance date of our consolidated financial statements.

84

Our continuation is dependent upon attaining and maintaining profitable operations and the ability to generate positive cash flow from the various revenue sources we are pursuing. Until that time, we will likely need to raise additional capital to fund operations at adequate levels to achieve our objectives. There can be no assurance that we will be able to close on sufficient financing to meet our needs. To date, in addition to our revenues, we have funded our operations using cash acquired in the Merger, through investments from Ourgame, our former parent, by means of operation support, and through the issuance of debt.

We continue to pursue sources of additional capital through various financing transactions or arrangements, including joint venturing of projects, debt financing or other means, including equity financing in the capital markets now available to us. We may also seek to leverage our strategic partnerships to alter capital requirements or expand our available financing network. Further, we expect to receive cash in connection with the sale of the WPT business, which is expected to close during the second quarter of 2021. However, we may not be successful in identifying suitable or reasonably priced funding and/or alternative funding options in a sufficient time period (or at all) and there can be no assurance that the sale of the WPT business will close as planned. If we are unable to obtain the requisite amount of financing needed to fund our planned operations, it would have a material adverse effect on our business and our ability to continue as a going concern, and we may have to curtail, divest, or even cease, certain operations.

Cash Flows from Operating, Investing and Financing Activities

The tables below summarize cash flows from continuing operations for the years ended December 31, 2020 and 2019, respectively.

In thousands	Years Ended December 31,	
	2020	2019
Net cash provided by (used in)		
Operating activities	\$ (5,174)	\$ (7,551)
Investing activities	\$ (5,507)	\$ 8,976
Financing activities	\$ 9,162	\$ -

Net Cash Used in Operating Activities

Net cash used in operating activities primarily represents the results of operations exclusive of non-cash expenses, including depreciation, amortization, losses on disposal of assets, deferred rent and stock-based compensation, plus the impact of changes in operating assets and liabilities.

Net cash used in operating activities for the years ended December 31, 2020 and 2019 was approximately \$5.2 million and \$7.6 million, representing a decrease of \$2.4 million. During the years ended December 31, 2020 and 2019, the net cash used in operating activities was primarily attributable to the net loss of approximately \$45.1 million and \$16.7 million, respectively, adjusted for approximately \$0.7 and \$(1.3) million respectively, of income (loss) from discontinued operations, \$33.9 million and \$4.8 million, respectively, of net non-cash expenses, and approximately \$6.7 million and \$3.1 million, respectively, of cash provided by changes in the levels of operating assets and liabilities.

Net Cash (Used in) Provided By Investing Activities

Net cash (used in) provided by investing activities primarily relates to cash used for the purchase of property and equipment and other investment activity.

Net cash used in investing activities for the year ended December 31, 2020 was approximately \$5.5 million, resulting primarily from approximately \$3.7 million of cash used for the return of the Simon Investment, \$1.5 million of cash used for our investment with TV Azteca as part of a Strategic Investment Agreement, and \$0.4 million used for the purchases of property and equipment.

Net cash provided by investing activities during the year ended December 31, 2019 was approximately \$9.0 million, which consisted primarily of approximately \$14.9 million of cash acquired in the Merger, partially offset by approximately \$1.3 million of cash used for the purchases of property and equipment, \$1.1 million cash used to fund our investment in ESA, and \$3.5 million of cash used for our investment with TV Azteca as part of a Strategic Investment Agreement.

85

Net Cash Provided by Financing Activities

Net cash provided by financing activities primarily relates to the cash proceeds received from the issuance of convertible debt and loans payable, in addition to the sale of common stock in 2020.

Net cash provided by financing activities for the year ended December 31, 2020 was approximately \$9.2 million as compared to \$0 for the year ended December 31, 2019, an increase of approximately \$9.2 million. The primary drivers for the increase was \$9.0 million in proceeds from the issuance of convertible debt and \$7.0 million of proceeds from the issuance of common stock, offset by \$0.8 million of issuance costs, \$0.9 million proceeds from loans payable, and \$7.0 million in repayments of convertible debt.

Cash Flows from Discontinued Operations

Cash held by our WPT business is classified as held for sale and is included in current assets of discontinued operations. No cash was provided to, or used by, discontinued operations from the WPT business.

Capital Expenditures

We will require continual investment to facilitate our growth plans. As a result, we plan to pivot our business goals to focus on expanding and strengthening our strategic partnerships and developing other potential avenues of business, which we are in the process of finalizing.

Off-Balance Sheet Arrangements

The Company does not engage in any off-balance sheet financing activities, nor does the Company have any interest in entities referred to as variable interest entities.

Critical Accounting Policies and Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Company regularly evaluates estimates and judgments based on historical experience and other relevant facts and circumstances.

The Company discusses its significant estimates used in the preparation of the financial statements in the notes accompanying the financial statements. Listed below are the accounting policies the Company believes are critical to its financial statements due to the degree of uncertainty regarding the estimates or assumptions involved.

Impairment of Long-Lived Assets

The Company reviews for the impairment of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Company measures the carrying amount of the asset against the estimated undiscounted future cash flows associated with it. Should the sum of the expected future net cash flows be less than the carrying value of the asset being evaluated, an impairment loss would be recognized for the amount by which the carrying value of the asset exceeds its fair value. The evaluation of asset impairment requires the Company to make assumptions about future cash flows over the life of the asset being evaluated. These assumptions require significant judgment and actual results may differ from assumed and estimated amounts.

Revenue Recognition

We recognize revenue from the following sources:

- Multiplatform content revenue is comprised of distribution revenue, sponsorship revenue, music royalty revenue, content revenue and online advertising revenue.
- In-person revenue is comprised of event revenue, sponsorship revenue, food and beverage revenue, ticket and gaming revenue, merchandising revenue and other revenue.

We evaluate each of our contractual arrangements to identify the performance obligations existing in the contract and allocate the transaction price to each separate performance obligation. Revenue is recognized as each performance obligation is fulfilled. Cash received in advance of the sale or rendering of services is recorded as deferred revenue and is recognized when the related performance obligation has been satisfied.

Discontinued Operations

The assets and liabilities of WPT are classified as “held for sale” as of December 31, 2020 and 2019 and are reflected as “Current assets of discontinued operations,” “Assets of discontinued operations – non-current,” “Current liabilities of discontinued operations” and “Liabilities of discontinued operations – non-current” on the balance sheets that are included in this proxy statement. Results of operations of WPT are included in “Income (loss)” from discontinued operations, net of tax provision on the statements of operations included in this proxy statement. For comparative purposes, all prior periods presented have been reclassified to reflect the classifications on a consistent basis.

Recently Issued Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-02, “Leases (Topic 842).” ASU 2016-02 requires that a lessee recognize the assets and liabilities that arise from operating leases. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. In transition, lessees and lessors are required to recognize and measure leases at the beginning of the earliest period presented using a modified retrospective approach. This amendment will be effective for private companies and emerging growth companies for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The FASB issued ASU No. 2018-10 “Codification Improvements to Topic 842, Leases” and ASU No. 2018-11 “Leases (Topic 842) Targeted Improvements” in July 2018, and ASU No. 2018-20 “Leases (Topic 842) - Narrow Scope Improvements for Lessors” in December 2018. ASU 2018-10 and ASU 2018-20 provide certain amendments that affect narrow aspects of the guidance issued in ASU 2016-02. ASU 2018-11 allows all entities adopting ASU 2016-02 to choose an additional (and optional) transition method of adoption, under which an entity initially applies the new leases standard at the adoption date and recognizes a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption. We are currently evaluating the impact that this guidance will have on our consolidated financial statements.

In June 2016, the FASB issued ASU No. 2016-13 “Financial Instruments - Credit Losses (Topic 326)” and also issued subsequent amendments to the initial guidance under ASU 2018-19, ASU 2019-04 and ASU 2019-05 (collectively Topic 326). Topic 326 requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. This replaces the existing incurred loss model with an expected loss model and requires the use of forward-looking information to calculate credit loss estimates. We will be required to adopt the provisions of this ASU on January 1, 2023, with early adoption permitted for certain amendments. Topic 326 must be adopted

by applying a cumulative effect adjustment to retained earnings. The adoption of Topic 326 is not expected to have a material impact on our consolidated financial statements or disclosures.

In March 2019, the FASB issued ASU 2019-02, which aligns the accounting for production costs of episodic television series with the accounting for production costs of films. In addition, ASU 2019-02 modifies certain aspects of the capitalization, impairment, presentation and disclosure requirements in Accounting Standards Codification (“ASC”) 926-20 and the impairment, presentation and disclosure requirements in ASC 920-350. This ASU must be adopted on a prospective basis and is effective for annual periods beginning after December 15, 2020, including interim periods within those years, with early adoption permitted. We are currently evaluating the impact that this pronouncement will have on our consolidated financial statements.

In December 2019, the FASB issued ASU 2019-12, Income Taxes – Simplifying the Accounting for Income Taxes. The new guidance simplifies the accounting for income taxes by removing several exceptions in the current standard and adding guidance to reduce complexity in certain areas, such as requiring that an entity reflect the effect of an enacted change in tax laws or rates in the annual effective tax rate computation in the interim period that includes the enactment date. The new standard is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020, with early adoption permitted. We adopted this standard early, on October 1, 2020, and it did not have a material impact on our consolidated financial statements or disclosures.

87

In February 2020, the FASB issued ASU No. 2020-02, Financial Instruments - Credit Losses (Topic 326) and Leases (Topic 842) – Amendments to SEC Paragraphs Pursuant to SEC Staff Accounting Bulletin No. 119 and Update to SEC Section on Effective Date (“ASU 2020-02”) which provides clarifying guidance and minor updates to ASU No. 2016-13 – Financial Instruments – Credit Loss (Topic 326) (“ASU 2016-13”) and related to ASU No. 2016-02 - Leases (Topic 842). ASU 2020-02 amends the effective date of ASU 2016-13, such that ASU 2016-13 and its amendments will be effective for interim and annual periods in fiscal years beginning after December 15, 2022. The adoption of ASU 2016-13 is not expected to have a material impact on our consolidated financial statements or disclosures.

In August 2020, the FASB issued ASU 2020-06, Debt—Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging— Contracts in Entity’s Own Equity (Subtopic 815-40): Accounting for Convertible Instruments and Contracts in an Entity’s Own Equity, to clarify the accounting for certain financial instruments with characteristics of liabilities and equity. The amendments in this update reduce the number of accounting models for convertible debt instruments and convertible preferred stock by removing the cash conversion model and the beneficial conversion feature model. Limiting the accounting models will result in fewer embedded conversion features being separately recognized from the host contract. Convertible instruments that continue to be subject to separation models are (1) those with embedded conversion features that are not clearly and closely related to the host contract, that meet the definition of a derivative, and that do not qualify for a scope exception from derivative accounting and (2) convertible debt instruments issued with substantial premiums for which the premiums are recorded as paid-in-capital. In addition, this ASU improves disclosure requirements for convertible instruments and earnings-per-share guidance. The ASU also revises the derivative scope exception guidance to reduce form-over-substance-based accounting conclusions driven by remote contingent events. The amendments in this update are effective for fiscal years beginning after December 15, 2023, and interim periods within those fiscal years. Early adoption will be permitted, but no earlier than for fiscal years beginning after December 15, 2020. We are currently evaluating the impact that this guidance will have on our consolidated financial statements.

88

Recently Adopted Accounting Pronouncements

In January 2017, the FASB issued ASU No. 2017-04, Intangibles – Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment. The new guidance simplifies the accounting for goodwill impairment by eliminating Step 2 of the goodwill impairment test. Under current guidance, Step 2 of the goodwill impairment test requires entities to calculate the implied fair value of goodwill in the same manner as the amount of goodwill recognized in a business combination by assigning the fair value of a reporting unit to all of the assets and liabilities of the reporting unit. The carrying value in excess of the implied fair value is recognized as goodwill impairment. Under the new standard, goodwill impairment is recognized based on Step 1 of the current guidance, which calculates the carrying value in excess of the reporting unit’s fair value. This standard was adopted on January 1, 2020 and did not have a material impact on our consolidated financial statements or disclosures.

In July 2018, the FASB issued ASU No. 2018-09, “Codification Improvements” (“ASU 2018-09”). These amendments provide clarifications and corrections to certain ASC subtopics including the following: Income Statement - Reporting Comprehensive Income – Overall (Topic 220-10), Debt - Modifications and Extinguishments (Topic 470-50), Distinguishing Liabilities from Equity – Overall (Topic 480-10), Compensation - Stock Compensation - Income Taxes (Topic 718-740), Business Combinations – Income Taxes (Topic 805-740), Derivatives and Hedging – Overall (Topic 815-10), and Fair Value Measurement – Overall (Topic 820-10). The majority of the amendments in ASU 2018-09 will be effective in annual periods beginning after December 15, 2019. This standard was adopted on January 1, 2020 and it did not have a material impact on our consolidated financial statements or disclosures.

In August 2018, the FASB issued ASU No. 2018-13, “Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement” (“ASU 2018-13”). The amendments in ASU 2018-13 modify the disclosure requirements associated with fair value measurements based on the concepts in the Concepts Statement, including the consideration of costs and benefits. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. The amendments are effective for all entities for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. This standard was adopted on January 1, 2020 and it did not have a material impact on our consolidated financial statements or disclosures.

World Poker Tour
Notes to Unaudited Carve-Out Financial Statements

Note 1 – Background

The World Poker Tour business (“WPT” or the “Company”) is an internationally televised gaming and entertainment company with brand presence in land-based tournaments, television, online and mobile applications that does business under the World Poker Tour brand. WPT has been involved in the sport of poker since 2002 and created a television show based on a series of high-stakes poker tournaments. WPT has broadcasted globally in more than 150 countries and territories and its shows are sponsored by established brands in many areas, including watches, crystal, playing cards and online social poker operators. WPT also operates ClubWPT.com, a subscription-based site that offers its members inside access to the WPT content database, as well as sweepstakes-based poker product that allows members to play for real cash and prizes in 43 states and territories across the United States Australia, Canada, France and the United Kingdom, with no purchase necessary. WPT also participates in strategic brand licensing, partnership, and sponsorship opportunities.

On January 19, 2021, WPT’s parent, Allied Esports Entertainment, Inc. (“AESE” or the “Parent”) entered into a stock purchase agreement, as amended on March 19, 2021 and again on March 29, 2021 (the “Stock Purchase Agreement”), to sell 100% of the capital stock of WPT. See Note 13 – Subsequent Events.

Note 2 – Liquidity and Management’s Plans

As of December 31, 2020, the Company had cash of approximately \$3.6 million and working capital deficit of approximately \$0.3 million. For the years ended December 31, 2020 and 2019, the Company had net income (loss) of approximately \$0.7 million and (\$1.3 million), respectively, and generated cash from operations of approximately \$3.4 million and \$0.4 million, respectively.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (“COVID-19”) as a pandemic which continues to spread throughout the United States. As a global entertainment company that hosts numerous live events with spectators and participants in destination cities, the outbreak has caused people to avoid traveling to and attending these events. WPT’s businesses have cancelled or postponed live events and were operating online only. During the year ended December 31, 2020, the WPT business operated online only, other than a recent live event in Tokyo, Japan. The Company is continuing to monitor the outbreak of COVID-19 and the related business and travel restrictions, and changes to behavior intended to reduce its spread, and the related impact on the Company’s operations, financial position and cash flows, as well as the impact on its employees. Due to the rapid development and fluidity of this situation, the magnitude and duration of the pandemic, and its impact on the Company’s future operations and liquidity is uncertain as of the date of this report. While there could ultimately be a material impact on operations and liquidity of the Company, at the time of issuance, the extent of the impact cannot be determined.

The accompanying carve-out financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which contemplate continuation of the Company as a going concern and the realization of assets and the satisfaction of liabilities in the normal course of business.

Note 3 – Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The accompanying unaudited carve-out financial statements have been derived from the accounting records of WPT and its Parent and are intended to represent the business being sold. All significant intercompany balances have been eliminated. The unaudited carve-out financial statements have been prepared in accordance with U.S. GAAP and pursuant to the accounting rules and regulations of the United States Securities and Exchange Commission (“SEC”).

Management believes the assumptions underlying the unaudited carve-out financial statements are reasonable. Nevertheless, the unaudited carve-out financial statements may not include all of the actual expenses that would have been incurred had WPT operated as a stand-alone company during the periods presented and may not reflect the results of operations, financial position and cash flows had WPT operated as a stand-alone company during the periods presented. Actual costs that would have been incurred if WPT had operated as a stand-alone company would depend on multiple factors, including organizational structure and strategic decisions made in various areas, including information

technology and infrastructure.

Use of Estimates

Preparation of financial statements in conformity with U.S. GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, together with amounts disclosed in the related notes to the financial statements. The Company's significant estimates used in these unaudited carve-out financial statements include, but are not limited to, the valuation and carrying amount of goodwill and other intangible assets, accounts receivable reserves, the valuation of stock-based compensation and deferred tax assets and the recoverability and useful lives of long-lived assets, including intangible assets, property and equipment and deferred production costs. Certain of the Company's estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company's estimates and could cause actual results to differ from those estimates.

Cash and Cash Equivalents

All short-term investments of the Company that have a maturity of three months or less when purchased are considered to be cash equivalents. There were no cash equivalents as of December 31, 2020 or 2019.

Accounts Receivable

Accounts receivable are carried at their contractual amounts. Management establishes an allowance for doubtful accounts based on its historic loss experience and current economic conditions. Losses are charged to the allowance when management deems further collection efforts will not produce additional recoveries. As of December 31, 2020 and 2019, there was no bad debt allowance.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation using the straight-line method over their estimated useful lives, once the asset is placed in service. Leasehold improvements are amortized over the lesser of (a) the useful life of the asset; or (b) the remaining lease term (including renewal periods that are reasonably assured). Expenditures for maintenance and repairs, which do not extend the economic useful life of the related assets, are charged to operations as incurred, and expenditures which extend the economic life are capitalized. When assets are retired or otherwise disposed of, the costs and related accumulated depreciation or amortization are removed from the accounts and any gain or loss on disposal is recognized in the statement of operations for the respective period.

The estimated useful lives of property and equipment are as follows:

Equipment	3 - 5 years
Computer equipment	3 - 5 years
Furniture and fixtures	3 - 5 years
Software	3 - 5 years
Leasehold improvements	14 years

Intangible Assets and Goodwill

Intangible assets are comprised of goodwill, customer relationships, trademarks, and trade names. Intangible assets with definite lives are amortized on a straight-line basis over the shorter of their estimate useful lives, ranging from two to ten years, or their contract periods, if applicable. Intangible assets with indefinite lives are not amortized but are evaluated at least annually for impairment and more often whenever changes in facts and circumstances may indicate that the carrying value may not be recoverable.

When testing goodwill for impairment, the Company may assess qualitative factors for some or all of our reporting units to determine whether it is more likely than not (that is, a likelihood of more than 50 percent) that the fair value of a reporting unit is less than its carrying amount, including goodwill. Alternatively, the Company may bypass this qualitative assessment for some or all of our reporting units and perform a detailed quantitative test of impairment (step 1). If the Company performs the detailed quantitative impairment test and the carrying amount of the reporting unit exceeds its fair value, the Company will perform an analysis (step 2) to measure such impairment. At December 31, 2020 and 2019, the Company performed a qualitative assessment to identify and evaluate events and circumstances to conclude whether it is more likely than not that the fair value of the Company's reporting units is less than their carrying amounts. Based on the Company's qualitative assessments, the Company concluded that a positive assertion can be made that it is more likely than not that the fair value of the reporting units exceeded their carrying values and no impairment of goodwill was identified at December 31, 2020 and 2019.

Impairment of Long-Lived Assets

The Company reviews for the impairment of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Company measures the carrying amount of the asset against the estimated undiscounted future cash flows associated with it. Should the sum of the expected future net cash flows be less than the carrying value of the asset being evaluated, an impairment loss would be recognized for the amount by which the carrying value of the asset exceeds its fair value. The evaluation of asset impairment requires the Company to make assumptions about future cash flows over the life of the asset being evaluated. These assumptions require significant judgment and actual results may differ from assumed and estimated amounts.

During the years ended December 31, 2020 and 2019, no impairments were recorded.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

Deferred Production Costs

Capitalized production costs represent the costs incurred to develop and produce the Company's proprietary shows. These costs primarily consist of labor, equipment, production overhead costs and travel expenses. Capitalized production overhead costs include rent incurred in connection with our leased space in Los Angeles, California, which is used exclusively for film production. Capitalized production costs are stated at the lower of cost, less accumulated amortization and tax credits, if applicable, or fair value. Production costs in an amount up to the amount of ultimate revenue expected to be earned from the related production are capitalized in accordance with FASB ASC Topic 926-20, "Other Assets — Film Costs". Amortization of capitalized film costs begins when the related film is released and begins to recognize revenue. Capitalized film costs are expensed over the expected revenue period (not to exceed ten years) using a ratio of revenue earned during the period to estimated ultimate revenues for the related

production. Costs incurred in excess of expected ultimate revenue are expensed as incurred and included in multiplatform costs in the accompanying unaudited carve-out statements of operations. Unamortized capitalized production costs are evaluated for impairment at each reporting period on a season-by-season basis. If estimated remaining revenue is not sufficient to recover the unamortized capitalized production costs for that season, the unamortized capitalized production costs will be written down to fair value.

Fair Value of Financial Instruments

The Company measures the fair value of financial assets and liabilities based on the guidance of ASC 820 “Fair Value Measurements and Disclosures” (“ASC 820”).

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value:

Level 1 — quoted prices in active markets for identical assets or liabilities.

Level 2 — quoted prices for similar assets and liabilities in active markets or inputs that are observable.

Level 3 — inputs that are unobservable (for example, cash flow modeling inputs based on assumptions).

The carrying amounts of the Company’s financial instruments, such as accounts receivable, loans payable, accounts payable and accrued liabilities approximate fair value due to the short-term nature of these instruments. The Company’s convertible debt approximates fair value due to its short-term nature and market rate of interest.

Income Taxes

The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of items that have been included in the financial statements or tax returns. Under this method, deferred tax assets and liabilities are based on the differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. Deferred tax assets are reduced by a valuation allowance to the extent management concludes it is more likely than not that the assets will not be realized. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the statements of operations in the period that includes the enactment date.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

The Company recognizes the tax benefit from an uncertain income tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position should be measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement by examining taxing authorities.

The Company’s policy is to recognize interest and penalties accrued on uncertain income tax positions in interest expense in the Company’s statements of operations. As of December 31, 2020, and 2019, the Company had no liability for unrecognized tax benefits. The Company does not expect the unrecognized tax benefits to change significantly over the next 12 months.

Commitments and Contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated.

Revenue Recognition

On January 1, 2019, the Company adopted ASC Topic 606, “Revenue from Contracts with Customers” (“ASC 606”). The core principle of ASC 606 requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services. ASC 606 defines a five-step process to achieve this core principle and, in doing so, it is possible more judgment and estimates may be required within the revenue recognition process than required under U.S. GAAP, including identifying performance obligations in the contract, estimating the amount of variable consideration to include in the transaction price and allocating the transaction price to each separate performance obligation.

The Company adopted ASC 606 for all applicable contracts using the modified retrospective method, which would have required a cumulative-effect adjustment, if any, as of the date of adoption. The adoption of ASC 606 did not have a material impact on the Company’s unaudited carve-out financial statements as of the date of adoption. As a result, a cumulative-effect adjustment was not required.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

The Company recognizes revenue primarily from the following sources:

In-person revenue

The Company’s in-person revenue is comprised of event revenue. Event revenue is generated through World Poker Tour events – TV, non-TV, and DeepStacks Entertainment, LLC and DeepStacks Poker Tour, LLC (collectively “DeepStacks”) events – held at the Company’s partner casinos. Event revenues are recognized at a point in time when the event occurs. The Company recognized event revenue of \$1,722,358 and \$3,635,049 for the years ended December 31, 2020 and 2019:

Multiplatform content revenue

The Company’s multiplatform content revenue is comprised of distribution revenue, sponsorship revenue, music royalty revenue, online advertising revenue and content revenue. Distribution revenue is generated primarily through the distribution of content from WPT’s library. WPT provides video content to global television networks, who then have the right to air the content and place advertisements on the content during the related license period. Revenue from the distribution of video content to television networks is received pursuant to the contract payment terms and is recognized at the point in time that advertisements are aired on the WPT content. Occasionally, WPT will bundle third-party content with its own content in a distribution arrangement and will share the revenue with the third party; however, the revenues related to third party content are de minimis. The Company recognizes distribution revenue pursuant to the terms of each individual contract with the customer and records deferred revenue to the extent the Company has received a payment for services that have yet to be performed or products that have yet to be delivered.

The Company also distributes video content to online channels. Both the global television networks and the online channels place ads within the WPT content and any advertising revenue earned by the global TV network or online channel is shared with WPT. The Company recognizes online advertising revenue at the point in time when the advertisements are placed in the video content.

Sponsorship revenue is generated through the sponsorship of the WPT's TV content, live and online events and online streams. Online advertising revenue is generated from third-party advertisements placed on the Company's website. Music royalty revenue is generated when the Company's music is played in the WPT's TV series, both on TV networks and online. The Company recognizes sponsorship revenue pursuant to the terms of each individual contract when the respective performance obligations are satisfied, which could be recognized at a point in time or over the term of the contract. The Company records deferred revenue to the extent the Company has received a payment for services that have yet to be performed or products that have yet to be delivered.

Music royalty revenue is recognized at the point in time when the music is played.

Interactive revenue

The Company's interactive revenue is primarily comprised of subscription revenue, licensing, social gaming, and virtual product revenue. Subscription revenue is generated through fixed rate (monthly, quarterly, and annual) subscriptions which offer the opportunity for subscribers to play unlimited poker and access benefits not available to non-subscribers.

The Company recognizes subscription revenue on a straight-line basis and records deferred revenue to the extent the Company receives payments for services that have yet to be provided. Social gaming revenue arises from the sale of online tokens and other online purchases on the Company's social gaming website and is recognized at the point the product is delivered. Virtual product revenue is generated from the licensing of the Company's various brands to be used on the customers' virtual product and social gaming platforms and is recognized over the term of the contractual agreement. The Company generates licensing revenue by licensing the right to use the Company's brands on products to third parties. Licensing revenue is recognized pursuant to the terms of each individual contract with the customer and is recognized over the term of the contractual agreement. Deferred revenue is recorded to the extent the Company has received a payment for products that have yet to be delivered.

Total Revenues	\$ 20,149,042	\$ 18,523,632

The timing of the Company's revenue recognition may differ from the timing of payment by its customers. A receivable is recorded when revenue is recognized prior to payment and the Company has an unconditional right to payment. Alternatively, when payment precedes the provision of the related services, the Company records deferred revenue until the performance obligations are satisfied.

As of December 31, 2020, there remained approximately \$594,000 of contract liabilities which were included within deferred revenue on the unaudited carve-out balance sheet as of December 31, 2019, and for which performance obligations had not yet been satisfied as of December 31, 2020 due to events that have been postponed as a result of the Covid pandemic. The Company expects to satisfy its remaining performance obligations within the next twelve months.

Advertising Costs

The Company expenses advertising and marketing costs as they are incurred. Marketing and advertising expense were \$109,463 during the year ended December 31, 2020 and \$94,313 during the year ended December 31, 2019, respectively.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The CARES Act, amongst other things, includes provisions relating to refundable payroll tax credits, deferral of employer social security payments, net operating loss carryback periods, alternative minimum tax credit refunds, modifications to the net interest deduction limitations and technical corrections to tax depreciation methods for qualified improvement property. Pursuant to Accounting Standards Codification Topic ("ASC 740"), the Company recognizes the tax effects of new tax legislation upon enactment. Accordingly, the CARES Act is effective beginning in the quarter ended March 31, 2020. The new tax provisions outlined in the CARES Act did not have a material impact on the Company's unaudited carve-out financial statements.

Recently Issued Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, "Leases (Topic 842)" ("ASU 2016-02"). ASU 2016-02 requires that a lessee recognize the assets and liabilities that arise from operating leases. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. In transition, lessees and lessors are required to recognize and measure leases at the beginning of the earliest period presented using a modified retrospective approach. This amendment will be effective for private companies and emerging growth companies for fiscal years beginning after December 15, 2020, and interim periods within fiscal years beginning after December 15, 2021. The FASB issued ASU No. 2018-10 "Codification Improvements to Topic 842, Leases" and ASU No. 2018-11 "Leases (Topic 842) Targeted Improvements" in July 2018 ("ASU 2018-10" and "ASU 2018-11"), and ASU No. 2018-20 "Leases (Topic 842) - Narrow Scope Improvements for Lessors" in December 2018 ("ASU 2018-20"). ASU 2018-10 and ASU 2018-20 provide certain amendments that affect narrow aspects of the guidance issued in ASU 2016-02. ASU 2018-11 allows all entities adopting ASU 2016-02 to choose an additional (and optional) transition method of adoption, under which an entity initially applies the new leases standard at the adoption date and recognizes a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption. The Company is currently evaluating the impact that this guidance will have on its unaudited carve-out financial statements.

In February 2020, the FASB issued ASU No. 2020-02, Financial Instruments - Credit Losses (Topic 326) and Leases (Topic 842) - Amendments to SEC Paragraphs Pursuant to SEC Staff Accounting Bulletin No. 119 and Update to SEC Section on Effective Date ("ASU 2020-02") which provides clarifying guidance and minor updates to ASU No. 2016-13 - Financial Instruments - Credit Loss (Topic 326) ("ASU 2016-13") and related to ASU No. 2016-02 - Leases (Topic 842). ASU 2020-02 amends the effective date of ASU 2016-13, such that ASU 2016-13 and its amendments will be effective for the Company for interim and annual periods in fiscal years beginning after December 15, 2022. The adoption of ASU 2016-13 is not expected to have a material impact on the Company's unaudited carve-out financial statements or disclosures.

World Poker Tour Notes to Unaudited Carve-Out Financial Statements

In August 2020, the FASB issued ASU 2020-06, Debt—Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging—Contracts in Entity's Own Equity (Subtopic 815-40): Accounting for Convertible Instruments and Contracts in an Entity's Own Equity, to clarify the accounting for certain financial instruments with characteristics of liabilities and equity. The amendments in this update reduce the number of accounting models for convertible debt instruments and convertible preferred stock by removing the cash conversion model and the beneficial conversion feature model. Limiting the accounting models will result in fewer embedded conversion features being separately recognized from the host contract. Convertible instruments that continue to be subject to separation models are (1) those with embedded conversion features that are not clearly and closely related to the host contract, that meet the definition of a derivative, and that do not qualify for a scope exception from derivative accounting and (2) convertible debt instruments issued with substantial premiums for which the premiums are recorded as paid-in-capital. In addition, this ASU improves disclosure requirements for convertible instruments and earnings-per-share guidance. The ASU also revises the derivative scope exception guidance to reduce form-over-substance-based accounting conclusions driven by remote contingent events. The amendments in this update are effective for the Company in fiscal years beginning after December 15, 2023, and interim periods within those fiscal years. Early adoption will be permitted, but no earlier than for fiscal years beginning after December 15, 2020. The Company is currently evaluating the impact that this guidance will have on its unaudited carve-out financial statements.

Recently Adopted Accounting Pronouncements

In January 2017, the FASB issued ASU No. 2017-04, Intangibles - Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment. The new guidance simplifies the accounting for goodwill impairment by eliminating Step 2 of the goodwill impairment test. Under current guidance, Step 2 of the goodwill impairment test requires entities to calculate the implied fair value of goodwill in the same manner as the amount of goodwill recognized in a business combination by assigning the fair value of a reporting unit to all of the assets and liabilities of the reporting unit. The carrying value in excess of the implied fair value is recognized as goodwill impairment. Under the new standard, goodwill impairment is recognized based on Step 1 of the current guidance, which calculates the carrying value in excess of the reporting unit's fair value. This standard was adopted on January 1, 2020 and did not have a material impact on the Company's unaudited carve-out financial statements or disclosures.

In July 2018, the FASB issued ASU No. 2018-09, "Codification Improvements" ("ASU 2018-09"). These amendments provide clarifications and corrections to certain ASC subtopics including the following: Income Statement - Reporting Comprehensive Income - Overall (Topic 220-10), Debt - Modifications and Extinguishments (Topic 470-50),

Distinguishing Liabilities from Equity – Overall (Topic 480-10), Compensation - Stock Compensation - Income Taxes (Topic 718-740), Business Combinations – Income Taxes (Topic 805-740), Derivatives and Hedging – Overall (Topic 815-10), and Fair Value Measurement – Overall (Topic 820-10). The majority of the amendments in ASU 2018-09 will be effective in annual periods beginning after December 15, 2019. This standard was adopted on January 1, 2020 and did not have a material impact on the Company’s unaudited carve-out financial statements or disclosures.

In August 2018, the FASB issued ASU No. 2018-13, “Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement” (“ASU 2018-13”). The amendments in ASU 2018-13 modify the disclosure requirements associated with fair value measurements based on the concepts in the Concepts Statement, including the consideration of costs and benefits. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. The amendments are effective for all entities for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. This standard was adopted on January 1, 2020 and did not have a material impact on the Company’s unaudited carve-out financial statements or disclosures.

While the PPP Loans currently have two-year maturities, the amended law permits the borrower to request five-year maturities from its lenders.

Under the terms of the CARES Act, as amended by the Paycheck Protection Program Flexibility Act of 2020, the Company is eligible to apply for and receive forgiveness for all or a portion of the PPP Loans. Such forgiveness will be determined, subject to limitations, based on the use of PPP loan proceeds for certain permissible purposes as set forth in the PPP, including, but not limited to, payroll costs (as defined under the PPP) and mortgage interest, rent or utility costs (collectively, “Qualifying Expenses”), and on the maintenance of employee and compensation levels during the twenty-four week period following the funding of the PPP Loan. The PPP Loan was forgiven by the Small Business Administration in 2021 (see Note 13 – Subsequent Events). As a result, the entire principal balance is included in non-current liabilities at December 31, 2020.

The Company recorded interest expense of \$4,283 related to the PPP Loans during the year ended December 31, 2020.

The federal and state NOL carryovers are subject to annual limitations under Section 382 of the U.S. Internal Revenue Code when there is a greater than 50% ownership change, as determined under the regulations. The Company has determined that all of its net operating losses are limited under Section 382. As a result, no deferred tax asset exists as of 12/31/20.

Management assesses the likelihood that deferred tax assets will be realized. ASC 740, "Income Taxes" requires that a valuation allowance be established when it is "more likely than not" that all, or a portion of, deferred tax assets will not be realized. A review of all available positive and negative evidence needs to be considered, including the scheduled reversal of deferred tax liabilities, projected future taxable income, and tax planning strategies. After consideration of all the information available, management believes that uncertainty exists with respect to future realization of its deferred tax assets and has, therefore, established a full valuation allowance as of December 31, 2020 and

ASC 740 requires the Company to recognize in the unaudited carve-out financial statements the impact of a tax position only if it is more likely than not to be sustained upon examination based on the technical merits of the position. After assessing its income tax positions, the Company has determined that there are no significant uncertain tax positions to record as of December 31, 2020 and 2019.

WPT's practice is to recognize interest and/or penalties related to income tax matters in income tax expense. WPT had no accrual for interest or penalties at December 31, 2020 and December 31, 2019, respectively, and has not recognized interest and/or penalties during the years then ended as there are no material unrecognized tax benefits. Management does not anticipate any material changes to the amount of unrecognized tax benefits within in the next 12 months.

Company's tax returns remain subject to examination by various taxing authorities beginning with the tax year ended December 31, 2016. No tax audits were commenced or were in process during the years ended December 31, 2020 and 2019.

Litigations, Claims, and Assessments

The Company is involved in various disputes, claims, liens, and litigation matters arising out of the normal course of business. While the outcome of these disputes, claims, liens and litigation matters cannot be predicted with certainty, after consulting with legal counsel, management does not believe that the outcome of these matters will have a material adverse effect on the Company's unaudited carve-out financial position, results of operations or cash flows.

Note 13 – Subsequent Events

Lease Amendment

Effective February 1, 2021, the Company entered into an amendment (the "Lease Amendment") to the LA lease (see Note 11 – Commitments and Contingencies), whereby the lease term is extended through November 30, 2031 (the "Extended Term"), with one option to renew for an additional 5-year period. Base rent begins at \$462,402 per annum and increases by 3% each year. Pursuant to the terms of the Lease Amendment, rent payments are abated for the second month through the eleventh month of the Extended Term.

Forgiveness of PPP Loan

On January 26, 2021, WPT received notice from its lender that the entirety of the \$685,300 of outstanding principal of its PPP Loan, which is included in loans on the accompanying unaudited carve-out balance sheets, was forgiven (see Note 8 – Loans Payable).

Sale of WPT

During 2021, AESE entered into the Stock Purchase Agreement (or "SPA") whereby the WPT business would be sold to Element Partners, LLC (the "Buyer"), a Delaware limited liability company formed for the purposes of acquiring the WPT business (the "Sale Transaction"). The Buyer is owned by an investment fund (See Note 1 – Background).

Pursuant to the SPA, the Buyer intends to purchase 100% of the outstanding capital stock of WPT for a base purchase price of \$105 million, payable to AESE. This base purchase price will be adjusted to reflect the amount of WPT's cash, indebtedness and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. The Buyer remitted a \$10.0 million advance payment of the base purchase price to AESE upon the execution of the SPA and is required to pay the balance of the base purchase price at the closing of the Sale Transaction.

The SPA contains customary representations and warranties, covenants and indemnification provisions. The closing of the Sale Transaction is subject to closing conditions, including the approval of the Sale Transaction by AESE's stockholders and other customary closing conditions. AESE intends to consummate the Sale Transaction shortly after obtaining stockholder approval, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived by the appropriate parties.

The SPA may be terminated by the Buyer or AESE if the closing of the Sale Transaction has not occurred by September 30, 2021, or upon the occurrence of certain customary events as set forth in the SPA, subject to certain termination fees payable by AESE, depending on the circumstances surrounding the termination of the SPA.

OWNERSHIP OF CERTAIN BENEFICIAL OWNERS, MANAGEMENT AND DIRECTORS

The table below sets forth information known to us regarding the beneficial ownership of our common stock as of May 13, 2021, for:

- each person we believe beneficially holds more than 5% of our outstanding common shares (based solely on our review of SEC filings);
- each of our “named executive officers” as identified in the summary compensation table; and

The number of shares beneficially owned by a person includes shares issuable under options, warrants and other securities convertible into common stock held by that person and that are currently exercisable or that become exercisable within 60 days of date set forth above. Percentage calculations assume, for each person and group, that all shares that may be acquired by such person or group pursuant to options, warrants and other convertible securities currently exercisable or that become exercisable within 60 days of the date set forth above are outstanding. Nevertheless, shares of common stock that are issuable upon exercise of presently unexercised options, warrants and other convertible securities are not deemed to be outstanding for purposes of calculating the “Percentage of Shares Beneficially Owned” by any other person or any other group.

Except as otherwise indicated in the table or its footnotes, the persons in the table below have sole voting and investment power with respect to all shares of common stock shown as beneficially owned by them, subject to community property laws where applicable, and the address of such persons is 17877 Von Karman Avenue, Suite 300, Irvine, California 92614.

Information in the table below that purports to be as of the date set forth above is based on our issued and outstanding shares and beneficial ownership information as of such date. As of such date, we had 39,139,502 shares of common stock issued and outstanding.

PROPOSALS OF STOCKHOLDERS

Proposals by stockholders (other than director nominations) that are submitted for inclusion in our proxy statement for our 2021 annual stockholders' meeting must follow the procedures set forth in Rule 14a-8 under the Securities Exchange Act of 1934 and our Bylaws. To be timely under Rule 14a-8, a stockholder proposal must be received by our Secretary at 17877 Von Karman Avenue, Suite 300, Irvine, California, 92614, by July 8, 2021. However, if the date of our 2021 annual stockholders' meeting is changed by more than 30 days from the date of the Annual Meeting, then the deadline for submitting a stockholder proposal will be a reasonable time before we begin to print and send our proxy materials for our 2021 annual stockholders' meeting, which deadline will be disclosed prior to such in one of our SEC filings.

Under our Bylaws, if a stockholder does not submit a proposal for inclusion in our proxy statement but does wish to propose an item of business to be considered at our annual stockholders' meeting (including director nominations), that stockholder must have given timely notice of the proposal in writing to the Secretary of the Company. To be timely, a stockholder's notice must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 days nor more than 90 days prior to the meeting; provided, however, that in the event that less than 70 days' notice or prior public disclosure of the date of the annual meeting is given or made to stockholders, notice by a stockholder, to be timely, must be received no later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure was made, whichever first occurs.

Notices of stockholder proposals and stockholder nominations for directors must comply with the informational and other requirements set forth in our Bylaws as well as applicable statutes and regulations. Due to the complexity of the respective rights of the stockholders and our Company in this area, any stockholder desiring to propose actions or nominate directors is advised to consult with his or her legal counsel with respect to such rights. We suggest that any such proposal be submitted by certified mail return receipt requested.

EXPENSES AND SOLICITATION

The costs of solicitation of consents, including printing and mailing costs, will be borne by us. We have engaged Regan & Associates, Inc. to provide consulting and analytic services and to assist with the solicitation. In addition to the solicitation of consents by mail and by Regan & Associates, Inc., consents may also be solicited personally by our directors, officers and employees, without additional compensation to these individuals. We may request banks, brokers and other firms holding shares in their names that are beneficially owned by others to send consent materials and obtain consents from such beneficial owners, and will reimburse such banks, brokers and other firms for their reasonable out-of-pocket costs.

Report of Independent Registered Public Accounting Firm

To the Stockholders and Board of Directors of
Allied Esports Entertainment, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Allied Esports Entertainment, Inc., and Subsidiaries (the "Company") as of December 31, 2020 and 2019, the related consolidated statements of operations and comprehensive loss, changes in stockholders' equity and cash flows for the each of the two years in the period ended December 31, 2020, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2020 and 2019, and the results of its operations and its cash flows for each of the two years in the period ended December 31, 2020, in conformity with accounting principles generally accepted in the United States of America.

Explanatory Paragraph – Going Concern

The accompanying financial statements have been prepared assuming that the Company will continue as a going concern. As more fully described in Note 2, the Company has a working capital deficiency from continuing operations, has incurred significant losses and needs to raise additional funds to meet its obligations and sustain its operations. These conditions raise substantial doubt about the Company's ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

We have served as the Company's auditor since 2018.

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Note 1 – Background and Basis of Presentation

Allied Esports Entertainment Inc., (“AESE” and formerly known as Black Ridge Acquisition Corp, or “BRAC”) was incorporated in Delaware on May 9, 2017 as a blank check company for the purpose of effecting a merger, share exchange, asset acquisition, share purchase, recapitalization, reorganization or other similar business combination with one or more businesses or entities (a “Business Combination”).

Allied Esports Media, Inc. (“AEM”), a Delaware corporation, was formed in November 2018 to act as a holding company for Allied Esports International Inc. (“Allied Esports”) and immediately prior to close of the Merger (see below) to also include Noble Link Global Limited (“Noble Link”). Allied Esports, together with its subsidiaries described below owns and operates the esports-related businesses of AESE. Noble Link (prior to the AEM Merger) and its wholly owned subsidiaries Peerless Media Limited, Club Services, Inc. and WPT Enterprises, Inc. operate the poker-related business of AESE and are collectively referred to herein as “World Poker Tour” or “WPT”. Prior to the Merger, as described below, Noble Link and Allied Esports were subsidiaries of Ourgame International Holdings Limited (the “Former Parent”).

On December 19, 2018, BRAC, Noble Link and AEM executed an Agreement and Plan of Reorganization (as amended from time to time, the “Merger Agreement”). On August 9, 2019 (the “Closing Date”), Noble Link was merged with and into AEM, with AEM being the surviving entity, which was accounted for as a common control merger (the “AEM Merger”). Further, on August 9, 2019, a subsidiary of AESE merged with AEM pursuant to the Merger Agreement with AEM being the surviving entity (the

“Merger”). The Merger was accounted for as a reverse recapitalization, and AEM is deemed to be the accounting acquirer. Consequently, the assets and liabilities and the historical operations that are reflected in these consolidated financial statements prior to the Merger are those of Allied Esports and WPT. The preferred stock, common stock, additional paid in capital and earnings per share amount in these consolidated financial statements for the period prior to the Merger have been restated to reflect the recapitalization in accordance with the shares issued to the Former Parent as a result of the Merger. References herein to the “Company” are to the combination of AEM and WPT during the period prior to the AEM Merger and are to AESE and subsidiaries after the Merger.

Allied Esports operates through its wholly owned subsidiaries Allied Esports International, Inc., (“AEII”), Esports Arena Las Vegas, LLC (“ESALV”) and ELC Gaming GMBH (“ELC Gaming”). AEII operates global competitive esports properties designed to connect players and fans via a network of connected arenas. ESALV operates a flagship gaming arena located at the Luxor Hotel in Las Vegas, Nevada. ELC Gaming operates a mobile esports truck that serves as both a battleground and content generation hub and also operates a studio for recording and streaming gaming events.

On January 19, 2021, the Company entered into a stock purchase agreement, as amended on March 19, 2021 and again on March 29, 2021 (the “Stock Purchase Agreement”), to sell 100% of the capital stock of its wholly-owned subsidiary, Club Services Inc (“CSI”). CSI owns 100% of each of the legal entities that collectively operate or engage in the Company’s poker-related business. World Poker Tour is an internationally televised gaming and entertainment company that has been involved in the sport of poker since 2002 and created a television show based on a series of high-stakes poker tournaments. See Note 4 – Discontinued Operations and Note 17 - Subsequent Events.

As the result of the Company’s entry into the Stock Purchase Agreement, the Consolidated Balance Sheet as of December 31, 2020, the Consolidated Statement of Operations for the year ended December 31, 2020 and the Consolidated Statement of Cash Flows for the year ended December 31, 2020, present the results of World Poker Tour as discontinued operations and present the assets and liabilities of World Poker Tour as held for sale. All prior periods presented in the Consolidated Balance Sheets, the Consolidated Statements of Operations, and the Consolidated Statements of Cash Flows discussed herein have been restated to conform to such presentation. See Note 4 – Discontinued Operations.

Note 2 – Going Concern and Management’s Plans

As of December 31, 2020, the Company had cash of \$0.4 million (not including approximately \$5.0 million of restricted cash) and a working capital deficit from continuing operations of approximately \$9.9 million. For the years ended December 31, 2020 and 2019, the Company incurred net losses from continuing operations of approximately \$45.8 million and \$15.5 million, respectively, and used cash in continuing operations of approximately \$5.2 million and \$7.6 million, respectively.

F-9

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

As of December 31, 2020, the Company had convertible debt in the gross principal amount of \$2.0 million which matures on February 23, 2022, but will be paid upon the sale of WPT, and senior secured convertible notes in the gross principal amount of approximately \$0.6 million, of which approximately \$0.4 million is payable on January 1, 2021, and the remaining \$0.2 million is payable on February 1, 2021, and for which certain payments can be accelerated at the option of the lender (see Note 10 – Convertible Debt and Convertible Debt, Related Party). As of December 31, 2020, the Company also has a Bridge Note outstanding in the amount of approximately \$1.4 million which matures on February 23, 2022, but will be paid upon the sale of WPT, (see Note 11 – Bridge Note Payable) and loans payable in the aggregate amount of \$0.9 million, which mature in April 2022 (see Note 12 – Loans Payable). During January 2021, the Company issued an aggregate 529,383 shares of its common stock in full satisfaction of approximately \$0.6 million and \$0.1 million of principal and interest, respectively, owed on the senior secured convertible notes.

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (“COVID-19”) as a pandemic which continues to spread throughout the United States. As a global entertainment company that hosts numerous live events with spectators and participants in destination cities, the outbreak has caused people to avoid traveling to and attending these events. Allied Esports’ has cancelled or postponed live events, and before the reopening of Allied Esports’ flagship gaming arena located at the Luxor Hotel in Las Vegas, Nevada on June 25, 2020 the business was operating online only. The arena is currently running under a modified schedule and limited capacity (up to 65% capacity depending on the event) for daily play and weekly tournaments. The Company is continuing to monitor the outbreak of COVID-19 and the related business and travel restrictions, and changes to behavior intended to reduce its spread, and the related impact on the Company’s operations, financial position and cash flows, as well as the impact on its employees. Due to the rapid development and fluidity of this situation, the magnitude and duration of the pandemic and its impact on the Company’s future operations and liquidity is uncertain as of the date of this report. While there could ultimately be a material impact on operations and liquidity of the Company, at the time of issuance, the extent of the impact cannot be determined.

The aforementioned factors raise substantial doubt about the Company’s ability to continue as a going concern within one year after the issuance date of these consolidated financial statements.

The accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which contemplate continuation of the Company as a going concern and the realization of assets and the satisfaction of liabilities in the normal course of business. The consolidated financial statements do not include any adjustments relating to the recoverability and classification of asset amounts or the classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

The Company’s continuation is dependent upon attaining and maintaining profitable operations and, until that time, raising additional capital as needed, but there can be no assurance that it will be able to close on sufficient financing. The Company’s ability to generate positive cash flow from operations is dependent upon generating sufficient revenues. To date, the Company’s operations have been funded by the Former Parent, as well as through the issuance of convertible debt, and with cash acquired in the Merger. The Company expects to receive cash in connection with the sale of the WPT business, which is expected to close during the second quarter of 2021 (see Note 1 – Background and Basis of Presentation, Note 4 – Discontinued Operations and Note 17 – Subsequent Events). The Company cannot provide any assurances that it will be able to secure additional funding, either from equity offerings or debt financings, on terms acceptable to the Company, if at all, or that the sale of the WPT business will close as planned. If the Company is unable to obtain the requisite amount of financing needed to fund its planned operations, including the repayment of convertible debt, it would have a material adverse effect on its business and ability to continue as a going concern, and it may have to explore the sale of, or curtail or even cease, certain operations.

Note 3 – Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The accompanying consolidated financial statements have been derived from the accounting records of AESE and its consolidated subsidiaries. All significant intercompany balances have been eliminated in the consolidated financial statements. The consolidated financial statements have been prepared in accordance with U.S. GAAP and pursuant to the accounting rules and regulations of the United States Securities and Exchange Commission (“SEC”). Expenses that the Former Parent incurred on behalf of WPT and Allied Esports prior to the Merger were allocated to each entity using specific identification.

F-10

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Use of Estimates

Preparation of financial statements in conformity with U.S. GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, together with amounts disclosed in the related notes to the financial statements. The Company's significant estimates used in these financial statements include, but are not limited to, the valuation and carrying amount of goodwill and other intangible assets, accounts receivable reserves, the valuation of investments, stock-based compensation, warrants and deferred tax assets, as well as the recoverability and useful lives of long-lived assets, including intangible assets, property and equipment and deferred production costs. Certain of the Company's estimates could be affected by external conditions, including those unique to the Company and general economic conditions. It is reasonably possible that these external factors could have an effect on the Company's estimates and could cause actual results to differ from those estimates.

Cash and Cash Equivalents

All short-term investments of the Company that have a maturity of three months or less when purchased are considered to be cash equivalents. There were no cash equivalents as of December 31, 2020 or 2019.

Restricted Cash

Restricted cash consists of cash held in an escrow account to be utilized for various approved strategic initiatives and esports event programs pursuant to an agreement with Brookfield Property Partners. See Note 14 – Commitments and Contingencies, Investment Agreements.

Accounts Receivable

Accounts receivable are carried at their contractual amounts. Management establishes an allowance for doubtful accounts based on its historic loss experience and current economic conditions. Losses are charged to the allowance when management deems further collection efforts will not produce additional recoveries. As of December 31, 2020 and 2019, there was no bad debt allowance.

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation using the straight-line method over their estimated useful lives once the asset is placed in service. Leasehold improvements are amortized over the lesser of (a) the useful life of the asset; or (b) the remaining lease term (including renewal periods that are reasonably assured). Expenditures for maintenance and repairs, which do not extend the economic useful life of the related assets, are charged to operations as incurred, and expenditures which extend the economic life are capitalized. When assets are retired or otherwise disposed of, the costs and related accumulated depreciation or amortization are removed from the accounts and any gain or loss on disposal is recognized in the statement of operations for the respective period.

The estimated useful lives of property and equipment are as follows:

Computer equipment	3 - 5 years
Production equipment	5 years
Furniture and Fixtures	3 - 5 years
Software	1 - 5 years
Gaming Truck	5 years
Leasehold Improvements	10 years

Intangible Assets and Goodwill

The Company's intangible assets consist of the Allied Esports trademarks, which are being amortized over a useful life of 10 years. Intangible assets with indefinite lives are not amortized but are evaluated at least annually for impairment and more often whenever changes in facts and circumstances may indicate that the carrying value may not be recoverable.

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Impairment of Long-Lived Assets

The Company reviews for the impairment of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. The Company measures the carrying amount of the asset against the estimated undiscounted future cash flows associated with it. Should the sum of the expected future net cash flows be less than the carrying value of the asset being evaluated, an impairment loss would be recognized for the amount by which the carrying value of the asset exceeds its fair value. The evaluation of asset impairment requires the Company to make assumptions about future cash flows over the life of the asset being evaluated. These assumptions require significant judgment and actual results may differ from assumed and estimated amounts.

During the years ended December 31, 2020 and 2019, the Company recognized an impairment of \$6,138,631 and \$600,000, respectively related to certain investments, \$5,595,557 and \$0, respectively, related to property and equipment. and during the year ended December 31, 2019 the Company recognized impairment expense of \$330,340 related to deferred production costs, due to management's determination that the future cash flows from these assets are not expected to be sufficient to recover their carrying value.

Fair Value of Financial Instruments

The Company measures the fair value of financial assets and liabilities based on the guidance of ASC 820 "Fair Value Measurements and Disclosures" ("ASC 820").

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value:

Level 1 - quoted prices in active markets for identical assets or liabilities.

Level 2 - quoted prices for similar assets and liabilities in active markets or inputs that are observable.

Level 3 - inputs that are unobservable (for example, cash flow modeling inputs based on assumptions).

The carrying amounts of the Company's financial instruments, such as accounts receivable, accounts payable and accrued liabilities approximate fair value due to the short-term nature of these instruments. The Company's convertible debt approximates fair value due to its short-term nature and market rate of interest.

Nonrecurring Fair Value Measurements

Certain nonfinancial assets and liabilities are measured at fair value on a nonrecurring basis and are subject to fair value adjustments in certain circumstances, such as when there is evidence of impairment. These fair value measurements are categorized within level 3 of the fair value hierarchy.

The Company periodically evaluates the carrying value of long-lived assets to be held and used when events or circumstances warrant such a review. Fair value is determined primarily using anticipated cash flows assumed by a market participant discounted at a rate commensurate with the risk involved or in the case of nonfinancial assets or liabilities. See "Impairment of Long-Lived Assets", above.

F-12

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

Income Taxes

The Company recognizes deferred tax assets and liabilities for the expected future tax consequences of items that have been included in the financial statements or tax returns. Under this method, deferred tax assets and liabilities are based on the differences between the financial statement and tax bases of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. Deferred tax assets are reduced by a valuation allowance to the extent management concludes it is more likely than not that the assets will not be realized. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the statements of operations in the period that includes the enactment date.

The Company recognizes the tax benefit from an uncertain income tax position only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position should be measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement by examining taxing authorities.

The Company's policy is to recognize interest and penalties accrued on uncertain income tax positions in interest expense in the Company's statements of operations. As of December 31, 2020 and 2019, the Company had no liability for unrecognized tax benefits. The Company does not expect the unrecognized tax benefits to change significantly over the next 12 months.

Commitments and Contingencies

Liabilities for loss contingencies arising from claims, assessments, litigation, fines and penalties and other sources are recorded when it is probable that a liability has been incurred and the amount of the assessment can be reasonably estimated.

Net Loss per Common Share

Basic loss per common share is computed by dividing net loss attributable to the Company by the weighted average number of common shares outstanding during the period. Diluted loss per common share is computed by dividing net loss attributable to common stockholders by the weighted average number of common shares outstanding, plus the impact of common shares, if dilutive, resulting from the exercise of outstanding stock options and warrants and the conversion of convertible instruments.

The following securities are excluded from the calculation of weighted average dilutive common shares because their inclusion would have been anti-dilutive:

	December 31,	
	2020	2019
Restricted common shares	199,143	-
Options	2,430,000	2,480,000
Warrants	20,091,549	18,637,003
Convertible debt	439,811 ⁽¹⁾	1,647,058
Equity purchase options	600,000	600,000
Contingent consideration shares	269,231	3,846,153
	<u>24,029,734</u>	<u>27,210,214</u>

(1) Common stock equivalents associated with convertible debt were calculated based on the fixed conversion price in effect for voluntary holder conversions; however, for certain convertible notes there is a variable conversion price in effect under certain scenarios that is equal to 87% of lowest daily volume weighted average price over the prior ten days, subject to a \$0.734 floor price. If the applicable convertible note principal and guaranteed interest were all converted at the floor price, the potentially dilutive shares related to convertible debt would be 1,154,789 shares.

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

Revenue Recognition

On January 1, 2019, the Company adopted ASC Topic 606, "Revenue from Contracts with Customers" ("ASC 606"). The core principle of ASC 606 requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the company expects to be

entitled in exchange for those goods or services. ASC 606 defines a five-step process to achieve this core principle and, in doing so, it is possible more judgment and estimates may be required within the revenue recognition process than required under previous guidance, including identifying performance obligations in the contract, estimating the amount of variable consideration to include in the transaction price and allocating the transaction price to each separate performance obligation.

The Company adopted ASC 606 for all applicable contracts using the modified retrospective method, which would have required a cumulative-effect adjustment, if any, as of the date of adoption. The adoption of ASC 606 did not have a material impact on the Company's consolidated financial statements as of the date of adoption. As a result, a cumulative-effect adjustment was not required.

To determine the proper revenue recognition method, the Company evaluates each of its contractual arrangements to identify its performance obligations. A performance obligation is a promise in a contract to transfer a distinct good or service to the customer. The majority of the Company's contracts have a single performance obligation because the promise to transfer the individual good or service is not separately identifiable from other promises within the contract and is therefore not distinct. Some of the Company's contracts have multiple performance obligations, primarily related to the provision of multiple goods or services. For contracts with more than one performance obligation, the Company allocates the total transaction price in an amount based on the estimated relative standalone selling prices underlying each performance obligation.

The Company recognizes revenue from continuing operations primarily from the following sources:

In-person revenue

The Company's in-person revenue is comprised of event revenue, sponsorship revenue, merchandising revenue and other revenue. Event revenue is generated through Allied Esports events held at the Company's esports properties. Event revenues recognized from the rental of the Allied Esports arena and gaming trucks are recognized at a point in time when the event occurs. In-person revenue also includes revenue from ticket sales, admission fees and food and beverage sales for events held at the Company's esports properties. Ticket revenue is recognized at the completion of the applicable event. Point of sale revenues, such as food and beverage, gaming and merchandising revenues, are recognized when control of the related goods are transferred to the customer.

The Company also generates sponsorship revenues for naming rights for, and rental of, the Company's arena and gaming trucks. Sponsorship revenues from naming rights of the Company's esports arena and from sponsorship arrangements are recognized on a straight-line basis over the contractual term of the agreement. The Company records deferred revenue to the extent that payment has been received for services that have yet to be performed.

In-person revenue was comprised of the following for the years ended December 31, 2020 and 2019:

	For the Years Ended December 31,	
	2020	2019
Event revenue	\$ 574,536	\$ 3,544,868
Sponsorship revenue	1,730,198	2,081,029
Food and beverage revenue	310,826	1,158,004
Ticket and gaming revenue	349,526	543,204
Merchandising revenue	22,209	171,014
Other revenue	1,068	244
Total in-person revenue	\$ 2,988,363	\$ 7,498,363

F-14

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

Multiplatform revenue

The Company's multiplatform content revenue is comprised of distribution revenue and content revenue. Distribution revenue is generated primarily through the distribution of content to online channels. Any advertising revenue earned by online channel is shared with the Company. The Company recognizes online advertising revenue at the point in time when the advertisements are placed in the video content.

Multiplatform revenue was comprised of the following for the years ended December 31, 2020 and 2019:

	For the Years Ended December 31,	
	2020	2019
Distribution revenue	\$ 222,442	\$ -
Content revenue	-	50,000
Total multiplatform revenue	\$ 222,442	\$ 50,000

The following table summarizes our revenue recognized under ASC 606 in our consolidated statements of operations:

	For the Years Ended December 31,	
	2020	2019
Revenues Recognized at a Point in Time:		
Event revenue	\$ 574,536	\$ 3,544,868
Distribution revenue	222,442	-
Food and beverage revenue	310,826	1,158,004
Ticket and gaming revenue	349,526	543,204
Merchandising revenue	22,209	171,014
Content revenue	-	50,000
Other revenue	1,068	244
Total Revenues Recognized at a Point in Time	1,480,607	5,467,334

Revenues Recognized Over a Period of Time:

Sponsorship revenue	1,730,198	2,081,029
Total Revenues Recognized Over a Period of Time	<u>1,730,198</u>	<u>2,081,029</u>
Total Revenues	<u>\$ 3,210,805</u>	<u>\$ 7,548,363</u>

The timing of the Company's revenue recognition may differ from the timing of payment by its customers. A receivable is recorded when revenue is recognized prior to payment and the Company has an unconditional right to payment. Alternatively, when payment precedes the provision of the related services, the Company records deferred revenue until the performance obligations are satisfied.

As of December 31, 2020, all continuing operations' performance obligations in connection with contract liabilities included within deferred revenue on the prior year consolidated balance sheet have been satisfied. The Company expects to satisfy the remaining performance obligations related to its December 31, 2020 deferred revenue balance within the next twelve months. During the years ended December 31, 2020 and 2019, there was no revenue recognized from performance obligations satisfied (or partially satisfied) in previous periods.

Stock-Based Compensation

The Company measures the cost of services received in exchange for an award of equity instruments based on the fair value of the award on the date of grant. The fair value amount is then recognized over the period during which services are required to be provided in exchange for the award, usually the vesting period. The estimation of stock-based awards that will ultimately vest requires judgment, and to the extent actual results or updated estimates differ from original estimates, such amounts are recorded as a cumulative adjustment in the period that the estimates are revised. The Company accounts for forfeitures as they occur.

F-15

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

Advertising Costs

Advertising costs from continuing operations are charged to operations in the year incurred and totaled \$97,840 and \$470,746 for the years ended December 31, 2020 and 2019, respectively.

Concentration Risks

Financial instruments that potentially subject the Company to concentration of credit risk consist of cash accounts in a financial institution which, at times, may exceed Federal Deposit Insurance Corporation ("FDIC") insured limits. The Company has not experienced any losses in such accounts, periodically evaluates the creditworthiness of the financial institutions and has determined the credit exposure to be negligible.

During the years ended December 31, 2020 and 2019, 10% and 11%, respectively, of the Company's revenues from continuing operations were from customers in foreign countries.

During the year ended December 31, 2020, the Company's two largest customers accounted for 41% and 13% of the Company's consolidated revenues from continuing operations. During the year ended December 31, 2019, the Company's largest customer accounted for 14% of the Company's consolidated revenues from continuing operations.

As of December 31, 2020, a single customer represented 74% of the Company's accounts receivable from continuing operations.

Foreign Currency Translation

The Company's reporting currency is the United States Dollar. The functional currencies of the Company's operating subsidiaries are their local currencies (United States Dollar and Euro). Euro-denominated assets and liabilities are translated into the United States Dollar using the exchange rate at the balance sheet date (1.2264 and 1.1215 at December 31, 2020 and 2019, respectively), and revenue and expense accounts are translated using the weighted average exchange rate in effect for the period (1.1414 and 1.1194 for the years ended December 31, 2020 and 2019, respectively). Resulting translation adjustments are made directly to accumulated other comprehensive (loss) income. Losses of \$0 and \$14,941 arising from exchange rate fluctuations on transactions denominated in a currency other than the reporting currency for the years ended December 31, 2020 and 2019, respectively, are recognized in operating results in the consolidated statements of operations. The Company engages in foreign currency denominated transactions with customers and suppliers, as well as between subsidiaries with different functional currencies.

Subsequent Events

The Company evaluates events that have occurred after the balance sheet date but before the financial statements are issued. Based upon the evaluation, the Company did not identify any recognized or non-recognized subsequent events that would have required adjustment or disclosure in the consolidated financial statements, except as disclosed.

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The CARES Act, amongst other things, includes provisions relating to refundable payroll tax credits, deferment of employer social security payments, net operating loss carryback periods, alternative minimum tax credit refunds, modifications to the net interest deduction limitations and technical corrections to tax depreciation methods for qualified improvement property. Pursuant to Accounting Standards Codification Topic ("ASC 740"), the Company recognizes the tax effects of new tax legislation upon enactment. Accordingly, the CARES Act was effective beginning in the quarter ended March 31, 2020. The Company does not believe that the new tax provisions outlined in the CARES Act will have a material impact on the Company's consolidated financial statements.

Discontinued Operations

The assets and liabilities of WPT are classified as "held for sale" as of December 31, 2021 and are reflected in the accompanying Consolidated Balance Sheets as "Current assets of discontinued operations," "Assets of discontinued operations – non-current," "Current liabilities of discontinued operations" and "Liabilities of discontinued operations – non-current." The results of operations of WPT are included in "Income (loss) from discontinued operations, net of tax provision" in the accompanying Consolidated Statements of Operations and Comprehensive Loss. For comparative purposes, all prior periods presented have been reclassified to reflect the classifications on a consistent basis.

Reclassifications

Certain prior year balances have been reclassified in order to conform to current year presentation. These reclassifications have no effect on previously reported results of operations or loss per share.

Recently Issued Accounting Pronouncements

In February 2016, the FASB issued Accounting Standards Update (“ASU”) 2016-02, “Leases (Topic 842).” ASU 2016-02 requires that a lessee recognize the assets and liabilities that arise from operating leases. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. In transition, lessees and lessors are required to recognize and measure leases at the beginning of the earliest period presented using a modified retrospective approach. This amendment will be effective for private companies and emerging growth companies for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022. The FASB issued ASU No. 2018-10 “Codification Improvements to Topic 842, Leases” and ASU No. 2018-11 “Leases (Topic 842) Targeted Improvements” in July 2018, and ASU No. 2018-20 “Leases (Topic 842) - Narrow Scope Improvements for Lessors” in December 2018. ASU 2018-10 and ASU 2018-20 provide certain amendments that affect narrow aspects of the guidance issued in ASU 2016-02. ASU 2018-11 allows all entities adopting ASU 2016-02 to choose an additional (and optional) transition method of adoption, under which an entity initially applies the new leases standard at the adoption date and recognizes a cumulative-effect adjustment to the opening balance of retained earnings in the period of adoption. The Company is currently evaluating the impact that this guidance will have on its consolidated financial statements.

In June 2016, the FASB issued ASU No. 2016-13 “Financial Instruments - Credit Losses (Topic 326)” and also issued subsequent amendments to the initial guidance under ASU 2018-19, ASU 2019-04 and ASU 2019-05 (collectively Topic 326). Topic 326 requires the measurement and recognition of expected credit losses for financial assets held at amortized cost. This replaces the existing incurred loss model with an expected loss model and requires the use of forward-looking information to calculate credit loss estimates. The Company will be required to adopt the provisions of this ASU on January 1, 2023, with early adoption permitted for certain amendments. Topic 326 must be adopted by applying a cumulative effect adjustment to retained earnings. The adoption of Topic 326 is not expected to have a material impact on the Company’s consolidated financial statements or disclosures.

In March 2019, the FASB issued ASU 2019-02, which aligns the accounting for production costs of episodic television series with the accounting for production costs of films. In addition, ASU 2019-02 modifies certain aspects of the capitalization, impairment, presentation and disclosure requirements in Accounting Standards Codification (“ASC”) 926-20 and the impairment, presentation and disclosure requirements in ASC 920-350. This ASU must be adopted on a prospective basis and is effective for annual periods beginning after December 15, 2020, including interim periods within those years, with early adoption permitted. The Company is currently evaluating the impact that this pronouncement will have on its consolidated financial statements.

In February 2020, the FASB issued ASU No. 2020-02, Financial Instruments - Credit Losses (Topic 326) and Leases (Topic 842) – Amendments to SEC Paragraphs Pursuant to SEC Staff Accounting Bulletin No. 119 and Update to SEC Section on Effective Date (“ASU 2020-02”) which provides clarifying guidance and minor updates to ASU No. 2016-13 – Financial Instruments – Credit Loss (Topic 326) (“ASU 2016-13”) and related to ASU No. 2016-02 - Leases (Topic 842). ASU 2020-02 amends the effective date of ASU 2016-13, such that ASU 2016-13 and its amendments will be effective for the Company for interim and annual periods in fiscal years beginning after December 15, 2022. The adoption of ASU 2016-13 is not expected to have a material impact on the Company’s consolidated financial statements or disclosures.

Notes to Consolidated Financial Statements

In August 2020, the FASB issued ASU 2020-06, Debt—Debt with Conversion and Other Options (Subtopic 470-20) and Derivatives and Hedging— Contracts in Entity’s Own Equity (Subtopic 815-40): Accounting for Convertible Instruments and Contracts in an Entity’s Own Equity, to clarify the accounting for certain financial instruments with characteristics of liabilities and equity. The amendments in this update reduce the number of accounting models for convertible debt instruments and convertible preferred stock by removing the cash conversion model and the beneficial conversion feature model. Limiting the accounting models will result in fewer embedded conversion features being separately recognized from the host contract. Convertible instruments that continue to be subject to separation models are (1) those with embedded conversion features that are not clearly and closely related to the host contract, that meet the definition of a derivative, and that do not qualify for a scope exception from derivative accounting and (2) convertible debt instruments issued with substantial premiums for which the premiums are recorded as paid-in-capital. In addition, this ASU improves disclosure requirements for convertible instruments and earnings-per-share guidance. The ASU also revises the derivative scope exception guidance to reduce form-over-substance-based accounting conclusions driven by remote contingent events. The amendments in this update are effective for the Company in fiscal years beginning after December 15, 2023, and interim periods within those fiscal years. Early adoption will be permitted, but no earlier than for fiscal years beginning after December 15, 2020. The Company is currently evaluating the impact that this guidance will have on its consolidated financial statements.

Recently Adopted Accounting Pronouncements

In January 2017, the FASB issued ASU No. 2017-04, Intangibles – Goodwill and Other (Topic 350): Simplifying the Test for Goodwill Impairment. The new guidance simplifies the accounting for goodwill impairment by eliminating Step 2 of the goodwill impairment test. Under current guidance, Step 2 of the goodwill impairment test requires entities to calculate the implied fair value of goodwill in the same manner as the amount of goodwill recognized in a business combination by assigning the fair value of a reporting unit to all of the assets and liabilities of the reporting unit. The carrying value in excess of the implied fair value is recognized as goodwill impairment. Under the new standard, goodwill impairment is recognized based on Step 1 of the current guidance, which calculates the carrying value in excess of the reporting unit’s fair value. This standard was adopted on January 1, 2020 and did not have a material impact on the Company’s consolidated financial statements or disclosures.

In July 2018, the FASB issued ASU No. 2018-09, “Codification Improvements” (“ASU 2018-09”). These amendments provide clarifications and corrections to certain ASC subtopics including the following: Income Statement - Reporting Comprehensive Income – Overall (Topic 220-10), Debt - Modifications and Extinguishments (Topic 470-50), Distinguishing Liabilities from Equity – Overall (Topic 480-10), Compensation - Stock Compensation - Income Taxes (Topic 718-740), Business Combinations – Income Taxes (Topic 805-740), Derivatives and Hedging – Overall (Topic 815-10), and Fair Value Measurement – Overall (Topic 820-10). The majority of the amendments in ASU 2018-09 will be effective in annual periods beginning after December 15, 2019. This standard was adopted on January 1, 2020 and did not have a material impact on the Company’s consolidated financial statements or disclosures.

In August 2018, the FASB issued ASU No. 2018-13, “Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement” (“ASU 2018-13”). The amendments in ASU 2018-13 modify the disclosure requirements associated with fair value measurements based on the concepts in the Concepts Statement, including the consideration of costs and benefits. The amendments on changes in unrealized gains and losses, the range and weighted average of significant unobservable inputs used to develop Level 3 fair value measurements, and the narrative description of measurement uncertainty should be applied prospectively for only the most recent interim or annual period presented in the initial fiscal year of adoption. All other amendments should be applied retrospectively to all periods presented upon their effective date. The amendments are effective for all entities for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted, including adoption in an interim period. This standard was adopted on January 1, 2020 and did not have a material impact on the Company’s consolidated financial statements or disclosures.

In December 2019, the FASB issued ASU 2019-12, Income Taxes – Simplifying the Accounting for Income Taxes. The new guidance simplifies the accounting for income taxes by removing several exceptions in the current standard and adding guidance to reduce complexity in certain areas, such as requiring that an entity reflect the effect of an enacted change in tax laws or rates in the annual effective tax rate computation in the interim period that includes the enactment date. The new standard is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020, with early adoption permitted. The Company early adopted this standard on October 1, 2020 and it did not have a material impact on the Company’s consolidated financial statements or disclosures.

Note 4 – Discontinued Operations

Transaction

During 2021, AESE entered into the Stock Purchase Agreement to sell the equity interests of its subsidiaries that own and operate its WPT business (the “Sale Transaction”), subject to shareholder and regulatory approvals, for a total purchase price of \$105 million. This base purchase price will be adjusted to reflect the amount of CSI’s cash, indebtedness (other than indebtedness related to an outstanding \$685,300 Paycheck Protection Program loan) and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. Management committed to a plan to sell the WPT business prior to December 31, 2020. Accordingly, the WPT business has been recast as discontinued operations, and the assets and liabilities of WPT are classified as held for sale. See Note 1 – Background and Basis of Presentation and Note 17 – Subsequent Events.

In reaching its decision to enter into the Stock Purchase Agreement, the Company’s Board of Directors, in consultation with management as well as its financial and legal advisors, considered a number of factors, including the risks and challenges facing the WPT business in the future as compared to the opportunities available to the WPT business in the future, and the availability of strategic alternatives. After careful consideration, the Board of Directors unanimously approved the Stock Purchase Agreement and determined that the Sale Transaction is in the best interests of the Company and its stockholders, and that the Sale Transaction and the Stock Purchase Agreement reflect the highest value for the WPT business reasonably attainable for the Company’s stockholders.

Note 10 – Convertible Debt and Convertible Debt, Related Party

Convertible Bridge Notes and Convertible Bridge Notes, Related Party

On May 15, 2019, Noble Link issued a series of secured convertible promissory notes (the “Noble Link Notes”) whereby investors provided Noble Link with \$4 million to be used for the operations of Allied Esports and WPT, of which one Noble Link Note in the amount of \$1 million was issued to the wife of a related party who formerly served as co-CEO of the Former Parent and a Director of Noble Link. Pursuant to the original terms of the Noble Link Notes, the Noble Link Notes accrued annual interest at 12%; provided that no interest would be payable in the event the Noble Link Notes were converted into AESE common stock, as described below. The Noble Link Notes were due and payable on the first to occur of (i) the one-year anniversary of the issuance date, or (ii) the date on which a demand for payment was made during the time period beginning on the Closing Date and ending on the date that was three (3) months after the Closing Date. As security for purchasing the Noble Link Notes, the investors received a security interest in Allied Esports' assets (second to any liens held by the landlord of the Las Vegas arena for property located in that arena), as well as a pledge of the equity of all of the entities comprising WPT, and a guarantee of the Former Parent and BRAC. Upon the closing of the Merger, the Noble Link Notes were convertible, at the option of the holder, into shares of AESE common stock at \$8.50 per share. On August 5, 2019, the Noble Link Notes were amended pursuant to an Amendment and Acknowledgement Agreement as described below.

Pursuant to the Merger Agreement, on the Closing Date, in addition to the \$4 million of Noble Link Notes, AESE assumed \$10,000,000 of the convertible debt obligations of the Former Parent (the “Former Parent Notes”; see Note 5 - Reverse Merger and Recapitalization), such that the aggregate indebtedness of the Company pursuant to the Noble Link Notes and the Former Parent Notes (collectively, the “Bridge Notes”) is \$14 million. The Bridge Notes bear interest at 12% per annum. Pursuant to the Amendment and Acknowledgement agreement discussed below, the Former Parent Notes are also secured by all property and assets owned by AESE and its subsidiaries. No interest is payable in connection with the Notes if the Notes are converted into shares of AESE common stock.

Pursuant to an Amendment and Acknowledgement Agreement dated August 5, 2019 (the “Amendment and Acknowledgement Agreement”), the Bridge Notes were amended such that the Bridge Notes matured on August 23, 2020 (the “Maturity Date”). The Bridge Notes were convertible into shares of AESE common stock at any time between the Closing Date and the Maturity Date at a conversion price of \$8.50 per share. Further, the minimum interest to be paid under each Note shall be the greater of (a) 18 months of accrued interest at 12% per annum; or (b) the sum of the actual interest accrued plus 6 months of additional interest at 12% per annum. In the event of default, the Bridge Notes shall become immediately due and payable upon the written notice of the holder.

Pursuant to the note purchase agreements entered into by the purchasers of the Bridge Notes (the “Noteholders” and such agreements, the “Note Purchase Agreements”), upon the consummation of the Merger, each Noteholder received a five-year warrant to purchase their proportionate share of 532,000 shares of AESE common stock at an exercise price of \$11.50 per share. In addition, pursuant to the Note Purchase Agreements, Noteholders are each entitled to their proportionate share of 3,846,153 shares of AESE common stock if such Noteholder's Note is converted into AESE common stock and, at any time within five years after the date of the closing of the Mergers, the last exchange-reported sale price of AESE common stock is at or above \$13.00 for thirty (30) consecutive calendar days (the “Contingent Consideration”). The relative fair value of the warrants and the Contingent Consideration of \$114,804 and \$152,590, respectively, was recorded as debt discount and additional paid in capital.

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

On April 29, 2020, the Company and a holder of a \$5,000,000 Bridge Note (the “Noteholder”), entered into a Secured Convertible Note Modification and Conversion Agreement (the “Amendment 1”), pursuant to which the Noteholder converted \$2,000,000 of the principal amount of its \$5,000,000 Bridge Note into 1,250,000 shares of the Company's common stock at a reduced conversion price of \$1.60 per share. On May 22, 2020, the Company and the Noteholder entered into a Secured Convertible Note Modification and Conversion Agreement No. 2 (“Amendment 2”), pursuant to which the remaining principal amount of the \$5,000,000 Bridge Note (\$3,000,000) was converted into 2,142,857 shares of the Company's common stock at a reduced conversion price of \$1.40 per share. Further, pursuant to Amendment 1 and Amendment 2, interest on the \$5,000,000 principal owed to the Noteholder prior to conversion will continue to accrue through the maturity date as if the principal amount had not been converted. Minimum accrued interest payable pursuant to Amendment 2 in the amount of \$1,421,096 (the “Accrued Interest”) is payable on or before the maturity date. No Contingent Consideration Shares were issued in connection with the conversion since the requirements for issuance were not met.

On June 8, 2020, the Company and the Noteholder entered into Secured Convertible Note Modification Agreement No. 3 (“Amendment 3” and together with Amendment 1 and Amendment 2, the “Amendments”). Pursuant to Amendment 3, the Accrued Interest was converted into principal under the Noteholder's Bridge Note (the “Amended Bridge Note”). See Note 11 - Bridge Note Payable for additional details.

The Company recorded a conversion inducement charge of \$5,247,531 as a result of the Amendments, consisting of \$4,998,845 representing the value of common stock issued upon conversion in excess of the common stock issuable under the original terms of the \$5,000,000 Bridge Note, and \$248,686, representing the excess of minimum interest payable pursuant to Amendment 3 over the interest payable pursuant to the original terms of the \$5,000,000 Bridge Note.

On June 8, 2020, the Company paid cash of \$8,670,431 in satisfaction of principal in the amount of \$7,000,000 and interest in the amount of \$1,670,431 owed in connection with other Bridge Notes. Further, on June 8, 2020, the Company and the holders (the “Extending Bridge Noteholders”) of the two remaining Bridge Notes outstanding in the aggregate principal amount of \$2,000,000 (together, the “Extended Bridge Notes”), of which principal in the amount of \$1,000,000 is owed to the spouse of the Company's Chief Executive Officer (“CEO”) and Director, entered into a Secured Convertible Note Modification (Extension) Agreement with the Company (together, the “Bridge Note Extensions”) pursuant to which, among other things, the Extending Bridge Noteholders agreed to extend the maturity date of their respective Extended Bridge Notes until February 23, 2022. Interest on the Extended Bridge Notes will continue to accrue at 12.0% per year and may be prepaid without penalty. The remaining provisions of the Extended Bridge Notes remain unchanged and in effect. The Extended Bridge Notes are secured by the WPT business. Accordingly, it will be necessary to pay-off the Extended Bridge Notes and the related interest payable upon the closing of the Sale Transaction. Hence, the Extended Bridge Notes and the related accrued interest have been classified as current liabilities as of December 31, 2020.

On August 13, 2020, the Company paid in cash an aggregate of \$425,096 related to interest payable on the Extended Bridge Notes, such that the balance of principal and interest outstanding under the Extended Bridge Notes as of December 31, 2020 is \$2,000,000 and \$85,870, respectively.

The Company also agreed to use 35% of the proceeds from future financings in excess of \$3 million (or \$5 million if approved by the Investors) to pay down the outstanding balance on the Loan. The Company reserves its rights under the Purchase Agreement to consummate, subject to certain exceptions, a debtor or equity offering of up to \$5 million in the future.

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

The Senior Notes’ principal and two years of interest are payable in equal monthly installments (the “Monthly Redemption Payment”), commencing on August 7, 2020. Each Monthly Redemption Payment may be paid at the Company’s option in cash, or in shares of common stock (the “Stock Settlement Option”) at a price equal to 87% of the lowest daily volume weighted average price in the 10 days prior to the scheduled payment date (the “Stock Settlement Price”), provided that (i) the Company gives thirty days written irrevocable notice prior to the Monthly Redemption Payment (the “Monthly Redemption Notice”), (ii) all amounts due have been paid timely, (iii) there are sufficient number of authorized shares available to be issued, (iv) the Investors do not possess any material non-public information at the time the Company issues the common stock, and (v) the Company’s shares have met certain minimum volume and closing price thresholds. The Stock Settlement Price cannot be lower than \$0.734 per share. Monthly Redemption Payments paid in cash require the payment of a 10% premium in addition to the monthly installment.

Each Investor may accelerate up to four Monthly Redemption Payments in any calendar month and may elect to have such accelerated Monthly Redemption Payments paid in shares of the Company’s common stock at the Stock Settlement Price of the contemporaneous or immediately prior Monthly Redemption Payment, instead of in cash.

The Senior Notes are convertible at each Investor’s option, in whole or in part, and from time to time, into shares of the Company’s common stock (the “Holder Conversion Option” and together, with the Stock Settlement Option, the “ECOs”) at \$3.30 per share (subject to adjustment to convert at the same price as any subsequent issuances of Company common stock at a lower issuance price, subject to certain exceptions) (the “Holder Conversion Price”); provided, however, that the parties may not affect any such conversion that would result in an Investor (together with its affiliates) owning in excess of 4.99% of the number of shares of the Company’s common stock outstanding immediately after giving effect to the conversion (the “Beneficial Ownership Limitation”). Each Investor, upon notice to the Company, may elect to increase or decrease its Beneficial Ownership Limitation, provided that the Beneficial Ownership Limitation may not exceed 9.99%. The Company determined that the ECOs contained a beneficial conversion feature (“BCF”) in the amount of \$523,636, which was credited to additional paid in capital.

Upon the issuance of the Senior Notes, the Company recorded a debt discount at issuance in the aggregate amount \$6,296,556, consisting of (i) the \$600,000 difference between the aggregate principal amount of the Senior Notes and the cash proceeds received, (ii) the relative fair value of the warrants of \$1,205,959 (which were credited to additional paid in capital), (iii) two years’ guaranteed interest of \$1,536,000 (credited to interest payable), (iv) the BCF of \$523,636 (credited to additional paid in capital), (v) non-cash interest in the amount of \$1,664,000, representing the difference between the anticipated issuance date fair value of common stock issued and the Stock Settlement Price, for Monthly Redemption Payments (credited to interest payable), and (vi) financing costs of \$766,961. The debt discount is being amortized using the effective interest method over the term of the Senior Notes. During year ended December 31, 2020, the Company recorded amortization of debt discount of \$2,854,649, related to the Senior Notes, and recorded an extinguishment loss of \$3,438,261 in connection with the extinguishment of Senior Notes resulting from accelerated Monthly Redemption Payments. During the year ended December 31, 2020, the Company issued 9,678,840 shares of its common stock, as Monthly Redemption Payments in satisfaction of aggregate amount of \$9,018,182 of principal and \$1,442,909 of interest payable owed on the Senior Notes as well as \$1,563,151 of non-cash interest accrued on the Senior Notes. Of the 9,678,840 shares issued, 7,299,215 shares were issued in connection with accelerated Monthly Redemption Payments in the aggregate amount of \$7,930,182 (representing \$6,836,364 and \$1,093,818 of principal and interest, respectively). The Company recorded additional non-cash interest expense in the amount of \$1,193,849 in connection with Monthly Redemption Payments during the year ended December 31, 2020. As of December 31, 2020, gross principal and guaranteed interest of \$581,818 and \$93,091, respectively, remained outstanding on the Senior Notes. The balance of non-cash interest accrued on the Senior Notes is \$100,848 as of December 31, 2020. On January 2, 2021, 529,383 shares were issued in full satisfaction of the remaining principal and interest outstanding on the Senior Notes.

Note 11 – Bridge Note Payable

The Bridge Note Payable of \$1,421,096 consists of the Amended Bridge Note (see Note 10 – Convertible Debt and Convertible Debt, Related Party, Convertible Bridge Notes and Convertible Bridge Notes, Related Party). The Amended Bridge Note matures on February 23, 2022, but will be paid upon the sale of WPT. Interest on the Amended Bridge Note began to accrue on August 23, 2020 at 12% per annum (increasing to 15% per annum upon an event of default as defined in the Amended Bridge Note). Principal and interest owed under the Amended Bridge Note is not convertible into shares of the Company’s common stock. The Bridge Note Payable is secured by the WPT business. Accordingly, it will be necessary to pay-off the Bridge Note Payable upon the closing of the Sale Transaction. Hence, the Bridge Note Payable and \$60,698 of related interest payable have been classified as current liabilities as of December 31, 2020. During the year ended December 31, 2020, the Company recorded interest expense of \$60,698 in connection with the Amended Bridge Note.

Note 12 – Loans Payable

During May 2020, the Company’s continuing operations received aggregate cash proceeds of \$907,129 pursuant to two loans (the “PPP Loans”) provided in connection with the Paycheck Protection Program (“PPP”) under the CARES Act. The PPP Loans bear interest at 0.98% per annum. Monthly amortized principal and interest

payments begin in July 2021 and the notes mature in April 2022. While the PPP Loans currently have two-year maturities, the amended law permits the borrower to request five-year maturities from its lenders.

Under the terms of the CARES Act, as amended by the Paycheck Protection Program Flexibility Act of 2020, the Company's subsidiaries are eligible to apply for and receive forgiveness for all or a portion of PPP Loans. Such forgiveness will be determined, subject to limitations, based on the use of PPP loan proceeds for certain permissible purposes as set forth in the PPP, including, but not limited to, payroll costs (as defined under the PPP) and mortgage interest, rent or utility costs (collectively, "Qualifying Expenses"), and on the maintenance of employee and compensation levels during the twenty-four week period following the funding of the PPP Loan. The Company intends to use the proceeds of the PPP Loans solely for Qualifying Expenses. However, no assurance is provided that the Company will be able to obtain forgiveness of the PPP Loans, in whole or in part.

The Company recorded interest expense of \$6,333 related to the PPP Loans during the year ended December 31, 2020.

As of December 31, 2020, the Company had approximately \$55,040,000, \$14,204,525 and \$4,234,582 of federal, state and foreign net operating loss (“NOL”) carryforwards available to offset against future taxable income. The federal NOL may be carried forward indefinitely. For state, these NOLs will begin to expire in 2038. For the foreign NOLs, these NOLs can be carried forward indefinitely. The federal and state NOL carryovers are subject to annual limitations under Section 382 of the U.S. Internal Revenue Code when there is a greater than 50% ownership change, as determined under the regulations. The Company is not aware of any annual limitations have been triggered. The Company remains subject to the possibility that a future greater than 50% ownership change could trigger annual limitations on the usage of NOLs.

The Company assesses the likelihood that deferred tax assets will be realized. ASC 740, “Income Taxes” requires that a valuation allowance be established when it is “more likely than not” that all, or a portion of, deferred tax assets will not be realized. A review of all available positive and negative evidence needs to be considered, including the scheduled reversal of deferred tax liabilities, projected future taxable income, and tax planning strategies. After consideration of all the information available, management believes that uncertainty exists with respect to future realization of its deferred tax assets and has, therefore, established a full valuation allowance as of December 31, 2020 and 2019.

F-27

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

The Company’s tax returns remain subject to examination by various taxing authorities beginning with the tax year ended December 31, 2016. No tax audits were commenced or were in process during the years ended December 31, 2020 and 2019.

The Company reviews its filing positions for all open tax years in all U.S. federal and state jurisdictions where the Company is required to file. The Company recognizes liabilities for uncertain tax positions based on a two-step process. To the extent a tax position does not meet a more-likely-than-not level of certainty, no benefit is recognized in the financial statements. If a position meets the more-likely-than-not level of certainty, it is recognized in the consolidated financial statements at the largest amount that has a greater than 50% likelihood of being realized upon ultimate settlement. The Company has not recognized any liability related to uncertain tax provisions as of December 31, 2020 and December 31, 2019.

The Company’s practice is to recognize interest and/or penalties related to income tax matters in income tax expense. The Company had no accrual for interest or penalties at December 31, 2020 and December 31, 2019, respectively, and has not recognized interest and/or penalties during the years then ended as there are no material unrecognized tax benefits. Management does not anticipate any material changes to the amount of unrecognized tax benefits within in the next 12 months.

The Company intends to indefinitely reinvest its unremitted earnings in its foreign subsidiaries, and accordingly has not provided deferred tax liabilities on those earnings. The Company has not determined at this time an estimate of total amount of unremitted earnings, as it is not practical at this time.

Note 14 – Commitments and Contingencies

Litigations, Claims, and Assessments

The Company is involved in various disputes, claims, liens and litigation matters arising out of the normal course of business. While the outcome of these disputes, claims, liens and litigation matters cannot be predicted with certainty, after consulting with legal counsel, management does not believe that the outcome of these matters will have a material adverse effect on the Company’s consolidated financial position, results of operations or cash flows.

On March 23, 2020, an employee of Allied Esports filed a claim in Los Angeles Superior Court alleging various employment misconduct against Allied Esports, the Company and an officer of the Company in connection with a competition hosted by Allied Esports. The claim alleged damages in excess of \$3.1 million. The parties agreed to a mediation and all claims asserted against the Company by the employee for were settled on September 10, 2020 for an amount significantly less than the original claim. The matter is now closed.

Pursuant to the Amended Las Vegas Lease, if the aggregate Percentage Rent during the Rent Relief Period is less than \$194,000, Allied Esports must pay the shortfall no later than December 31, 2021. Rent expense incurred during the rent relief period under the Amended Las Vegas Lease was \$200,570.

Amendment to Company Charter

On July 27, 2020, the Company filed an Amendment to its Second Amended and Restated Certificate of Incorporation with the Secretary of State of the State of Delaware to increase the number of shares of common stock currently authorized by the Certificate by 10,000,000 shares, from 65,000,000 shares to 75,000,000 shares.

On November 4, 2020, the Company filed with the Delaware Secretary of State an amendment to its Second Amended and Restated Certificate of Incorporation to increase the total number of authorized shares of its common stock from 75,000,000 shares to 100,000,000 shares.

Put Option Agreement and Exercise

On February 25, 2020 (the “Effective Date”), the Company entered into a Put Option Agreement (the “Agreement”) with the Chairman of the Company’s Board of Director (the “Chairman”), pursuant to which the Company has an option in its discretion, to sell shares of its common stock (the “Option Shares”) to the Chairman for aggregate gross proceeds of up to \$2.0 million, at a purchase price of \$1.963 per Option Share, subject to the following limitations:

- a) The total number of shares that may be issued under the Agreement will be limited to 19.99% of the Company’s outstanding shares on the date the Agreement is signed (the “Exchange Cap”), unless stockholder approval is obtained to issue shares in excess of the Exchange Cap;
- b) The Company may not issue, and the Chairman may not purchase Option Shares to the extent that such issuance would result in the Chairman and his affiliates beneficially owning more than 19.99% of the then issued and outstanding shares of the Company’s common stock unless (i) such ownership would not be the largest ownership position in the Company, or (ii) stockholder approval is obtained for ownership in excess of 19.99%;

F-31

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

- c) The Company may not issue, and the Chairman may not purchase any Option Shares if such issuance and purchase would be considered equity compensation under the rules of The Nasdaq Stock Market unless stockholder approval is obtained for such issuance; and

d) Option Shares are subject to a six-month lock-up period whereby they cannot be sold or transferred.

On March 9, 2020, the Company provided notice to the Chairman that it had elected to exercise the Put Option to sell 1,018,848 Option Shares at a purchase price of \$1.963 per share for total proceeds of \$2,000,000. The Option Shares were issued on May 15, 2020. On September 29, 2020, the Company received proceeds of \$21,875 from the Chairman, representing the disgorgement of short swing profits realized from the sale of shares.

Equity Purchase Option

Prior to the Closing Date, BRAC sold an option to purchase up to 600,000 units, exercisable at \$11.50 per Unit, in connection with BRAC's initial public offering (the "Equity Purchase Option"). Each Unit consisted of one and one-tenth shares of common stock and a warrant to purchase one share of common stock at \$11.50 per share. Effective upon the closing of the Merger, the units converted by their terms into the shares and warrants, and the option now represents the ability to buy such securities directly (and not units). The Equity Purchase Option may be exercised on either a cash or a cashless basis, at the holder's option, and expires on October 4, 2022. These previously issued BRAC Shares and Warrant Purchase Options are deemed to be issued in connection with the Merger, as a result of the reverse recapitalization.

A summary of the Equity Purchase Option activity during the year ended December 31, 2020 is presented below:

F-33

Allied Esports Entertainment, Inc. and Subsidiaries
Notes to Consolidated Financial Statements

On August 7, 2020, the Company's Board approved, in connection with its general counsel's transition to a part-time employee, the Company's waiver of any forfeiture of non-vested options in connection with such transition and termination of employment scheduled for February 2021, such that the options for the purchase of 170,000 shares of common stock (grant date value of \$266,733) held by the Company's general counsel will continue to vest according to their original vesting schedules and will expire ninety days after November 21, 2023. The incremental value of the modified option award of \$64,093, along with the unamortized portion of the original award, will be amortized through the termination date in February 2021.

The option grants described below were issued from the Company's 2019 Stock Incentive Plan ("Incentive Plan").

On September 20, 2019, the Company issued ten-year options for the purchase of 400,000 shares of AESE common stock, pursuant to the Incentive Plan. The options had an exercise price of \$5.66 per share and a 4-year vesting term, with 25% vesting on each anniversary of the date of grant. The options had an aggregate grant date fair value of \$867,120.

On November 21, 2019, the Company issued ten-year options for the purchase of 2,080,000 shares of AESE common stock, pursuant to the Incentive Plan. The options had an exercise price of \$4.09 per share and a 4-year vesting term, with 25% vesting on each anniversary of the date of grant. The options had an aggregate grant date fair value of \$3,263,551.

On July 1, 2020, the Company issued ten-year options for the purchase of 80,000 shares of common stock, with a grant date value of \$61,186, to two directors of the Company. The options are exercisable at \$2.11 per share and have a 4-year vesting term, with 25% vesting on each anniversary of the date of grant.

On August 6, 2020, the Company issued ten-year options for the purchase of 120,000 shares of common stock, with an aggregate grant date value of \$97,947 to WPT's general counsel. The options are exercisable at \$2.17 per share and have a 4-year vesting term with 25% vesting on each anniversary of the date of grant.

The grant date value of options granted during the year ended December 31, 2020 were calculated using the Black-Scholes option pricing model, with the following assumptions used:

	For the Years Ended December 31,	
	2020	2019
Risk free interest rate	0.55 - 0.69%	1.74 - 1.77%
Expected term (years)	6.25	6.25
Expected volatility	38%	36%
Expected dividends	0.00%	0.00%

The weighted average grant date fair value of the stock options granted during the years ended December 31, 2020 and 2019 was approximately \$0.80 and \$1.67 per share, respectively.

The expected term used for options is the estimated period of time that options granted are expected to be outstanding. The Company utilizes the "simplified" method to develop an estimate of the expected term of "plain vanilla" option grants. The Company is utilizing an expected volatility figure based on a review of the historical volatilities, over a period of time, equivalent to the expected life of the instrument being valued, of similarly positioned public companies within its industry. The risk-free interest rate was determined from the implied yields from U.S. Treasury zero-coupon bonds with a remaining term consistent with the expected term of the instrument being valued.

For the years ended December 31, 2020 and 2019, the Company recorded \$1,158,173 and \$149,893, respectively, of stock-based compensation expense related to stock options issued as compensation, of which \$214,239 and \$22,339, respectively, was included in net income (loss) of discontinued operations on the accompanying consolidated statements of operations. As of December 31, 2020, there was \$1,884,569 of unrecognized stock-based compensation expense related to the stock options that will be recognized over the weighted average remaining vesting period of 2.9 years.

On January 4, 2021, the Company issued to its non-executive directors an aggregate of 126,584 shares of common stock from its Incentive Plan. The shares were

issued for their director services to the Company.

Restricted Stock

On January 19, 2021, the Company entered into a Restricted Stock Unit Agreement with its Chief Executive Officer (“CEO”). Pursuant to this agreement, the CEO received restricted stock units having a stated value equal to \$1,000,000, which restricted stock units represent the right to receive \$1,000,000 payable upon the earlier of the two-year anniversary of the closing date of the Sale Transaction (provided that the CEO remains continuously employed by the Company through such date), or the termination of the CEO’s employment without cause (as defined in his employment agreement) (as applicable, the “Vesting Date”). At the time of payment, the Company may elect pay the \$1,000,000 award in cash or in shares of common stock valued at the fair market value of our common stock on the Vesting Date, or any combination thereof. All issuances of common stock will be issued from our 2019 Equity Incentive Plan. If payments or benefits provided or to be provided by the Company or its affiliates to the CEO pursuant to the agreement or otherwise (“Covered Payments”) constitute “parachute payments” within the meaning of Section 280G of the Internal Revenue Code of 1986 (the “Code”) that would be subject to the excise tax imposed under Section 4999 of the Code (collectively, the “Excise Tax”), payments to be made under the agreement will be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax. On March 22, 2021, the agreement was amended to provide that the Vesting Date would apply after the two-year anniversary of the sale of CSI to Element Partners, LLC, Bally’s Corporation, or their affiliates (provided that the CEO remains continuously employed by the Company through such date).

Sale of WPT

During 2021, the Company entered into the Stock Purchase Agreement (or “SPA”) whereby CSI (a wholly-owned subsidiary of the Company and the entity that directly or indirectly owns the legal entities comprising the WPT business) would be sold to Element Partners, LLC (the “Buyer”), a Delaware limited liability company formed for the purposes of acquiring the WPT business in the Sale Transaction. The Buyer is owned by an investment fund. See Note 1 – Background and Basis of Presentation and Note 4 – Discontinued Operations.

F-36

Allied Esports Entertainment, Inc. and Subsidiaries Notes to Consolidated Financial Statements

Pursuant to the SPA, the Buyer intends to purchase 100% of the outstanding capital stock of CSI for a base purchase price of \$105 million. This base purchase price will be adjusted to reflect the amount of CSI’s cash, indebtedness (other than indebtedness related to an outstanding \$685,300 Paycheck Protection Program loan) and accrued and unpaid transaction expenses as of the closing of the Sale Transaction. The Buyer remitted a \$10.0 million advance payment of the base purchase price to the Seller upon the execution of the SPA and is required to pay the balance of the base purchase price at the closing of the Sale Transaction.

The SPA contains customary representations and warranties, covenants and indemnification provisions. The closing of the Sale Transaction is subject to closing conditions, including the approval of the Sale Transaction by the Company’s stockholders and other customary closing conditions. The Company intends to consummate the Sale Transaction shortly after obtaining stockholder approval, assuming all other conditions to the completion of the Sale Transaction have been satisfied or waived by the appropriate parties.

The SPA may be terminated by Buyer or the Company if the closing of the Sale Transaction has not occurred by September 30, 2021, or upon the occurrence of certain customary events as set forth in the SPA. Depending on the circumstances surrounding a termination of the SPA, the Buyer may be required to pay a \$10.0 million non-performance fee to the Company, and the Company may be required to pay a \$3.45 million termination fee to the Buyer, and the Company may be required to return to Buyer the \$10.0 million advance payment of the purchase price and reimburse Buyer for up to \$1.0 million of its documented out of pocket expenses incurred in connection with the authorization, preparation, negotiation, execution and performance of the SPA and the Sale Transaction.

Effective upon any termination of the SPA, other than a termination in which Buyer is required to pay a non-performance fee to the Company, Buyer (or its affiliate) and Peerless Media Limited, an indirect subsidiary of the Company that owns intellectual property related to the WPT Business, will enter into a 3-year brand license for Buyer’s (or its affiliate’s) use of the WPT brand in the territory of Asia for real-money gaming in exchange for revenue-based royalty payments of 20% of qualifying revenues, and minimum annual guaranteed royalty payments of \$4.0 million, \$6.0 million and \$8.0 million for the first, second and third years, respectively. Such license will be subject to further customary terms and conditions and provide Peerless Media Limited with a \$2.0 million buy-out right after the first year. In the event of any termination of the Stock Purchase Agreement under any circumstance in which the Buyer is required to pay a termination fee to us, the Company will have the option, but not the obligation, to require the Buyer to enter into such license agreement with Peerless Media Limited.

On January 26, 2021, WPT received notice from its lender that the entirety of the \$685,300 of outstanding principal of its PPP Loan, which is included in current liabilities held for sale on the accompanying balance sheets, was forgiven.

(b) The Company has made available to Buyer true, correct and complete copies of its Fundamental Documents, each in full force and effect on the date of this Agreement (collectively, the “Charter Documents”). The Board of Directors of the Company has not approved or proposed, nor has any Person proposed, any amendment to any of the Charter Documents.

Section 3.4 of the Disclosure Letter sets forth all necessary consents, waivers and approvals of parties to any such Material Contracts as are required thereunder in connection with the Transactions, or for any such Material Contract to remain in full force and effect without limitation, modification or alteration after the Closing so as to preserve all rights of, and benefits to, the Company and the Subsidiaries, as the case may be, under such Material Contracts from and after the Closing.

4.4 Reports; Regulatory Matters.

(a) Each of Parent, Seller and their respective subsidiaries (other than the Company and its Subsidiaries) has timely filed all reports, registration statements and certifications, together with any amendments required to be made with respect thereto, that they were required to file since August 9, 2019 with (i) the SEC, (ii) The Nasdaq Stock Market, and (iii) any other applicable SRO or Governmental Entity, and all other reports and statements required to be filed by them since August 9, 2019, including any report or statement required to be filed pursuant to the Laws of the United States, any state, any foreign entity, or any SRO or Governmental Entity (the "Governmental Reports"), and have paid all fees and assessments due and payable in connection therewith. No SRO or Governmental Entity has initiated since August 9, 2019 or has pending any proceeding, enforcement action or, to the Knowledge of Seller, investigation into the business, disclosures or operations of Parent, Seller or any of their respective subsidiaries. Since August 9, 2019, no SRO or Governmental Entity has resolved any proceeding, enforcement action or, to the knowledge of Parent or Seller, investigation into the business, disclosures or operations of Parent, Seller or any of their respective subsidiaries. There is no unresolved, or, to Seller's Knowledge, threatened comment or stop order by any SRO or Governmental Entity with respect to any report or statement relating to any examinations or inspections of Parent, Seller or any of their respective subsidiaries (other than the Company and its Subsidiaries). Since August 9, 2019, there have been no formal or informal inquiries by, or disagreements or disputes with, any SRO or Governmental Entity with respect to the business, operations, policies or procedures of Parent, Seller or any of their respective subsidiaries (other than normal examinations conducted by a SRO or Governmental Entity in the ordinary course of business of Parent, Seller and their respective subsidiaries). All Governmental Reports compiled in all material respects with applicable Law as in effect at the time they were filed and did not at the time there were filed contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) None of Parent, Seller or any of their respective subsidiaries is subject to any cease-and-desist or other order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since August 9, 2019 a recipient of any supervisory letter from, or since August 9, 2019 has adopted any policies, procedures or board resolutions at the request or suggestion of, any SRO or Governmental Entity that currently restricts in any material respect the conduct

of its business or to Seller's knowledge that, upon consummation of the Transactions, would restrict in any material respect the conduct of the business of Buyer or any of its subsidiaries (including the Company), or that in any material manner relates to its credit, risk management or compliance policies, its internal controls, its management or its business (each item in this sentence, a "Seller Regulatory Agreement"), nor have Parent or Seller or any of their respective subsidiaries been advised since August 9, 2019 by any SRO or Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Seller Regulatory Agreement.

4.5 Parent SEC Reports. Parent has filed on the Electronic Data Gathering, Analysis, and Retrieval database (EDGAR system) of the SEC each (a) final registration statement, prospectus, report, schedule and definitive proxy statement filed with or furnished to the SEC by Seller or any of its subsidiaries pursuant to the Securities Act or the Exchange Act since August 9, 2019 (as may be amended, the "Parent SEC Reports") and prior to the date of this Agreement and (b) communication mailed by Seller to its stockholders since August 9, 2019 and prior to the date of this Agreement. No such Parent SEC Report or communication, at the time filed, furnished or communicated (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, except that information as of a later date (but before the date of this Agreement) shall be deemed to modify information as of an earlier date. As of their respective dates, all of Parent SEC Reports complied as to form in all material respects with the published rules and regulations of the SEC with respect thereto. No executive officer of Parent has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act.

No independent public accountant of Parent has resigned (or informed Parent that it intends to resign) or been dismissed as independent public accountants of Seller as a result of or in connection with any disagreements with Parent on a matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

(b) Neither the Company nor any of its Subsidiaries has any liability or obligation of any nature whatsoever required by GAAP to be reserved for in a balance sheet (whether absolute, accrued, contingent or otherwise and whether due or to become due) or of which Seller has Knowledge, except for (i) those liabilities that are reflected or reserved against on the consolidated balance sheet of Parent included in its Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2020 (including any notes thereto), and (ii) liabilities and obligations incurred in the ordinary course of business consistent with past practice, since the date of such balance sheet.

(c) Without limiting Section 4.6(b), (A) there is no Indebtedness not set forth in the Payoff Letter(s) and the Payment Spreadsheet, and (B) the amounts reflected on the Payment Spreadsheet in respect of Transaction Expenses collectively constitute the full amount necessary to satisfy all Transaction Expenses that are unpaid as of immediately prior to the Closing.

(d) Parent has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including its consolidated Subsidiaries, is made known to the chief executive officer and the chief financial officer of Seller by others within those entities in connection with the reports it files under the Exchange Act.

A-45

(e) Since August 9, 2019, the principal executive officer and the principal financial officer of Seller have complied in all material respects with (i) the applicable provisions of the Sarbanes-Oxley Act and under the Exchange Act and (ii) the applicable listing and corporate governance rules and regulations of The Nasdaq Stock Market. The principal executive officer and the principal financial officer of Parent have made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to each Parent SEC Document filed by Parent. For purposes of the preceding sentence, "principal executive officer" and "principal financial officer" shall have the meanings given to such terms in the Sarbanes-Oxley Act.

(f) As used in this Agreement, (i) "Year-End Financials" refers to the audited consolidated balance sheets of Parent and subsidiaries as of December 31, 2019 and the related audited consolidated statements of operations, cash flow and changes in shareholder's equity for the 12 months then ended, each as included in the Parent SEC Reports, (ii) "Balance Sheet Date" refers to the unaudited consolidated balance sheet of Parent and its subsidiaries as of September 30, 2020 included in the Parent SEC Reports, (iii) the "Interim Financials" refers to the unaudited consolidated balance sheet of Parent and its subsidiaries as of September 30, 2020 and the related unaudited consolidated statements of operations, cash flow and changes in shareholder's equity for the nine months then ended, each as included in the Parent SEC Reports, and (iv) the "Financials" refers to the Year-End Financials and the Interim Financials, collectively.

4.7 Actions: Orders. There is no Action by or before any Governmental Entity pending or, to the Knowledge of Seller, threatened against Parent or Seller that would reasonably be expected to be, individually or in the aggregate, materially adverse to Parent's or Seller's ability to perform its obligations hereunder.

4.8 Ownership of Acquired Equity Interests. Except as set forth on Section 4.8 of the Disclosure Letter, Seller has good and valid title to the Acquired Equity Interests, free and clear of all Liens. Upon delivery of the Acquired Equity Interests at Closing pursuant to this Agreement and receipt of payment therefor by Seller, Buyer will acquire good and valid title in respect of such Acquired Equity Interests. Other than the Acquired Equity Interests, none of Parent or Seller or their respective Affiliates holds any options, warrants, calls, rights, convertible securities, commitments or agreements of any character, written or oral, obligating the Company or any of its Subsidiaries to issue, deliver, sell, repurchase or redeem, or cause to be issued, delivered, sold, repurchased or redeemed, any equity interest of the Company or any of its Subsidiaries to Parent, Seller or their respective Affiliates. Neither Parent nor Seller is a party to any voting trust, proxy, or other agreement or understanding with respect to the voting interests of the Company or any of its Subsidiary, nor any agreement relating to the registration, sale or transfer (including agreements relating to rights of first refusal, co-sale rights or "drag-along" rights) of any Company Equity Capital or equity interests of any Subsidiary.

4.9 State Takeover Laws. The board of directors of each of Parent and Seller has unanimously approved this Agreement, the Seller Stockholder Support Agreements, each ancillary document entered into in connection with any of the foregoing, and the Transactions as required to render inapplicable to this Agreement and such transactions the restrictions on "business combinations" set forth in Section 203 of the DGCL or any other "moratorium," "control share," "fair price," "takeover" or "interested stockholder" Law or any similar anti-takeover provision in the Fundamental Documents of Parent (any such laws, "Takeover Statutes").

A-46

The Proxy Statement as it relates to Parent, Seller and their respective subsidiaries and other portions within the reasonable control of Parent will comply in all material respects with the provisions of the Exchange Act and the rules and regulations thereunder.

4.12 Tax Withholding Information. Any and all information made available to Buyer by or on behalf of Seller for purposes of enabling Buyer to determine the amount to be deducted and withheld from the consideration payable to Seller pursuant to this Agreement under applicable Law is true, correct and complete in all respects.

Except for the representations and warranties contained in Article III and Article IV (including the related portions of the Disclosure Letter) and in any document or instrument delivered to Buyer in connection with this Agreement, none of Parent, Seller, the Company or any other Person has made or makes any other express or implied representation or warranty, either written or oral, on behalf of the Company, Parent or Seller. Without limiting the generality of the foregoing, none of the Company, Parent, Seller or any other Person has made or makes, and Buyer hereby expressly disclaims reliance upon, any representation or warranty with respect to any projections, estimates, or budgets of future revenues, future results of operations, future cash flows, or future financial condition (or any component of any of the foregoing) of Parent, Seller, the Company or its Subsidiaries, including any information made available in the electronic data room maintained by Parent for purposes of the Transactions, teasers, marketing materials, consulting reports or materials, confidential information memoranda, management presentations, functional “break-out” discussions, responses to questions submitted on behalf of Buyer or its Representatives, or in any other form in connection with the Transactions. ARTICLE VII ADDITIONAL AGREEMENTS

7.1 Closing Efforts. Subject to the terms and conditions provided in this Agreement, each of the Parties shall use its commercially reasonable efforts to take promptly, or cause to be taken promptly, all actions, and to do promptly, or cause to be done promptly, all things necessary, proper or advisable under applicable Laws to consummate and make effective the Transactions as promptly as practicable, including by using commercially reasonable efforts to take all action necessary to satisfy all of the conditions to the obligations of the other Party or Parties to effect the Transactions set forth in Article I, to obtain all necessary waivers, consents, approvals and other documents required to be delivered hereunder and to effect all necessary registrations and filings and to remove any injunctions or other impediments or delays, legal or otherwise, in each case in order to consummate and make effective the Transactions for the purpose of securing to the Parties the benefits contemplated by this Agreement. In addition to the foregoing, neither Buyer, on the one hand, nor the Company or Seller, on the other hand, shall take any action, or fail to take any action, that is intended to, or has (or would reasonably be expected to have) the effect of, preventing, impairing, delaying or otherwise adversely affecting the consummation of the Transactions or the ability of such Party to fully perform its obligations under this Agreement.

A-52

7.2 Regulatory and Other Matters.

(a) The Parties shall cooperate with each other and use their respective commercially reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties and Governmental Entities that are necessary or advisable to consummate the Transactions, and to comply with the terms and conditions of all such permits, consents, approvals and authorizations of all such third parties or Governmental Entities. Parent and Seller, on the one hand, and Buyer, on the other hand, shall have the right to review in advance, and, to the extent practicable, each will consult with the other on, in each case subject to applicable Law relating to the confidentiality of information, all information relating to Parent, Seller and/or their subsidiaries, or Buyer, as the case may be, that appears in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the Transactions. In exercising the foregoing right, each of the Parties shall act reasonably and as promptly as reasonably practicable. The Parties shall consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties and Governmental Entities necessary or advisable to consummate the Transactions, and each Party will keep the others apprised of the status of matters relating to completion of the Transactions. Notwithstanding the foregoing, in no event shall Buyer be obligated to pay any fee, Taxes or grant any concession in connection with delivering notices to third parties or obtaining any consents from third parties in connection with the Transactions.

(b) Without in any way limiting Section 7.2(a), as promptly as reasonably practicable after the date of this Agreement, Parent shall prepare (with Buyer's reasonable cooperation), and use its commercially reasonable efforts to file, within twenty (20) Business Days following the date of this Agreement, an amendment or supplement to the Proxy Statement to the SEC to the Proxy Statement, which amendment or supplement shall comply with the rules and regulations promulgated by the SEC. No amendment or supplement to the Proxy Statement as it relates to Buyer or the Transactions will be made by Parent without providing Buyer a reasonable opportunity to review and comment thereon, which comments Parent will consider for inclusion in good faith. In connection with the foregoing, each of Buyer and Parent shall, upon request, furnish, and cause its accountants and other agents and service providers to furnish, to the other and the other's agents, all information concerning itself and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement and the disclosure requirements thereof. Parent shall advise Buyer promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement or comments thereon and responses thereto or requests by the SEC for additional information, and shall promptly provide Buyer with copies of any written communication from the SEC or any state securities commission and a reasonable opportunity to participate in the responses thereto. Parent shall promptly provide responses, or additional information, to the SEC with respect to all comments or requests received with respect to the Proxy Statement and use its commercially reasonable efforts to promptly file any amendments or supplements to the Proxy Statement. If, at any time prior to the Closing, any information relating to Parent or Buyer, or any of their respective Affiliates, officers or directors, should be discovered by Parent or Buyer that should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement would not contain any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify the other Parties and Parent shall promptly file with the SEC an appropriate amendment or supplement describing such information shall promptly be filed with the SEC and, to the extent required under applicable Law, shall disseminate the same to stockholders of Parent; provided that the delivery of such notice and the filing of any such amendment or supplement shall not affect or be deemed to modify any representation or warranty made by any Party hereunder or otherwise affect the remedies available hereunder to any Party. Parent shall cause the Proxy Statement to be mailed to its stockholders as of the record date as promptly as reasonably practicable once the Proxy Statement is cleared by the SEC (which shall include upon the expiration of the ten (10) day period following the filing the preliminary Proxy Statement in the event the SEC does not review the Proxy Statement), and the Proxy Statement, in definitive form, is filed with the SEC.

A-53

(c) To the extent permitted by applicable Law, each of Buyer and Seller shall promptly advise the other upon receiving any communication from any Governmental Entity, the consent or approval of which is required for consummation of the Transactions, that causes such Party to believe that there is a reasonable likelihood that any required Buyer Regulatory Approval or Seller Regulatory Approval, respectively, will not be obtained or that the receipt of any such approval may be materially

delayed.

7.3 Access to Information.

(a) Upon reasonable notice and subject to applicable Law relating to the confidentiality of information, and existing confidentiality agreements to which Parent, Seller or the Company is bound, Parent and Seller shall, and shall cause each of their subsidiaries to, afford to the Representatives of Buyer, reasonable access, during normal business hours during the period prior to the Closing, to the properties, books, contracts, commitments, management employees and records of Parent, Seller and their subsidiaries, and, during such period, Parent and Seller shall, and shall cause their subsidiaries to, make available to Buyer (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal securities laws (other than reports or documents that such Party is not permitted to disclose under applicable Law) and (ii) all other information concerning its poker-related business, properties and personnel as Buyer may reasonably request. None of Parent, Seller or their subsidiaries shall be required to provide access to or to disclose information to the extent such access or disclosure would jeopardize the attorney-client privilege of such Party or its subsidiaries or contravene any applicable Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The Parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) Parent shall file with the SEC all periodic reports required to be filed by it between the date hereof and the Closing Date. Each such filing shall be prepared in accordance with the applicable forms, rules and regulations of the SEC and shall satisfy the standard set forth in Section 4.5 for Parent SEC Reports.

(c) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreement entered into between Parent and West Edge Tech Services dated September 28, 2020 (the "Confidentiality Agreement").

(d) No investigation by a Party or its Representatives shall affect the representations and warranties of the any other Party set forth in this Agreement.

7.4 Stockholder Approval.

(a) As promptly as reasonably practicable following Parent's receipt of notice from the SEC that the SEC has completed its review of the Proxy Statement (or, if the SEC does not inform Seller that it intends to review the Proxy Statement on or before the 10th calendar day following the filing of the preliminary Proxy Statement pursuant to Rule 14a-6 under the Exchange Act, as promptly as reasonably practicable following such 10th calendar day), Parent shall use its commercially reasonable efforts to solicit from its stockholders proxies or consents in favor of the Parent Stockholder Approval and take all other action necessary or advisable to secure the Parent Stockholder Approval. In furtherance of the foregoing, Parent shall, not later than five (5) Business days after the filing with the SEC of the definitive Proxy Statement, engage a nationally recognized proxy solicitation firm to assist Parent in the solicitation of proxies or consents as contemplated by this Section 7.4(a).

(b) Except as expressly permitted in Section 7.6(e) and 7.6(f), neither the board of directors of Parent nor any committee thereof shall (i) fail to include the Board Recommendation in the Proxy Statement, (ii) withhold, withdraw or modify or qualify, or propose publicly to withhold, withdraw or modify or qualify the Board Recommendation, (iii) fail to reaffirm the Board Recommendation or fail to publicly state that the Transactions are in the best interests of Parent's stockholders, within ten (10) Business Days after Buyer requests in writing that such action be taken, (iv) fail to publicly announce, within ten (10) Business Days after a tender offer or exchange offer relating to the securities of Parent shall have been commenced, an unqualified statement disclosing that the board of directors of Parent rejection of such tender offer or exchange offer, (v) take or resolve to take any other action or make any other public statement inconsistent with the Board Recommendation, or (vi) approve, determine to be advisable, or recommend, or propose publicly to approve, determine to be advisable, or recommend, any Competing Proposal (any action described the foregoing (i) through (vi) being referred to as an "Adverse Recommendation Change").

7.5 Advice of Changes. Each of Buyer, on the one hand, and Parent and Seller, on the other hand, shall promptly advise the other of any change or event (a) having or reasonably likely to have a Material Adverse Effect on it, or (b) that it believes would or would be reasonably likely to cause or constitute a breach of any of its representations, warranties or covenants contained in this Agreement that would result in the conditions to Closing set forth in Section 2.3 not being satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the Parties (or remedies with respect thereto) or the conditions to the obligations of the Parties under this Agreement.

7.6 No Solicitation.

(a) Subject to Section 7.6(d), Parent shall, and shall cause Seller and its subsidiaries and the respective Representatives of Parent, Seller and such subsidiaries to, immediately cease and cause to be terminated any existing solicitation of, or discussions or negotiations with, any Third Party relating to any Competing Proposal or any inquiry, discussion, offer or request that could reasonably be expected to lead to a Competing Proposal.

A-55

(b) Until the earlier of the Closing or termination of this Agreement, Parent shall, as promptly as reasonably practicable, and in any event within two (2) Business Days of receipt by Parent, Seller or their respective subsidiaries or any of the Representatives of Parent, Seller or such subsidiaries of any Competing Proposal, any inquiry or request for nonpublic information that would reasonably be expected to lead to a Competing Proposal, deliver to Buyer a written notice setting forth: (i) the identity of the Third Party making such Competing Proposal or inquiry or request for nonpublic information (to the extent not prohibited by any applicable confidentiality agreement existing prior to the date of this Agreement), (ii) the material terms and conditions of any such Competing Proposal, and (iii) copies of any draft agreements or other written materials setting forth the terms of such Competing Proposal, inquiry or request for nonpublic information. Parent shall (A) keep Buyer reasonably informed of any and all discussions, negotiations or developments in respect of and the status and details of any such Competing Proposal, inquiry or request and all discussions, modifications, developments or proposed modifications thereto on a prompt basis, and (B) provide Buyer with copies of all correspondence and all drafts and other versions of all letters of intent, memorandums of understanding, acquisition agreements, merger agreements, joint venture agreements, partnership agreements, commitment letters or similar or related documents or agreements, in each case, on a prompt basis (and in any event, for each of clauses (A) and (B), within two (2) Business Days).

(c) Except as otherwise provided in this Agreement (including Section 7.6(d)), until the earlier of Closing or termination of this Agreement, Parent and Seller shall not, and shall cause their respective subsidiaries and the Representatives of Parent, Seller and such subsidiaries not to, directly or indirectly, (i) initiate, solicit, induce or knowingly encourage the making of any proposal or offer with respect to a Competing Proposal or (ii) engage in negotiations or substantive discussions with, or furnish any information to, or enter into any agreement, arrangement or understanding with, any Third Party relating to a Competing Proposal or any inquiry or proposal that could reasonably be expected to lead to a Competing Proposal; provided however, that notwithstanding the foregoing, (A) Parent and Seller may inform Persons of the provisions contained in this Section 7.6, and (B) Parent shall be permitted to grant a waiver of, or terminate, any "standstill" or similar obligation of any Third Party with respect to Parent in order to allow such Third Party to confidentially submit a Competing Proposal.

(d) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to the date that the Parent Stockholder Approval is obtained, in the event that Parent, Seller or any of their subsidiaries (or their respective Representatives) receives a Competing Proposal from any Third Party, (i) Parent and Seller and their respective representatives may contact such Third Party to clarify any ambiguous terms and conditions thereof (without the board of directors of Parent being required to make the determination in clause (ii) of this Section 7.6(d)) and (ii) Parent, Seller and the respective boards of directors of Parent and Seller (and their respective Representatives) may engage in negotiations or substantive discussions with, or furnish any information and other access to, any Third Party making such Competing Proposal and its

Representatives if the board of directors of each of Parent and Seller determines in good faith (after consultation with its outside financial advisors and legal counsel) that (A) such Competing Proposal either constitutes a Superior Proposal or could reasonably be expected to lead to a Superior Proposal, and (B) failure to consider such Competing Proposal would reasonably be expected to be inconsistent with the fiduciary duties of the directors of Parent and Seller under applicable Law; provided, that (x) such Competing Proposal did not result from any breach of any of the provisions set forth in this [Section 7.6](#), (y) prior to furnishing any material non-public information concerning Parent, Seller or their respective subsidiaries, Parent and Seller receive from such Third Party a confidentiality agreement containing confidentiality terms that are not less favorable in the aggregate to Parent than those contained in the Confidentiality Agreement (it being understood and agreed that such confidentiality agreement need not restrict the making of Competing Proposals (and related communications) to Parent or the board of directors of Parent) (an “[Acceptable Confidentiality Agreement](#)”) and (z) Parent shall (subject to the terms of any confidentiality agreement existing prior to the date hereof) simultaneously furnish or make available to Buyer any material non-public information concerning Parent, Seller or their respective subsidiaries that Parent or Seller furnishes to any Third Party given such access that was not previously made available to Buyer or its Representatives.

A-56

(e) The respective boards of directors of Parent and Seller shall not (i) effect an Adverse Recommendation Change, or (ii) approve or recommend, or allow Parent or Seller to execute or enter into, any letter of intent, memorandum of understanding, acquisition agreement, merger agreement, joint venture agreement, partnership agreement, commitment letter or similar or related document or agreement with respect to any Competing Proposal (other than an [Acceptable Confidentiality Agreement](#)); provided however, that notwithstanding anything in this Agreement to the contrary, at any time prior to the receipt of the Parent Stockholder Approval, the boards of directors of Parent and Seller may (A) other than in response to a Competing Proposal, make an Adverse Recommendation Change if the board of directors of Parent determines in good faith (after consultation with its outside financial advisor and legal counsel) that failure to make an Adverse Recommendation Change would reasonably be expected to be inconsistent with its fiduciary duties under applicable Law, or (B) if Parent, Seller or any of their respective subsidiaries (or the Representatives of such Persons) has received a Competing Proposal that the boards of directors of Parent and Seller have determined in good faith (after consultation with their respective outside financial advisors and legal counsel), constitutes a Superior Proposal, authorize, adopt or approve such Superior Proposal and cause or permit Parent and/or Seller to enter into a definitive agreement with respect to such Superior Proposal concurrently with the termination of this Agreement in accordance with [Section 9.1\(f\)](#), but in each case only after providing the Notice of Adverse Recommendation or Notice of Superior Proposal, as applicable, and complying with [Section 7.6\(f\)](#).

(f) Notwithstanding anything to the contrary in this Agreement, no Adverse Recommendation Change may be made and no termination of this Agreement pursuant to [Section 9.1\(f\)](#) may be effected, in each case until 5:00 p.m. Pacific Time on the third (3rd) Business Day following Buyer’s receipt of written notice from Parent and Seller advising Buyer that Parent and Seller intend to make an Adverse Recommendation Change (a “[Notice of Adverse Recommendation](#)”) or that termination of this Agreement pursuant to [Section 9.1\(f\)](#) may occur (a “[Notice of Superior Proposal](#)”) and specifying the material terms and conditions of any such Superior Proposal. At the option of Buyer, Parent and Seller shall negotiate in good faith with Buyer during such period to amend this Agreement in such a manner that the offer that was determined to constitute a Superior Proposal no longer constitutes a Superior Proposal. In determining whether to make an Adverse Recommendation Change or in determining whether a Competing Proposal constitutes a Superior Proposal, the boards of directors of Parent and Seller shall take into account any revisions to the terms of this Agreement proposed in writing by Buyer in response to a Notice of Adverse Recommendation or a Notice of Superior Proposal. Any material amendment to such Superior Proposal shall require a new Notice of Superior Proposal and Parent and Seller shall be required to comply again with the requirements of this [Section 7.6\(f\)](#); provided, however, that the notice period for subsequent notices shall end at 5:00 p.m. Pacific Time on the third (3rd) Business Day after receipt of such subsequent notice.

A-57

(g) Nothing in this Agreement shall restrict Parent from taking or disclosing a position contemplated by Rules 14d-9 or 14e-2(a), or Item 1012(a) of Regulation M-A, each promulgated under the Exchange Act, or otherwise making disclosure if, in the good faith judgment of the board of directors of Parent, failure to make such disclosure is reasonably likely to be inconsistent with the fiduciary duties of the board of directors of Parent under applicable Law (it being agreed that a “stop, look and listen” communication by the board of directors of Parent to its stockholders pursuant to Rule 14d-9(f) under the Exchange Act or a factually accurate public statement by Parent that describes Parent’s receipt, as applicable, of a Competing Proposal and the operation of this Agreement with respect thereto shall not be deemed to be an Adverse Recommendation Change); provided that the foregoing shall in no way eliminate or modify the effect that any such disclosure or communication would otherwise have under this Agreement.

7.7 Takeover Statutes. The Parties shall use their respective commercially reasonable efforts (a) to take all action necessary so that no Takeover Statute is or becomes applicable to the Transactions, and (b) if any such Takeover Statute is or becomes applicable to the Transactions, to take all action necessary so that the Transactions may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Statute on the Transactions.

7.8 Litigation. Parent shall give Buyer the opportunity to participate in the defense or settlement of any stockholder litigation against Parent, Seller, the Company or the Subsidiaries and/or the directors or executive officers of Parent, Seller the Company or the Subsidiaries relating to the Transactions. Each of Parent, Seller and the Company agrees that it shall not, and shall not cause or permit the Subsidiaries to, settle or offer to settle any litigation commenced on or after the date hereof against Parent, Seller, the Company, the Subsidiaries and/or the directors or executive officers of Parent, Seller, the Company or the Subsidiaries by any stockholder of Parent, Seller, the Company or Subsidiaries relating to this Agreement or the Transactions or otherwise, without the prior written consent of Buyer, which consent shall not be unreasonably withheld.

7.9 Indemnification.

(a) **By Company and its Subsidiaries.** From and after the Closing, Buyer will cause the Company and its Subsidiaries to indemnify and hold harmless each present and former director or officer of the Company and such Subsidiaries (each, together with such person’s heirs, executors or administrators, a “[D&O Indemnified Person](#)” and collectively, the “[D&O Indemnified Persons](#)”) from any losses, costs or expenses relating to any Action related to such present or former director’s or officer’s service to the Company or any of such Subsidiaries in such capacity to the same extent as set forth in the Fundamental Documents of the Company or any indemnification agreements of the Company in effect on the date hereof and disclosed in [Section 7.9](#) of the Disclosure Letter. In the event of any such Action, Buyer and the D&O Indemnified Person shall cooperate with each other in the defense of any such Action.

A-58

(b) **Survival of Indemnification.** To the fullest extent permitted by the existing Charter Documents of the Company, from and after the Closing, all rights to indemnification now existing in favor of the D&O Indemnified Persons (including the right to advancement of expenses) with respect to their activities as such prior to or on the date of the Closing, as provided in each of the respective Charter Documents or indemnification agreements of the Company in effect on the date of such activities or otherwise in effect on the date hereof, shall survive the Closing and shall continue in full force and effect for a period of not less than six (6) years from the Closing Date; provided that, in the event any claim or claims are asserted or made within such survival period, all such rights to indemnification in respect of any claim or claims shall continue until final disposition of such claim or claims.

(c) **Insurance.** Upon the election of Parent, Parent may obtain a non-cancellable “tail” insurance policies (“[Tail Insurance Policies](#)”) with a claims period of at least six (6) years from and after the Closing Date from insurance carriers with the same or better claims-paying ability ratings as the Company’s current insurance carriers with respect to directors’ and officers’ liability insurance policies and fiduciary liability insurance policies (collectively, “[D&O Insurance](#)”), for the Persons who are or were prior to

the Closing, covered by the Parent's existing D&O Insurance, with terms, conditions, retentions and levels of coverage at least as favorable as the Parent's existing D&O Insurance with respect to matters existing or occurring at or prior to the Closing (including in connection with this Agreement or the Transactions). If Parent acquires the Tail Insurance Policies, all of the fees and expenses incurred in connection with obtaining the Tail Insurance Policies, shall be borne 50% by Seller, on the one hand, and 50% by Buyer, on the other hand.

(d) Successors. In the event that after the date of Closing, the Company or any of its Subsidiaries or Buyer or any of their respective successors or assigns (i) consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers all or a substantial portion of its properties and assets to any Person, then, and in either such case, proper provisions shall be made so that the successors and assigns of the Company, any of its Subsidiaries or Buyer, as the case may be, shall assume the obligations set forth in this Section 7.9.

(e) Benefit. The provisions of this Section 7.9 are intended to be for the benefit of, and shall be enforceable by, each D&O Indemnified Person, his or her heirs, executors or administrators and his or her other Representatives and cannot be amended in a manner adverse to a D&O Indemnified Person without such person's consent. The Parties agree that each D&O Indemnified Person (including his or her heirs, executors or administrators and his or her other Representatives) is intended to be, and shall be, a third party beneficiary of this Agreement for the purpose of this Section 7.9.

7.10 Tax Matters.

(a) Income Tax Returns. Seller shall prepare, or cause to be prepared, and shall file or cause to be filed, all income Tax Returns of or with respect to the Company and any of its Subsidiaries for which items of income, gain, loss and deduction flow-through to Seller for all taxable periods ending on or prior to the Closing Date, whether required to be filed prior to, on or after the Closing Date ("Income Tax Returns"). Such Income Tax Returns shall be prepared in accordance with applicable Law and consistent with past practices. Buyer shall provide Seller upon request reasonable access to the books and records of the Company and its Subsidiaries necessary to prepare and file such Income Tax Returns. Seller shall permit Buyer to review and comment on each such Income Tax Return during a reasonable period prior to filing and shall consider in good faith Buyer's reasonable comments. The Parties agree that all payments of Transaction Expenses shall be treated as deductible in Seller's Income Tax Returns to the maximum extent permitted by applicable Law.

A-59

(b) Tax Returns for Pre-Closing Tax Periods. Buyer shall prepare and file, or cause to be prepared and filed, all Tax Returns for the Company required to be filed after the Closing Date, and shall timely remit to the appropriate taxing authority, or cause the timely remittance of, all Taxes reflected on such Tax Returns, subject to Buyer's right to indemnification pursuant to Section 8.2(a).

(c) Straddle Period. For purposes of this Agreement, in the case of any Tax period that includes, but does not end on, the Closing Date (a "Straddle Period"), the amount of any Taxes based on or measured by income, sales, use, receipts, or other similar items of the Company for the Tax period or portion of a period ending on or prior to the Closing Date (each, a "Pre-Closing Tax Period") shall be determined based on an interim closing of the books as of the close of business on the Closing Date, except that exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions), other than with respect to property placed in service after the Closing, shall be allocated on a per diem basis, and the amount of any other Taxes of the Company for a Straddle Period which relate to the Pre-Closing Tax Period shall be deemed to be the amount of such Tax for the entire taxable period multiplied by a fraction the numerator of which is the number of days in the taxable period ending on the Closing Date and the denominator of which is the number of days in the Straddle Period.

(d) Transfer Taxes. All sales, use, value-added, gross receipts, excise, registration, stamp duty, transfer or other similar taxes or governmental fees imposed or levied by reason of, in connection with or attributable to the Transactions ("Transfer Taxes") shall be borne by Seller. The Party responsible for filing any Tax Return with respect to Transfer Taxes shall pay the Transfer Taxes when due and, at Seller's expense, will file all necessary Tax Returns and other documentation with respect to all such Taxes, fees and charges, if required by applicable Law. The Parties will, and will cause their respective Affiliates to, join in the execution of any such Tax Returns and other documentation, as necessary.

(e) Tax Refunds and Benefits. Any Tax refunds that are actually received by Buyer, the Company or its Subsidiaries, and any amounts credited against Taxes to which Buyer, the Company or its Subsidiaries actually become entitled, that relate to Pre-Closing Tax Periods, shall be for the account of Seller, and Buyer shall pay over to Seller any such refund or the amount of any such credit within ten (10) Business Days after receipt or entitlement thereto (in each case, net of (i) any Taxes of Buyer, the Company or its Subsidiaries attributable to such refund or credit; (ii) any reasonable out-of-pocket costs of Buyer or the Company or its Subsidiaries incurred in connection with obtaining such refund, and (iii) amounts required by Law to be withheld from such payment to Seller, if any); provided, however, that Seller will promptly repay to Buyer any amount received by Seller pursuant to this Section 7.10(e), together with any related interest and/or penalties, in the event Buyer, the Company or its Subsidiaries are subsequently required to return such Tax refund to the applicable Governmental Authority or such Tax credit is subsequently disallowed or otherwise nullified.

A-60

(f) Cooperation. Seller shall cooperate, as and to the extent reasonably requested by Buyer, in connection with (i) the filing of any Tax Returns of or with respect to the Company or its operations, and (ii) any audit, examination, voluntary disclosure or other administrative or judicial proceeding, contest, assessment, notice of deficiency, or other adjustment or proposed adjustment with respect to Taxes of the Company or its operations. Such cooperation shall include retaining and providing records and information that are reasonably relevant to the matters described in the previous sentence, and making employees available on a mutually convenient basis to provide additional information and explanation of any materials provided hereunder. Buyer shall have the right to initiate discussions with any Governmental Entity to enter into any voluntary disclosure agreement with any Governmental Entity for any Pre-Closing Taxes. In the event Buyer initiates such discussions, or any Governmental Entity initiates discussions with Buyer or the Company with respect to any payment for alleged Pre-Closing Taxes, Buyer shall control the discussions and settlement process, and shall keep Seller reasonably informed as to the status thereof. Neither Buyer nor the Company shall enter into any voluntary disclosure or settlement agreement that requires the payment of any Pre-Closing Taxes by Seller or Parent (whether directly to any Governmental Entity or as a result of any claim hereunder by Buyer), without the prior written consent of Seller, which will not be unreasonably withheld, conditioned or delayed. All out-of-pocket costs and expenses (including any costs and expenses of counsel and other professionals and reasonable out-of-pocket expenses) paid by Buyer or the Company in connection with the foregoing shall be paid by Seller.

(g) Tax Elections. Seller shall (i) file, or cause to be filed, an election pursuant to Treasury Regulation 1.1502-36(d)(6)(i)(A) with Seller's relevant Income Tax Return to reduce to the maximum extent permitted under the Unified Loss Rule of Treasury Regulation 1.1502-36 (the "ULR Rules") its Tax basis in the shares of the Company's stock so as to eliminate or minimize to the maximum extent permitted under the ULR Rules any reduction in the tax basis of the assets or other Tax attributes of the Company that would otherwise occur without such election in connection with the Transactions; (ii) not file, or cause to be filed, an election pursuant to Treasury Regulation 1.1502-36(d)(6)(i)(B) or 1.1502-36(d)(6)(i)(C) to reattribute any of the Company's Tax attributes; and (iii) not file any other election or take any other action, or fail to file any other election or take any other action, if such election or action, or the failure to make such election or take such action, could reasonably be expected to have a material adverse impact on the Company's assets, including tax basis and other Tax attributes, in the Post-Closing Tax Period.

7.11 Intentionally Omitted.

A-61

7.12 Support Agreements. Each of Parent and Seller shall use reasonable efforts to cooperate with Buyer to obtain executed copies of the Ourgame Stockholder Support Agreements and the Primo Vital Support Agreement, from each party thereto other than Buyer as promptly as possible after the date of this Agreement. As promptly as possible after the receipt by Parent or Seller from any signatory to the Ourgame Stockholder Support Agreements or from all of the signatories of the Primo Vital Support Agreement (in each case, other than Buyer and Parent) of such signatory's (or signatories', as the case may be) executed counterpart of such agreement, (a) Parent shall execute its counterpart of the Ourgame Stockholder Support Agreements or the Primo Vital Support Agreement, as the case may be and (b) Parent or Seller, as the case may be, shall deliver, or cause to be delivered, to Buyer such executed counterpart, together with Parent's executed counterpart of such agreement. Promptly after its receipt of any such executed counterpart of the Ourgame Stockholder Support Agreements, Buyer shall execute the Ourgame Stockholder Support Agreements and deliver, or cause to be delivered, its executed counterpart of such agreement to Parent (and Parent shall promptly deliver, or cause to be delivered, to the signatory thereto whose executed counterpart was previously delivered to Parent, a correct copy of Buyer's and Parent's respectively executed counterparts of such agreement). Promptly after its receipt of such executed counterparts of the Primo Vital Stockholder Support Agreement, Buyer shall execute the Primo Vital Support Agreement and deliver, or cause to be delivered, its executed counterpart of such agreement to Parent (and Parent shall promptly deliver, or cause to be delivered, to Primo Vital a correct copy of Buyer's and Parent's respectively executed counterparts of such agreement).

7.13 Non-Competition and Non-Solicitation. For a period of five (5) years after the Closing Date (the "Restricted Period"), each of Parent and Seller shall not, and shall not cause or permit any of their Affiliates (which, for the purposes of this Section 7.13, shall not include the Company and its Subsidiaries) (collectively, Parent, Seller and such Affiliates being referred to as the "Covered Persons") to, directly or indirectly, in any capacity whatsoever, alone or through or in connection with any Person:

(a) engage in, or manage, operate or control, or participate in the ownership, management, operation or control of, provide consulting services to, have any equity or other interest in, lend money to or permit the use of its name by, any other Person that is engaged in or proposes to engage in, or which at the time is engaged in or proposes to engage in, anywhere in the world, the Restricted Business.

(b) (i) divert or attempt to divert (by solicitation, diversion, contact or otherwise) from Buyer, the Company or its Affiliates (collectively, the Company and such Affiliates and any of their respective successors being referred to individually as a "Protected Person" and collectively as the "Protected Persons") any business with any customer, prospective customer or account of any of the Protected Persons related to the Restricted Business; (ii) accept the business of any customer, prospective customer or account of any of the Protected Persons, whether or not solicited by any of the Covered Persons, related to the Restricted Business; or (iii) solicit, cause or induce or attempt to solicit, any broker, salesperson, distributor, supplier, vendor, representative, agent or other Person transacting business with any of the Protected Persons to change or terminate their relationship or association with any of the Protected Persons.

(c) call upon any individual who is an employee of any of the Protected Persons and is involved in the Restricted Business for the purpose or with the intent of soliciting such employee away from or out of the employ of any of the Protected Persons, or employ or offer employment to any such employee (other than employees of the Protected Persons in connection with such employees' provision of transition services to Parent or Seller after the Closing Date pursuant to the Transition Services Agreement) as an independent contractor, employee or other service provider unless such individual will have ceased to be employed by any of the Protected Persons for a period of at least one (1) year prior thereto. Notwithstanding the foregoing, the Covered Persons shall be free to conduct general, non-directed solicitation advertisements or web postings for employment, invite individuals to connect on LinkedIn or similar websites or utilize an independent employment search firm who has been instructed not to target employees of any of the Protected Persons.

A-62

(d) The Restricted Period will automatically be extended for an additional period of time equal to any period during which any of the Covered Persons is found to be in breach of its obligations under this Section 7.13.

(e) The covenants of Parent and Seller set forth in this Agreement constitute a material inducement for Buyer to execute, deliver and consummate this Agreement and are an essential element of the Transactions and, but for such covenants, Buyer would not have executed and delivered this Agreement and would not have been willing to consummate the Transactions. Each of Parent and Seller acknowledges that the restrictions contained in this Agreement are reasonable in nature, scope, and duration for the purpose of preserving for Buyer's benefit the proprietary rights, going business value and goodwill of the business of the Company and its Subsidiaries.

7.14 Intercompany and Related Party Payments. Parent and Seller shall settle, discharge or satisfy, or cause to be settled, discharged or satisfied, in full prior to the Closing all (a) obligations or amounts due, payable or outstanding, including but not limited to intercompany payables or receivables, between the Company or any Subsidiary, on the one hand, and Seller, Parent or any of their subsidiaries or Affiliates (excluding the Company and the Subsidiaries), on the other hand, and (b) any other amounts due, payable or outstanding from the Company or any Subsidiary to any Related Party.

7.15 Payment of Bonuses and Change of Control Payments. Parent and Seller shall settle, discharge or satisfy, or cause to be settled, discharged or satisfied, in full prior to the Closing all performance awards or remuneration of any kind with respect to services provided by any past or present employee of the Company or any Subsidiary for all periods prior to Closing (excluding, for the sake of clarity, any accrued PTO for such employees), including, without limitation, the 2020 Bonus Payments and any change of control payments owed to any past or present employee of the Company or any Subsidiary including, without limitation, the Change of Control Payments.

ARTICLE VIII SURVIVAL; INDEMNIFICATION

8.1 Survival of Representations, Warranties, Covenants and Agreements. The representations and warranties of Buyer, Parent, Seller and the Company contained in this Agreement shall survive the Closing and shall terminate on the date that is eighteen (18) months after the Closing Date and shall thereafter be of no further force or effect; *provided, however*, that (a) the Fundamental Representations shall survive the Closing and shall terminate on the third (3rd) anniversary of the Closing Date, and (b) the foregoing survival periods shall not limit any indemnification claims to the extent based on fraud; and *provided, further*, that any representation or warranty that is the subject of an indemnification claim asserted in accordance with this Article VIII within the applicable survival period specified in this Section 8.1 shall survive until such claim is finally resolved in accordance with this Article VIII. The covenants and agreements of Buyer, Seller and the Company contained in this Agreement shall terminate at the Closing except that such covenants and agreements which by their terms survive the Closing shall so survive the Closing in accordance with their respective terms. For the purpose of clarification, the survival periods are intended to supersede any statute of limitations or similar time limitation that may otherwise apply to any Action based on any breach of the representations, warranties, covenants or agreements stated in this Agreement.

A-63

8.2 Indemnification Obligations

(a) Indemnification by Seller Indemnifying Party. Subject to the limitations set forth in this Article VIII and otherwise in accordance with this Article VIII, from and after the Closing, Parent and Seller (the "Seller Indemnifying Party") shall, jointly and severally, indemnify Buyer, and (after the Closing) the Company and its Subsidiaries, and the respective Representatives of Buyer and (after the Closing) the Company and any of its Subsidiaries (the "Buyer Indemnified Parties") for (1) any Losses suffered or incurred and paid by each such Buyer Indemnified Party to the extent resulting from or arising out of any breach of, or inaccuracy in, any (A) Company Fundamental Representation or Parent and Seller Fundamental Representation as of the date hereof or as of the Closing, or (B) representation or warranty made by the Company in Article III or Parent and Seller in Article IV of this Agreement (other than any Company Fundamental Representation or Parent and Seller Fundamental Representation) as of

the date hereof or as of the Closing, (2) any Losses suffered or incurred and paid by each such Buyer Indemnified Party to the extent resulting from or arising out of (i) the failure by the Company to perform or comply with any covenant or agreement of the Company contained in this Agreement to the extent required to be performed prior to the Closing Date or (ii) the failure by Parent or Seller to perform or comply with any covenant or agreement of Parent or Seller contained in this Agreement, (3) fraud of Parent, Seller, or (prior to the Closing Date) the Company, (4) with respect to any breach or alleged breach of any Company Service Provider Plan by Seller, Parent, or any Affiliate thereof (other than any such breach or alleged breach by the Company or its Subsidiaries after the Closing) and (5) except to the extent such amount is taken into account in determining the Final Total Consideration, (i) any and all Taxes imposed on the Company or any Subsidiary for any Pre-Closing Tax Period (including, for the avoidance of doubt, Taxes imposed on the Company or any Subsidiary and attributable to or resulting from any item of income in, or the exclusion of any item of deduction from, Taxable income for any Post-Closing Tax Period in connection with any deferred intercompany gain or any excess loss account described in the Treasury Regulations promulgated under Section 1502 of the Code (or any corresponding or similar provision of U.S. state (including but not limited to, any deferred intercompany stock account pursuant to Cal. (b) Indemnification by Buyer Indemnifying Party. Subject to the limitations set forth in this Article VIII and otherwise in accordance with this Article VIII, from and after the Closing, Buyer and the Company (the "Buyer Indemnifying Party," and together with the Seller Indemnifying Party, each an "Indemnifying Party") agrees, jointly and severally, to indemnify Parent, Seller and their Representatives (the "Seller Indemnified Parties," and together with Buyer Indemnified Parties, each the "Indemnified Parties") for any Losses suffered or incurred and paid by each such Seller Indemnified Party to the extent resulting from (1) any breach of, or inaccuracy in, any (i) Buyer Fundamental Representation as of the date hereof or as of the Closing, or (ii) representation or warranty made by Buyer in Article V of this Agreement (other than any Buyer Fundamental Representation) as of the date hereof or as of the Closing, (2) any failure by Buyer prior to the Closing Date to perform or comply with any covenant or agreement of Buyer contained in this Agreement, and (3) fraud of Buyer.

8.3 Indemnification Procedures.

(a) If an Indemnified Party becomes aware of a claim, whether between the Parties or a Third Party Claim, for which it is or may be entitled to indemnification for Losses under this Article VIII, in order to be entitled to indemnification under this Article VIII for such Losses, the Indemnified Party shall promptly give notice to the Indemnifying Party of such claim by providing an Officer's Certificate to the Indemnifying Party, together with all documents and materials supporting such claim as are reasonably available to the Indemnified Party; provided, that the failure by the Indemnified Party to provide such notice of any such claim shall not affect the Indemnifying Party's obligations under this Article VIII with respect to such claim except to the extent the Indemnifying Party is actually prejudiced thereby.

(b) Following notice of a claim (other than a Third Party Claim, which will be governed by Section 8.3(c)) for indemnification under this Agreement in accordance with Section 8.3(a), the Indemnifying Party shall have 30 days (such 30-day period, the "Dispute Period") to respond to such claim. The Indemnified Party shall make available to the Indemnifying Party all the material information related to such claim relied upon by, or in the possession or control of, the Indemnified Party to substantiate such claim. If the Indemnifying Party disagrees with the validity of all or a portion of such claim made by the Indemnified Party or the amount of all or a portion of such claim made by the Indemnified Party, the Indemnifying Party shall deliver to the Indemnified Party written notice thereof (the "Dispute Notice") prior to the expiration of the Dispute Period. If no Dispute Notice is given within the Dispute Period or if Parent provides notice to the Indemnified Party that it does not have a dispute with respect to such claim, such claim will be deemed approved and consented to by the Indemnifying Party (such claim being referred to herein as an "Undisputed Claim"). If a Dispute Notice is given within the Dispute Period and the Indemnified Party and the Indemnifying Party do not agree to the validity or amount of such disputed claim, no payment on the disputed portion of the claim will be made to the Indemnified Party until such dispute is resolved, whether by adjudication of such matter, agreement between the Indemnified Party and the Indemnifying Party or otherwise.

A-65

(c) If requested in writing by the Indemnified Party concurrently or within twenty (20) days after the Indemnifying Party's receipt of notice from the Indemnified Party of a Third Party Claim, the Indemnifying Party, on behalf of the Indemnified Party, shall undertake the defense of any Third Party Claim, by counsel or other Representatives qualified to undertake and assist with such defense of the Indemnifying Party's own choosing and at the Indemnifying Party's expense. If the Indemnifying Party does not timely undertake the defense of the Third Party Claim after receiving the foregoing proper notice, Indemnified Party shall, at the Indemnifying Party's expense, undertake the defense of any Third Party Claim on behalf of the Indemnifying Party. The Party not undertaking the defense of the Third Party Claim (whether Buyer and the Company, on the one hand, or Parent and Seller, on the other hand) may participate in the defense of such Third Party Claim and may retain its own counsel in each jurisdiction for which such Party reasonably determines counsel is required. The Party undertaking the defense of the Third Party Claim shall use all reasonable efforts to defend such claim and shall consult with and consider in good faith any recommendation made by the other Party or its counsel regarding the strategy for defense of such Third Party Claim; *provided, however*, that neither Party may settle, compromise, or otherwise dispose of any such Third Party Claim without the prior written consent of the other Party, such consent not to be unreasonably withheld, conditioned, or delayed.

(d) Any Undisputed Claim or any other claim pursuant to this Article VIII (including a Third Party Claim) that is finally resolved hereunder, whether by adjudication of such matter, agreement between the Indemnified Party (or the Indemnifying Party on behalf of the Indemnified Party), on the one hand, and the Indemnifying Party, on the other hand, shall be an "Approved Indemnification Claim". For the avoidance of doubt, in no event shall any Indemnifying Party have any obligation to indemnify any Indemnified Parties pursuant to this Article VIII for a claim that is not an Approved Indemnification Claim.

8.4 Indemnification Limitations.

(a) The maximum aggregate Losses indemnifiable by the Indemnifying Party hereunder shall in no event exceed the amount of Final Total Consideration (the "Indemnification Cap"); *provided, however*, that (i) the maximum aggregate Losses indemnifiable by the Seller Indemnifying Party pursuant to Section 8.2(a)(1)(B) shall be limited to \$8,000,000 (the "Non-Fundamental Claim Cap"), (ii) the maximum aggregate Losses indemnifiable by the Buyer Indemnifying Party pursuant to Section 8.2(b)(1)(ii) shall be limited to the Non-Fundamental Claim Cap and (iii) the amount of any such Losses resulting from fraud by any Indemnifying Party shall not be subject to the Indemnification Cap or the Non-Fundamental Claim Cap.

(b) Notwithstanding anything to the contrary herein, (i) no Buyer Indemnified Party shall be entitled to recover for Losses pursuant to Section 8.2(a)(1)(B) unless and until the Buyer Indemnified Parties have incurred Losses pursuant to this Article VIII in excess of \$1,000,000 in the aggregate (the "Basket Amount"), after which the Buyer Indemnified Party shall, subject to any other applicable provisions of this Article VIII, be entitled to recover all such Losses in excess of the Basket Amount and (ii) no Seller Indemnified Party shall be entitled to recover for Losses pursuant to Section 8.2(b)(1)(ii) unless and until the Seller Indemnified Parties have incurred Losses pursuant to this Article VIII in excess of the Basket Amount, after which the Seller Indemnified Party shall, subject to any other applicable provisions of this Article VIII, be entitled to

(c) Notwithstanding anything to the contrary contained herein:

(i) with respect to any Losses recoverable by any Buyer Indemnified Party hereunder in respect of an Approved Indemnification Claim, such Buyer Indemnified Party shall, subject to any other applicable provisions of this Article VIII, be entitled to recover the remaining portion of such Losses from Parent and Seller on a joint and several basis;

(ii) any Losses recoverable hereunder shall be reduced in amount by any insurance proceeds, indemnification payments, contribution payments or reimbursements actually received by any Indemnified Party in connection with such Losses and the Indemnified Parties shall use commercially reasonable efforts to realize such benefits, proceeds, payments or reimbursements;

(iii) the amount of Losses on account of any claims arising under this Article VIII shall be calculated net of any Tax benefits actually realized by the Indemnified Party in the taxable period in which such Loss is incurred;

(iv) an Indemnified Party will be deemed to realize a net Tax benefit in the taxable period in which such Loss is incurred by such Indemnified Party to the extent that the liability for Taxes of such Indemnified Party for such taxable period, calculated with such Loss excluded, exceeds the actual liability for Taxes of such Indemnified Party for such taxable period, calculated with such Loss included;

(v) if any recovery is made pursuant to Section 8.4(c)(ii) or any Tax benefit is actually realized pursuant to Section 8.4(c)(iii), in each case with respect to any Loss for which the Indemnified Party has been indemnified hereunder, then a refund equal to the amount of such recovery or actual Tax benefit shall be made promptly to the Indemnifying Party that made or directed such indemnification payments to such Indemnified Party;

(vi) the amount of any Losses subject to recovery under this Article VIII shall exclude any amounts taken into account in the calculation of the Final Total Consideration, including any Positive Adjustment Amount payable hereunder;

(vii) for the purposes of this Article VIII, any breach, violation, inaccuracy or omission of any representation, warranty, covenant or agreement, shall be determined without regard to any (A) qualifications to the representations, warranties, covenants and agreements with respect to materiality, including for "material," "in all material respects," and "Material Adverse Effect," or similar qualifications, and (B) update of or modification to the Disclosure Letter made or purported to have been made on or after the date of this Agreement; and

(viii) for the purposes of calculating the amount of any Losses resulting from, arising out of, relating to, imposed upon or incurred by any Indemnified Party by reason of any breach, violation, inaccuracy or omission of any representation, warranty, covenant or agreement, any (A) qualifications to the representations, warranties, covenants and agreements with respect to materiality, including for "material," "in all material respects," and "Material Adverse Effect," or similar qualifications, and (B) update of or modification to the Disclosure Letter made or purported to have been made on or after the date of this Agreement shall be disregarded.

(d) For the avoidance of doubt, no Indemnified Party shall be entitled to be indemnified under this Article VIII more than once for the same Losses.

8.5 Purchase Price Adjustment. Any payment pursuant to this Article VIII shall be treated as an adjustment to the Total Consideration for all Tax purposes to the fullest extent permitted by Law.

8.6 Effect of Investigation. The representations, warranties, covenants and agreements of the Indemnifying Party, and the Indemnified Party's right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its Representatives) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Indemnified Party's waiver of any condition set forth in Section 2.3.

8.7 Mitigation of Losses. Upon becoming aware of any event or circumstance that would be reasonably expected to, or does, give rise to a Loss for which it seeks or intends to seek indemnification hereunder, each Indemnified Party shall, and shall cause its Affiliates to, take such actions to mitigate such Loss as may be required under applicable Law.

8.8 Exclusive Remedies. Except as otherwise provided in Article IX in the event of the termination of this Agreement prior to the Closing, each of Parent, Seller, the Company, and Buyer acknowledges and agrees that its and their sole and exclusive remedy (and the sole and exclusive remedy of any other Seller Indemnified Party or Buyer Indemnified Party, as the case may be) with respect to any and all claims for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement (including, for the avoidance of doubt, for fraud), shall be pursuant to the indemnification provisions set forth in this Article VIII. In furtherance of the foregoing, each of Parent and Seller, on behalf of themselves and any other Seller Indemnified Party, Buyer, on behalf of any other Buyer Indemnified Party, and the Company, hereby waives, to the fullest extent permitted under Law, any and all rights, claims and causes of action for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement (including, for the avoidance of doubt, for fraud) it may have against Buyer and its Affiliates, or against Parent or Seller and their Affiliates (other than, after the Closing, the Company), as the case may be, and each of their respective Representatives arising under or based upon any Law, except pursuant to the indemnification provisions set forth in this Article VIII. Nothing in this Section 8.8 shall limit any Person's right to seek and obtain any equitable relief to which such Person shall be entitled pursuant to Section 10.6. Each of Parent, Seller, the Company and Buyer expressly acknowledges and agrees that, with respect to the release of claims as set forth above, it expressly waives all rights under Section 1542 of the California Civil Code. That section provides: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

ARTICLE IX

(d) by either Parent and Seller, on the one hand, or Buyer, on the other hand (provided that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Company, Parent or Seller, in the case of a termination by Buyer, or Buyer, in the case of a termination by Parent and Seller, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 2.3(b) or 2.3(c), as the case may be, and which is not cured within 30 days following written notice to the Party committing such breach or by its nature or timing cannot be cured within such time period;

(e) by Buyer, (i) at any time after the board of directors of Parent and Seller shall have effected an Adverse Recommendation Change prior to receipt of the Parent Stockholder Approval, or (ii) in the event Parent and/or Seller shall have materially breached any of their obligations under Section 7.6;

(f) by Parent and Seller, in the event that: (i) Parent or Seller shall have received a Superior Proposal, (ii) subject to the obligations of Parent and Seller under Section 7.6(f), the respective boards of directors of Parent and Seller or any authorized committees thereof shall have authorized Parent and Seller to enter into a definitive agreement to consummate the transaction contemplated by such Superior Proposal, and (iii) concurrently with the termination of this Agreement, Parent and Seller pays, on a joint and several basis, to Buyer the Initial Termination Fee contemplated by Section 9.4 and Parent and Seller enter into the definitive agreement to consummate the transaction contemplated by such Superior Proposal; or

A-69

The Party or Parties desiring to terminate this Agreement pursuant to any of clauses (b) through (g) of this Section 9.1 shall give written notice of such termination to the other Party or Parties in accordance with Section 10.2, specifying the provision or provisions hereof pursuant to which such termination is effected.

9.2 Effect of Termination. In the event of termination of this Agreement as provided in Section 9.1, this Agreement shall become void and have no effect, and none of Parent, Seller, Buyer, any of their respective subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the Transactions, provided, that (a) Sections 7.3(c), 9.2, 9.3, 9.4, 9.5 and Article X shall survive any termination of this Agreement and such termination shall not affect any Party’s rights or obligations under any of such sections of this Agreement, and (b) except as provided in Section 10.6(b), neither Parent nor Seller shall be relieved or released from any liabilities or damages arising out of its knowing and intentional breach of any provision of this Agreement (which, for this purpose, shall mean an act or failure to act undertaken by the breaching Party who had actual knowledge, or should have had knowledge, and intention that such Party’s act or failure to act would, or would reasonably be expected to, result in or constitute a breach of this Agreement).

9.3 Fees and Expenses.

(a) Except as otherwise set forth in this Section 9.3, all fees and expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such fees or expenses.

(b) In the event that (i) this Agreement is terminated pursuant to Section 9.1(c), (ii) Parent and Seller shall have failed to obtain or receive, before the time of termination, each of the following duly executed by each party thereto other than Buyer: the Ourgame Stockholder Support Agreements, the Seller Stockholder Support Agreements, and the Primo Vital Support Agreement, (iii) Parent shall have failed to obtain the Parent Stockholder Approval and (iv) Buyer is not in material breach of its representations, warranties, covenants or agreements hereunder at the time of such termination, then Parent and Seller will, on a joint and several basis, (x) pay to Buyer, as its sole recourse (but subject to its right to receive a Tail Termination Fee in accordance with Section 9.4(b)) in connection with the termination of this Agreement in accordance with Section 9.1(c), no later than two (2) Business Days after receipt of supporting documentation evidencing the Buyer Expenses, an amount in cash equal to the Buyer Expenses to the account or accounts designated by Buyer (the “Expense Reimbursement”), and (y) reimburse to Buyer the Initial Payment simultaneously with the payment of the Expense Reimbursement. Each of the Parties acknowledges that the agreements contained in this Section 9.3(b) are an integral part of the Transactions, without which, the Parties would not enter into this Agreement.

A-70

9.4 Termination Fees.

(a) In the event that this Agreement is terminated pursuant to Section 9.1(e) or Section 9.1(f), Parent and Seller, on a joint and several basis, will (i) pay to Buyer, as its sole recourse in connection with termination of this Agreement in accordance with Section 9.1(e) or Section 9.1(f), as applicable, a fee in an amount equal to \$3,450,000 (the “Initial Termination Fee”), and (ii) reimburse to Buyer the Initial Payment simultaneously with the payment of the Initial Termination Fee. The Initial Termination Fee shall be payable no later than two (2) Business Days after the date on which this Agreement is terminated by Buyer pursuant to Section 9.1(e) and immediately prior to the time of and as a condition to termination by Parent and Seller pursuant to Section 9.1(f).

(b) In the event that (i) this Agreement is terminated pursuant to Section 9.1(c), (ii) prior to such termination, a Competing Proposal shall have been made to Parent, Seller or any of their respective subsidiaries (or the respective Representatives of Parent, Seller, or any such subsidiary) and disclosed to stockholders of Parent, or a Competing Proposal shall have been made to the stockholders of Parent generally, or any Person shall have publicly announced an intention (whether or not conditional) to make a Competing Proposal after the date of this Agreement and before the date this Agreement is terminated, (iii) within twelve (12) months after the date of such termination, Parent, Seller and/or any of their respective subsidiaries enters into a definitive agreement with respect to a Competing Proposal (or transaction that would have constituted a Competing Proposal if made prior to the termination of this Agreement) or consummates a Competing Proposal (the “Tail Transaction”) and (iv) such Tail Transaction is consummated, then, Parent and Seller will, on a joint and several basis, as its sole recourse in connection with the termination of this Agreement in accordance with Section 9.1(c) (but subject to Buyer’s rights under Section 9.3(b) with respect to Buyer’s right to receive an Expense Reimbursement in connection with the termination of this Agreement in accordance with Section 9.1(c)), reimburse to Buyer the Initial Payment and pay to Buyer a fee in an amount equal to \$3,450,000 (the “Tail Termination Fee”) (less, if applicable, any Expense Reimbursement previously paid in accordance with the provisions of Section 9.3(b)) and effect the Expense Reimbursement; provided that such reimbursement shall be made and such fee shall be paid simultaneously and not later than two (2) Business Days after the date on which Parent, Seller, or one or more of its subsidiaries, consummates such Competing Proposal.

The Buyer Non-Performance Fee shall be payable no later than two (2) Business Days after the date on which this Agreement is terminated by Parent and Seller pursuant to Section 9.1(d) or Section 9.1(g), and the Seller Non-Performance Fee shall be payable no later than two (2) Business Days after the date on which this Agreement is terminated by Buyer pursuant to Section 9.1(d), as the case may be.

A-71

(d) Without limiting Section 9.3(b) or Section 9.4(b), in the event that this Agreement is terminated by Parent and Seller, on the one hand, or Buyer, on the other hand, and Buyer is not then in material breach of any representation, warranty, covenant or other agreement contained herein, Parent and Seller will, on a joint and several basis, reimburse to Buyer the Initial Payment.

(e) Each of the Parties acknowledges that (i) the agreements contained in this Section 9.4 are an integral part of the transactions contemplated by this Agreement, (ii) the Initial Termination Fee, the Tail Termination Fee, and the Seller Non-Performance Fee are not penalties, but are liquidated damages, in a reasonable amount that will compensate Buyer, in the circumstances in which the Initial Termination Fee or the Tail Termination Fee is payable, or Parent and Seller, in the circumstances in which the Buyer Non-Performance Fee is payable, for the efforts and resources expended and opportunities forgone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision, (iii) without these agreements, the Parties would not enter into this Agreement, (iv) in the event that Parent and/or Seller shall fail to pay or reimburse, as applicable, the Initial Termination Fee, Tail Termination Fee, Expense Reimbursement or Initial Payment, or Buyer shall fail to pay the Buyer Non-Performance Fee, in each instance when due, and, in order to obtain such payment, Parent and Seller or Buyer, as the case may be, commences a suit that results in a final, non-appealable judgment against Parent and/or Seller or Buyer, as the case may be, Parent and Seller, on a joint and several basis, shall pay to Buyer costs and expenses (including attorney’s fees) in connection with such suit, together with interest on the Initial Termination Fee, Tail Termination Fee, Expense Reimbursement, Initial Payment, Buyer Non-Performance Fee or Seller Non-Performance Fee (as applicable) at a rate equal to five percent (5%) commencing on the date such payment was required to be made through the date of payment and (v) in no event shall Parent and Seller be required to pay both the Initial Termination fee and Tail Termination Fee, and in no event shall Parent and Seller be obligated to pay an Initial Termination Fee or a Tail Termination Fee more than once.

9.6 Amendment. This Agreement may be amended by the Parties, by action taken or authorized by the respective boards of directors of Parent, Seller and Buyer, at any time before or after receipt of the Parent Stockholder Approval; provided, however, that after receipt of the Parent Stockholder Approval, there may not be, without further approval of such stockholders, any amendment of this Agreement that requires further approval under applicable Law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

A-72

Neither the Company, Buyer, Parent, or Seller nor any of their respective Representatives shall issue any statement or communication to any third Person (other than its agents that are bound by confidentiality restrictions) regarding the subject matter of this Agreement or the Transactions, including, if applicable, the termination of this Agreement and the reasons therefor, without the consent of the other Party except that Parent may disclose the Transactions in a press release or in a Current Report on Form 8-K, subject, in the case of a press release, to the reasonable review of Buyer.

A-74

10.4 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any of Parent, Seller, or the Company (whether by operation of law or otherwise) without the prior written consent of Buyer, and neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by Buyer (whether by operation of law or otherwise) without the prior written consent of Parent. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the Parties and their respective permitted successors and assigns. Except as provided in Section 7.9(e), this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any person other than the Parties any rights or remedies under this Agreement. Each of Parent, Seller, the Company, and Buyer hereby agrees that its respective representations, warranties and covenants set forth herein are solely for the benefit of the other Parties, in accordance with and subject to the terms of this Agreement (including the provisions of Section 7.9(e)), and this Agreement is not intended to, and does not, confer upon any Person other than the Parties any rights or remedies hereunder, including, without limitation, the right to rely upon such representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

10.5 Severability. In the event that any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the Parties. The Parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

10.6 Remedies.

(a) Each of Parent, Seller, and the Company hereby agrees that irreparable damage would occur in the event that any provision of this Agreement was not performed by Parent, Seller or the Company in accordance with its specific terms or was otherwise breached, and that money damages or other legal remedies would not be an adequate remedy for any such damages. (ii) Such Principal Stockholder shall not vote, or cause to be voted, any Owned Shares (or otherwise provide a proxy or consent or enter into another voting agreement with respect thereto) in favor of any Prohibited Act, whether by written consent or at any meeting (whether annual or special and whether or not an adjourned or postponed meeting) of the holders of Parent Common Stock.

A-99

(b) Each Principal Stockholder hereby revokes any and all previous proxies with respect to such Principal Stockholder's Owned Shares.

(c) Each Principal Stockholder who has a spouse on the date of this Agreement shall cause such Principal Stockholder's spouse to execute and deliver to Buyer a spousal consent in the form of Exhibit A hereto (a "Spousal Consent") contemporaneously with such Principal Stockholder's execution of this Agreement, pursuant to which the spouse acknowledges that he or she has read and understood this Agreement and agrees to be bound by its terms and conditions. If any Principal Stockholder should marry or engage in a Marital Relationship following the date of this Agreement, such Principal Stockholder shall cause his or her spouse to execute and deliver to the Company a Spousal Consent within three (3) Business Days thereof.

4. Irrevocable Proxy. Each Principal Stockholder hereby irrevocably appoints Buyer and any designee of Buyer, each of them individually, each such Principal Stockholder's proxy and attorney-in-fact for and on behalf of such Principal Stockholder pursuant to the provisions of Section 212 of the General Corporation Law of the State of Delaware, as amended, with full power of substitution and resubstitution, to attend and to vote and act on each such Principal Stockholder's behalf and in each such Principal Stockholder's name, place and stead with respect to such Principal Stockholder's Owned Shares, at any annual, special or other meeting of the stockholders of Parent, and at any adjournment or postponement of any such meeting, held during the term of this Agreement, and to act by written consent (including the execution and delivery of any written consent) with respect to each such Principal Stockholder's Owned Shares, in all events and at all times during the term of this Agreement with respect to the matters referred to in, and in accordance with, Section 3(a) hereof. Each Principal Stockholder affirms that this proxy is coupled with an interest, shall be irrevocable and shall not be terminated by operation of law or upon the occurrence of any other event other than the valid termination of this Agreement pursuant to Section 12 hereof. Each Principal Stockholder affirms that this irrevocable proxy set forth in this Section 4 is given in connection with and granted in consideration of and as an inducement to Buyer entering into the Purchase Agreement and that such irrevocable proxy is given to secure the obligations of such Principal Stockholder under Section 3(a) hereof. Each Principal Stockholder agrees to expeditiously take and shall expeditiously take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy including, without limitation, issuing, expeditiously executing and delivering any directions or legal proxies to the applicable record holder of such Principal Stockholder's Owned Shares. Except in order to vote the Owned Shares in accordance with Section 3(a), each Principal Stockholder covenants and agrees not to grant any subsequent proxy with respect to such Principal Stockholder's Owned Shares, and further covenants and agrees that any such proxy, if granted, shall not be valid or effective.

5. Limitations on Transfer. Until the termination of this Agreement pursuant to Section 12 hereof, each Principal Stockholder agrees that he, she or it will not, without the prior written consent of Buyer, (a) directly or indirectly, sell, transfer, pledge, assign or otherwise dispose of, or enter into any contract, option, commitment or other arrangement or understanding with respect to the sale, transfer, pledge, assignment or other disposition of, any of the Owned Shares except as specifically permitted on Schedule I, or any securities convertible into or exchangeable for common stock of Parent, and (b) take any action that would prohibit, prevent or preclude such Principal Stockholder from performing its obligations under this Agreement, including, without limitation, the granting of a power of attorney with respect to the Owned Shares, depositing the Owned Shares in a voting trust or entering into any other stockholder voting agreements with respect to the Owned Shares, *provided*, however, that a Principal Stockholder may transfer any of its Owned Shares to a Permitted Transferee without the prior written consent of Buyer if such Permitted Transferee executes a counterpart of this Agreement agreeing to be bound by this Agreement and agrees in writing to hold such Owned Shares (or interest in such Owned Shares) subject to all of the terms and provisions of this Agreement, provided that the Principal Stockholder shall remain liable under this Agreement in all respects. Until the termination of this Agreement pursuant to Section 12 hereof, each Principal Stockholder further covenants and agrees not to request that Parent register the transfer (book-entry or otherwise) of any certificate or uncertificated interest representing any of such Principal Stockholder's Owned Shares, unless such transfer is made in compliance with this Agreement and acknowledges that Buyer and Parent may notify Parent's transfer agent of the terms hereof. Until the termination of this Agreement pursuant to Section 12 hereof, each Principal Stockholder agrees, if requested by Buyer, that such Principal Stockholder shall tender its Owned Shares for the inscription of a legend consistent with this Agreement.

6. Consent to this Agreement. Each Principal Stockholder hereby consents, for purposes of any stockholders' agreement or other agreement or commitment among the stockholders of Parent, to the execution, delivery and performance of this Agreement by each other Principal Stockholder (and waives any rights such Principal Stockholder would otherwise have pursuant to any such stockholders' agreement or other agreement or commitment by virtue of the execution, delivery or performance of this Agreement). Each Principal Stockholder further consents and authorizes Buyer and Parent to publish and disclose in the Proxy Statement (including all documents filed with the United States Securities and Exchange Commission in connection therewith) its identity and ownership of the Owned Shares and the nature of its commitments, arrangements and understandings under this Agreement.

7. Specific Performance. Each Principal Stockholder agrees that irreparable damage to Buyer would occur in the event that any of the provisions of this Agreement were not performed by it in accordance with their specific terms or were otherwise breached. It is accordingly agreed that Buyer shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by each Principal Stockholder and to enforce specifically the terms and provisions hereof in any court of the United States or any state having jurisdiction, this being in addition to any other remedy to which it is entitled at Law or in equity, and that each Principal Stockholder waives the posting of any bond or security in connection with any proceeding related thereto.

8. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original. This Agreement shall not be effective as to any party hereto until such time as this Agreement or a counterpart hereof has been executed and delivered by each party hereto (which delivery may be by facsimile).

9. Remedies Cumulative. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by Buyer shall not preclude the simultaneous or later exercise of any other such right, power or remedy by Buyer.

10. No Waiver. The failure of Buyer to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at Law or in equity, or to insist upon compliance by any Principal Stockholder hereto with its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by Buyer of its right to exercise any such or other right, power or remedy or to demand such compliance.

11. Stockholder Capacity. Each Principal Stockholder is executing this Agreement solely in his or its capacity as owner of the Owned Shares and not in its fiduciary capacity as a director or officer of Parent. Nothing herein shall prohibit, prevent or preclude such Principal Stockholder from taking or not taking any action in his capacity as an officer or director of Seller, Parent or the Company.

12. Termination. This Agreement shall terminate upon the earlier to occur of (a) the Closing Date, (b) the date of termination of the Stock Purchase Agreement in accordance with its terms, and (c) the material reduction of the amount of the Unadjusted Purchase Price or the amount of the Tournament Payment. Nothing in this Section 12 shall relieve or otherwise limit the liability of any party for breach of this Agreement prior to termination hereof. From and after the date of termination of this Agreement, this Agreement will be of no further force or effect, and the rights and obligations of each of the Principal Stockholders hereunder shall terminate.

13. No Agreement as Director or Officer. Each Principal Stockholder makes no agreement or understanding in this Agreement in such Principal Stockholder's capacity as a director or officer of Parent or any of its direct or indirect subsidiaries (if such Principal Stockholder holds such office), and nothing in this Agreement: (a) will limit or affect any actions or omissions taken by such Principal Stockholder in such Principal Stockholder's capacity as such a director or officer, including in exercising rights under the Stock Purchase Agreement, and no such actions or omissions shall be deemed a breach of this Agreement; or (b) will be construed to prohibit, limit, or restrict such Principal Stockholder from exercising such Principal Stockholder's fiduciary duties as an officer or director to Parent, its direct and indirect subsidiaries and their respective stockholders.

14. Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or by commercial messenger or courier service, or mailed by registered or certified mail (return receipt requested) or sent via e-mail (with acknowledgment of complete transmission) to the parties at the addresses set below the signature of such party to this Agreement (or at such other address for a party as shall be specified by like notice); provided, however, that notices sent by mail will not be deemed given until received.

15. Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof.

16. Severability. In the event that any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

17. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided that no Principal Stockholder may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of Buyer.

18. Entire Agreement. This Agreement (together with the Purchase Agreement and the other agreements and documents expressly contemplated hereby and thereby) embodies the entire agreement and understanding among the parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter.

19. Amendments. This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by each of the parties hereto.

(B) Licensee will use its best efforts to ensure that the Services and any marketing or promotional material utilized in connection with the Services do not violate the Brand Guidelines, and are not used to promote any business other than the Services.

A-111

2. SERVICES

2.1 Generally. Licensee will operate a real-money online poker gaming service in connection with the Licensed Property (the "Services"), either directly or via agreement with third party operators approved in advance and in writing by Licensor ("Approved Operators"), in the Asian territories (which shall exclude Australia and India) set forth on Exhibit C hereof, as adjusted from time to time by mutual agreement of the parties (the "Territory").

2.2 Operations. Licensee will be responsible for all aspects of the management and operation of the Service and shall use commercially reasonable efforts to ensure that the Services are managed and operated and are as competitive as the similarly situated real money online gaming products offered in the Territory, including in terms of its acquisition marketing (directly and through affiliates), customer relationship management, payments and customer service.

2.3 Domains. Licensee agrees and acknowledges that Licensor will remain the registered owner of all domain names utilized in connection with providing the Services that consist of, include or are confusingly similar to any of the Licensed Property, although during the Term, Licensee will be responsible for the upkeep and maintenance of such domains and the costs and expenses in connection therewith.

2.4 Duties. Licensee will provide the Services in accordance with the duties set forth in Section 4.1 hereof.

3. PAYMENT TERMS

3.1 Payment. In exchange for the Brand License, for each twelve-month period during the Term, Licensee hereby agrees to pay to Licensor as follows (the "Net Revenue Share"):

(A) In the first 12 months of the term (i.e., _____, 2021 to _____ 2022 ("Year One")), the greater of (i) twenty percent (20%) of Net Revenue (as defined below), or (ii) Four Million US Dollars (\$4,000,000) (the "Year One Minimum Payment").

(B) In the second 12 months of the term (i.e., _____, 2022 to _____ 2023 ("Year Two")), the greater of (i) twenty percent (20%) of Net Revenue (as defined below), or (ii) Six Million US Dollars (\$6,000,000) (the "Year Two Minimum Payment").

(C) In the third 12 months of the term (i.e., _____, 2023 to _____ 2024 ("Year Three")), the greater of (i) twenty percent (20%) of Net Revenue (as defined below), or (ii) Eight Million US Dollars (\$8,000,000) (the "Year Three Minimum Payment").

"Net Revenue" means Gross Revenue less (i) bonuses; (ii) jackpot contributions; (iii) fraud or charge-backs; and (iv) applicable taxes. "Gross Revenue" means the percentage of stakes charged to players for participation in a poker game on the Services (i.e., rake) from the total stakes received from players accessing the Services. Licensee agrees that it will consult with Licensor on a regular basis to ensure that any bonuses, jackpot contributions or other player marketing or promotional endeavors are commercially reasonable and acceptable to Licensor.

3.2 Net Revenue Share Payments. Commencing on _____, 2021 and on the last day of each calendar month thereafter during the Term, Licensee shall pay to Licensor the total amount of Net Revenue Share due and payable to Licensor under this Agreement that was generated and received during the immediately preceding calendar month.

A-112

(A) Net Revenue Share Shortfall. If, on [December 1]¹ during each of Year One, Two and Three (as defined in Section 3.1 hereof) of the Term, Licensee hasn't made Net Revenue Share payments equaling the Minimum Payment for that applicable year, Licensee will remit, at least three (3) business days prior to [December 31]² of the applicable year during the Term, the shortfall amount between the Minimum Payment for the applicable year and the aggregate Net Revenue Share fees paid in the applicable year during the Term.

(B) Payment Terms. All payments shall be payable by wire transfer of immediately available funds, in the currency in which such sums were earned (unless another currency is specified by Licensor, in which case Licensor will pay the actual, market-based costs associated with required currency conversions), to an account specified by Licensor in advance. All payments to be made by Licensee to Licensor pursuant to this Agreement shall be made free and net of any deduction or withholding, including of a tax nature, unless Licensee is legally obliged to make said deduction or withholding on account of taxes, in which case the sum to be paid by the Licensee in respect of which such deduction or withholding is required shall be increased to the extent necessary to ensure that after making said deduction or withholding Licensor receives (free from all liability in respect of the deduction or withholding) a net sum equal to that which it would have received if the deduction or withholding had not been made or need not have been made. All late payments shall be subject to a late payment charge calculated at the rate of two percent (2%) per month on all outstanding amounts from the date such payments are due until the date of payment to Licensor. However, if the amount of such late payment charge exceeds the maximum permitted by law for such a charge, it shall be reduced to such maximum amount. Licensor's right hereunder to interest on late payments shall not preclude Licensor from exercising any of its other rights or remedies pursuant to this Agreement or otherwise with regard to Licensee's failure to make timely remittances. If Licensee is prohibited, due to legal or monetary restrictions, from remitting any amounts due to Licensor in a timely manner, Licensee shall promptly provide to Licensor written notice and evidence of such restrictions. In such event, Licensee shall, upon Licensor's instruction, do any one or more of the following: (i) deposit all or a portion of such amounts in one or more accounts in the name of Licensor; (ii) pay all or a portion of such amounts to such persons or entities designated by Licensor; and/or (iii) deposit all or a portion of such amounts in a Licensor-approved interest bearing account of Licensee, with such amounts and the resulting accrued interest payable to Licensor on the date such restrictions terminate.

(C) Records and Financial Reports. Licensee shall keep full, complete and accurate books of account and records (collectively, "records") covering all transactions relating to the subject matter of this Agreement in sufficient detail to enable the Net Revenue Share fees payable hereunder to be determined and verified.

(1) No later than thirty (30) days after the end of each calendar quarter during the Term, Licensee shall submit to Licensor a written report, certified by an authorized representative of Licensee, that contains an accurate and detailed computation of the Net Revenue Share earned during the immediately preceding calendar quarter (the "Quarterly Report"). Each such Quarterly Report shall contain information in sufficient detail to determine the accuracy of the Net Revenue Share payments that were made or are due and payable for the prior calendar quarter pursuant to this Agreement. Receipt or acceptance by Licensor of any of the statements furnished pursuant to

this Agreement or of any sums paid hereunder shall not preclude Licensor from questioning the correctness thereof within sixty (60) days after receipt of receiving the Quarterly Report. If, based on its review of a Quarterly Report, Licensor reasonably believes inconsistencies or mistakes exist in connection with the information in the Report or Licensee's payments, it will immediately notify Licensee in writing of the alleged inconsistencies or mistakes and supply information and supporting materials sufficient to explain the bases of the claim and the calculations used to compute each alleged inconsistency or mistake. Licensee will have fourteen (14) days from receipt of such information to evaluate the information supplied by Licensor and notify Licensor in writing of whether and to what extent it agrees with Licensor's conclusions and calculations and, in the event it does not completely agree, provide Licensor with the same types of supporting information and materials Licensor provided in support of its above claim of inconsistency or mistake.

¹ NTD: Insert date that is 30 days prior to the end of such period.

² NTD: Insert date that is one day before end of such period.

A-113

(2) In the event Licensee agrees with Licensor's assessment, it shall pay such deficiency to Licensor within 30 (thirty) days of its receipt of Licensor's notice of the inconsistency or mistake. In the event the parties do not agree on the existence or amount of any inconsistency or mistake, the parties shall follow the dispute resolution steps outlined in Section 11 below.

(D) Licensee shall permit the records mandated by Section 3.2 above to be examined at any time up to two (2) times per calendar year (up to a period of no more than eighteen (18) months after the expiration or termination of this Agreement) by authorized representatives of Licensor, including such independent auditors as Licensor may designate, upon three (3) business days written notice and during usual business hours, to verify to the extent necessary the payments required hereunder, and Licensor and its representatives shall use reasonable efforts to minimize any disruptions to Licensee's business. Licensee agrees to use reasonable efforts not to cause or permit any interference with Licensor or nominees of Licensor in the performance of their duties. If Licensor reasonably believes inconsistencies or mistakes exist in Licensee's documentation or in Licensee's calculation of any payment amount owed under this Agreement, it and then the parties will follow the steps outlined in Section 3.2.C. If the adjustment is more than Ten Thousand Dollars (\$10,000) in favor of Licensor, then the out-of-pocket costs of such examination shall be borne by Licensee. Such records shall be maintained by Licensee for a period of not less than eighteen (18) months following the expiration or termination of this Agreement.

(E) Accounting; No Avoidance. It is expressly understood and agreed by the parties hereto that all computations relating to determination of the amount of Net Revenue Share fees due and payable pursuant to this Agreement shall be made in accordance with recognized and generally accepted accounting principles as reflected in the practice of certified independent public accountants of national reputation practicing in the United States. Furthermore, Licensee hereby agrees to take no actions the purpose of which is to avoid paying the Net Revenue Share fees due under this Agreement.

4. DUTIES OF THE PARTIES.

4.1 Licensee Duties. Licensee agrees to fulfill the following duties during the Term:

(A) Reasonable Commercial Efforts. Subject to Licensor's decisions under Section 3 that individually or in the aggregate affect Licensee's efforts, Licensee shall exercise its reasonable commercial efforts, in accordance with Applicable Law (as defined in Section 4.1(B) below), to vigorously and effectively operate, market, and promote the Services throughout the entire Term. Licensee acknowledges and agrees that it will use the Licensed Property as the branding for the Services and make the Services available for broad customer use as soon as is practicable after the Effective Date, but in no event later than six (6) months thereafter (the "Launch Date"). Licensor will be given an opportunity to review the Services a reasonable amount of time before they are launched to ensure Licensor has adequate time to make such review and Licensee has adequate time to make any agreed-upon changes in advance of the Launch Date.

A-114

(B) Standard of Performance in Operations; Applicable Law. Licensee shall at all times act in a manner consistent with the fair trade, fair competition and business ethics standards in connection with providing the Services that are observed by similarly situated real money online gaming services in the Territory and will comply with all Applicable Law. "Applicable Law" means (as amended, supplemented or replaced from time to time) any laws, rules, regulations, orders, directives and other requirements issued by any governmental or official government sanctioned legislative body, regulatory body or exchange in each country in the Territory that has jurisdiction and authority over the activities of a party, including without limitation the performance of each party's obligations set forth in this Agreement and with respect to Licensee, performance of the Services. Licensee shall make available adequate human resources required for the full and proper performance of the Services at a level commensurate with similarly situated real money online gaming services in the Territory. Licensee will be responsible for ensuring the Services are blocked for persons located outside of the Territory.

(C) Copyright Notice. Licensee will provide a legally sufficient copyright notice on any material advertising, marketing, promoting, displaying or describing the Services incorporating any of the Licensed Property including, without limitation, any marketing materials bearing any reproduction of the Licensed Property, by causing the following to be imprinted, prominently, irremovably and legibly, on all such materials © 20__ WPT Enterprises, Inc. (the year date shall be as instructed in writing by Licensor).

(D) Trademark Notice. Licensee will provide a legally sufficient trademark notice by causing the letters TM or the symbol ®, as specified by Licensor and permitted by controlling law, to be imprinted irremovably, legibly, and directly after the trademark, each time such trademark identified in Exhibit A is used in connection with the Services and/or on any material advertising, marketing, promoting, displaying or referencing the Services. Licensee will display the following statement at least once on each version of the above materials: "_____ [insert mark] is a trademark of WPT Enterprises, Inc. used with permission. All rights reserved." (The use of the letters TM or the symbol ® shall be as instructed in writing by Licensor and permitted by controlling law).

(E) Privacy Obligations. "User Data" means and any and all information provided to or collected by Licensee or its affiliates or Approved Operators in the course of Licensee's performance under this Agreement that can be used to identify or authenticate a living individual's identity (including, without limitation, names, addresses, telephone numbers, e-mail addresses, IP addresses traceable to an individual, financial/payment information, and other personal identifiers). Licensor shall: (1) keep and maintain all User Data in strict confidence, using such degree of care as is appropriate to avoid unauthorized access, use or disclosure; and (2) install and maintain all safeguards to protect User Data from unauthorized access, destruction, use, modification or disclosure that fully comply with the laws, regulations, ordinances and other official rules of each country in the Territory and accepted industry practices in each country in the Territory. Licensee will respond to all requests from individuals exercising their rights under the applicable Privacy Laws (as defined below) in relation to the User Data processed by Licensee. Licensee shall promptly inform Licensor whenever it knows or reasonably believes a security breach has occurred that involves or potentially involves User Data and, at Licensee's sole cost and expense, investigate and remediate any such occurrence as required by Applicable Law. Upon expiration or termination of this Agreement, at Licensor's option, Licensee shall (i) promptly deliver all User Data to Licensor that it is permitted to transfer to Licensor (in a format reasonably acceptable to Licensor) under controlling Privacy Laws and in a format reasonably acceptable to Licensor, provided such format is consistent with process(es) and in format(s) required by controlling Privacy Laws; or (ii) destroy all copies of User Data and deliver to Licensor a signed written certification from an officer of Licensee stating that all User Data has been so destroyed. The term "Privacy Laws" means, collectively, all applicable federal, state, and foreign privacy and data protection laws, including but not limited to EU 2016/679 General Data Protection Regulation and California Consumer Privacy Act of 2018 (CCPA).

4.2 **Licensor Duties.** Licensor agrees to fulfill the following duties during the Term:

(A) Licensor will provide reasonable assistance and cooperation requested by Licensee in connection with Licensee's provision of the Services.

(B) Licensor will continue to develop and promote its Licensed Property and work with Licensee to assist in the marketing and promotion of the Services through Licensor's promotion and marketing channels to the extent such marketing and promotion would not violate Applicable Law.

5. **APPROVALS AND QUALITY CONTROL.**

5.1 **Definition and Process.** "Approval" or "Approved" shall mean Licensor's prior written consent, which, other than as expressly provided for herein, may be given or withheld in Licensor's sole discretion. Licensee shall send any request for approval to Licensor in writing in accordance with the notice provisions in Section 14.8. Licensor shall be deemed to have granted its approval if it does not approve or deny such request in writing in accordance with the notice provisions in Section 14.8 within the lesser of thirty (30) days following its receipt of such request or any other applicable period expressly set forth in this Section 5. All Approvals and requests for Approvals shall be provided in accordance with this Section 5.

5.2 **Quality.** Licensee shall perform the Services at a high level of quality and standard in order to maintain the good name and reputation of Licensor and the Licensed Property, which will be substantially equivalent to those standards used by Licensor for the services Licensor offers in connection with the Licensed Property in the operation of its business in the ordinary course. Licensor shall have the right, at any time, to reasonably modify or supplement the quality standards to be maintained by Licensee by providing written notice thereof. Without limiting the generality of the foregoing, Licensee shall at all times act in a manner consistent with the business reasonable standards of fair trade, fair competition and business ethics exercised by similarly situated real money online gaming services in the Territory in connection with the exercise of Licensee's rights and the performance of its obligations hereunder.

Licensor shall approve or disapprove each piece of Artwork in writing within five (5) business days of receipt, which approval shall not unreasonably be withheld. Any Artwork Licensor does not approve or disapprove of in writing within the above five (5) business day period shall be deemed approved and may be used as planned by Licensee. If Licensee disagrees with the revisions or modifications Licensor demands, in whole or in part, it may avail itself of the informal dispute resolution provisions in Section 11 below. After samples of any Artwork have been approved by Licensor, Licensee may not change them without further Approval. Notwithstanding the foregoing sentence, modifications of approved Artwork do not require re-approval if the modifications do not constitute material changes. For purposes of this Section, a material change includes, for example, the addition or deletion of substantive content, substantive editing of content, altering any of the Licensed Property from the presentations mandated by the Style Guide in Exhibit B hereto, and material changes to the look or feel of the Artwork. Any such changed Artwork as described in the previous two sentences shall be considered Derivative Works (as such term is defined in Section 8.5(a) hereof). If Licensor requests that changes or modifications be made to any Artwork submitted to Licensor for its Approval, Licensee will make such changes or modifications unless, in its commercially reasonable judgment, such changes or modifications will violate Applicable Law, be injurious to the Services or Licensee or the success of either. If Licensee declines to make the changes or modifications Licensor has requested, Licensee will not use the materials until the disagreement has been resolved to the satisfaction of the parties and/or pursuant to the provisions of Section 11 below. Furthermore, the exercise of Licensor's rights of Approval or disapproval shall not be deemed to affect, limit or alter, or otherwise deprive Licensor of the benefit of, any of Licensee's representations, warranties, or obligations hereunder. "Artwork" as used herein shall include, without limitation, all pictorial, graphic, visual, audio, audio-visual, digital, literary, animated, artistic, dramatic, sculptural, musical or any other type of, copyrightable works, whether finished or not, including, but not limited to, animation, drawings, designs, sketches, images, illustrations, film, video, software, object code, source code, music text, stories, visuals, scripts, voiceovers, logos, one-sheets, promotional pieces, packaging, display materials, printed materials, photographs, notes, shot logs, character profiles and translations, produced by Licensor or for Licensor that consist of or contain any of the Licensed Property.

5.4 **Style Guide.** The use of the Licensed Property must at all times comply with the specifications set forth in the Style Guide attached hereto as Exhibit B and incorporated herein by reference.

6. **INSURANCE.**

6.1 Licensee agrees to obtain and maintain, at Licensee's sole cost and expense, errors and omissions insurance and a policy of insurance insuring against those risks customarily covered under comprehensive general liability policies, including without limitation, "product liability" and "completed operations" from a well-recognized insurance company applicable to any claims, liabilities, damages, costs or expenses arising out of the Services and the use of the Licensed Property hereunder. The policies shall name Licensor and its affiliates as additional insureds. Licensee further warrants that it will abide by all applicable employment laws in the countries in the Territory in which Licensee operates including, as applicable, but not limited to, the maintenance of workers compensation insurance at the statutory levels required by each relevant country in the Territory for all individuals working on providing the Services. Licensee agrees to submit a certificate to Licensor evidencing such workers compensation coverage prior to commencement of such Services.

7. **REPRESENTATIONS, WARRANTIES AND COVENANTS OF LICENSOR.**

7.1 **Ownership; Authority.** Licensor owns all right, title and interest in and to the Licensed Property enumerated in Exhibit A, and Licensee's use of the Licensed Property as provided for in this Agreement will not infringe any intellectual property rights or any other proprietary rights of any third-party. Licensor has the authority to enter into this Agreement and entering into this Agreement does not violate or conflict with any agreement, right or obligation existing between Licensor and any other person, firm, corporation or other legal entity. This Agreement constitutes a valid and binding obligation of Licensor, enforceable in accordance with its terms. Licensor will not grant a license to any third party that in any manner impinges on the rights granted to Licensee hereunder and will not otherwise enter into any agreement that will breach this Agreement.

7.2 **Disclaimer of Warranties.** SUBJECT TO THE PROVISIONS OF SECTIONS 7.1 AND 9, THE LICENSED PROPERTY IS PROVIDED "AS IS" WITH NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EITHER EXPRESSED OR IMPLIED, BY STATUTE OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SYSTEM INTEGRATION, TITLE, NON-INFRINGEMENT, OR ANY WARRANTIES THAT MAY ARISE OUT OF COURSE OF PERFORMANCE, COURSE OF DEALING, OR USAGE OF TRADE. LICENSEE SPECIFICALLY AGREES THAT LICENSOR SHALL NOT BE LIABLE FOR LOSSES OR LIABILITIES OF ANY KIND ARISING OUT OF OR IN CONNECTION WITH USE OF THE LICENSED PROPERTY PROVIDED HEREUNDER. LICENSOR NEITHER ASSUMES NOR AUTHORIZES ANY PERSON OR ENTITY TO ASSUME FOR IT ANY LIABILITY. LICENSEE ACKNOWLEDGES AND AGREES THAT IT HAS RELIED ON NO WARRANTIES WITH RESPECT TO THE LICENSED PROPERTY OTHER THAN THE EXPRESS WARRANTIES (IF ANY) IN THIS AGREEMENT.

7.3 Liability Limitations. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL LICENSOR OR ITS AFFILIATES, OR THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, OR AGENTS BE LIABLE TO THE LICENSEE (OR ANY PERSON CLAIMING THROUGH THE LICENSEE) FOR ANY DIRECT (EXCEPT IN THE EVENT OF LICENSOR'S BREACH OF SECTION 7.1) INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES OR LOST OR IMPUTED PROFITS OR ROYALTIES ARISING OUT OF OR RELATING IN ANY WAY TO THE LICENSED PROPERTY OR THIS AGREEMENT, IRRESPECTIVE OF WHETHER LICENSOR WAS ADVISED, KNEW, OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF ANY SUCH LOSS OR DAMAGE.

7.4 Non-Compete. Licensor acknowledges and agrees that during the Term it will not offer any poker-related gaming service(s) that include(s) real money poker, or social poker that involves the potential for members, subscribers or other participants to reap financial or other rewards of value (e.g. real cash or prizes) won as a result of such participant's successful results at the poker table (such social poker hereinafter called "Social Money Poker") in the Territory, whether on its own or through third parties. Notwithstanding the foregoing, Licensee agrees and acknowledges that Licensor currently offers, markets and promotes, and it will continue to offer, market and promote, its current ClubWPT subscription product (including the social/play chip poker product contained therein), and will continue to license, market and promote its brand in connection with social/play chip poker with other third parties (e.g., PlayWPT, Zynga) (collectively, "Social Poker"), provided such Social Poker is not Social Money Poker and it is not offered, marketed or promoted in connection with or on the same platform as real money poker or Social Money Poker. Licensee agrees and acknowledges that a Social Poker product that provides (i) a rewards or points or similar program, or (ii) giveaways, contests or other methods for winning prizes, with such rewards, points or prizes given on a basis other than players' successful results at the poker table, will not be considered a Social Money Poker product. Notwithstanding the foregoing, Licensor will not expand the Social Poker services it offers in the Territory during the Term. Further, the parties agree that Licensee may raise concerns about the goodwill associated with the WPT Licensed Property as used in connection with Licensor's above products in accordance with the last sentence of Section 1.2(A) above.

8. REPRESENTATIONS, WARRANTIES AND COVENANTS OF LICENSEE.

8.1 Ownership; Authority. Licensee has the authority to enter into this Agreement and entering into this Agreement does not violate or conflict with any agreement, right or obligation existing between Licensee and any other person, firm or corporation. This Agreement constitutes a valid and binding obligation of Licensee, enforceable in accordance with its terms.

A-118

8.2 No Rights Created. Licensee hereby agrees that nothing in this Agreement shall give to Licensee any right, title or interest in (i) the Licensed Property, except as provided in this Agreement; or (ii) other Licensor-owned intellectual property, including trademarks, logos and copyrights.

8.3 Compliance With Law. The parties hereby agree to comply with all Applicable Laws and regulations and other orders, in connection with entering into, consummating, and performing this Agreement. For clarity and the avoidance of doubt, such actions with regard to Licensee include its (i) use of the Licensed Property and (ii) performance of the Services.

8.4 Non-Compete. Other than Licensee's provision of the Services in accordance with this Agreement, Licensee shall not, during the Term, host, organize, advertise, promote, distribute, sell or enter into a co-marketing or similar agreement with other poker tour brands, including, but not limited to, the World Series of Poker (generally, "WPT Competitors") in the Territory. In the event Licensee violates the above provision, or in the event that any substantial holder of the a financial or equity interest in any WPT Competitor acquires or otherwise comes to hold a controlling financial or equity interest in Licensee, Licensor shall have the right to terminate this Agreement on not less than thirty (30) days' notice to Licensee. Furthermore, Licensee agrees and acknowledges that during the Term, neither Licensee or its affiliates or any Approved Operators will utilize the Licensed Property, including in connection with offering the Services, in connection with any Social Poker offering or offering similar to ClubWPT in any way in the Territory. Nothing in this Agreement shall be interpreted as a limitation on Licensee's right to engage in a lawful profession, trade or business, as protected by California Business & Professions Code Section 16600 et seq.

8.5 Protection of Intellectual Property Rights.

(A) **Use of Intellectual Property.** Licensee hereby agrees (i) not to use any other trademark, service mark, logo, name, style, or identification on or in connection with any Licensed Property without Licensor's prior Approval in each case; (ii) that Licensor or an Affiliate is the owner of the Licensed Property and that Licensee has no ownership or beneficial right or interest in or to the Licensed Property other than those rights set forth in this Agreement; (iii) not to take any action that would prejudice or interfere with the validity or ownership of the Licensed Property; (iv) not to use any trademark, service mark, logo, name, style or identification which is a variant, colorable imitation, translation and/or simulation of the Licensed Property and/or any such items that are confusingly similar thereto; (v) not to seek registration of any of the trademarks part of the Licensed Property or any variant, colorable imitation, translation and/or simulation thereof anywhere in the world; (vi) that upon the expiration or termination of the Brand License under this Agreement, to immediately cease all use of the Licensed Property. Licensee shall not dispute or contest, directly or indirectly, Licensor's ownership of or rights in the Licensed Property or the validity thereof, nor shall Licensee assist others in doing so. Licensee further agrees that any and all derivative works based on the Licensed Property, including, without limitation, Artwork (collectively, "Derivative Works") shall be owned in its entirety exclusively by Licensor and considered a work-made-for-hire for Licensor as a work specifically ordered and/or commissioned by Licensor, and therefore Licensor shall be the author and copyright owner thereof for all purposes throughout the universe. Furthermore, any and all goodwill arising from the use of the Licensed Property shall inure to the benefit of Licensor. Licensee hereby irrevocably assigns to Licensor any and all ownership, beneficial, trademark, goodwill or other rights or interests which Licensee has, or may have at any point in time, in the Licensed Property and all Derivative Works. Licensee hereby agrees to execute all necessary documents to reflect the assignment set forth in the preceding sentence, and hereby irrevocably appoints Licensor as its agent and attorney-in-fact to execute such assignment documents on its behalf. All of the obligations under this section shall survive any expiration or termination of this Agreement.

A-119

(B) **Ownership Rights.** Licensee acknowledges that the Licensed Property is unique and original and that Licensor is the owner thereof. Licensee hereby agrees that the Licensed Property is, and shall remain, the property of Licensor, and that Licensee obtains no right, title, interest or license in or to any of such Licensed Property except for the limited rights set forth in this Agreement. Licensee shall not dispute or contest, directly or indirectly, Licensor's ownership of the Licensed Property, Licensor's exclusive right to use the Licensed Property, subject to this Agreement, validity of any trademarks, copyrights or logos included in the Licensed Property, or Licensor's ownership thereof, nor shall Licensee assist others in doing so. All use of the Licensed Property under this Agreement inures solely to the benefit of Licensor.

(C) Intellectual Property Protection

(1) Licensor retains all rights to file trademark and copyright applications and obtain registrations with regard to the Licensed Property. Licensor retains, in its sole discretion, all decisions regarding intellectual property matters, including but not limited to whether to file, where and when to file, whether to defend or abandon, and whether to maintain trademark and copyright registrations and applications. At Licensor's request and at Licensor's cost, Licensee shall cooperate with Licensor in the prosecution of any applications to register any trademarks, service marks or other identifications of source in connection with the Services in each country in the Territory. Notwithstanding the forgoing provisions in this Sub-section, as soon as is practicable after the Effective Date but in no event more than fourteen (14) days thereafter, Licensor will file trademark applications for each trademark, service mark and other identification of source that constitutes Licensed Property for all of the Services in each country in the Territory to the extent Licensor does not already own such registrations. This provision shall also apply to any marks, products and services the parties may subsequently agree to add to this Agreement. The parties will equally share in the costs and expenses of such filings.

(2) Each party will notify the other party of any apparent infringement of or challenge to any of the Licensed Property in the Territory or claim by any person of any right to any of the Licensed Property in the Territory (“Violation”) promptly after such information comes to the notifying Party’s attention. Licensor will have the sole right to determine what action, if any, to take with respect to any such infringement, unfair use or claim of right and shall be under no obligation to take any action at Licensee’s request. Licensee shall cooperate with Licensor at Licensor’s expense, in preventing or stopping any infringement or unfair use of the Licensed Property by any third party and defending against any claim of right. Subject to payment of any of Licensee’s reasonable, pre-approved expenses incurred in connection with Licensee’s participation in such action, any monetary recoveries from such enforcement proceedings or settlements will go to Licensor. In the event Licensor elects not to take action with regard to a Violation, then Licensee may, with Licensor’s prior written consent (which will not unreasonably be withheld), take such action at Licensee’s own expense. Licensor agrees to cooperate in any such action at Licensee’s expense, and Licensee will keep Licensor reasonably informed of the status of such action and will cooperate with Licensor’s counsel with respect to strategy, tactics and actions. Licensee will not settle any claims or actions without Licensor’s prior written approval, which will not unreasonably be withheld. Subject to payment of any of Licensor’s reasonable, pre-approved expenses incurred in connection with Licensor’s participation in any such action, any monetary recoveries from such enforcement proceedings or settlement will go to Licensee.

8.6 **Miscellaneous.** Licensee represents and warrants that (i) Licensee shall not use the Licensed Property or the Services in a manner derogatory to Licensee or its Affiliates; (ii) Licensee shall not alter the Licensed Properties or manipulate any of the image(s) and/or element(s) or other features thereof in a manner other than that Approved by Licensor; (iii) Licensee shall not use Licensor’s names or logos related to the Licensed Property for any purpose except as Approved in connection with this Agreement; (iv) Licensee shall not use the Licensed Property for any purpose not specifically set forth herein or in a manner that may impair the goodwill or reputation of Licensor or its Affiliates; (v) except as expressly provided in this Agreement, Licensee shall not authorize any third party to use the Licensed Property; (vi) Licensee’s use and exploitation of any materials that contain or are Derivative Works based on any of the Licensed Property and are created by or for Licensee for the advertising, promotion or provision of the Services shall not violate or infringe upon the trademark, trade name, copyright, patent, or other property right, right of privacy or publicity, moral rights of authors or any other right of any person, firm, corporation or other entity; provided, however, that this representation and warranty shall not apply to materials constituting Licensed Property; (vii) Licensee shall not include the name, logo or trademark of a third party on the Licensed Property or in connection with operating the Services, or any advertising or promotional materials related to the Licensed Property or operation of the Services without the prior written Approval of Licensor; (viii) the Licensed Property and Licensee’s operation of the Services and Licensee’s conduct thereof and therein do not and shall not violate any Applicable Law (including, but not limited to, any law related to gaming); and (ix) Licensee will advise Licensor in writing of the existence of any facts that Licensee in good faith believes would constitute a “Default” (as defined herein) by Licensee as soon as such facts become known to Licensee.

9. INDEMNIFICATION.

9.1 **Indemnification Obligations.** The parties agree to indemnify, defend and hold harmless (“Indemnify”) the other party, its Affiliates and Approved Operators, and the partners, officers, directors, members, employees, agents and representatives thereof (each an “Indemnified Party”), against and from any claim, demand, action, proceeding, loss, liability, cost and expense (including court costs and reasonable fees of attorneys, accountants and other professionals) (each a “Claim” and collectively, the “Claims”) incurred or suffered by the other party arising out of or relating to:

(A) In the case of Licensee, Licensee’s breach of any material term of this Agreement or any representation and warranty made herein. Licensee shall Indemnify Licensor and any related Indemnified Party against all Claims arising out of Licensee’s, Approved Operators’ or their respective agents or end users’ use or distribution of the Licensed Property other than as allowed under this Agreement.

(B) In the case of Licensor, Licensor’s breach of any material term of this Agreement or any representation and warranty made herein. Licensor shall Indemnify Licensee and any related Indemnified Party against all Claims arising out of Licensee’s use of the Licensed Property as permitted by this Agreement.

A-121

9.2 **Procedure for Indemnification.** If any third party makes a Claim, or notifies an intention to make a Claim, the indemnifying party shall have the right to: (a) employ attorneys to institute or defend any Claim, which attorneys must be reasonably acceptable to the indemnified party, (b) take any other reasonably appropriate steps to protect all rights and interests at issue; and/or (c) settle in good faith or in any other manner dispose of any Claim and satisfy any judgment that may be rendered, except that no settlement or disposition of any such Claim may be effected or committed by the indemnifying party without the prior written consent of the indemnified party, which consent may not be unreasonably withheld. The indemnified party shall have the right to participate in, but not control, the defense of any such Claim at the cost and expense of the indemnified party. If the indemnifying party does not commence the defense of any Claim promptly following written notice thereof, the indemnified party shall have the right to retain separate counsel and to take any other action necessary to represent its interests at the sole cost and expense of the indemnifying party.

10. CONFIDENTIALITY.

10.1 **Nondisclosure.** Each party shall treat as confidential all Confidential Information provided by the other party or to which the party has access under the terms of or in fulfillment of this Agreement, shall not use such Confidential Information except to exercise its express rights and perform its obligations under this Agreement, and shall not disclose such Confidential Information to any third party except (i) as reasonably necessary in connection with a proceeding to resolve a dispute under this Agreement, (ii) pursuant to the order or requirement of a court, administrative agency, or other governmental body or stock exchange and (iii) under confidentiality obligations consistent with this Agreement, in connection with the exercise of its rights and performance of its obligations and exploitation of its rights under this Agreement; provided, however, that in each case (i) and (ii) above, the disclosing party shall provide prompt notice thereof to the other party to enable that party to seek a protective order or otherwise prevent, protect or restrict such disclosure. Without limiting the foregoing, each party shall use at least the same degree of care that it uses to prevent the disclosure of its own confidential information of like importance to prevent the disclosure of Confidential Information. Each party shall promptly notify the other party of any actual or suspected misuse or unauthorized disclosure of any of the Confidential Information and take all commercially reasonable actions to prevent any further inadvertent disclosure or unauthorized use. Each party shall be responsible for any breach of the terms hereof by any of its personnel, representatives, Affiliates, agents and/or sublicensees to whom or to which such Confidential Information was disclosed. “Confidential Information” shall mean any confidential and proprietary information disclosed pursuant to this Agreement or the subject matter thereof by either party to the other party or to which either party otherwise has access to. .

10.2 **Exceptions.** Notwithstanding the above, each party shall not be liable to the other party with regard to any Confidential Information which:

(A) was in the public domain at the time it was disclosed or has entered the public domain through no fault of the disclosing party, as demonstrated by a written record in existence at the time of disclosure;

(B) was known to the disclosing party, without restriction, at the time of disclosure, as demonstrated by a written record in existence at the time of disclosure;

(C) was independently developed by the disclosing party without any use of the Confidential Information, as demonstrated by files created contemporaneously with such independent development; or

A-122

(D) becomes known to the disclosing party, without restriction, from a source other than the other party without breach of this Agreement by the disclosing party and not otherwise in violation of the other party's rights.

10.3 **Confidentiality of Agreement.** Each party shall be entitled to disclose the existence of this Agreement, but agrees that the terms and conditions of this Agreement shall be treated as Confidential Information and shall not be disclosed to any third party by either party; provided, however, that each party may disclose the terms and conditions of this Agreement:

- (A) as required by any court or other governmental or regulatory body;
- (B) as otherwise required by Applicable Law;
- (C) to legal counsel of the parties;
- (D) in confidence, to a party's professional advisors, accountants, banks, and financing sources and their advisors;

- (F) in connection with the enforcement of this Agreement or rights under this Agreement; or
- (G) in confidence under non-disclosure agreement, in connection with an actual or proposed merger, acquisition, or material business transaction directly related to the portion of the business related to the Licensed Property.

11. **Allegations of Breach and Dispute Resolution Procedures.** In the event Licensor believes that Licensee's or any Approved Operator's provision of a Licensed Service or its marketing of the Licensed Service is not in material compliance with Section 5 above, or if either party believes the other party is in material breach of Section(s) 7.4 or 8.4, or in the event of the violation of any other provision in this Agreement the party alleging breach will promptly notify the other party in writing of the alleged breach and provide a description of the alleged breach in the notice. Within ten (10) business days after the allegedly breaching party's receipt of the above notice, a representative of each party with authority to bind that party will confer as to: (i) whether a violation has occurred or is occurring; (ii) if so, what action on what schedule the breaching party must take to remedy the breach; and (iii) in the case of Licensee's breach of Section 5 or Licensor's breach of Section 7.4, whether such party must cease offering the Services or halt and/or withdraw the complained of marketing from the market until the violation has been cured. If the parties are unable to agree as to the existence of and/or remedy for an alleged breach during the above conference, they may agree to further discussions or either party may elect to submit the matter to arbitration under the provisions of Section 12 below.

A-123

12. **Arbitration.**

(A) Any dispute, claim or controversy between the parties arising out of, under or in connection with this License, or the matters contemplated hereby, whether in contract, tort, equity or otherwise, and whether relating to the meaning, interpretation, effect, validity, performance or enforcement of this License or otherwise (collectively, an "**Arbitration Claim**"), will be resolved by binding arbitration.

(B) Any arbitration proceeding instituted in accordance with this Section will be conducted by JAMS (or any like organization successor thereto) ("**JAMS**") in Los Angeles, California, before one (1) JAMS arbitrator. The arbitration will be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. The arbitrator will be chosen from a list of three (3) or more names submitted by JAMS to the parties in accordance with the applicable JAMS rules for selecting arbitrators and the proposed arbitrators will, to the extent possible, have relevant arbitration experience in the subject matter of the arbitration. The arbitration proceeding will be conducted in as expedited a manner as is then permitted by the commercial arbitration rules (formal or informal) of JAMS. The arbitrator's decision may include equitable relief, and any arbitration award will include an award of costs and reasonable attorneys' fees in an allocation between the parties to be determined by the arbitrator (including the arbitrators' compensation and costs and reimbursement of any collection costs). Pending an award of costs and fees hereunder, each party to any arbitration hereunder will pay (i) its own expenses in connection therewith; and (ii) fifty percent (50%) of the arbitrators' fees and costs.

(C) Both the foregoing agreement to arbitrate any Arbitration Claims, and the results, determinations, findings, judgments and awards rendered through such arbitration, will be final and binding on the parties and may be specifically enforced through legal proceedings in accordance with Section 14.3 below.

13. **Term and Termination.**

13.1 **Term.** The initial term of this Agreement shall commence on the Effective Date and expire on _____, 2024 (the "**Term**"),³ unless terminated earlier pursuant to the terms of this Agreement. This Agreement will automatically renew for an additional three (3) year term on the same terms set forth herein, unless either party notifies the other party in writing that it does not wish to renew at least thirty (30) days prior to the end of the then-current Term.

13.2 **Licensor's Right to Terminate.** Licensor shall have the right to terminate this Agreement upon fourteen (14) days written notice and without prejudice to any rights which it may have, whether pursuant to the provisions of this Agreement, in law, in equity, or otherwise, in relation to any one or more of the following events, which may have material adverse effect (the "**Defaults**") and Licensee does not substantially comply with any agreement reached by the parties under Section 11 or any relevant order of the arbitrator issued under Section 12 within the timeframe set forth in such agreement or order:

- (A) Any of Licensee's representations or warranties hereunder fails to be true and accurate at any time during the Term;
- (B) Licensee fails to make any payments when such payments are due;
- (C) Licensee fails to comply with any Applicable Laws in any country in the Territory where such non-compliance may materially adversely affect the Services or the goodwill (or other value) associated with any of the Licensed Property, or if an official vested with appropriate authority in a country in the Territory finds that Licensee is using any of the Licensed Property in contravention of Applicable Laws in that country or in a manner likely to cause harm to the relevant consuming public in a country in the Territory. In any such instance, the application of Section 12 and any resulting termination will be limited to the Country in which the violation of Applicable Law has occurred, except if the violation has occurred in China, in which case, Licensor may terminate either (i) with respect to China, or (ii) the entire Agreement, in its sole discretion.

³ NTD: To be the date that is the 3 year anniversary of the Effective Date.

A-124

(D) If (i) Licensee becomes insolvent; (ii) Licensee is the subject of voluntary or involuntary bankruptcy proceedings instituted on behalf of or against Licensee (except for involuntary bankruptcy proceedings which are dismissed within ninety (90) days); (iii) an administrative receiver, receiver and manager, interim receiver,

custodian, sequestrator or similar officer is appointed in respect of Licensee; (iv) a resolution shall have been passed to wind up Licensee other than a resolution for the solvent reconstruction or reorganization of Licensee; (v) a resolution shall have been passed by Licensee or Licensee's directors to make an application for an administration order or to appoint an administrator; or (vi) Licensee proposes or makes any general assignment, composition or arrangement with or for the benefit of all or some of Licensee's creditors or makes or suspends making payments to Licensee's creditors generally or Licensee submits to any type of voluntary arrangement with respect to the foregoing; (the above such events, generally, an "Insolvency Event");

(E) Licensee's exploitation of the Licensed Property in the Territory (as delivered to Licensee by Licensor) other than as permitted under this Agreement, violates or infringes upon the intellectual property rights (including, but not limited to, trademark, trade name, copyright, patent, civil or property right, right of privacy or publicity, moral rights of authors or any other right) of any person, firm, corporation or other entity; or constitutes a libel, slander or defamation of any person, firm, corporation or other entity;

(F) Whether prior to or after the execution of this Agreement, Licensee makes any material misrepresentation or omits to state a material fact necessary to make any material statement not misleading, or Licensee fails to inform Licensor in writing of any later discovered information that would make a prior statement or representation by Licensee materially misleading;

(G) Licensor or Licensee is made aware or reasonably anticipates that any part of the Services or continuation of this Agreement is illegal, infringes or otherwise violates any rights of any third party, or will likely lead to any regulatory or other governmental action in any part of the Territory or will likely lead to any governmental action or series of governmental actions that would result in a material negative impact on the Licensor's reputation or good standing by virtue of licensing the Licensed Property to Licensee, provided however, that the parties first seek advice from outside counsel jointly retained by the parties as to the best course of action and the parties discuss and attempt to agree on a course of action. If, after the above consultation and advice, Licensor maintains its decision to terminate this Agreement as to such Licensed Property for the Services or an aspect of the Services and such decision is upheld, in whole or in part, through the dispute resolution process in Section 11, Licensor (in consultation with Licensee) will work to implement the termination on terms that (1) have the least adverse effect on Licensee's rights hereunder; and (2) where applicable, provide Licensee with the longest phase-out period commercially and legally practicable; or

(H) According to publicly promulgated laws and regulations by applicable authority, one or more provisions of this Agreement, or an affiliation with Licensee, or individuals employed by Licensee, is likely to jeopardize any gaming regulatory license or permit held or applied for by Licensor or any affiliate.

A-125

13.3 Licensor's Regulatory Termination. In the event Licensor desires to terminate part (i.e., as to a Service or a Licensed Property) or all of this Agreement based on Section 13.2(C), (G) or (H), it will notify Licensee in writing pursuant to the provisions of Section 13.2 above. Within the fourteen (14) day notice period prescribed by Section 13.2 above, Licensee will notify Licensor in writing as to whether or not it accepts Licensor's termination. If Licensee does not accept the termination, the parties shall submit the issue to arbitration under Section 12 above. If the arbitrator rules that Licensor's termination was reasonable, it will go into effect fourteen (14) days after JAMS's decision. If JAMS rules that Licensor's termination was not reasonable, then (a) if such ruling is at any time prior to the last calendar day of Year One, Licensor may not terminate, or (b) if such ruling is at any time from and after the last calendar day of Year One, Licensor may either not terminate or, if it goes ahead with the termination (subject to the fourteen (14) day period provided in the above sentence), it (i) may not thereafter enter into an arrangement competitive to the Service in the applicable Territory for the remaining Term and (ii) shall pay to Licensee the Non-Default Termination Fee on or before the Non-Default Termination Date pursuant to Section 13.4 below.

13.4 Licensor's Non-Default Termination. In addition to the above-referenced termination rights of Licensor, Licensor has the right, at any time after the last calendar day of Year One, upon thirty (30) days written notice to Licensee, to terminate this Agreement for any reason (a "Non-Default Termination"). In the event of such Non-Default Termination, Licensor will pay to Licensee, within seven (7) days of the termination date set forth in the applicable notice (the "Non-Default Termination Date"), an amount equal to Two Million US Dollars (\$2,000,000) (the "Non-Default Termination Fee"). If Licensor exercises its right to a Non-Default Termination, and as of the Non-Default Termination Date, Licensee has not yet paid Licensor the pro rata Net Revenue Share for the period of the then current calendar year this Agreement has been in effect, Licensee acknowledges and agrees that it will pay to Licensor the above pro-rata share. Any such payment can be netted against the Non-Default Termination Fee. To the extent Licensor exercises its right to a Non-Default Termination during Year Two, Licensee will have no obligation to pay the Year Three Minimum Payment to Licensor.

13.5 Licensee's Right to Terminate. Licensee shall have the right to terminate this Agreement upon fourteen (14) days written notice and without prejudice to any rights which it may have, whether pursuant to the provisions of this Agreement, in law, in equity, or otherwise, upon the occurrence of any one or more of the following events and Licensor does not substantially comply with any agreement reached by the parties under Section 11 or any relevant order of the arbitrator issued under Section 12 within the timeframe set forth in such agreement or order:

(A) If Licensor materially breaches any provision of this Agreement;

(B) If Licensor has an Insolvency Event;

(C) If any of Licensor's representations or warranties hereunder fails to be true and accurate at any time during the Term;

(D) Whether prior to or after the execution of this Agreement, Licensor makes any material misrepresentation or omits to state a material fact necessary to make any material statement not misleading, or Licensor fails to inform Licensee in writing of any later discovered information that would make a prior statement or representation by Licensor materially misleading;

(E) A party is made aware or reasonably anticipates that the Licensed Property, as delivered on the Effective Date, is illegal, infringes or otherwise violates any rights of any third party, provided however, that the parties first seek advice from outside counsel jointly retained by the parties as to the best course of action and the parties discuss and attempt to agree on a course of action. If, after the above consultation and advice, Licensee maintains its decision to terminate this Agreement as to such Licensed Property for the Services or an aspect of the Services, and such decision is upheld, in whole or in part, through any relevant order of the arbitrator issued under Section 12.

A-126

13.6 Effect of Termination. If this Agreement is terminated in its entirety, then Licensee's rights under the Brand License set forth in Section 1.1 shall immediately terminate, provided, however, solely to enable an orderly transition or winding-down of Licensee's use of the Licensed Property, Licensee, upon notice to Licensor, may continue use the Licensed Property for not longer than sixty (60) days after termination to market and provide services under the Licensed Property, subject to the continued obligation by Licensee make payments to Licensor that would be required under the terms of the Agreement. Notwithstanding the above provision, no such post-termination use will be permitted to the extent such use would violate Applicable Law or the Agreement has been terminated for a violation of the Quality Standards and Licensee has had the opportunity to cure such violation pursuant to the provisions of Section 11.

13.7 Survival of Certain Terms. The provisions of Sections 8, 9, 10, 11, 12, 13.4 13.6, and 14 of this Agreement shall survive the termination of this Agreement for any reason. All other rights and obligations of the parties shall cease upon termination of this Agreement.

14. MISCELLANEOUS.

14.1 **Amendments and Waivers.** Any term of this Agreement may be amended or waived only with the written consent of the parties or their respective permitted successors and assigns. Any amendment or waiver effected in accordance with this Section 14.1 shall be binding upon the parties and their respective successors and assigns.

14.2 **Successors and Assigns.** Licensee shall not assign any of its rights, obligations or privileges (by operation of law or otherwise) hereunder without the prior written consent of Licensor. Any attempt by Licensee to assign its rights or obligations under this Agreement in breach of this Section 14.2 shall be void and of no effect. Licensor may assign this agreement to any of its Affiliates, or to a third party in the event of a merger, acquisition, or sale of all or substantially all of the assets of Licensor. Subject to the foregoing, the terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective permitted successors and assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and assigns any rights, remedies, obligations, or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement.

14.3 **Litigation.**

(A) Pursuant to the terms of this Agreement, Licensee agrees that there shall be no right to enjoin the exhibition of any World Poker Tour television episodes or any parts or elements thereof, the World Poker Tour poker tournament events, or any ClubWPT or WPT-related online games, or to obtain any other form of equitable or injunctive relief, any right to which is hereby waived.

(B) If the parties' agreement to arbitrate all Claims is found invalid or inapplicable for any reason, or if a party seeks to enforce an arbitrator's decision, such litigation will be conducted pursuant to the provisions of Section 14.4 below.

A-127

14.4 **Governing Law; Jurisdiction.** This Agreement and any dispute or claim arising out of or in connection with it or its subject matter (including any dispute or claim relating to non-contractual obligations) shall be governed by and construed in accordance with the laws of the State of California. The state and federal courts in the County of Orange, California, have exclusive jurisdiction to settle any dispute or claim ("Action") arising out of, or in connection with, this Agreement or its subject matter or formation (including any dispute or claim relating to non-contractual obligations). Each party irrevocably waives any right that it may have to object to an action being in such courts on the grounds of venue, on the grounds that an action has been brought in an inappropriate or inconvenient forum or that such courts do not have jurisdiction.

14.5 **Attorney's Fees.** In the event of any dispute between the parties hereto arising out of the subject matter of this Agreement, the out-of-pocket costs, expenses, and reasonable attorney's fees of the prevailing party incurred in resolving or settling the dispute shall be paid by the other party in addition to any other relief or damages to which the prevailing party may be entitled.

14.6 **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument. Any signature page to this Agreement (or any amendment thereto) transmitted electronically (e.g., a Tagged Image Format File ("TIFF") or Portable Document Format ("PDF")) shall be treated as originals, fully binding and with full legal force and effect, and the parties waive any rights they may have to object to such treatment.

14.7 **Titles and Subtitles.** The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

14.8 **Notices.** All notices, consents and other communications required or permitted by this Agreement shall be in writing and shall be sent as follows to the following address (or to such other address as a party may designate by notice to the other party), (a) by personal delivery, in which case notice shall be deemed to have been given on the date of delivery; (b) by UPS, Federal Express, DHL or other nationally-recognized overnight delivery service, in which case notice shall be deemed to have been given the first Business Day after deposit of such notice with such service; (c) by facsimile with a copy of such notice sent on the same date by the means set forth in the foregoing clause (b), in which case notice shall be deemed to have been given on the day of the facsimile transmission as set forth in a facsimile log; or (d) by electronic mail with a copy of such notice sent on the same date by the means set forth in the foregoing clause (b), in which case notice shall be deemed to have been given on the day of the electronic mail transmission as set forth in the body of such electronic mail transmission:

14.9 **Severability.** If one or more provisions of this Agreement are held to be unenforceable under Applicable Law, the parties agree to renegotiate such provision in good faith, in order to maintain the economic position enjoyed by each party as close as possible to that under the provision rendered unenforceable. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (a) such provision shall be excluded from this Agreement, (b) the balance of the Agreement shall be interpreted as if such provision were so excluded and (c) the balance of the Agreement shall be enforceable in accordance with its terms.

The Principal Stockholder affirms that this irrevocable proxy set forth in this Section 4 is given in connection with and granted in consideration of and as an inducement to Buyer Entering into the Purchase Agreement and that such irrevocable proxy is given to secure the obligations of the Principal Stockholder under Section 3(a) hereof. The Principal Stockholder agrees to expeditiously take and shall expeditiously take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy including, without limitation, issuing, expeditiously executing and delivering any directions or legal proxies to the applicable record holder of the Principal Stockholder's Owned Shares. Except in order to vote the Owned Shares in accordance with Section 3(a), the Principal Stockholder covenants and agrees not to grant any subsequent proxy with respect to the Principal Stockholder's Owned Shares, and further covenants and agrees that any such proxy, if granted, shall not be valid or effective.

A-138

5. Consent to this Agreement. The Principal Stockholder hereby consents, for purposes of any stockholders' agreement or other agreement or commitment among the stockholders of Parent, to the execution, delivery and performance of this Agreement by each other Principal Stockholder (and waives any rights the Principal Stockholder would otherwise have pursuant to any such stockholders' agreement or other agreement or commitment by virtue of the execution, delivery or performance of this Agreement). 6. Specific Performance. The Principal Stockholder agrees that irreparable damage to Buyer would occur in the event that any of the provisions of this Agreement were not performed by it in accordance with their specific terms or were otherwise breached. It is accordingly agreed that Buyer shall be entitled to an injunction or injunctions to prevent breaches of this Agreement by the Principal Stockholder and to enforce specifically the terms and provisions hereof in any court having jurisdiction, this being in addition to any other remedy to which it is entitled at Law or in equity, and that the Principal Stockholder waives the posting of any bond or security in connection with any proceeding related thereto.

7. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original. This Agreement shall not be effective as to any party hereto until such time as this Agreement or a counterpart hereof has been executed and delivered by each party hereto (which delivery may be by facsimile).

8. Remedies Cumulative. All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by Buyer shall not preclude the simultaneous or later exercise of any other such right, power or remedy by Buyer.

9. No Waiver. The failure of Buyer to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at Law or in equity, or to insist upon compliance by any Principal Stockholder hereto with its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by Buyer of its right to exercise any such or other right, power or remedy or to demand such compliance.

10. Stockholder Capacity. The Principal Stockholder is executing this Agreement solely in his or its capacity as owner of the Owned Shares and not in its fiduciary capacity as a director or officer of Parent. Nothing herein shall prohibit, prevent or preclude the Principal Stockholder from taking or not taking any action in his capacity as an officer or director of Seller, Parent or the Company.

11. Termination. This Agreement shall terminate upon the earlier to occur of (a) the Closing Date and (b) the date of termination of the Stock Purchase Agreement in accordance with its terms. Nothing in this Section 11 shall relieve or otherwise limit the liability of any party for breach of this Agreement prior to termination hereof.

12. No Agreement as Director or Officer. The Principal Stockholder makes no agreement or understanding in this Agreement in the Principal Stockholder's capacity as a director or officer of Parent or any of its direct or indirect subsidiaries (if the Principal Stockholder holds such office), and nothing in this Agreement: (a) will limit or affect any actions or omissions taken by the Principal Stockholder in the Principal Stockholder's capacity as such a director or officer, including in exercising rights under the Stock Purchase Agreement, and no such actions or omissions shall be deemed a breach of this Agreement; or (b) will be construed to prohibit, limit, or restrict the Principal Stockholder from exercising the Principal Stockholder's fiduciary duties as an officer or director to Parent, its direct and indirect subsidiaries and their respective stockholders.

A-139

13. Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or by commercial messenger or courier service, or mailed by registered or certified mail (return receipt requested) or sent via e-mail (with acknowledgment of complete transmission) to the parties at the addresses set below the signature of such party to this Agreement (or at such other address for a party as shall be specified by like notice); provided, however, that notices sent by mail will not be deemed given until received.

14. Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of Delaware, regardless of the Laws that might otherwise govern under applicable principles of conflicts of laws thereof.

15. Non-exclusive Jurisdiction. Any matter, claim or dispute arising out of or in connection with this Agreement shall be subject to the non-exclusive jurisdiction of the Hong Kong courts.

16. Process Agent. Without prejudice to any other mode of service allowed under any relevant law, the Principal Stockholder agrees to irrevocably appoint Ourgame International Holdings Limited as its process agent in Hong Kong (the "Process Agent") and agrees that for service of process in relation to any proceedings before the Hong Kong courts any document could be served upon the Process Agent, at the following address, 31/F, Tower Two, Times Square, 1 Matheson Street, Causeway Bay, Hong Kong (or such other address of the Process Agent as may be notified to the Buyer from time to time).

17. Severability. In the event that any provision of this Agreement or the application thereof, becomes or is declared by a court of competent jurisdiction to be illegal, void or unenforceable, the remainder of this Agreement will continue in full force and effect and the application of such provision to other Persons or circumstances will be interpreted so as reasonably to effect the intent of the parties hereto. The parties further agree to replace such void or unenforceable provision of this Agreement with a valid and enforceable provision that will achieve, to the extent possible, the economic, business and other purposes of such void or unenforceable provision.

18. Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns; provided that no Principal Stockholder may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the consent of Buyer.

19. Entire Agreement. This Agreement (together with the Purchase Agreement and the other agreements and documents expressly contemplated hereby and thereby) embodies the entire agreement and understanding among the parties relating to the subject matter hereof and supersedes all prior agreements and understandings relating to such subject matter.

20. Amendments. This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by each of the parties hereto.

AMENDMENT TO EMPLOYMENT AGREEMENT

[See attached]

A-149

AMENDMENT 2 TO EXECUTIVE ENGAGEMENT AGREEMENT

This AMENDMENT 2 TO EXECUTIVE ENGAGEMENT AGREEMENT (this “Amendment”) is dated as of _____, 2021 (the “Effective Date”), by and among Allied Esports Entertainment, Inc., a Delaware corporation (“AESE”), Adam J. Pliska (“Employee”), and Club Services, Inc., a Nevada corporation (the “Company”). AESE, Employee and the Company are collectively referred to as the “Parties” and each is a “Party”.

A. On January 24, 2018, Employee entered into an Executive Engagement Agreement (the “Original Agreement”) with Ourgame International Holdings Limited (“Ourgame”). On June 1, 2018, pursuant to Amendment 1 to Executive Engagement Agreement (“Amendment 1”), the Original Agreement was amended in order to, among other things, add Trisara Ventures, LLC as a party. On April 24, 2020, pursuant to an Assignment and Assumption of Employment Agreement (the “Assignment and Assumption Agreement,” and the Original Agreement, as amended by Amendment 1, the Assignment and Assumption Agreement and this Amendment, the “Employment Agreement”), among other things, AESE assumed the obligations of Ourgame under the Employment Agreement, Trisara Ventures, LLC ceased to be a party to the Employment Agreement, and the Original Agreement, as amended by Amendment 1, was further amended.

B. As of immediately prior to the Effective Date, (i) AESE wholly owns Allied Esports Media, Inc., a Delaware corporation (“Seller”); (ii) Seller wholly owns the Company; (iii) the Company wholly owns WPT Enterprises, Inc., a Nevada corporation (“WPT”); (iv) WPT wholly owns Peerless Media Holdings Limited, a Gibraltar company limited by shares (“Peerless Holdings”); and (v) Peerless Holdings wholly owns Peerless Media Limited, a Gibraltar company limited by shares (“Peerless” and collectively, the “AESE Group”).

C. AESE, Seller, the Company, and Element Partners, LLC, a Delaware limited liability company (“Buyer”), entered into that certain Amended and Restated Stock Purchase Agreement dated March 19, 2021, (the “Purchase Agreement”) pursuant to which, at the Closing (as defined therein), Seller agreed to sell to Buyer 100% of the issued and outstanding equity interests of the Company resulting in Buyer being the sole owner of the Company and the indirect sole owner of WPT, Peerless Holdings and Peerless.

D. Pursuant to the Purchase Agreement, this Amendment is required to be executed and delivered at the “Closing” (as defined in the Purchase Agreement) in order to, among other things, replace AESE as a party to the Employment Agreement with the Company, extend the term of Employee’s employment by one (1) year, and for Employee to release AESE of any ongoing obligations under the Employment Agreement, each as described in this Amendment; and

E. The Closing has occurred on the Effective Date.

NOW, THEREFORE, in consideration of the foregoing premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Amendment No. 1. Each reference to the “Company” in the Employment Agreement is hereby amended to mean “Club Services, Inc., a Nevada corporation.”

A-150

2. Amendment No. 2. Section 2 of the Employment Agreement is hereby amended and restated in its entirety to read as follows:

“Except for and subject to the terms herein (e.g., the guaranteed 5-year Lock Up and Guaranteed Period), this Agreement provides for at-will employment. The term shall be for an initial five (5) year guaranteed period and thereafter may be terminated by either Party, for any reason or no reason, upon written notice to the other Party.”

3. Amendment No. 3. Section 5(a) of the Employment Agreement is hereby amended and restated in its entirety to read as follows:

“This Agreement shall be guaranteed for a period of five (5) years (“Lock Up and Guaranteed Period”). The Company agrees to all provisions in this Agreement and Employee agrees to provide work for the Company in a full time capacity.”

4. Novation. From and after the Effective Date, (a) the Company hereby agrees and undertakes to perform the obligations of AESE under the Employment Agreement and agrees to be bound by the terms and conditions of the Employment Agreement in all respects as if the Company were named as a party to the Employment Agreement in place of AESE, (b) AESE shall no longer be liable for any obligations owed to Employee under the Employment Agreement for any obligations that arise on and after the Effective Date, and (c) Employee acknowledges and consents to the foregoing.

5. Governing Law: Venue. This Amendment shall be governed by the laws of the State of California without regard to its conflicts-of-law principles. The Parties expressly acknowledge and agree that any judicial action to enforce any right of any Party under this Amendment may be brought and maintained in the State of California, and the Parties consent to the jurisdiction of the courts of the State of California, County of Orange, and the federal courts located in the Central District of the State of California. Accordingly, the Parties hereby submit to the process, jurisdiction and venue of any such court. Each Party hereby waives, and agrees not to assert, any claim that it is not personally subject to the jurisdiction of the foregoing courts in the State of California or that any action or other proceeding brought in compliance with this Section is brought in an inconvenient forum.

6. Counterparts. This Amendment may be executed in counterparts, all of which taken together shall constitute one agreement binding on the Parties. Facsimile and electronically transmitted signatures shall be valid and binding to the same extent as original signatures. In making proof of this Amendment, it will be necessary to produce only one copy signed by the Party to be charged.

Opinion of Shot Tower Securities, LLC

April 15, 2021

Board of Directors
Allied Esports Entertainment Inc.
17877 Von Karman Avenue
Suite 300
Irvine, California 92614

Board of Directors,

You have requested our opinion as to the fairness, from a financial point of view, to Allied Esports Entertainment Inc. (“Allied”), as ultimate beneficial owner, through its 100% ownership of Allied Esports Media, Inc., of Club Services, Inc. (“WPT” or the “Company”) of the consideration to be paid to Allied through the acquisition of the Company (the “Transaction”) by Element Partners, LLC (the “Acquiror”). Pursuant to the Amended and Restated Stock Purchase Agreement (the “Agreement”), by and among the Company, the Acquiror, Allied and a subsidiary of Allied, the Acquiror will purchase from Allied all of the issued and outstanding equity interests of the Company, and Allied will receive consideration of \$105,000,000 in cash (the “Consideration”).

Shot Tower Securities LLC (“Shot Tower”, we or us) previously provided to you a Fairness Opinion, dated January 12, 2021 (the “Prior Opinion”), with regards to a transaction involving WPT and the Acquiror pursuant to the Stock Purchase Agreement by and among the Company, Allied, and the Acquiror dated January 19, 2021. The Prior Opinion was included in Allied’s Consent Solicitation Statement, dated February 1, 2021, and is incorporated by reference into this opinion.

We will receive a fee from Allied for our services in rendering this opinion, and we have received a fee from Allied related to our delivery of the Prior Opinion. No portion of either fee is or was contingent upon either the conclusion expressed in either opinion or successful consummation of any Transaction. Allied has also agreed to reimburse our reasonable expenses and to indemnify us against certain liabilities arising out of our engagement. Neither we nor our affiliates hold any beneficial interest in either Allied, the Company, or the Acquiror.

In connection with preparing our opinion, we have (i) reviewed the Amended and Stated Stock Purchase Agreement dated March 19, 2021; (ii) Amendment No. 1 to the Agreement, dated March 29, 2021, (iii) reviewed certain publicly available business and financial information concerning the Company and the industries in which it operates; (iv) compared the financial and operating performance of the Company with publicly available information of certain other companies we deemed relevant and reviewed the current and historical market prices of Allied’s Common Stock and certain publicly traded securities of other companies; (v) reviewed certain internal financial analyses and forecasts of the Company prepared by Company management relating to its businesses; and (vi) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of providing this opinion.

B-1

In addition, we have held discussions with members of the management of the Company, Allied, and you with respect to certain aspects of the Transaction. We have also discussed the historical and projected financial and operating performance, as well as the past and current business operations of the Company, the financial condition and future prospects and operations of the Company, and certain other matters we deemed necessary or appropriate to our inquiry.

In giving our opinion, we have relied upon and assumed the accuracy and completeness of all information reviewed by us including information that was publicly available or was furnished to or verbally presented to us by the Company. With your consent, we have not independently verified the accuracy or completeness of any such information and, pursuant to our engagement letter with Allied, we did not assume any obligation to undertake any such independent verification. We have not conducted or been provided with any valuation or appraisal of any assets or liabilities, nor have we evaluated the solvency of the Company under any state or federal laws relating to bankruptcy, insolvency, or similar matters. In relying on financial analyses and forecasts provided to us or derived therefrom, we have assumed that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company to which the analyses or forecasts relate. We express no view as to such analyses or forecasts or the assumptions on which they were based. In addition, we have also assumed that the Transaction will occur summer 2021. We have further assumed that no Contingent Consideration will be earned or paid in arriving at our conclusions in this opinion. We have also assumed that the Transaction and the other transactions contemplated by the Agreement will be consummated as described in the Agreement. We have also assumed that the representations and warranties made by the Company in the Agreement are and will be true and correct in all respects material to our analysis. We are not legal, regulatory, or tax experts and have relied on the assessments made by advisors to the Company with respect to such issues. We have further assumed that all material governmental, regulatory, or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company or the Transaction.

Our opinion is necessarily based on economic, market and other conditions as in effect on, and the information made available to us as of, the date hereof. It should be understood that subsequent developments may affect this opinion and that we do not have any obligation to update, revise, or reaffirm this opinion. Our opinion is limited to the fairness, from a financial point of view, of the Consideration to be paid to Allied in the Transaction and we express no opinion as to the underlying business decision by Allied or the Company to engage in the Transaction or as to the fairness of any consideration paid in connection with the Transaction to any other stakeholders of the Company. Furthermore, we express no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons relative to the Consideration to be paid to Allied in the Transaction or with respect to the fairness of any such compensation. We are expressing no opinion herein as to the price at which the Common Stock of Allied will trade at any future time.

In preparing this opinion and supplementing our Prior Opinion, we have updated the 2020 Budget for WPT, originally provided by management, with the 2020 actual results from publicly available sources. Management’s forecast for WPT has not changed from the Prior Opinion. As more fully described in our opinion, we have updated all market-based data and precedent transactions for activity from the date of our Prior Opinion. The S&P 500 has increased approximately 12% over this period with the selected trading comparables for WPT increasing, on average and in some cases materially so, more than the broader market. This has caused us to update the terminal multiples and other assumptions contained in our Prior Opinion and constitutes the majority of the difference between the stated ranges contained in this opinion and that of our Prior Opinion. We have also excluded the analysis of historical trading ranges entirely from this opinion for materiality, since the disclosure of the Transaction itself to the market has introduced a level of bias to this analysis. We also note that this analysis was presented and described in the Prior Opinion for reference purposes only and not relied upon for valuation.

On the basis of and subject to the foregoing, it is our opinion as of the date hereof that the Consideration to be paid to Allied in the Transaction is fair, from a financial point of view. Our opinion does not address any other terms, aspects or implications of the Transaction, including, without limitation, the form or structure of the Consideration, the form or structure of the Transaction (including any alternative transaction structures) or any terms, aspects or implications of any agreement, arrangement or understanding entered into in connection with or contemplated by the Transaction or otherwise.

The issuance of this opinion has been approved by a fairness opinion committee of Shot Tower Securities LLC. It is understood that this opinion is intended for the benefit and use of the Board of Directors of Allied (in its capacity as such) in connection with its evaluation of the Transaction. This opinion does not constitute a recommendation as to the course of action that the Board or Allied should pursue in connection with the Transaction, or otherwise address the merits of the underlying decision by Allied to engage in the Transaction, including in comparison to other strategies, strategic alternatives, or transactions that might be available to Allied or WPT or in which Allied might engage or consider. This opinion does not constitute a recommendation to any shareholder of either Allied or the Company as to how such shareholder should vote with respect to the Transaction or any other matter. This opinion may not be disclosed, referred to, or communicated (in whole or in part) to any third party for any purpose whatsoever except with our prior written approval. This opinion may be reproduced in full in any proxy or information statement mailed to shareholders of Allied but may not otherwise be disclosed publicly in any manner without our prior written approval.

Very truly yours,

Shot Tower Securities LLC

Opinion of Shot Tower Securities, LLC

Pursuant to an engagement letter dated March 12, 2021, Allied Esports Entertainment Inc. (“Allied”) formally retained Shot Tower Securities LLC (“Shot Tower”) to conduct an analysis of the fairness, from a financial point of view, of the consideration to be paid to Allied as ultimate beneficial owner, through its 100% ownership of Allied Esports Media, Inc., of Club Services, Inc. (“WPT” or the “Company”) through the acquisition of the Company (the “Transaction”) by Element Partners, LLC (the “Acquiror”).

In arriving at its opinion, Shot Tower, among other things:

- reviewed the Amended and Restated Stock Purchase Agreement dated March 19, 2021, which was subsequently amended on March 29, 2021 (the “Agreement”);
- reviewed Amendment No. 1 to the Amended and Restated Stock Purchase Agreement dated March 29, 2021;
- reviewed certain publicly available business and financial information concerning WPT and the industries in which it operates;
- compared the financial and operating performance of WPT with publicly available information concerning certain other companies Shot Tower deemed relevant and reviewed the current and historical market prices of Allied’s common stock and certain publicly traded securities of other companies;
- reviewed certain internal financial forecasts prepared by the management of WPT and Allied, relating to WPT’s various lines of business; and
- performed such other financial studies and analyses and considered such other information as Shot Tower deemed appropriate for the purposes of its opinion.

In addition, Shot Tower held discussions with certain members of the management of WPT and Allied with respect to certain aspects of the Transaction, and the current business operations and future prospects and operations of WPT and certain other matters Shot Tower believed necessary or appropriate to its inquiry.

In giving its opinion, Shot Tower relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished by or discussed with WPT and Allied. With Allied’s permission, Shot Tower assumed no responsibility to independently verify any such information or its accuracy or completeness and, pursuant to Shot Tower’s engagement letter with Allied, Shot Tower did not assume any obligation to undertake any such independent verification. Shot Tower did not conduct nor was it provided with any valuation or appraisal of any assets or liabilities, nor did Shot Tower evaluate the solvency of WPT under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to Shot Tower or derived therefrom, Shot Tower assumed that they were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of WPT to which such analyses or forecasts relate. Shot Tower expressed no view as to such analyses or forecasts or the assumptions on which they were based. In addition, Shot Tower also assumed that the Transaction will occur in the summer of 2021. Shot Tower notes that there is a degree of uncertainty in the timing of the potential closing of the Transaction due to the requirement to solicit shareholder approval. Shot Tower assumed that the Transaction will be consummated as described in the Agreement, and that the definitive merger agreement would not differ in any material respect from the version thereof provided to Shot Tower. Shot Tower also assumed that the representations and warranties made by WPT and Allied in the merger agreement were and will be true and correct in all respects material to its analysis. Shot Tower is not a legal, regulatory or tax expert and any aspects thereof are strictly excluded from our opinion. Shot Tower further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company.

Shot Tower’s opinion was necessarily based on economic, market and other conditions as in effect on, and the information made available to Shot Tower as of, the date of this opinion. Shot Tower does not have any obligation to update, revise, or reaffirm its opinion, which is limited to the fairness, from a financial point of view, of the consideration to be paid to Allied in connection with the Transaction. Shot Tower did not make an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of WPT, Allied, the Acquiror or any of their respective subsidiaries, and Shot Tower was not furnished with any such evaluation or appraisal. Shot Tower has expressed no opinion as to the fairness of any consideration to the holders of any other class of securities, creditors or other constituencies of Allied or the underlying decision by Allied to engage in the Transaction. Furthermore, Shot Tower expressed no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the Transaction, or any class of such persons, relative to the Consideration to be paid to Allied in the Transaction or with respect to the fairness of any such compensation. Shot Tower expressed no opinion as to the price at which Allied common stock or any class

of securities) will trade at any future time or as to the impact of the transaction on the solvency or viability of WPT, Allied, or the Acquiror nor their ability to pay their respective obligations when they come due.

In accordance with customary investment banking practice, Shot Tower employed generally accepted valuation methodologies in connection with its opinion. The following is a summary of the material financial analyses utilized by Shot Tower in connection with rendering its opinion and does not purport to be a complete description of the analyses or data analyzed by Shot Tower. Solely considering the data and summary descriptions set forth below without considering a full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of Shot Tower's analyses.

Public Trading Multiples

Using publicly available information and equity research analysts' estimates, Shot Tower calculated the ratio of a firm's enterprise value (calculated as the market value of common stock, plus any debt and minority interest, less cash and cash equivalents) to analysts' estimates for EBITDA for December 31, 2021 (the "EV/2021 EBITDA") for a group of companies deemed to be comparable to WPT's various businesses. Because there are no public companies with a directly comparable collection of businesses as those of WPT, for purposes of its opinion, Shot Tower analyzed the trading multiples of three groups of companies deemed to be comparable to each subset of WPT's business, i) content networks; ii) regional casinos and gaming operations; and iii) online gaming applications.

B-5

Based on the results of this analysis and other factors which Shot Tower considered appropriate based on its experience and judgment, Shot Tower selected an EV/2021 EBITDA multiple reference range of 11.25x – 13.75x. Applying this range to WPT's estimated 2021 EBITDA projection provided by management, the analysis indicated an enterprise value for WPT of \$71.1 million to \$86.9 million. This range was compared to the Consideration of \$105 million.

Discounted Cash Flow Analysis

In valuing WPT, Shot Tower conducted a discounted cash flow analysis. A discounted cash flow analysis is a method of evaluating an asset using estimates of the future cash flows generated by the asset and taking into consideration the time value of money by discounting those cash flows earned in the future to their "present value." The "unlevered free cash flows" refers to a calculation of those future cash flows of an asset without including in such calculation any debt servicing costs. "Present value" refers to the current value of the one or more future cash flows streams generated by the asset and is obtained by discounting those cash flows back to the present using a discount rate that takes into account macro-economic assumptions, estimates of investment risk, the opportunity cost of capital and other appropriate factors. Shot Tower derived such discount rates by application of the Capital Asset Pricing Model, which requires certain company-specific inputs, including the company's indicative capital structure, the cost of debt, future marginal cash tax rate and a beta for the company, as well as certain financial metrics for the United States financial markets generally. "Terminal value" refers to the present value of all future cash flows generated by the asset for periods beyond the projections period.

Based upon the forecast for WPT provided by the Company and our discussions with both Company and Allied management, Shot Tower calculated the unlevered free cash flows that the Company is expected to generate during fiscal years 2021 through 2023 under existing tax rates (effective federal tax rate of 21% and an assumed effective California state rate of 8.84%). The forecast provided by management includes earnings from a real money gaming ("RMG") operation, a business in which the Company does not currently operate in a meaningful way. Management's forecast reflects that EBITDA attributable to RMG could comprise 65% of total EBITDA by 2023, which would be an increase of 26,656% over the forecast period. In addition to the lack of current and historical RMG earnings, we understand there are substantial regulatory and geographic risks associated with this business line, as the majority of the projected earnings in the forecast are derived from a single jurisdiction subjecting these revenues to a single regulatory regime. Management has not restated its forecast for RMG, it has indicated that expectations for FY 2021 RMG have decreased, but that it feels comfortable with the forward projections through 2023. However, management believes that the sustainability of this revenue stream becomes more tenuous in subsequent years. As WPT is not currently engaged in RMG and the high level of uncertainty given the potential for the business line to be materially harmed through regulatory decree, we believe a meaningful valuation discount for the prospective cash flows of RMG is required. Therefore, we have included the forecasted cash flow from RMG through 2023 and have calculated the terminal value using a terminal multiple applied to terminal year EBITDA, excluding RMG, to adjust for its speculative nature beyond the period reflected in management's projections. The result is that projection period cash flow comprises approximately 31% of present value for WPT, terminal cash flows contribute 69% of present value, and the RMG opportunity contributes approximately 28% of WPT's total present value, as compared to approximately 1% of current EBITDA. Failure to adjust for the speculative nature of RMG in the valuation would result in excess of 86% of value attributable to terminal cash flows and the RMG opportunity contributing approximately 67% of total present value, again in comparison to approximately 1% of current EBITDA. In light of the current minor contribution of RMG and the speculative nature of its future cash flows beyond 2023, Shot Tower feels removing the RMG projection from the terminal value is appropriate.

B-6

For purposes of the foregoing analysis, Shot Tower calculated a range of terminal values of WPT at the end 2023 using the perpetuity growth rate and terminal EBITDA methods. Shot Tower selected terminal perpetuity growth rates ranging from 2.50% to 4.50%. The unlevered free cash flows in the terminal year were calculated excluding RMG, based on the projections provided by Allied management. Shot Tower selected terminal EBITDA multiples ranging from 11.25x to 13.75x. The terminal year EBITDA was calculated excluding RMG, based on the projections provided by Allied management. The range of terminal values as well as all interim cash flows were then discounted to present values using a discount rate of 16.25%, which was chosen by Shot Tower based upon an analysis of the weighted average cost of capital of WPT, taking into account macro-economic assumptions, estimates of risk, a hypothetical capital structure for WPT based upon the future cash flows implied by management's forecast and other appropriate factors, including the assumed long term equity risk premium and assumed company size premium. Based on the foregoing, this analysis indicated an implied enterprise value range for WPT of \$49.9 million to \$54.0 million based upon the perpetuity growth method and \$77.6 million to \$89.2 million utilizing the terminal EBITDA method, as compared to the Consideration of \$105 million.

Investor Returns Analysis

Shot Tower conducted an analysis to determine how a hypothetical institutional investor may value WPT through a private market transaction for the entire WPT business, based upon a required return threshold and an indicative capital structure. In completing this analysis, in addition to its experience and judgement, Shot Tower relied upon the forecast provided by WPT as well as discussions with both WPT and Allied management. The investor returns analysis is highly subjective due to the differing parameters upon which market participants base their investment decisions. Moreover, this analysis assumes an acquisition of WPT in its entirety in a private transaction; a market which by its nature is illiquid and opaque. However, despite its inherent limitations, in our experience, the investor returns analysis can be instructive in determining an overall valuation for an asset.

The investor returns analysis is based on the same WPT and Allied management forecast used in the discounted cash flow analysis. Based upon its review of the public trading comparables and the derived EBITDA multiple range, Shot Tower assumed an exit multiple of range of 11.25x – 13.75x 2023 forecasted EBITDA (excluding RMG), and a required rate of return ranging from 17.5% to 22.5%. This methodology derived a valuation range for WPT of \$55.3 million to \$70.7 million as compared to the Consideration of \$105 million.

Sum of the Parts Analysis

For operating companies with a collection of sizeable but distinct business units, a summation of the valuations of each business unit individually can be instructive in determining the overall value of the collective enterprise. Shot Tower valued each of WPT's disparate businesses separately in order to conduct a sum-of-the-parts valuation. For this valuation, Shot Tower analyzed WPT's i) Tour; ii) Club WPT; and iii) future Real Money Gaming business separately. In allocating WPT's revenue and expenses, Shot Tower made certain allocations based on the Company's 2020 publicly available financial reports, which are not summarized by individual business line. On a combined basis, the Company's existing businesses (Tour and Club WPT) were valued in a range of \$53.5 million to \$64.7 million, while the future RMG business was valued in a range of \$0.2 million to \$25.3 million depending upon whether the metric for the analysis was fiscal year 2020 budgeted EBITDA (RMG comprised approximately 1% of total WPT FY 2020 EBITDA) or projected fiscal year 2021 EBITDA. Based upon a number of factors, including its overall judgement concerning where each component would fall within its individual valuation range as well as which metric would be used to value the business, Shot Tower derived an overall sum-of-the-parts valuation range for all of WPT of \$61.7 million to \$74.8 million.

B-7

Selected Transaction Analysis

Using publicly available information, Shot Tower reviewed selected transactions that involved the sale of whole businesses deemed to be comparable to some or all of the businesses in which WPT operates. Specifically, Shot Tower reviewed the following transactions involving companies in the gaming industry.

Target	Acquiror	Date
Vincent Group PLC	GAN Limited	January 2021
Global Gaming 555 AB	Enlabs AB	November 2020
Scientific Games Corporation	Caledonia Investments	October 2020
The Stars Group Inc.	Flutter Entertainment PLC	May 2020
Stride Gaming PLC	The Rank Group PLC	October 2019
Atlas LLC	Flutter Entertainment PLC	February 2019
Cherry AB	Audere Est Facere AS; Bridgepoint Advisers Limited; Klein Group AS ; Prunus Avium Ltd	February 2019
Mr Green & Co	William Hill PLC	January 2019
Sky Betting and Gaming	The Stars Group Inc.	July 2018
Snaitech S.p.A.	Pluto (Italia) S.p.A	Jun 2018
Scripps Networks Interactive, Inc.	Discovery Communications, Inc.	March 2018
Big Fish Games, Inc.	Aristocrat Technologies, Inc.	January 2018
32Red PLC	Kindred Group PLC	June 2017
NetPlay TV	Betsson AB	March 2017
8Ball Games Limited	Stride Gaming PLC	August 2016
bwin.party digital entertainment Limited	GVC Holdings PLC	February 2016
ITV PLC	Liberty Global	July 2014

Using publicly available information, Shot Tower calculated, for each selected transaction, the ratio of the target company's transaction value to the target company's EBITDA for the twelve-month period ("LTM") prior to announcement of the applicable transaction ("EV/LTM EBITDA"). This analysis resulted in a mean EV/LTM EBITDA of 13.7x and a median EV/LTM EBITDA of 13.3x.

Based on the results of this analysis, Shot Tower selected a multiple reference range of 11.0x - 15.0x and applied it to WPT's estimated LTM EBITDA as of June 30, 2021, which was assumed to be an average of preliminary FY 2020 EBITDA and the FY 2021 forecasted EBITDA. The analysis indicated an implied valuation range for WPT of \$57.5 million to \$78.3 million, which was compared to the Consideration of \$105 million.

B-8

Other Analysis

Analyst Price Targets. Shot Tower sought to review the price targets prepared by certain equity research analysts for Allied's common stock in order to determine an implied future enterprise value for Allied; however, research coverage of Allied is limited and no price targets were available for review. The analyst price targets, or lack thereof, are presented for reference purposes only and were not relied upon for valuation purposes.

Owned Intellectual Property. Shot Tower considered the value of WPT's owned intellectual property rights associated with the WPT brand, video content, and production music. Based upon the segmented historical financial information and forecast provided by management, Shot Tower determined that revenue derived from the intellectual property has historically been under \$2 million annually (over the period analyzed) and is forecast to remain at these levels through 2023. In Shot Tower's judgement, this catalog of IP rights is unlikely to derive a value higher than that of the overall operating business. The earnings from WPT's intellectual property are presented for reference purposes only and were not relied upon for the purposes of the valuation.

Miscellaneous

The foregoing summary of certain material financial analyses does not represent a complete description of the analyses or data prepared or analyzed by Shot Tower. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Shot Tower believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. As a result, the ranges of valuations resulting from any particular analysis or a combination of analyses described above were merely utilized to create points of reference for analytical purposes and should not be taken to be the view of Shot Tower with respect to the actual value of WPT. The order of analyses described does not represent the relative importance or weight given to those analyses by Shot Tower. In arriving at its opinion, Shot Tower did not attribute particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, Shot Tower considered the totality of the factors and analyses performed in determining its opinion.

Analyses based upon financial forecasts of future results are inherently uncertain, as they are subject to numerous factors and future events beyond the control of the parties and their advisors. Accordingly, the forecasts and analyses used or made by Shot Tower may not be indicative of actual future results, which may be significantly more or less favorable than suggested by the analyses. Moreover, Shot Tower's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which WPT or its businesses actually could be acquired or sold. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved (in this instance WPT) and other factors that could affect the companies compared to WPT and the transactions compared

As a part of its investment banking business, Shot Tower and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, private placements, and valuations for corporate and other purposes. Shot Tower was selected to conduct this fairness opinion on behalf of WPT with respect to the Transaction on the basis of, among other things, such experience and its qualifications and reputation in connection with such matters and its familiarity with WPT and the industries in which it operates. Shot Tower will receive a fee from Allied, which is not contingent upon the consummation of the Transaction, any particular conclusion set forth in its opinion, or any other factor.
